Paradise Island Cooperative

By Paul Snellenberger, President

We have three committees working hard in an effort to better serve all the residents of Paradise Island and maintain the fiscal integrity of our community. Each committee will be bringing reports and recommendations to the full board for discussion and approval as needed.

1. The Finance Committee has reviewed hundreds of pages of documents. They are auditing all contracts (written & verbal), office procedures, forms, record retention, warranties/guaranties, computer backup systems, insurance policies, licenses, bank records and assuring that resident files contain the essential components. Policies and procedures related to prospective buyers, Co-Op Membership, Lease holders, and Renters are being reviewed along with new resident orientation procedures. (Gary Jira)
2. The Operations / Infrastructure Committee has been very active reviewing Maintenance Department policies & procedures, as well as security and safety enhancements. Identifying infrastructure projects with priorities is a critical component which requires expertise and time. We have residents on this committee who willing share their expertise derived from their years of experience in the trades. We are currently looking into using more solar power, updating the air conditioning to be more efficient and finishing the vinyl fencing around the park which should help with some security. All of the items and issues take time. So it may not look like anything is being done but it is. It just takes time. (Roz La Rocco)
3. The Unification Committee is working on ideas to unify all residents through the Co-Op and HOA organizations. We are exploring new opportunities for communicating with all residents more effectively. If you have ideas please share them. (Paul Snellenberger)

The word TRANSPARENCY is often used when individuals are seeking to rebuild trust in each other and organizations. When a person is transparent, they invite trust by revealing that they have nothing to hide. They are approachable and willing to share reasons for their actions and listen to other's perspectives.

Many times, a person is not given the opportunity to demonstrate transparency such as a one sided post on Social Media. Social Media is not as effective as sitting together in person to share ideas. There are always at least two sides to every situation. Take for example an automobile accident. Multiple witnesses viewing the accident from different angles may observe and record in their mind different perspectives. An effective accident investigator will seek as many perspectives as possible before arriving at a conclusion.

Stephen Covey wrote a book called the *7 Habits of Highly Effective People*. The 6th Habit is “SEEK FIRST TO UNDERSTAND, THEN TO BE UNDERSTOOD.” As our Paradise Island community is in the trust building process, I’d like to encourage us, myself included, when we have differences of opinions, let us seek to understand each other’s point of view before we draw our own conclusion. I know from personal experience, this is not easy to do, and it takes more time, but in the long run it’s how authentic relationships are developed.

Each one of us plays a role in making Paradise Island a wonderful place to live! Thank YOU for doing YOUR PART!

Parking Reminders

By Paul Snellenberger Co-Op President

No overnight (11pm to 8am) street parking without a valid resident or guest street parking permit. (NOTE: Street Parking Permits are available in the Co-Op Office and should be displayed on the upper driver side corner of front windshield)

Residents must park ALL their vehicles in their driveway. However, if it is possible to park ALL resident cars in the driveway with space left-over, that space may be used for patio furniture, boats, and golf carts providing that everything (including all cars) can be accommodated in the driveway without blocking their sidewalk or their neighbor’s driveway.

In the event all available car parking spaces are occupied by car(s) in the driveway, residents may park their smallest car on the street after obtaining a “Street Parking Permit” from the Office.

Guest Street Parking Permits are available in the office and valid for up to 30 days. Guest parking spaces will be available at the clubhouse for use of guest while visiting. Permits are needed to use these spaces.

No resident /guest shall park on any street directly across from another parked vehicle thus restricting, blocking or creating a hazard for the normal flow of traffic or emergency response vehicles, i.e. fire equipment or ambulances.

Illegally parked cars may be fined and towed away by the city. Cars parked in such a way that they prohibit passage of emergency vehicles will be subjected to a county fine of \$500.

(above paragraphs were copied from Paradise Island Co-Op Inc. Rules and Regulations Section XI)

Violations observed by residents should be recorded on a Concern Report and turned in to the office. Anonymity will be maintained. Our Community Manager will follow up and make observations of space availability and provide approval or denial for overnight street parking.

The Concern Report system is our method of communicating internally to get things done. Using Social Media to communicate concerns is not an effective tool for solving problems. If you see something that is not right, please say something through a Concern Report.

Spectrum Internet Speed Upgrade

By Paul Snellenberger

Spectrum is in the process of increasing their ‘standard’ internet speed. All residents of Paradise Island will receive the upgraded internet speed later this Spring at no additional cost. Spectrum did not provide an exact timeline for the upgrade. The PI office does not have any additional information. Any cable or internet questions should be directed to Spectrum Customer Service.

The Paradise Island Homeowners Association

By Dianna Gilmore

Spring flowers, sunny skies and a bit of rain here and there. Yes folks, it is May and we are almost into summer. Normally we are talking about the slowdown in activities as our snowbirds leave for their summer homes. This past year has been a bit different. We now have hope of increasing our activities as some of the Covid restrictions have eased. Pool parties look like they will be making their comeback and we will be able to socialize a bit easier. Committees have been hard at work. Look for comebacks for bingo and Thursday meals from the kitchen this fall. We have a great team on an outreach committee called PI Caring Hearts. The Media committee has started a new Facebook group for residents to join. This will be a place to find current information in addition to the Monthly Media, emails, etc. Please see more information from the committees in this media.

We recently held a CPR class. It is great to know we have several people who are certified to help out in an emergency where this skill would be needed. The training included how to use the AED (automated external defibrillator) that is in our clubhouse. We will look to host an informational session on this piece of equipment in the near future. It is easy to use, no special certification necessary and could save a life!

Our next residents meeting is on May 5 at 7pm. Watch for the zoom link and information in your email.

Similar to seasonal affective disorder where people see an improvement in depression by the increase of sunshine, may we move forward reaching our way out of this viral affective disorder (commonly known as quarantine and social distancing) by taking sensible steps to increase socialization and improving our mental health.

“Patience and perseverance have a magical effect before which difficulties disappear and obstacles vanish.” - John Quincy Adams

FLEA MARKET UPDATE

By KEN HOPKINS

The generosity of our community continues as we move on down the months, and we appreciate it very much. We are close to getting our new storage shed, but alas, wait for the city of Largo to issue the permit. And so, we are grateful for your patience when we cannot pick up larger items immediately. Soon, soon, soon!!

When we get the new shed we will have a pricing party to sort, price and repack all the donations we have not had the ability to go through. We will announce it on PIFAN and if you want to join in the fun, great!! There will be sales at that time as well, so first chance to see the donations. Come on down.

The flea market will be held on October 23, 2021, the good Lord willing. Mark your calendars now for this fun event.

Thanks again to all who are committed to the community by virtue of your donations, your time and your interest. Wishing all of you a wonderful May!

To schedule a pick up, call Ken or Mary Ann at 727.303.3417.

FLEA MARKET PICKUP SCHEDULE

By KEN HOPKINS

The pick-up schedule for the next month will be as follows: May 14, 28; June 11, 25. We will suspend pickups in July and August as typically these are our hottest months and we need the time off. Thanks!!!

FLEA MARKET EVENT, OCTOBER 23, 2021 VOLUNTEERS NEEDED

By KEN HOPKINS

The flea market will be Saturday, October 23, 2021 at the Clubhouse, from 8AM to 2PM. We will be using the same format as last year with the departments well identified and plenty of room to spread out. We want to do the same volunteer format as well, with table leaders and teams for each department. I would like to begin to build my list to ensure coverage for all areas. If you can volunteer, please let me know what department (perhaps same as last year) you would like to be assigned.

Commitment is set up on Friday morning (9-??) and Saturday 7-3. If interested, please email me at kenhopkins64@gmail.com with your availability and area of interest. If you have any questions, please call me at 727.303.3417. Thanks!!!

Social Committee Update

By Marcia White

April turned out to be a beautiful month here in Fl. We had a few cold days and many beautiful low humidity days. We hope everyone had a nice Easter.

It appears that the majority of our residents who wish to be vaccinated have been able to get the vaccine. It is our hope that by fall we will have all of our residents vaccinated to help us to stay safe for the balance of the year.

May brings us Mother's Day and for some of us who still have our Mother's it's pretty special , but for those of us who don't, here's a wish that your children will be able to celebrate this holiday with you. You are special too.... **ALL MOM'S ROCK...**

The Social Comm. will do a soft opening starting in June with our first event which is our pool party. It will be hosted outside in our pavilion area and hamburgers and hot dogs will be served by our hosts. Bring a dish to share and it will be \$ 2 per person for the event to cover the cost of the food and condiments. We will also host one in July and August. We hope to see you there. We will still follow all CDC guidelines for all of our events.

We are posting the fall and winter calendar and we will continue to monitor the CDC guidelines for the events we plan on hosting inside the clubhouse. We will keep you posted each month with any new information we receive. As you can see by the calendar we plan on being able to open all of our events by October. It is our hope that we can start to all go back to a somewhat normal routine of how we once all lived. Yes we know it will never be the same but we will try to get us as close as we can and still keep you all safe.

Since we were not able to hold our annual Flea Market in March of this year it will be held in October and you won't want to miss this one. Ken and Maryanne Hopkins along with the help of Ken and Nancy Jonas have been collecting donations for a year now. By the time the flea market gets here it will be 18 months and we will have 3 full sheds of donations to sell. Ken will update you as we get closer, but we wanted you to know it is on the calendar. Thank you to all who have so generously donated so many nice items..

We are looking for a volunteer to host our Golf Cart parade for Christmas. Harold has stepped down and we will miss him. Thank you Harold for helping to make this such a fun evening. If you are interested please contact Marcia White at 727-953-3616 for more information. All volunteers are welcome. We are also looking for a decorator or a decorating team for the fall. We will need someone to take over decorating our clubhouse especially for Christmas time. Again please contact Marcia White if you are willing to volunteer. We would love to see some new faces on our team.

Until next month, stay safe and enjoy our beautiful weather.

Warm Regards to all , Marcia White

Paradise Island Church in The Park

By Serena Johnson

Happy Mother's Day!

Hope you are enjoying our blooming flowers and trees and most of all the great Sonshine. May all of the Mothers be totally blessed on the 9th and for the coming year!

Memorial Day is celebrated on the 31st in which we remember those who have given their lives for our country. We remember all those family and friends who have gone on before us. Most of all it should be a reminder of when Jesus died for you, that you may be reconciled to our Heavenly Father. Thank you, Lord!

You are all welcome to join us in the Clubhouse on Sunday mornings at 9:30 AM for an hour of worship and fellowship. Please note: We as a church are following all the CO-OP's and CDC guidelines regarding Covid 19, so please feel free to come join us in safety. We are a Non-Denominational Church as many denominations are represented. We would love to have you stop by and be a part of the body of Christ worshipping here. If unable to attend, you can tune in to Spectrum Cable Channel 732 at the above time on Sunday mornings.

Bible Study is on Thursdays in the Clubhouse at 9:30 AM led by Pastor Bill Ogburn. We are studying the book of Daniel. Hopefully, by the first of May we are able to begin again. All are welcome, come join us!

If you know of someone in the Park that has a need, please let us know. All requests are confidential. We would like to help if we can. Please call one of the numbers below and we will look into what we can do to help.

If you have a prayer request or would like a visit, please contact: Pastor Bob Brookhart (727) 480-9793, Pastor Bill Ogburn (727) 474-2722 or Serena Johnson (727) 530-5905.

Men's Club

By Art Yeo

Winter has come and gone and some of the snowbirds are beginning to head north for the summer. Vaccines are being given both in the US and Canada. Things are beginning to return to normal. At this rate the entertainment schedule for next season will go ahead as planned.

The Men's Club is committed to returning to the way things were before COVID-19. We hope everyone has a safe return to their summer residence and those remaining in Paradise Island stay positive.

Remember to get vaccinated and stay safe and healthy. See you in the fall.

VETERAN'S CORNER

By ROBERT BEHM, President

All Veterans, their spouses and caregivers can get COVID-19 vaccinations from VA under the SAVE LIVES Act signed into law March 24.

Covered individuals can receive a vaccine from VA due to the ongoing COVID-19 public health emergency. Under the bill, covered individuals are:

- Veterans who are not eligible to enroll in the VA health care system;
 - specified Veterans who are eligible for hospital care, medical services, and nursing home care abroad;
 - family caregivers approved as providers of personal care services for Veterans under the VA's Program of Comprehensive Assistance for Family Caregivers;
 - caregivers of Veterans participating in the VA's Program of General Caregiver Support Services; and
 - caregivers of Veterans participating in the VA's Medical Foster Home Program, Bowel and Bladder Program, Home Based Primary Care Program, or Veteran Directed Care Program.
- Civilian Health and Medical Programs of the Department of Veterans Affairs recipients.
- Veteran spouses.

VA must prioritize the vaccination of (1) Veterans enrolled in the VA health care system, (2) Veterans who fail to enroll but receive hospital care and medical services for specified disabilities in their first 12 months of separation from service, and (3) caregivers accompanying such prioritized Veterans. Additionally, vaccines furnished abroad are authorized to be furnished in a geographic location other than a state regardless of whether vaccines are needed for the treatment of Veterans with a service-connected disability. This includes those participating in a VA rehabilitation program.

Not sure how many of you are aware of a big change in the MRD for your 401k's? You cannot keep retirement funds in your account indefinitely. You generally have to start taking withdrawals from your IRA, SIMPLE IRA, SEP IRA, or retirement plan account when you reach age 70½. However, changes were made by the Setting Every Community Up for Retirement Enhancement (SECURE) Act which was part of the Further Consolidated Appropriations Act, 2020, P.L. 116-94, signed by the President on December 20, 2019. Due to changes made by the SECURE Act, if your 70th birthday is July 1, 2019 or later, you do not have to take withdrawals until you reach age 72. Roth IRAs do not require withdrawals until after the death of the owner.

Your required minimum distribution is the minimum amount you must withdraw from your account each year.

You can withdraw more than the minimum required amount.

Your withdrawals will be included in your taxable income except for any part that was taxed before (your basis) or that can be received tax-free (such as qualified distributions from designated Roth accounts).

Bob Behm, LTC (RET)

In Memoriam

By Dianna Gilmore

People die all the time. Life is a lot more fragile than we think. So you should treat others in a way that leaves no regrets. Fairly, and if possible, sincerely. It's too easy not to make the effort, then weep and wring your hands after the person dies. - **Haruki Murakami**

Please contact me, Dianna Gilmore at 303-748-6572 of any deaths you are aware of in our community. It is my honor to lower our community memorial flag and post notices on the flag board, the clubhouse and in the Monthly Media. Your calls to me will be greatly appreciated. Without your call and the appropriate information, we are unable to commemorate your beloved neighbor, friend or family member. Thank you!

Be sure to include the name and lot number along with type of occasion.

Please send to either: Gloria Garafola; 727-463-7307 -email, sheerglo@tampabay.rr.com

OR Eleanor Martin; 508-287-4197 -email, bemartin586@gmail.com

All communications will be kept confidential. Hope to hear from you.

We are all so glad to be seeing things start a very slow, but hopefully sure, recovery back to something resembling normal life here in Paradise! As many of us now have received our vaccine, we can now meet and greet our new neighbors outside to welcome them to our community and highlight all of our activities which we hope can start to resume soon!

See, when you drive home today, you've got a big windshield on the front of your car. And you've got a little bitty rearview mirror. And the reason the windshield is so large and the rearview mirror is so small is because what's happened in your past is not near as important as what's in your future. — Joel Osteen
