MESSAGE FROM THE OFFICE

DeeVon Schisler, LCAM, Office phone 727 584-1413, email: secretary.fourseasonsestates@gmail.com

Congratulations to our new ROC Board of Directors: Lloyd Wilson, President; Ron Kelly, Vice President; Glenn Register, Secretary; Val Felske, Treasurer; Directors are Chris Helopoulos, Lynne Wheal and Guy Pelland.

I have been asked to pass on several items of concern/information from the Board of Directors.

This has been addressed in the past, however, the Board would like to reiterate that any work that is done on or around the home site must have written permission from the office prior to any work being started. If you do need a permit from the City, we will let you know. **Even if you do not need a permit from the City, you still need our construction request form filled out and approved prior to any work being started.** We have also seen the ‘old’ construction request forms coming into the office. We must be using the revised forms. If you turn in an old form, you will be asked to resubmit it on the current form. This request form is to be used for anything and everything that you wish to do. This includes any painting and covers painting driveways.

Parking at the clubhouse has gotten out of control. You must have a parking pass from the office to park. Our rules state 72-hour parking is permitted. Getting “verbal” permission from a Board member does not help the office to know whose vehicle is in the lot and may result in towing if the proper process has not been done. If you do not obtain a pass, we have no way of knowing whose vehicle it is and could have it towed. Please make sure you plan and come

to the office between 9-3 to get your parking pass.

As most of you know by now, the Golden Corral site has been cleaned up. The City of Largo now has a trespass permission in place. If you see anyone up there, please call the Largo PD. They now have the authority to get people out of there.

If you are using the laundry facilities please make sure you are cleaning out the lint traps. The dryers will be very costly to replace if they burn up due to negligence.

If you are planning to have guests, please be reminded that we are a no pet community. If your guests intend to bring an assistance animal with them, they must have first obtained the packet that we send to our attorney for them to be properly vetted and verified that they have in fact an assistance animal. They cannot bring “Fluffy” or “Fido” on vacation with them. You, as the unit owner, are responsible for informing any guest of this rule and obtaining the assistance animal paperwork from the office for them and their medical provider to have filled out and returned to the office. Once the office has official word from our attorneys, we will contact the guest and the unit owner to inform them of the attorney’s findings.

If you are using the pool noodles and weights, once you are done with them, make sure you are closing the lids on the storage containers. If not, they will continue to draw bugs. There are holes drilled in the bottoms of these containers to allow the water to drain. We cannot keep emptying them completely out each day to get rid of the bugs.

The security gate installation is making progress. We expect that to be finished by mid-May. Once it is installed you will be given instructions on how to obtain your access code.

Violation letters will be going out in the next few days. I am sending much fewer letters on violations than in the past and **I thank you all for your efforts.** Please remember that even though you may not be here, you still have the obligation to ensure that you are following our rules on the appearance of your home site. The Board will be reviewing this rule and potentially making changes and creating policies to ensure this and other rules are being observed. More will be announced as information becomes available.

Permission was given to SAC to host a pool party in April. Although the Board is aware that you all want to get back to normal as possible, further ‘functions’ in the clubhouse will not be allowed at this time. The hope is for things to be opened by fall.

We have also repaired the floors in the outdoor restrooms and the pool shower as well. While the floor was in process, it was discovered that walls were damaged, so a facelift was needed. It all looks very nice!

Should you have any comments, questions or concerns, reach out to us at the office, Monday-Friday from 9-3.

FOUR SEASONS HOMEOWNERS ASSOCIATION (HOA)

By Janice Lamore, Secretary, Lot #332, Phone #802-879-0501

Thanks to those homeowners who attended our April HOA meeting. The following people now serve as our Board of Directors: John Jones, President, Pat McDonnell, Vice President, Sandy Hansen, Treasurer, Janice Lamore, Secretary, Alice Strawn, Director and Pat Costa, Director.

Our next scheduled HOA meeting is November 4, 2021. We will be collecting the reduced annual membership 2022 dues of \$5.00 at that time. Since we have reduced our annual dues to \$5.00, we are encouraging all of our homeowners to become official members of our association. Please join and attend our scheduled meetings so that you may have input as a homeowner. It is important to maintain our Homeowners Association as organized under the laws of the State of Florida to act for the benefit of its members in dealings with the owners and operators of the Park (ROC.) It is the legal voice to represent all homeowners.

MESSAGE TO OUR FOUR SEASONS COMMUNITY FROM SAC

Lynn Ruhl, Chair of Information, Lot #482

Just a reminder to ALL our residents. SAC sponsored events and activities continue to be cancelled at this time. When the conditions allow us to sponsor any events, activities or other functions, you will be updated through our SAC Facebook page (4SeasonsSocialActivitiesClub) and word of mouth. Examples of this occurring in April 2021 were our monthly board meeting

which was held in the clubhouse and the Pool Party outdoors. Our monthly newsletter calendar will continue to keep you as current as possible concerning upcoming events and activities. Remember that if you are participating in a non-SAC sponsored activity it is at your own risk!

Other recent items to share with residents include the following:

The group memorial gift for 2020 was the purchase of two coral umbrellas for use poolside. For the 2021 year we plan to donate memorial monies to local charities.

Due to Covid restrictions for holding our annual election of officers and no interested parties interested in running for these positions, the board has extended the terms of office for these members until 2023. This unanimous vote (in March 2021) includes the vice president, secretary and chairperson of activities board members. All three of these people have agreed to continue in their positions for another two years.

A huge thanks to the two gals who stepped forward to assist with newsletter distribution.

continued on page 10

This will be a tremendous help to Mandi, our current and long-time organizer.

The 2021-2022 phone directory has been sent to the publisher. It should be ready for delivery sometime this summer. Don't forget that ANY changes / corrections / deletions need to be received by March 15th of each year.

We hope our community friends are staying safe and healthy during these times. Be patient and understanding as we "muddle through" difficult and unusual days. Hopefully by fall of 2021 we can share together in the FUN of Four Seasons Estates!

A WORD OF THANKS!

I would like to thank all those that voted for me in the annual ROC election of Directors held on March 26, 2021. It is my intention to represent all members of the park to the best of my ability. Thank you for placing your faith in me. Lynne Wheal

ARE YOU LEAVING THE PARK SOON?

(Use this as a checklist)

So many things need to be done before you close up your home for the summer. Probably the worse job is emptying the refrigerator! Some folks actually leave their refrigerators plugged in and full of food, just always be mindful that if the power goes off during the summer and items defrost and then refreeze, you should discard everything when you come back in the fall. Better be safe than sorry!

- The second most important thing to remember - Be sure to turn off your water.
- Store all outdoor furniture in your shed or porch – heavy summer winds can cause items to be blown around.
- Remove fake flowers from your planters – they only fade or blow away during hot & windy summer months.
- Take in and store your door mats and park mail pouch. Remove your flag and store away until you come back.
- Be sure to put a change of address/stop delivery with the US Post Office. And tape/tie your mailbox closed.
- If you have the newspaper delivered – be sure to call them and give a stop date.
- Store your garbage and recycle buckets in your shed.
- Make arrangements for your planter to be weeded and shrubs trimmed while you are away. Notify the office with the name and phone number of the person/company who will take care of the weeds.
- Give a trusted neighbor a house key and ask them to check on your place once a month. Always good to have someone watching over things while you are away.
- Be sure to lock your windows and doors – and shed door.
- Don't leave items like landscape lights or decorative items in your lawn. Difficult for the lawnmowers to mow around such items. Put your landscape lights in the planters – looks nice at night in the summer when folks are out on their evening walk.
- Check your awnings now (before you have to leave) and put new fixtures on them if necessary. Be sure to lower and secure them when you leave. We saw what happened when Hurricane Irma came through last fall. It's such an easy way to secure your home and hopefully prevent serious damage.

I HATE TO TELL YOU

But guess what's just around the corner! June 1st is the official start of the Florida Hurricane Season. Start your preparations now – do some BOGO shopping for non-perishables, gather your important documents together, check to be sure your insurance coverage is in order.

Watch for our article in the June issue of Monthly-Media with tips on being prepared.

TIME FOR A CHUCKLE! I'M A SEENAGER

I just discovered my age group! I am a SEENAGER (senior teenager).

I have everything that I wanted as a teenager, only 50 - 60 years later. I don't have to go to school or work. I get an allowance every month. I have my own pad. I don't have a curfew. I have a driver's license and my own car.

I have ID that gets me in to bars and the wine store. I like the wine store best. The people I hang around are not scared of getting pregnant, they aren't scared of anything, they have been blessed to live this long, why be scared? And I don't have acne. Life is Good!

Also, you will feel much more intelligent after reading this, if you are SEENAGER. Brains of older people are slow because they know so much. People do not decline mentally with age; it just takes them longer to recall facts because they have more information in their brains. Scientists believe this also makes you hard of hearing as it puts pressure on your inner ear.

Also, older people often go to another room to get something and when they get there, they stand there wondering what they came for. It is NOT a memory problem, it is nature's way of making older people do more exercise. SO THERE! Make sure your friends read this – your friends may be my friends too!

MUSIC AND FRIENDS

I'm a kind of a 1/2 glass full guy, and just got an email that I am booked for my first shot in two weeks!!! Well now my glass is full and I am heaven bent for Largo Florida this Fall to enjoy the R n R I have missed. Expect ONE thing - we all are going to go flat out enjoying ourselves. PTLord everyone will stay safe and our Music will be reunited with our Friends!!!!

Bless you guys and have a safe summer. Art Payne, Chair

BOOK OF THE MONTH CLUB

Marilyn Franz, moosicldy@aol.com, #411

If you are a reader, or even you are not, you might like to join the Four Seasons Book of the Month Club! Each month we'll highlight a different book. Most of the books are circulating around the park or you can reserve them at the Largo Library. All you need is your library card and then you'll be able to reserve a book on line! The Largo Library also has a great used-book shop – good prices and a fun place to browse. One of our residents volunteers there each Saturday.

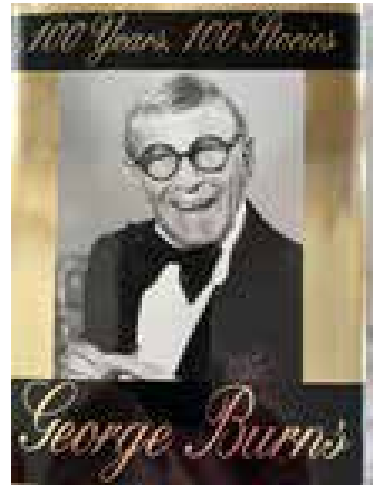

I picked up a book “100 Years, 100 Stories” by George Burns. Many of us remember the great team of Burns and Allen. George was always the straight man and dear Gracie, the comedienne - what a gem! This little book is a treat – a recollection of his long career and the many other performers with whom he worked: Jack Benny, Bob Hope, Groucho Marx, Goldie Hawn.

George Burns' career spanned the history of modern show business; he starred in big-time vaudeville, in radio, television, the movies, and the recording industry and on the nightclub stage. His books topped bestseller lists for years. George authored 8 books including “Gracie, A Love Story.” He lived to be 100 years old. And always had a one-liner to fit every occasion. “I honestly think it is better to be a failure at something you love than to be a success at something you hate.”

If you'd like to read this book contact Marilyn at #411. Take it – read it – pass it on!

If you've read a good book lately and would like to tell us about it, email Marilyn at moosicldy@aol.com or Lynn at sacinfochair21@gmail.com.

You know you're getting old when you stoop to tie your shoelaces and wonder what else you could do while you're down there. George Burns

LITTLE REMINDERS TO SAVE BIG HEADACHES

Mandi Harman-Ashley

This is a good time of the year to clean not only your house but your wallet. Place ALL cards from your wallet on a scanner. COPY then flip the same cards over & scan the back. WHY? Because the back side is where all the contact numbers are located....You can't call to report them missing when they have gone missing also!! Be sure to make at least 2 copies & date them. Put at least one copy in a safe place. Recopy and date whenever a change is made.

Next: Make a couple hard copies of all your passwords & date it (redate it whenever you make a change). Put a copy in a secure place that important individuals have access. Yes, there are all sorts of password vaults out there but things happen. When you may need your sharp memory it abandons you under stress. (There are also several apps to keep your passwords all in one place – check out KeePass).

It was a sad day when a friend's husband died suddenly & she had NO idea to the password to their computer. That meant she had NO access to the bank account or other important accounts!! After a fashion they got some access but she really could have done without the stress.

Changing passwords so you don't use the same one for all accounts can be challenging to remember. Try this: Use the name of the town & zip code you lived in TWO moves ago. When you change it just add a numeral to either the beginning or end. Then change only the numeral when updating. Example: Hoosick12089 to update it Hoosick120891 or 1Hoosick12089. (I've never used any of these).

TRAVEL AND ENTERTAINMENT

Sandy Hansen, #452, hansens167@gmail.com

HERITAGE VILLAGE: The first Thursday of every month (12noon till 1pm) the village will feature local artists performing music on the porch of the historic General Store. They will provide picnic tables (they encourage you to bring your lunch) and additional chairs for seating. If you have a light & easy to carry chair, it would be wise to bring it in. The Village always had free admission and has parking along 125th Street and at the Botanical Gardens entrances.

There are reports of the cruise lines being able to leave from Florida ports by late summer, but Nov. 2021 is still the official projected date. You may fly to Caribbean islands and depart and return from there, if you are ready to cruise.

Cruise lines offers are filling our inboxes with enticing offers. I suggest going thru a travel agent until the sailings are happening on a secure basis. There is a lot of fine print on the offers that one needs to be aware of.

New items of interest that I see on Travel Is Fun website: June 12 @ Broadway Palm Dinner theater in Ft. Myers is the show "BEEHIVE". Show includes dancing and singing to 40 song hits from the 1960's; \$105.00 with transportation and meal.

COLUMBIA RESTAURANT in YBOR CITY on Father's Day Eve, June 19th. Complete dinner with FLAMENCO DANCERS to entertain you; \$89.00pp with transportation.

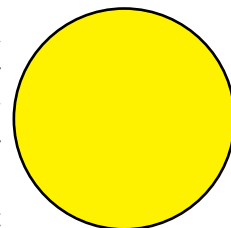

SEMINOLE CASINO BRIGHTON – June 28 – 400 slots, live table games. Transportation included with lunch (on your own) at Josiah restaurant on site.

Call Travel Is Fun at 727-347-1600; also available are multi-day trips. View their ad in this newsletter and at www.tiftours.com.
