## From the Editor

As I write this, our snowbirds have started their annual migration north to their summer abodes. We are sorry to see them leave but understand their need to do so. Today Tammy put together our first real get together since the mess called covid 19. Hopefully it will be a foretelling of things to come. We have always been blessed here in Eldorado with things to keep us entertained and this past year has been a painful reminder that things can change in the blink of an eye. As the summer approaches we look forward to more gatherings and the opportunity to get to know our newer residents better and enjoy what they have to offer our community. Speaking of that, I have asked time and again for contributions to this our park newsletter. The last two months have seen a couple of new contributions with the poetry corner and movie review suggested by Randell, Sandy's poem this month, Linda's Corny but entertaining jokes and for a long time now the contributions of Pams views from her yellow bike. So, if you have something on your mind that you would like to share, please do so and send me your thoughts to be added here.

## H.O.A. NEWS

Linda Stayer

### \*HOA DUES FOR 2021\*

GOOD NEWS! Slowly, but surely, things are starting to open here in Eldorado Village, and we look forward to the day when we may have more events.

Homeowners Association Dues are \$10 per household each year. This is a friendly reminder and instructions on how to pay for **2021**. You may write a check (or cash if comfortable) and put in the personal mailboxes of Sharon Laney #47 (Treasurer) or Dorisanne Gibson #187 (President). ***A receipt will be issued by Sharon and put in your personal home mailbox. If you have a question, give a quick call to whoever you gave your money to.***

Thank you for your cooperation during this unusual time!

### **NEW Rules and Regulations (Village Rules - Effective 12.01.2020)**

The HOA Board is being proactive and explaining or bringing to our attention the new rules that pertain to us all (owner or renter). The method right now is by highlighting some rules every month in the media.

With NO street names, it is important that the Emergency services be able to locate any resident or tenant in need of attention. This means GREAT house numbering for them to see DAY or NIGHT. It is also in the rules and regulations.

## **6. SETUP: NEW or RESALES**

**6.5.10 – Residents MUST secure their street number and/or lot numbers on the front of the Home, placed consistently with surrounding homes as required for emergency services and in accordance with applicable county code requirements.**

As always, any questions, do not hesitate to give the EV Office a call: 727-531-9105.

Thank you in advance for your cooperation!

## **H.O.A. NEWS**

### **Fishing and Lakefront lot Information:**

**O**ver the past month or so, there have been discussions between the park manager, the regional manager and the HOA concerning the property lines of lots along the Lake.

The map in your prospectus shows the property of those homes extends to the lakefront retaining wall. Because those residents pay a premium lot rent for their location, it is agreed that legally their property line extends from the street to the Lake.

There is NO easement footage running around the lake which would permit anyone walking around, across, or fishing from the lakefront properties.

#### **Summary:**

Please be respectful of the homeowners around the lake. The DOCK is for viewing of the lake for all other homeowners, guests, and pets. Fishermen, this is your spot!

Signage to this effect will be up shortly if it is not already in place.

## Pets

*Submitted by one of our Residents, but there are many more who feel the same way.*

"One of my favorite parts about living in Eldorado Village is getting to see and know the neighbors who are pet lovers. Nothing brings a smile to your face more than spending time with a friendly pup. But, here comes the BUT, nothing is worse than stepping in dog poop and tracking it into your home. I am trying to fix up my home and the new plants require watering every few days. Now I know I need to do it in sunlight and look before I step in it or drag my hose in it.

I simply ask that you please pick up after your dog. Thank you and stay safe and healthy in 2021.

Tammy Dwyer"

## A New suggestion and I love it

The following was submitted by Randell Burton, one of our longtime residents and I think it is a great idea. I hope that others send in their submissions for all of us to enjoy. And, if you have an idea for something you would like to see, please share it with us.

I am privy to your secrets — all of you! I am talking about the secret artists who write poetry on the sly. Stop hiding your work and share it with the world! We will now feature one poem with every new edition of our media magazine. Please email: richwham@aol.com with your poem, and he will let you know when it will be printed. More than one poem by the same author is fine, and if you are a little shy, you can always ask that your work be anonymous. Please don't send anything too long, and if you want to introduce your poem, write the introduction to Mr. Hambley so he can print it above your work. So let's get going and get some poems sent in! You can write new ones, too! Let us make the master ( Shakespeare ) himself proud!!!

PS — And you can write any way you choose — freestyle, limerick, sonnet, haiku and etc...

### Why I Wake Early by *Mary Oliver*

Hello, sun in my face.  
Hello, you who made the morning  
and spread it over the fields  
and into the faces of the tulips  
and the nodding morning glories,  
and into the windows of, even, the  
miserable and the crotchety –  
best preacher that ever was,  
dear star, that just happens  
to be where you are in the universe  
to keep us from ever-darkness,  
to ease us with warm touching,  
to hold us in the great hands of light –  
good morning, good morning, good morning.  
Watch, now, how I start the day  
in happiness, in kindness.

## SEE YA AT THE DRIVE-IN!!!

Or maybe just something that we love for no specific reason. We want to know about it so please submit a small blog about your favorite film or show ( it can be cable, TV, or anything ) and share it with the rest of us. If you want to remain anonymous, just say so. Tell us why you love it and if it had any bearing on your life or how you grew up. ## SEE YOU AT THE DRIVE-IN!!!

*Submitted by Randell Burton*

Remember the drive-in???. The whole family packed in the station wagon (remember those???) with paper bags full of popcorn and a cooler of Coke???. The movies have always been one of the best ways to get away from everyday life for awhile and for us to spend quality time with our families. One of the greatest films I have ever seen and that had a HUGE impact on my life was Saturday Night Fever (PG version). My family loved that movie so much my mom even signed my sister and I up to take disco lessons with her. This was the 1970's, and being just a kid, life was grand! I remember when we learned the line dance they did in the movie to the song "Night Fever"--wow, talk about FUN! Here is a neat bit of trivia for you--the dance is actually called "The Brooklyn Shuffle." COOL, huh? Well, my father went out and bought the double album that emerged with the movie and we wore that thing out. We listened to it for YEARS. One time, while we lived in Fort Lauderdale, we were all up in the middle of the night with the dining room light on and all furniture moved while my sister, brother and I all boogied to "You Should be Dancing", "More Than Woman" and "If I Can't Have You." The neighbors across from us just stood there and stared out their window at the crazy people getting their midnight disco on--what a lark!!! And to this day, I still ADORE John Travolta. How amazing he is!!! So send in those emails of YOUR favorite film, explaining why you loved it, and I will SEE YOU AT THE DRIVE-IN!!!

## Thank you for your RCS Donations

## Eldorado Facebook Page

*Dick Hambley*

For those who were unaware, Susie Rossetti and I are the administrators for the Eldorado Village Facebook Page. We would like to remind everyone that to join the page you (the individual requesting) must make a request and answer the three questions that are required. The main reason for the questions is that membership is limited to residents or former residents of Eldorado or EBO. If we get a request from someone who has not answered the questions, we automatically decline the request. We do not mean to exclude folks who have a perfect right to join, but you would be surprised at the number of requests that we get that, when we research a bit, they have no affiliation with either park. We want to include any residents who wish to join and welcome their requests; however, we need to follow the above procedure to assure that the original intention of the page is followed.

## DARTS – DARTS – DARTS

*Linda Stayer*

Calling all dart enthusiasts! The Eldorado Village Social Club has “refreshed” the dart game area, located near the billiard table in the clubhouse. There are NEW darts, dart score board, eraser, and markers. The dart board has been hung at the correct height and there is a new floor decal which marks the correct distance from the dart board for game play (for steel tipped darts).

Find a buddy and come and enjoy!!!

## New Scrap Books

---

**W**e have a new addition to our Library thanks to Pam Spilbeler. Pam has spent many hours going through old medias and pictures and picking out items of interest that she has put into three scrap books. They are a wonderful glimpse into Eldorado in the past and show that the previous residents (and some who are still here) laid a groundwork of fellowship and camaraderie that we continue to try to adhere to today. She also plans to have all the past medias stored in the library as well for us to look back at the past. These items are not to be removed from the library, but we have comfortable seating in the library and if you have an afternoon with nothing else to do, I can assure you that you will enjoy perusing Pam's efforts.

## Bulletin Board

---

**W**e have a Bulletin Board by the Mailboxes. We realize that many folks do not go to the club house on a regular basis, so this is a way for all to see "coming events", hopefully you will find something you might enjoy attending. Thank you, Debbie, for getting them installed, we appreciate this.

## For Your Information

---

**T**he clubhouse is opened by the maintenance staff Mon-Fri at 7:00am. Evenings and weekends, (including holidays), Tammy Heffron at #188 has been volunteering since Feb of 2017 to lock up at 9:00. Please cooperate with this. I am sure minor adjustments can be made for special occasions.

To the Eldorado Residents and guests....I, along with other walkers have noticed an increase of cigarette butts littering the streets and sidewalks of our community. As a wife of a smoker, I know a lot of you are so careful and considerate of where you throw out the butts of your cigarettes. I encourage all of those who smoke, to please refrain from leaving them along our streets. It would be graciously appreciated.

### COME VISIT THE LIBRARY -- SIT A SPELL!!!

The Eldorado Village Library is comfortable, clean, well-kept, and most importantly USED!

Thank you to the many residents who have donated books, puzzles, DVD movies, and playing cards. All is appreciated.

The items incorporated into the library are reviewed to make sure they are in “usable” condition for anyone to borrow. (no bugs or overly loved items). Anyone wishing to volunteer with me is always welcome.

Please note: Our library is limited in space and therefore, some items will be rotated out when new items come in. If you have a charity you want to give to, I am happy to save a bag or two of items that I will give to you to donate to them.

There is a Welcome sign on the library bulletin board along with instructional information on the library usage.

1. Borrow – Donate – Participate.
2. Written on the book spines are the first two letters of the authors last name which makes the filing process easier and faster.
3. A “Drop-off” box (in the library) is available for returned books or new donated items. The new items will be reviewed and placed on the shelves.
4. The entertainment book shelves which contain DVD movies, puzzles, board games and playing cards are just waiting for your attention. FYI: There is a donation box just for playing cards.
5. HISTORY -- If you did not know, there are Eldorado Village notebooks and scrapbooks (with photos) on our rich and interesting history dating back to 1969 when the park was established. Take a few minutes, sit on the love seat or comfortable chair, and enjoy a “blast from the past”.

Please STOP by our library and enjoy!

Thank you.

## Information about water shutoff's

---

**A**s most residents know, there are times that the water in Eldorado must be turned off to make repairs. There is nothing we can do about that, but there are some things that we can do to avoid trouble.

We have adopted a new system to notify residents in the event water is turned off. This system will generate a phone call to the residents alerting them to the fact that the water is off or will be shortly. If you are not sure if your name is on the parks robocall list, I would suggest that you check with the office to make sure they have added you to the list.

We suggest that you turn off your hot water heater if you are concerned about it. Also, when you want to check if the water has come back on, use the cold water for this purpose to not let air into your hot water heater. You can also turn off the water coming into your home, which will prevent water from draining out of your home and into the water system. Some folks keep a few gallons of water on hand just for such emergencies.

**PLEASE DO NOT CALL THE OFFICE TO ASK ABOUT THE WATER. SHUTOFF'S**  
There is nothing they can do, to help you.

**F**or those residents who are not aware of it, I would like to remind everyone that we maintain a book with the resident's birthdays and anniversaries in it. I do my best to keep it up to date, but I need your help with writing in your birthday or anniversary if it is not already in there. The book is in the library and I go through the book periodically to see if there are additions and add them and reprint the necessary pages. This record is also used to put the birthdays and anniversaries in the media. So, thank you for helping us to keep our records up to date.

## Hello, Mr. Hambley!!!

---

I am writing you because I have another idea for the media mag! It is called, "See Ya at the Drive-In!" and will be a blog about a favorite movie or show we all enjoyed in our lifetime. It can be an old film, new one, a TV movie or TV show, a cable show or even a reality one. We all love the movies or a good show on cable or regular TV--no one can deny it! The writer can tell us why they enjoyed a certain film/show and what it meant to them. And they should not give away any red flags about their choice in case others decide to see it. I can do the first one, if you want, to give an idea of what the blog should entail. And if this takes off, people are more than welcome to submit more than one--but it MUST be one AT A TIME so others can get theirs read also. Here is how we can introduce it:

### SEE YA AT THE DRIVE-IN!!!

We all have a movie or show dear to heart that we enjoy over and over again. Something that may have had a huge compact to our life or may have shaped us as children. Or maybe just something that we love for no specific reason. We want to know about it so please submit a small blog about your favorite film or show ( it can be cable, TV, or anything ) and share it with the rest of us. If you want to remain anonymous, just say so. Tell us why you love it and if it had any bearing on your life or how you grew up. So please start sending in your choice right away because we want to SEE YA AT THE DRIVE-IN!!

### FOR YOUR INFORMATION:

---

Parking permits are now available in the office for overnight guest parking.

### Coffee and Donuts

---

It has been brought to my attention that many people do not know that you can donate the coffee and donuts in memory of a loved one, birthday, anniversary, or any occasion you like. The donation fee is \$25.00. Please see the Social Club treasurer if you would like to donate a day.

## SOLICITATION IN THE PARK

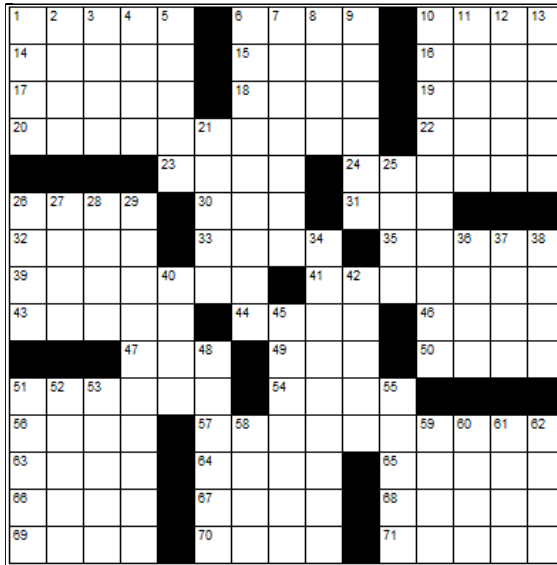

---

I have been told by the office that they do not give anyone permission to solicit in the park so if anyone comes to your door notify the office or call the police department. It has been brought to our attention that if you have someone soliciting at your door and the office has not approved him or her and you call the office to bring it to their attention the office will not do anything about it. Their answer is to call the police. The Largo police number is listed as follows: 727-587-6730. Please call them at any time to register any complaints you might have.

## RECYCLE

## RECYCLE

## RECYCLE

**R**ecycling is a way that we can all help to save on our trash bills. The city of Largo charges by weight for garbage and trash, so the more recyclables that we can put into the recycle bin in the “salad bowl” in East Bay Oaks, the more we can save on our trash bills. The new recycle plan in Largo is great in that we do not have to separate our recyclables. Everything that is recyclable goes into the one bin. This certainly makes it much easier to “do the right thing” and we not only save money for ourselves, but we are helping with the environment as well. The things we can put in the bin is as follows: Glass (colored bottles and jars) Cartons (milk and juice containers) Mixed Paper (Newspapers, flattened cardboard boxes and office paper) Plastic Containers (food and beverage) Aluminum and Metal (cans and containers).

Reduce Reuse Recycle

The things we should not put in are as follows: plastic bags and wrap, Styrofoam containers/packaging, food waste/household garbage or chemicals/electronics (which includes, paint, light bulbs, batteries, computers etc.)

So fellow residents, please consider all of the above and let’s work to help save ourselves a few bucks and at the same time, work toward a greener environment

## SPEED LIMIT IN ELDORADO

**T**he speed limit in this park is **10 miles per hour**. People are not stopping at the four-way corners; they just seem to drive right on thru. Keep this in mind when driving thru the park; you could be the guilty one. Please think of your neighbors before someone gets hurt.
