Notes from the HOA President

Memorial Day is considered a federal holiday in the United States in which we honor and mourn members of the military who have passed while serving in the United States Armed Forces. More specifically, it honors those who died in battle or as a result of wounds they sustained during battle.

The first celebration on May 30, 1868, was held at **Arlington National Cemetery** with a crowd of 5,000 people decorating the graves of over 20,000 Civil War military personnel with flowers. After World War I, Memorial Day was expanded to honor all veterans who died in any American war.

Many of us have friends and/or relatives that have perished defending the United States of America. On Memorial Day, May 31, 2021, let us remember to take time to honor their sacrifices to help secure our freedom. We are greatly indebted to them.

Y'all know that there are times in our lives where things go in a different direction than planned. That has happened recently for me and my family. SueAnn and I have decided that before we get too many more years on us that it would be a good idea to move to northwest Florida where a number of our children reside. Therefore, it is with regret that I have submitted my resignation to the Board of Directors effective May 31, 2021. We will likely be moving sometime in the next 6 months but we will be in Oregon for the summer.

It has been my honor to serve as the president of the board for the past year under extraordinary circumstances. The remaining board members are a wonderful group of people and I can say with confidence that they have a heart for this community and will continue to serve with excellence. It has been a privilege to work with them and learn from them. I wish them the best as they carry on with the work we have started.

Dave Suderman, HOA President

4th of July Picnic and Celebration

Friends and neighbors in our community are planning a 4th of July Picnic in Our Park for all our residents. We will have picnic fare and all you will have to bring is your beverage or libation of choice. We will have ping pong, cornhole, the putting green and of course, our pool will be available for your entertainment. Do you play an instrument or have a musical talent? We would love hearing from you! Would you like to volunteer a talent or labor? We would love to see our new residents so we can meet and welcome you.

PLEASE DON'T FEED THE ALLIGATORS

This applies to ducks, turtles, and fish also. Feeding wild animals, whether on purpose or not, does more harm than good. Here's why.

1. "People" food isn't good for animals. Human foods aren't nutritious enough for animals and may cause serious health problems (especially when animals are continually fed french fries, bread and popcorn). These processed human foods are empty calories with little protein that fill animals up but provide minimal nutrition.
2. It makes wild animals lose their natural fear of people. Feeding can make large, potentially dangerous animals become too comfortable in residential or recreational areas. Once animals learn they can panhandle for food, they can become a nuisance or even worse, a safety risk.

Let a word to the **WISE** be sufficient.

ATTENTION CRAFT PEOPLE

Crafts on Tuesday at 10:00 a.m. will be suspended for the summer. We will resume the first Tuesday in November. Bring your work and join us.

Greetings from the Plant Lady

Sorry to be the bearer of bad news folks, but summer flowers will soon be over. I know – I’m sad too. Here is a way to brighten up Summer into Fall with marigolds. They grow quickly planting the seeds now and will give you flowers in summer and fall. They love the sun, so all you Western facing homes will love them. They are perfect for summer gardens and borders. I know, I know, I’m sad too about summer and while it will mean shorter days, cooler weather, and a whole new back-to-some-kind of-normal mood, there’s still plenty to love about the Fall season. Like more entertaining and time with family. And that means all the fall flowers. They’re just one of the ways you can still enjoy the great outdoors after summer ends. Fall flowers are the easiest way to give your house a seasonal upgrade. Check out the varieties that you love. You will find fall will be just as stunning as your spring and summer flowers. **PLANT NOW!! DON’T PLANT UNTIL FALL IF YOU’RE PLANTING PAST JUNE 15.**

Happy Gardening!

Dear FMO Members, THANK YOU!!

The 2021 Regular Session ended on schedule on Friday, April 30th! The Legislature will return to Tallahassee for a Special Session on gaming on May 17th. At this writing the official call for a Special Session has not been given so there may be other matters included besides gaming.

For all of you who wrote and called your legislators to extend the Mobile Home Tie-Down Program, your efforts are appreciated and FMO sends a huge THANK YOU!!

Senator Ed Hooper, (Palm Harbor), passed CS/SB 168 out of three Senate Committees and out of the Senate with all “YEA” votes. In the House, **Representative Kaylee Tuck**, (Lake Placid), passed CS/HB 423 out of two House Committees unanimously, and then the bill got stuck in House Appropriations. The House Chair of Appropriations had concerns about the effectiveness of the Program and believed the money was better spent to retrofit and improve existing public hurricane shelters. And, that is an understandable public policy decision in Florida as we face another hurricane season soon. However, FMO continued the fight!

FMO rallied House members to create pressure to extend our Program and the Senate stayed strong in their position to continue the Program.

A compromise was reached between the House and Senate which will enable the Mobile Home Tie-Down Program to continue through June 30, 2022. And there is spending authority in the Appropriations Bill to do so.

Over the past twenty years this Program has benefitted so many of you. And, FMO will continue to fight the good fight on this!!

Jesse James
Chair, FMO Political Advocacy Committee

Monthly

Alzheimer's & Brain Awareness Month. Worldwide, 50 million people are living with Alzheimer's and other dementias. Join the Alzheimer's Association in going purple and raising awareness in June. The more people know about Alzheimer's, the more action is inspired.

Lesbian, Gay, Bisexual, Transgender, and Queer (LGBTQ) Pride Month. Celebrated annually in June to honor the 1969 Stonewall riots, LGBTQ Pride Month works to achieve equal justice and equal opportunity for lesbian, gay, bisexual, transgender, and questioning Americans.

National Dairy Month. Dairy products contain nine essential nutrients which may help you better manage your weight and reduce your risk for high blood pressure, osteoporosis, and certain cancers. Whether it's protein to help build and repair the muscle tissue of active bodies or vitamin A to help maintain healthy skin, dairy products are a natural nutrient powerhouse.

National Rivers Month. The United States is home to about 2.9 million miles of river. One out of every three people gets their drinking water from a river or stream. People spend about \$97 billion each year on river-related recreation and tourism, and fish and wildlife depend on rivers, especially during breeding and migration.

Weekly

Community Health Improvement Week, June 6–12. Community Health Improvement Week honors health professionals who work closely with public health organizations, area leaders, hospitals, and clinics to guide neighborhood, urban, and suburban areas to improve overall health.

Men's Health Week, June 14–20. The purpose of Men's Health Week is to heighten the awareness of preventable health problems and encourage early detection and treatment of disease among men and boys. This week gives health care providers, public policy makers, the news media, and individuals an opportunity to encourage men and boys to seek regular medical advice and early treatment for disease and injury.

Waste and Recycling Workers Week, June 13–19. During this special week of celebration, join together to thank the hardworking women and men who show up daily to keep our neighborhoods and streets safe and clean. Taking the time to simply say "Thanks" goes a long way.

Lightning Safety Awareness Week, June 20–26. The National Lightning Safety Council recognizes National Lightning Safety Awareness Week as a unique opportunity to provide the public with safety information about lightning. Visit NOAA's comprehensive lightning safety web site to learn more about lightning and lightning safety.

"...I am so happy with my new windows...I'd like to commend your work crew. Earbie and Larry were fantastic! I couldn't believe the clean-up EVERYDAY! The whole job took just a week even with all the rain delays. I would and WILL highly recommend your company to my friends and neighbors. Of course I won't need to say a word - the house is doing all the talking! Thank you so much for my beautiful new house."
