OFFICIAL NOTICES

HOA RESIDENTS' CLUB Notice from the President

NEW CHOIR DIRECTOR

Becky Webber will be the new choir director at Bay Ranch. She expects the two main choir activities to be the Christmas Pageant and the Memorial Service. The date for the Christmas Pageant is December 8.

To help her plan the program, please send Becky the name of your favorite Christmas Carol at her email address: beckywebber61@gmail.com or message her on Facebook.

Becky is replacing our former director, Betty Ann Quish. Becky expects to honor Betty Ann's memory by making few changes in the choir's programs.

NOTES FROM THE BAY RANCH OFFICE

 **B**E SAFE! Break ins and theft have been occurring in the park recently. Keep your stuff put away, your doors locked, and don't answer your door to strangers. Report any suspicious activity the the police and to management.

 **TO REDUCE SPEEDING** through the park, the back gate will be closed 24/7. If you need an opener, contact Carol in the office.

 **THE PINELLAS COUNTY Humane Society** is investigating numerous cat poisonings in our park. Poisoning any animal is a federal felony punishable by up to 1 year in jail. It is also inhumane and causes the animal to suffer. Don't do it.

 All garbage must be put in the bins behind the clubhouse. Do not put it on the ground.

 The garbage trucks empty the bins on Monday, Wednesday and Friday, but there are no set times.

 **THE POOL:** No floats are allowed in the pool. Noodles are allowed.

 If you use an umbrella, fold it up when you leave the pool. Do not use when it is windy.

 **PROTECT YOUR BELONGINGS.** Residents have reported stolen landscape decorations, tricycles, etc. Lock up tempting items or install a motion detector light to deter thieving thugs. Also, consider reporting late night walkers.

 **COMPLAINTS AGAINST YOUR NEIGHBOR MUST BE IN WRITING AND SIGNED.** Give the written compaint to the office or drop it in the mail slot in the office door. Verbal and unsigned complaints cannot be addressed.

MANAGEMENT WILL ALSO ADDRESS COMPLAINTS ONLY IN WRITING.

 **Rules:** The Park has rules that everyone received and reviewed when they bought or rented their coach. They are also printed annually in the Directory (September issue of Bay Ranch Review). **Please read and follow them.** Failure to follow rules is grounds for eviction, and management has shown that it is willing to evict.

 **Rules commonly broken:**

1. Parking on grass or sidewalk, overnight on street, and/or every day.
2. Parking overnight at the Clubhouse without Office authorization.
3. Failing to register at the office all persons living living with you.
4. Piling garbage in front of garbage bins. When you throw garbage, throw it to the back so when you open the door, it doesn't fall out and there is space.
5. Failure to maintain, paint and/or clean mobile home, trim, awnings, planter and driveway.

Sewage remains an intractable problem. Drains continue to back up because grease,

vinyl/rubber gloves, paper towels and other inappropriate items are flushed. **Bay Ranch will not pay to unclog sewers when the clog is caused by inappropriate items put down the sewer. The tenant will have to pay for this problem.**

Eds. Note: It is inappropriate to flush anything other than toilet paper, and doing so causes costly sewer clogs. If the park pays, **we all will ultimately**, through rent increases.

Also, those so-called flushable personal cleansing cloths are really **NOT FLUSHABLE**. They do not disintegrate in the sewer system, and they **WILL** clog the sewer someplace in the system. Lots of people like to use these cloths in the bathroom, but **PLEASE** do not put them in the toilet. Limit what goes into the toilet to toilet paper. *Eds. Note:* My housemates and I had to hire a plumber when our own drain system clogged due to dishwasher detergent that was not well dissolved. We had virtual rocks of detergent blocking the drain. Our solution (after paying the plumber): liquid detergent.

Those metal electric service boxes behind each mobile home belong to Duke Energy. **Please do not service or pay to service them yourself.**

Call Duke Energy or Carol Alvey (see her cell phone number at the front of the Review) if your electric needs service. Why? Well, in a couple of instances, residents have submitted bills for about \$4,500 for service. If the repair is the park's responsibility, we have an electrician who will do the work for \$1,500. It just makes economic sense.

From the box to the mobile home is the resident's responsibility. Please make your own arrangements with an electrician if that area needs repair. The office can tell you if the repair is your responsibility.

**SEE SOMETHING
SAY SOMETHING
DO SOMETHING**

Homeless people are moving into the park. In one instance, an empty coach was left unlocked and homeless people had moved in. In several instances, people have been sleeping in the driveways/patios of empty homes. And others have been sleeping on the shuffleboard courts, sometimes using cushions

from outside the clubhouse for mattresses.

Please watch out for your neighbor and neighborhood. If you see someone entering a home you know to be empty, or someone sitting or sleeping in that home's driveway/patio, or any other inappropriate behavior of this type, please call the Largo police. It is ok in this case to use 911 because you don't know what the danger is.

Cars left parked on the street after midnight **will be towed**. This is expensive and inconvenient. This is another opportunity to be a good neighbor: by reminding someone whose car is in the street after 10 pm. \

continued on page 10

Cars parked on the street during the day should be staggered so emergency vehicles can pass by. Do not park on the grass or sidewalk.

You must register at the office if you have something parked in the field north of the clubhouse, or see Brent (maintenance).

* Please, put ALL garbage in the dumpsters, even big and heavy items like furniture.

* DO NOT dump behind, beside or anywhere near the trash bins. Put the garbage in the bins.

*Put household trash in the smaller trash bins.

* Do not bring garbage to the bins on Monday morning. By that time, the bins are overflowing. Wait until Monday afternoon or later, when the bins are empty.

* Pick up for furniture, tree brush/limbs and other debris will be on Monday, Wednesday, and Friday only. Put out trash after 5:00 p.m, the day before.

***DO NOT DISPOSE OF TVS OR ELECTRONICS IN THE PARK. DO NOT PUT THEM IN OR BESIDE THE DUMPSTER.** We get fined. Call pinellascounty.org/recycle to dispose of them.

*If you need help disposing of something, someone in the park may help you for a fee

Larger families and visitors: Reminder: that rent is based on one or two per household. Each person above the two must pay an additional \$30 a month, including visitors who stay over 30 days. Please be proactive about this and pay the money without first being reminded.

The following information remains in force:

Fires: Test your smoke detectors to make sure they work. Recommended action: purchase a fire extinguisher if you don't have one and know how to work it. If a fire starts, spray it with the fire extinguisher immediately and GET OUT OF THE HOUSE. Fire destroys mobile homes very quickly..

Management requests that you turn off your water heater when the water is off, to prevent the element from burning out. Eds. Note: According to diy.stackexchange.com/questions/3766, this needs to be done because the element will burn out if the water heater becomes empty. Tankless heaters don't need this.

Other announcements:

The stoves in the kitchen both work.

The purified water dispenser at the clubhouse operates on its own schedule. After someone has filled containers, it may take the dispenser some time to regenerate enough water for more containers. There is a light on the dispenser that tells whether it is ready.

Some have questioned why the application fee is “so high.” One reason is to help cover garbage fees, since new owners usually throw away most of the furniture and electronics.

Mr. Larson (the owner) calls the lawn service for lawn care on an as-needed basis. The park pays for lawn mowing, etc., once a month but the need sometimes goes unnoticed. If you notice the lawn needs trimming, please let the office know so they can call Mr. Larson.

Sometimes an automobile will leak oil onto our new, nice looking pavement, creating an eyesore. If you notice a leak by your house, call the office to have it cleaned up. Let’s keep these streets looking nice!

Lost and Found Dog/Cat: If you have found a dog or cat, you can post on a site called pawboost.com or call Animal Service on Walsingham. If you call, Animal Services will come out, free of charge, to pick up an animal.

FROM THE EDITOR

By Carol Raabe

Congratulations to Becky Webber, our new choir director. Of course, Betty Ann Quish will remain in our memories, and we know Becky will help us maintain our singing and performing excellence.

A big part of this issue is devoted to our moms. Thanks to all who contributed. Many photos included background or other loved ones. It was great fun putting this together, but as you see, they were all cropped to show mom's faces and be the same height. It was great fun putting this together.

By the time this comes out, most snowbirds will be "up North" again, the heat and hopefully rain will in, the park will settle down for a long summer's nap, to paraphrase the poem. Happy summer to you all, and get your energy up for a fun and active fall and winter!

BOB'S CORNER

By Bob Lupton

Hi Ranchers,
Been a while since I have written a column. Since then the Ranch has lost more of our people. We have been quarantined and the Clubhouse has been closed. Our Northern residents have remained North and for the most part activities have ground to a halt. This week we have finally opened the Clubhouse with Covid restrictions As I write this it is March the 18th and finally there is a little light at the end of the tunnel.

My wife Gin's eyesight has dramatically improved but still has a way to go to where she can drive again. Both Gin and myself have received both our Covid vaccinations and I understand quite a few of our Bay Ranchers have also. So things are starting to look up.

I can not wait until our Northern residents have returned and we can return to dinners, dances shuffle board and other activities. In the last few months we have been able to have several outdoor events, cookouts etc., and I was happy to provide music. It was really nice to see people dancing again and having fun.

I hope we can finally get back to a Bay Ranch normal and I am really looking forward to that day when we can party like it's 1999! So hang in there Ranchers, stay safe. We will get through this.

Love you guys
Bob

MY MOM

With Mother's Day in May of this pandemic year, we seem to be more sentimental about our moms than ever. Thank you to all Bay Ranchers who sent remembrances and pictures for the Review.

Carol Rice Bromley Olson

My Mom was a farmer's wife. She not only raised three children, she also took on the task of raising my three nephews. She had a garden, caned, made bread and cooked for her family of eight. When my Mother died, I don't think anyone could say anything negative about her. She was the sweetest, kindest, Christian person. Everyone that met her loved her. ❤️ I miss her so much.

Gin Owens Lupton

Photo 4. My Mom was the life of the party. She drank small triple martinis and was always first on the dance floor. She raised 6 kids and reminded us that fun was part of life. We miss her. Bob was her favorite son in law out of five. He made her laugh.

Linda Knapp Ferrara

My mom was among the first women who worked in computer programming. She used RPGs language with large mainframes. Later in life she loved quilting. She was my best friend. I miss her very much.

Ione Jones

My mom taught me to see and do many crafts. This let me develop skills on problem solving that I have used my entire life. She was a stay at home Mom but worked very hard. She baked all the bread our family of 8 ate, made most of the clothes for 6 kids and a instilled a strong work ethic (along with our Dad) in her children.... **Carol Raabe** (same mom) Mom was very smart and creative and encouraged us to be, too. She wasn't overtly affectionate (hugging wasn't a thing in our house) but we always knew we were loved. Years later, I still have things I wish I could tell her.

Lynda McCurrach MacNeill

Photo 5. My Mom was a very hard worker and very organized to raise 3 children and worked full time as a bookkeeper. She kept an immaculately clean home and expected us to keep it that way. I am one of the lucky ones to still have my Mom. She is 94 and lives in assisted living in Ontario.

Janice Evernham

My mom was amazing she was such a good mother and also my best friend she loved to live life to the fullest everyday she woke up she looked out the window and thank God for the sunshine she definitely is missed

Andrea Willis

My mother use to sew all our clothes, for Easter. We lived in Boston at the time and we

Continued on page 26

use to go the commons after church for the Easter Parade. I made the front page of the Globe Newspaper 6 yrs. in row. She also was a baker, she made my sisters wedd...She also was a baker, she made my sisters wedding cake and they needed a truck to move it to the hall. She also won 1000.00 dollars for a cake recipe.

Kathy Jo Kielpinski LaBean

Photo 6. My mother will be 81 on her next birthday. Her name is Mary Ellen. She is the most hard working woman in the world. She has owned and operated a tavern and grocery store for over 53 years, and they just sold it this year and are going to retire now. They also have been married almost 60 years. Happy Mother's Day, Mom. I love you.

Deanna Duarte

Photo 7. My mom deserves everything in this world. I'm very lucky, so is my sister, to have her still in our lives and still being so energetic. She's a strong cookie. My sister and I hope we're just at least a quarter of what she is today.

Nancy Ann Peterson

My mom is an amazing woman. She will be 97 in June. Still does all her own housekeeping and cooking. Wish I had her energy. Love you mom.

Patty Schlagel-Adair

Barbara Farner Lehman

Photo 2. My mom was born in a coal town of West Virginia and moved to Pennsylvania as a young child. She became a registered nurse and always loved taking care of people. She tried to live her life to the fullest and loved sharing that life with family and friends. The beach was her happy place, mercy, I sure miss her.

Bob Lupton

Photo 8. My mom worked all her life, first as Bell Telephone operator(remember them) in Maryland. When we moved to Pennsylvania she worked at J C Penny until she retired with my dad to Gettysburg. When my dad passed in 1994 She moved to New Jersey with her sister and died at 101 in 2018. I miss her.

Deanna Duarte

Photo 7. My mom Zeniada is 93 yrs young. She is a retired RN from Chicago of 45 years. She is my rock but she will say I am hers since my Dad passed away little over 7 yrs ago. She is loved by so many and everyone calls her mommy and she loves it. We are very blessed to
