TMHA MESSAGE:

Submitted by Ben Cortez, TMHA President

Greetings Teakwood: First off, the BOD was just as surprised as the rest of the residents about the 90 day notice of the Proposed Rule Change. This is a proper notice in accordance with Section 723,037, Florida Statutes, and Rule 61B-32,002, Florida Administration Code.

The BOD has received complaints and phone calls about the timing of this proposed rule change. They are concerned about contracts they have with renters in the coming months and next year. The Board will be meeting with John on April 12 to discuss this and other issues that have come to the attention of the Board. As you know, the media deadline is the 10th of the month so I will include any information I learn in next month's article.

A couple of the residents said they have contacted their renters and are returning the deposits in the hope they might find other mobile parks that will still rent to them and are hoping to sell their homes in Teakwood before the rush to sell.

I'd like to say that it was great to see the snowbirds that were able to make the trek to Florida this season. It wasn't the typical busy season, but we are glad that the people that wanted to get the COVID vaccination were at least able to do that.

FROM THE MAIN OFFICE:

Submitted by Lori Fliger

Do we have May flowers in bloom? Good let's take a look and see what we should talk about this month.

I noticed that the last few months, what I write about seems to inspire some residents to take it as a challenge on how long they can get away with something or how far they can push. These are not challenges. I understand that you want to do what you want to do, but you agreed to abide by the Rules and Regulations when you purchased your home.

I realized as I looked back over the past several years that I say the same things over and over again. I do try to use different language, but it boils down to the same things.

I beg of you, please read the entire Prospectus and Rules & Regulations. I do not enjoy typing the same things over and over again. I will be happy to discuss anything in there that you may have a question about so call me for this. I know that it seems easier to discuss amongst yourselves, but the Main Office is the place to clarify any and all information. If I don't have the answer immediately, I will do my utmost to get the proper info to you quickly. Thank you.

Fun Facts: Mother's Day 9th, Mimosa Day 16th (OK I say we call it Brunch Day 'cause not everybody drinks Mimosa), Joe Cool Day 27th (yes, Snoopy's alter ego) and Memorial Day 31st (Teakwood offices will be closed).

HOMEOWNER'S ASSOCIATION DIRECTORS PRESENTS: "DID YOU KNOW?"

Say, **DID YOU KNOW!**

*It seems there are some improvements in our Teakwood Community on some of the rules and regulations. THANK YOU to those that are being mindful to your fellow residents!

*HOWEVER! it seems there is a need to remind some again about rules and regulations coming from your Prospectus that all home owners and renters should have handy.

*There are pet sections and NON -PET sections in Teakwood. NO dogs/ pets are to be walked in non-pet sections. This was in the media book a couple of months ago so find out which areas are designated areas/in Prospectus as well.

*NO pets at the pool or in clubhouses!

*Pick up your dog's/dogs' business. So rude to leave it behind! Have respect!

*Leashes are to be used. No excuse for letting your dog(s) run free. You are endangering your dog!

*NO PARKING on streets! Emergency vehicles need the right of way. It might be you needing those services or a friend. Think about it! Be respectful!

...continued on page 6

***NO signs of any kind in yards!**

I Do Know some of you could care less and think rules and regulations do not apply to you, I know most of you are retired and want to live your own life the way you want ...however, you chose to live in Teakwood that had these rules and regulations set up for years and there are many people that are honestly getting quite annoyed with some of these ongoing issues.

DID YOU KNOW there most likely would be less gossip, less arguments, less frustrations, less tension, less eye rolls, less mouthing, less scolding, etc. if these long-standing rules would just be followed!

DID YOU KNOW that a person, not being mindful, would most likely be happier with themselves knowing there would not be any worry about being reported if **RESPECT** to **THEIR CHOSEN** community would be top priority.

Be in the “Know” ... **KNOW WHEN TO BE RESPECTFUL!**

TO OUR MONTHLY MEDIA STREET DISTRIBUTORS:

First, a big thank you to all who have volunteered their time to distribute the newsletter! Over the last several months we have had quite a few people purchase homes in Teakwood East who plan to be year-round residents. Also, some of our snowbirds who came down later than usual this year due to COVID are staying a little longer. With these fluctuations it is a challenge to order the right number of copies, but not too many as this is unfair to the publisher who gives them to us for free. His advertisers are paying for the booklet. If you have any extra newsletters, please let me know via phone (727-424-9332) or via email (teakwooddgm@gmail.com) how many extras you received. This will help me adjust the number of copies I ask for. Any extras can be put on the table at Tiki or in the library at Aloha. Thanks for all you do! Dianna Martin

OVER \$1,000 RAISED FOR YOUNG AT HEART!

Sharen Chie & Joan Boyle had a 2nd fund raiser March 31st for the Young at Heart and raised a little over \$1,000 between the two events. This time, there were even more handcrafted items & baked goods donated to the side-walk sale and a “Share the Wealth” raffle. Many thanks to those who donated wooden game boards, decorative “whirly-gigs”, greeting cards, quilted/hand sewn items, jewelry and cookies. But the biggest thanks goes to Sharen and Joan for setting this up and to all of the residents who stopped by to purchase these creative designs and help our Largo area school children.

GARDENING NOTES:

Submitted by Paul Fadden

So you want to attract butterflies to your garden!? I’m no authority on this subject but I did work at McGow Nature Park and the Botanical Gardens off and on for a year. They both have wonderful butterfly gardens. You can have one too...give it a try.

Two very important things to know before planting. 1) pick the right plant for your garden location. Make sure you have enough sunshine for the plants you choose and room for your plants to grow & bloom. 2) You will have to learn to NOT use insecticides. The caterpillars you see feeding on plant leaves may be a gorgeous Monarch butterfly in its next life. Using poisonous sprays will also harm the very pollinators you are trying to attract.

Just about any flowering plant is good and will attract some butterflies and other pollinators but here are ones recommended by the University of Florida Extension Service: Milk weed (Butterfly weed), Blue plumbago, Blanket flower (Gaillardia Daisy), Aster, Coneflower, Bahama Cassie and Correopsis will provide nectar and pollen to the butterflies. Coontie, Canna Lilly and Bahama Cassie are good host plants for the caterpillars and larvae. The best colors to attract butterflies are yellow, white, purple and blue; second best are deep red, orange and pink. NOTE: Wilcox Nursery at Indian Rocks Road has Butterfly Bush, also known as false lilac, and other Florida friendly plants that will attract pollinators.

Before starting it would be a good idea to improve the soil by adding organic matter and a little

...continued on page 16

fertilizer. After planting I would use an organic mulch to help conserve moisture and keep weeds down. Organic mulch will eventually break down and add nutrients to your soil. That's it...you have yourself a butterfly garden! Remember, the right plant in the right place will make for a happy gardener. If you have any gardening questions, feel free to give me a call. 727-303-3136

NEW SCAM ALERT:

The other day I got an e-mail stating that the Norton Protection for my computer would automatically renew in 24 to 48 hours and that \$350 would be charged to my account. It looked very official with invoice number and all. If I wished to cancel, I was to call 888-207-2799. My first reaction was \$350!!!! Heavens no! I did a reverse phone number look up and it came back that no such number was found in the U.S. I realized that this was probably a scam as my computer Guru does a diagnostic of my PC and renews my subscription to Norton and to Malware once a year. As this was just done in February, I sent him an e-mail just to confirm my suspicions. He assured me there were no other charges than what I had already paid him for the renewals, that I should NOT call the enclosed number and should delete the e-mail. Another recent scam I received was a text on my cell number informing me that my data has been corrupted and that I should tap the link in the text that would take me to a website to correct this problem.

Just by calling the number or responding by e-mail or text you can open up a whole can of worms that can infect your phone and personal data. Scammers are now using legitimate company names like Amazon, FedEx, UPS, Norton and AT&T in an attempt to lure you into responding to their contact by phone, email or text. If you don't remember ordering an item and are not expecting a delivery, go straight to the legitimate Customer Service number on the company's website to make inquiries. If a deal via phone sounds too good to be true, it probably isn't. Always check things out!! Keep your personal data safe.

IMPORTANT LIFE LESSONS LEARNED FROM NOAH'S ARK:

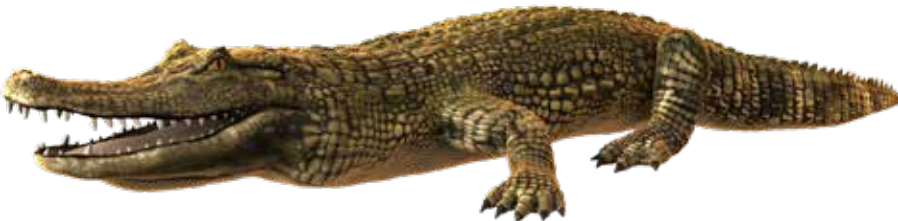

Submitted by Kathi Hawkins

- o Don't miss the boat
- o Remember that we are all in the same boat
- o Plan ahead. It wasn't raining when Noah built the Ark
- o Stay fit. When you're really old, someone may ask you to do something really big
- o Don't listen to the critics; just get on with the job that needs to be done
- o Build your future on high ground
- o For safety sake, travel in pairs
- o Speed isn't always an advantage. The snails were onboard with the cheetahs
- o When you're stressed, float a while
- o Remember, the Ark was built by amateurs; the Titanic by professionals

PRESIDENT'S MAY MESSAGE

Events and activities have started slowly again here in Teakwood. We now have added Sunday poker, cards, bocce and shuffleboard. We had a great Easter dinner which included ham, mashed potatoes, gravy, green beans, corn and rolls. And of course dessert of cupcakes, chocolate cake and white cake. There were around 50 people who attended including some from the East side which was nice to see.

So many came up to me and commented how great the food was. None of this would have been possible without all the people who helped me.

We are now in the process of planning Mother's Day. We are going to have spaghetti, meatballs, salad and garlic bread. And of course dessert which hasn't been decided on yet – sure hope its chocolate. Sign up sheet in Hall.

Hope you all are staying safe and wearing your masks. Hope to see you all very soon Will keep you updated on other events.

RED HATS

Red Hats will be meeting the first Monday of the month in the Clubhouse at 1130.

Andrea was gracious enough to send us a few photos of their recent events. We have a very active Red Hat group in Teakwood. These ladies meet monthly to plan activities and decide on what service projects they will be doing. As you can see, they certainly seem to have a great time.

WELCOME/MEMBERSHIP

The Social Club Committee would like to welcome all newcomers to Teakwood Village West:

Unfortunately, due to the Coronavirus Pandemic, no Welcome Contact or Meetings will take place until further notice. Contact will be made when it is safe to do so.

AS of media press time we do not have a decision regarding Social Club membership or 2021. We are waiting until more of our executive returns to Teakwood to decide on fees (or not) for 2021.

SHUT-INS

If anyone knows of residents who are home-bound and unable to attend brunches or dinners, let Nancy know. Meals can be delivered to them. Please be advised that you must be a paid-up member of the Social Club to receive a "shut-in" meal.

Editor's note: This position is currently empty. Please let Nancy Orrick know if you are interested in helping out.

FROM THE EDITORS – MAY 2021

Happy May everyone. The time of new growth with flowers blooming and the lawn green and ready to cut. Time to start planting gardens here in the north and planning summer outings. Well, as much as this pandemic lets us make any plans!

Ontario has been in another lockdown for most of April and could continue well into May with the latest “wave” being the worst we have seen so far. Our numbers recently – cases per million population- are higher than US numbers at their worst. We lag far behind many countries in the percentage of population being vaccinated. It's difficult to stay positive in this atmosphere, however it is imperative that we get past that and look to a more promising future.

There are many ways to keep busy and active during this stressful time and we each have to find what works for us. Al and I have taken up new hobbies and continued to participate in some tried and true stuff.

One of the things that we have done was instigated by my niece. Barb has three active, busy kids who weren't able to participate in their usual extra-curricular activities. She came up with a plan that they would keep track of their steps every day, add them all together and start walking across Canada. It was very soon obvious that this was a huge undertaking that they might need some help with, in order to keep the kids interested and engaged. Out went the call to extended family and several of us jumped aboard to help out. A Facebook page was started in order to keep track of totals and have a forum for discussion. We now have a group of 25 or so family and friends who submit their total number of steps per day to push us across Canada. We started at the beginning of January and have walked from Newfoundland to Victoria BC and back to Toronto. A journey of over 12,000 KM. As we walked, one of our members kept track of our daily step totals and converted that to Km. Barb would then put those on the map to determine our location and post interesting facts about the area we had landed in. Members of the group would add what they know about the area and reminisce about experiences etc. I am easily distracted and can be convinced to do something besides walking in the snow or rain. This group has encouraged me to get out almost every day since the beginning of January. Many in the group walk 10 km per day, I am happy to get 4-5 km daily and Al averages around 3km. But its not just about the numbers. Its the support from other members of the group and the interesting facts we've learned about Canada. We had a virtual visit with my niece in Calgary who submits her steps daily as well as “stopping” for lunch with my daughter in northern Alberta. She also participates.

As of April 12, we have started a walk around Australia. Barb's aunt lives there and several members of our group have traveled there. As it has always been on my bucket list, I am excited to see what we will experience down under. We have already learned interesting facts about Koala bears!

...continued on page 38

I would love to hear what you have been up to to keep Covid fatigue at bay.

Drop me a line and let me live vicariously through you.

This month Andrea Durkin has sent us some information about her Red Hat Ladies and what they have been up to. We can all live vicariously through her this month.

Just a reminder that we can only include things in this newsletter that we are aware of. The complaint that "because we haven't been there we don't know what is going on" is not terribly valid. Even if we had been onsite, there are often things we would not be aware of unless we were given the information. As of right now, I know that Shuffleboard was being played on a regular basis but I have no clue as to when the season is ending or how the season went. Did you have a tournament? What about cards? Again we can only include the information that is submitted to us. We can only reach out so much. This is your newsletter, please help us make it pertinent to you

All submissions should be sent to - "teakwoodkelly@gmail.com"
