EDITOR'S CORNER: MEMORIAL DAY IS MAY 31. At 3 p.m., STOP TO REMEMBER

By Susan Kerr

Marking Memorial Day as a national day of mourning began after the Civil War. It was called Decoration Day in 1868, because people decorated the graves of those who died during the war. In the Civil War, more than 500,000 are said to have been killed. It is reported that 7,000 died in one battle – the three-day campaign at Gettysburg. In all the wars involving Americans, an estimated 1.2 million died.

The first national celebration of Decoration Day took place May 30, 1868, at Arlington National Cemetery, where both Confederate and Union soldiers were buried.

The National Moment of Remembrance, created in 2000 by the U.S. Congress, encourages all Americans to pause wherever they are at 3 p.m. local time on Memorial Day for a minute of silence to remember and honor those who have died in service to the nation. This year, Memorial Day will be commemorated on Monday, May 31. At Palm Hill, a program and picnic are scheduled. May 15 is Peace Officers Memorial Day. Begun in 1961 and held during National Police Week, May 15 honors all local, state, national and federal officers who died or were disabled in the line of duty.

As I searched for quotes about Memorial Day, one quote by an unknown author spoke directly for those who gave the ultimate sacrifice, and for their loved ones who had to go on without them.

“Our flag does not fly because the wind moves it.

It flies with the last breath of each soldier who died protecting it.”

WE WILL NEVER FORGET.

MEMORIAL DAY AT PALM HILL

At Palm Hill, a Memorial Day Program and Picnic will be held Monday May 31. The program begins at 9:30 a.m. at the North Clubhouse. The picnic will be held at 11:30 a.m. on the South Clubhouse side lawn facing Queen Street, by the patio.

Please bring your own chair and beverage.

Please sign up in both clubhouses so the organizers can determine food supply.

Contacts: Carolyn Hooper 727-518-0330 and Linda Keehl 612-616-2701.

MAY'S THOUGHT WORTH THINKING:

“Volunteering is the ultimate exercise in democracy. You vote in elections once a year, but when you volunteer, you vote every day about the kind of community you want to live in.”

– Author Unknown, (found on internet)

ON THE COVER: HARMONIC CONVERGENCE

(Photo by Susan Kerr).

“Still Kickin’ “, the musical trio made up of Palm Hill residents Chuck Obi, Darryl Waldecker and Bob Warnke, entertained residents in two concerts on the lawn outside the South Clubhouse on March 26 and April 14. Palm Hillers came together for two evenings of dancing, toe-tapping, singing and camaraderie. Outside and together again.

Thank you, “Still Kickin’”!

GOOD WORKS: VOLUNTEERING AT PALM HILL

In May, the LINK continues the series of stories from volunteers that began in last month's LINK. More volunteers discuss why they volunteer and the benefits they reap.

If you are inspired by the stories, talk to those who organize the various events or activities, check out opportunities posted in the LINK, Clubhouse bulletin boards or on Channel 732, or let a committee chair or board member know of your interest to help out.

Please keep reading to meet some of our Palm Hill volunteers.

VOLUNTEERS DEFINE PALM HILL

RUTH BUTLER

“It solidifies us as a community, brings out the best of our latent talents, and gives us a true retirement fun project.”

Why Volunteer?

We hear the expression “we are all volunteers” during conversations within Palm Hill, and wonder who are these volunteers, why do they volunteer, what’s in it for them, and why would I put my name forward to become one of “those”.

My name is Ruth Butler, and I was asked to put pen to paper on those topics. With modesty, here is my story.

My journey into the realm of volunteering in Palm Hill started out from business practicality. I qualified as a Pilates instructor in Canada and when joining the Palm Hill community, I wanted to look after my own fitness by continuing with Pilates activities. A light bulb oh-no awareness made me realize I could not start a business in Palm Hill, and would be hounded by the IRS if I charged for my services. So, I volunteered, continued with my own “keeping fit” regime and provided a service to others. So, my reasons could be qualified as being selfish reasons.

Now Line Dancing came from a different angle. As a child I was always moving and shaking to music, and that bodily action is still with me today. The “Electric Slide” provided all the moving and shaking I desired, without the need for a partner. My husband, who is one of my most supportive line dance enthusiasts, regrettably suffers with multiple sclerosis and cannot dance around the floor with me. How many dancers also find themselves without a partner, sitting as a wallflower while others jig about on the dance floor, eh?

Not for me I thought. So, when I was asked if I would be willing to take my teaching acumen and put it together with country music, and I said yes, then suddenly I was the line dance Instructor. Let me tell you I have had many hours of scrambling around YouTube to find dances suitable for our community, but with the huge support of my husband who acts as my DJ, I now savor that weekly line dance activity. My only hesitation is that I feel we as line dancers unintentionally swarm dances with our line activities, so I am always open to any suggestions on how to balance line dancing with more traditional dance floor activities. So, again, this all stems from a personal life need, and in so doing includes my husband which helps to physically and psychologically balance our relationship.

“JOYOUS REWARD”

Now as to my latent creative talent in hosting the New Year’s Eve bashes, I believe the desire to volunteer into this realm was a natural but unexpected shoe-in. Through my other activities I had many contacts within the community, and together with my amateur sewing connection in Canada with a dance studio, I knew I could develop and co-ordinate skits and costumes for a fun event.

This decidedly developed into a full-blown evening. Not only did this provide me with an outlet of my “talents” but the amount of joy I garnered from the practice sessions with all the

It was, and continues to be “money in the bank” as far as personal enjoyment is concerned. We are all volunteers within this activity, and I am talking about 65 volunteers to put the New Year’s Eve activity together, and the camaraderie and fellowship is a resounding joyous reward for each of us.

It solidifies us as a community, brings out the best of our latent talents, and gives us a true retirement fun project. A quality retirement with some fun on the side! What more can you ask for.

So, to all who have ever held back from volunteering, I say, jump in and enjoy. We all have abilities, large and small, and your willingness will pay back in the joys in your heart when you know you tried, you became involved, and you are an appreciated part of Palm Hill.

Thanks to everyone who has participated in my personal journey.

Come dance with me.

DAN HANNAFIN

“Helping folks warms my soul to the core.”

It’s hard to find people who want to talk about volunteering and why they might do it. Most volunteers like to hide behind the curtain – very humble people who just like to keep that low profile.

Here is the brief definition of volunteering: it’s a voluntary act of an individual or group freely giving time and labor for community service.

My definition is a little different; I do it because I care and enjoy helping someone in need. Maybe it’s my Catholic upbringing, my boy scout years or just being me as Jiggles the Clown, but helping folks warms my soul to the core.

I was asked a few questions about this topic like: what do you get out of it? That’s a list that is endless for me. I know it’s the right thing to do is at the top, and a smile is right up there as well.

Another question was how long have you volunteered at Palm Hill? I have lived here for 10 years and started pitching in right away. My wife Judi and I retired two years ago and that’s when I jumped in with both feet.

And then we have this: how or why did you chose the particular volunteer position you are discussing? That’s a tough one to answer because my hat falls into quite a ring of volunteer

...continued on page 10

positions, but being a block captain coordinator is easy: meeting people I may not know, helping and supporting a great group of folks who keep the rest of us up to date on Palm Hill happenings with our LINK. And back to the beginning for me; it's because I care.

(Above photo: Dan Hannafin with fellow volunteer Ray Schutte carrying donated rug. Above photo, Jiggles the Clown and Judi Hannafin. Dan serves on the Finance Committee, serves as second vice president of the South Recreation Club, manages the South Block Captains and picks up and delivers Bazaar furniture donation and is organizing the volunteers for the Bazaar set for May 8, among other volunteer pursuits.)

PEGGY NOVARA

“Bringing my love for the natural balance in our lives to others has been very satisfying.”

Volunteering opportunities in Palm Hill are many and I highly recommend this very fulfilling experience. Whether helping plan events or serving on committees – the teamwork involved has had many benefits for me too numerous to count.

My most rewarding volunteer experience has been leading the Intermediate Yoga class. Before COVID we met weekly and progressed from learning poses and concentrating on breath to arriving prepared and getting down to business with balances and meditation.

Bringing my love for the natural balance in our lives to others has been very satisfying. Our class has morphed in to a loving group who are looking to help make their physical and emotional lives a little bit better. I still keep in touch with the class through emails to encourage each other – which in turn helps me keep focused.

Sharing myself with the yoga class has brought me a bunch of new like-minded friends and encouraged me to continue finding balance in this crazy life.

(An avid golfer, Peggy also volunteers as a member of the Golf Committee and serves as secretary. Peggy is also Palm Hill’s Neighborhood Watch liaison with the Largo Police Department. Volunteering runs in Peggy’s family. Peggy’s sister Bonnie Swanson also volunteers in Palm Hill and the JUNE LINK will include a story about Bonnie.)

JACK RUSSELL

A family legacy and a lifetime of volunteering.

I was born into a family of volunteers. My father and his five brothers were all very active in the community. I started very young, cutting the grass (a city block) at my church. At 21, I managed a little league team for five years and then umpired them for five more years as work permitted. I was a member of the Jaycees.

When I moved to the community where I am still a resident, I managed a Senior Little League team for 13 years. In 1978 I joined the Lions Club in our town and am still a member. The Lions raise funds and support many organizations. They work with school nurses to provide glasses for children with vision problems and with organizations that help the disabled.

I filled all of the positions including the presidency twice. In charge of the oompah-pah bands, I knew all the bands in the region, hiring them throughout the years. My wife Betty and I made thousands of funnel cakes for the Octoberfest – over 10 years! We made so many fried potato dishes we were awarded a Mr. Potato Head award, which we still have.

I also served eight years as President of the Jersey Football Officials (Referee) Association.

Of course, my latest volunteering was being on the Board of Directors here. This was a large learning experience of how to govern a community. One of the best aspects was serving on the Real Estate Committee and getting to meet all the new residents and welcome them to the Park.

(Jack and Betty Russell moved to Palm Hill 1997. Jack served on the Palm Hill Board of Directors from 2018 to 2021, serving as Board Vice President. When the golfers held Couples Tournaments pre-Covid, Jack organized after-golf social festivities. Jack served on the Rules and Regulations Committee and the Golf Committee as well as serving as Co-Chair of the Real Estate Committee while on the Board. He continues to serve on that committee helping with orientation for newcomers.)

ELAINE LANTZ

“I have met so many wonderful people I would not have otherwise known...”

Elaine Lantz and Dick Frechette moved to Palm Hill in 2018 from Massachusetts. Both served on the Palm Hill Election Inspection Committee. Elaine also serves as a volunteer with the Pinellas County Election department, helping ensure the security of votes cast in drop-off voting boxes during city, state and national elections.

Elaine serves as a volunteer member of the Communications Committee and as coordinator of Channel 732, Palm Hill’s community television station that posts activities, events, and important Palm Hill information. Elaine also serves as Assistant Editor of the LINK.

Here is Elaine’s take on volunteering:

According to the dictionary (you remember, that big, heavy, bound book), the word volunteer can be a noun, or a verb, or even an adjective.

Let's break it down:

NOUNS

1. Someone who works for nothing, no pay.
 - a. I have volunteered many times in my life; cub scouts, work projects, committee member, caregiver, etc. I can tell you that the rewards are enormous, just not measured in monetary terms.
2. Someone who does something voluntarily, especially a task that is undesirable.
 - a. There are souls who feel that those so-called undesirable tasks are the jobs bringing

...continued on page 14

the most gratitude from the recipient.

3. A cultivated plant which is growing naturally
 - a. A volunteer knows that the giving of time and consciousness is nurturing to the soul (and the soil).
4. Acting without a legal obligation
 - a. Freely giving of self without the constraint of 'must do this'
5. The giving of property without an expectation of compensation.
 - a. So many philanthropists have given so much for the common good; witness donations for COVID research, county parks, medical and educational scholarships.
6. A second crop in the same season.
 - a. What a bonus when one good deed leads to another, we can inspire others to enjoy the pleasure which comes from being a part of something bigger than ourselves.

VERBS

1. To offer free help
 - a. When we volunteer, we give up our time, energy, skills, and talents. There is no expectation of financial gain.
2. To do something by choice.
 - a. There is no obligation to raise your hand, you choose the time, place and project that most interests you and you can wait for the right opportunity.
3. Offer someone else's help
 - a. We all know some spouses who have been volunteered for activities, maybe our own?
4. To tell something without being asked.
 - a. See something, say something!

The joy, the pleasure, the warm fuzzies we experience when giving of ourselves for the betterment of a situation is one of the delights of life. We can choose to be a part of a group effort, a lone contributor, or an occasional or seasonal giver of our precious time. I have met so many wonderful people I would not have otherwise known when I have been chosen to participate in volunteering. And then I get to decide who remains in my inner circle and who is an occasional contact. I am the boss of me!

Please take the time to explore some of the thousands of opportunities available in our park, in our community and in our city to share your skills and time. Whether it is an hour a year, or a day a week, you are in control of your time and commitment, and will be the recipient of the emotional rewards on your investment. And, as we hippies of the sixties and seventies used to say; 'If it feels good, do it'.

clubhouses and pools, and capacity limits continue and should be followed as posted. Hand sanitizer will be available at facilities and residents and guests are encouraged to use them. Cleaning of areas or equipment used should be done prior to and after use.

It is anticipated that measures requiring mask wearing in public, limiting gatherings to 10 or fewer in common areas, six-foot social distancing, as well as the updated restrictions for use of facilities and common spaces at Palm Hill, will be in effect for the next several months, given the continuing spread of the Covid virus. Use of common space requires advance approval from Office.

VACCINATIONS: The Office will send out email alerts when notified of vaccination availability slots for Palm Hill residents at other communities/churches.

WHOOA, NELLIE! Speed Limit is 15 miles per hour.

Watch speed around corners, and especially as you get close to the Park's exits/entrances. Like a horse that breaks into a run when he sees the barn up ahead, sometimes our cars speed up when nearing the Park exit roads. Hold on to those reins!

PLEASE TAKE CARE WHEN DRIVING AROUND PALM HILL

Neighbors chatting, pets on a stroll with their humans, people walking or bicycling, golf carts or cars parked in the street, and delivery vehicles are all on our sidewalks and streets. As the weather warms, more people will be bicycling, walking/running for exercise and just meandering around Palm Hill. Please also take care on corners and intersections and please stop at stop signs.

WHY IS THE MONTH OF MAY CALLED MAY?

The month of May (in Latin, Maius) was named for the **Greek Goddess Maia**, who was identified with the Roman era goddess of fertility, Bona Dea, whose festival was held in May.

(Left image, Maia on right with Hermes, her son with Zeus.)

The constellation of stars, The Pleiades, also known as the Seven Sisters, was named for Maia and her sisters, mountain nymphs. According to legend, Zeus placed them in the heavens to keep them safe and honor their contributions to the world.

MOTHER'S DAY ORIGINS IN THE UNITED STATES

The origin of Mother's Day as we know it took place in the early 1900s. A woman named Anna Jarvis started a campaign for an official holiday honoring mothers in 1905, the year her own mother died.

BOOKS TO READ WHEN YOU MISS TRAVELING

Recommended by Book Club Founder Susan Fisher

Ever want to read about a place you are going to visit or have visited? Are you missing your travels? You can still go somewhere in your imagination. The following books were suggested in an Overseas Adventure Travel brochure.

Birds Without Wings by Louis de Bernières. It tells of a tragic love story and the rise of the Turkish nation. It covers religious intolerance, nationalism, and war. It has detailed descriptions of WWI.

The Cellist of Sarajevo by Steven Galloway, a fictional account of several people living through the siege there. How war changes people. It is inspired by a true story.

Besieged by Barbara Demick, a true account of the lives of real people living on a single street. The insanity of war in Sarajevo and how it affected the families on Logavina Street.

When Rain Clouds Gather by Bessie Head (Botswana). Inspired by the author's own life as an outcast in Apartheid South African society and as a refugee in Botswana. Complex topics of social and political change, conflict between science and tradition, tribalism, African chiefs, religion, race relations, and male-female relations.

Beyond Words: What Animals Think and Feel by Carl Safina. Animals are far more sentient and intelligent than we give them credit for. The reviewer says, "This book is so good, it's almost beyond words." (Africa)

COMMUNICATIONS AT PALM HILL

ATTENTION SNOWBIRDS in the North and Forest areas: THE LINK

From Rebecca Webb, 727-710-6054

If you are leaving Palm Hill for the season and would like to have the LINK delivered to your northern home, please contact Rebecca Webb at 727-710-6054. The cost is \$1.50 for U.S. and \$2.50 to Canada for each issue. All monies are collected before leaving.

ADVERTISING IN THE LINK CONTAINS CODES FOR READERS

Codes in advertising in the LINK tell you how long the companies or vendors have been advertising in the LINK. A boxed star tells the reader that the publisher, Monthly Media, has not received any complaints about that business.

For example, the ad for **ASC, Aluminum Specialty Contractors, Inc.**, has this on its right side: a square shaded box with the number 26, a star below that, and a shaded circle with the number 29 below the circle. Some ads have those codes in other locations in their ads.

Square Box number means ASC has been advertising in the LINK for 26 years.

The star means the publisher has not received any complaints about that company.

The circle with the number 29 means that's how long ASC has been in business.

The rest of the ad also includes the company's license number whether they are insured, and list their website and phone number along with other messages. Some include coupons.

If there are no squares, stars or circles, that means the advertiser is new to the LINK.

A company has to advertise for a year to get that first square with a number.

The ads tell you a lot more than you see at first glance.

GENERATIONS LIST

Carolyn Story: 727-585-1579

Palm Hill continues to attract generation after generation of residents. Check out the Generations List in both clubhouses -- and on the Palm Hill website -- to see how true that is. There are 68 people currently on the list, including seven families of the Third Generation. If you are a descendant of someone who lived in Palm Hill previously, or who is a current resident, please contact Carolyn Story at 727-585-1579. This list is updated periodically and it would be good to have you included.

CLUBHOUSES/ ACTIVITIES/ EVENTS

Resumption of activities and listings of events as they occur will be reported in the LINK, via Webmaster email blasts and on Channel 732. Please stay alert to announcements, and check with the listed organizers before assuming the “usual” events or activities are being rescheduled. The calendar and approved event/activity announcements are also on the Palm Hill website: palmhillcountryclub.net.

Please note: Event/activity leaders or organizers whose names are listed with a particular activity: please contact the LINK (linktopalmhill@gmail.com) when changes are necessary in the information: changes in the name of the listed organizers, changes in times or dates, offerings, etc. Otherwise, the listing from the prior month’s LINK will be carried over to the next month.

SUNDAY WORSHIP SERVICE CHANGES TO SUMMER SCHEDULE in MAY 4 to 5 P.M., North Clubhouse

Organizers: Bonnie Swanson, Maureen Livers, Claudia Hartz

The Palm Hill Worship Service – held Sundays from 4-5 p.m. in the North Clubhouse – will change to a summer schedule on May 2. The schedule will change from a weekly service to twice a month, on the first and third Sundays of the month.

The doors will be open at 3:30 p.m. Communion will be served the first Sunday of the month.

All will be welcomed to the Christian-based service, a service full of prayer, song and worship. Offerings will not be accepted at this time. Fellowship after the service will not be provided, but may be added as social distancing guidelines are lifted.

Guidelines recommended by the Centers for Disease Control and the State of Florida will be respected and followed. Attendees are asked to wear a mask and bring a bible. Those who do not have a bible and would like one may contact Bonnie Swanson 716-870-3208 or Maureen Livers 727-481-8142.

“Our mission is to provide a place for all to connect to God. Our purpose is to love God, love people, reach up, reach out and reach in!”, said Bonnie Swanson on behalf of the Palm Hill Worship Team.

From Charlotte Ernest, 727-585-5845

Food collection barrels for RCS are open for donations at your convenience. RCS will pick them up the **LAST THURSDAY** of each month. Remember to make sure they are staple items only and not outdated.

(RCS is the Religious Community Services of Pinellas County, which helps feed the needy of the area.)

GEORGEANNE'S HELPING HANDS

Ted Silva, 508-965-6072

For the immediate future we are only bringing residents to medical appointments with a priority at getting to Covid vaccine appointments.

But as more volunteers get vaccinated, we will slowly be increasing our ability to help you get where you need to go.

At this point, we are only using volunteers who have been vaccinated and waited the required time period. Face masks will still be required at all times by everyone during these transports regardless of vaccination status.

If you need transportation to a medical appointment or vaccine site, please call as soon as possible: Ted Silva, 508-965-6072.

We encourage residents to shop “on-line” with home delivery of food through the supermarkets that offer that service, such as Publix and Walmart. Some residents have been using “Care Ride” - 727-536-7453 or 727- 866-1193.

“PALM HILL CALLING”

The purpose of the project is to make sure that everyone has contact with someone at least once a day. Most people have friends or neighbors and they routinely check on each other. The names of 40 people are on the list for a call from a Palm Hill volunteer.

Palm Hill Calling is available to anyone interested in having this service whether they are a shareholder or renter, full time or seasonal. To get on the call list call Ted Silva at 508-965-6072.

PRAYER TEAM

Georganne’s Helping Hands is pleased to be able to offer a new service: PRAYER TEAM. The Prayer Team in Palm Hill is Claudia Hartz, Maureen Livers and Bonnie Swanson. Please call Claudia at 315-368-8166 if you have any questions. All social distancing guidelines will be followed.

NOTE: There is no charge for any services from the Helping Hands volunteers, and monetary tips are not accepted. “If we can help you, or you can help Helping Hands, please call me at 508-965-6072,” said Ted Silva.

POOLS:

Hours at both North and South pools for residents and families or guests are the same:

Number of people allowed in pool areas is limited. Please check signs at each pool and spa and numbers of people present before using facility. Residents have priority use if the pool numbers hit maximum. Sign-in is required.

Pool area users may bring their own chairs. A limited number of chairs and loungers will be available and spaced to comply with the social distancing requirement of six (6) feet. Chairs and loungers should not be moved. Residents and guests should bring a towel to sit on and should sanitize any common use furniture before and after use.

Daily sign-in sheets are required to be filled out.

Residents enjoy priority of use as compared to visiting family members and/or guests in the event pool capacity limits is reached.

NORTH LAUNDRY

The North laundry will be accessible between 8:30 a.m. to 8 p.m. daily.

CORONAVIRUS UPDATES/RESOURCES:

COVID VACCINE ALERT: PHONE SCAMS: The State Attorney General's office has issued warnings about vaccine phone scams.

Beware of phone calls that come in on your phone as "Florida Vaccine Center" or "Fl Vaccine Center" even if it appears to be from a Florida exchange.

Check the veracity of any unexpected phone call. If in doubt, ask for the name of the agency calling so you can call back independently, and ask for the name of the caller's supervisor. Do not provide personal info. Phone scammers/impersonators try to get you to say the word YES in the beginning of the conversation, and then record your voice for possible use later. A common initial question is: Can you hear me? Do not answer with the word yes. Instead, begin asking questions to verify their identity, or just hang up.

HOMEBOUND RESIDENTS can let the Florida Department of Emergency Management (FDEM) know they are in need by emailing HomeboundVaccine@em.myflorida.com. FDEM will send them a survey and then work with DOH strike teams to deliver vaccines.

FDEM is working on writing up more information for how this program will work and will provide information to counties when complete.
