President's Report

By Ray Lamoureux #9

Golden Acres has won for two years in a row the best mobile home park. We are now in the Dunedin Business Hall of Fame with this year's award. It is a testament to every resident that keeps their units looking like when they were purchased. Thank you all for caring where we live.

The last of the snowbirds are leaving in the next week and I'm leaving on the 13th of May. It has been a hard year for me, and my children want me home. The support I received from the residents of Golden Acres and or friends back home and family has made it easier to cope with the loss. THANK YOU.

The board has been going over and revising the rules and regulations this spring. They are trying to make them easier to understand. It is a long process to go through each rule and assess the meaning and try to make the language easier to understand. It still has to go to our lawyer to make sure everything is ok with the rules.

The fruit tree on the Hardin property is causing problems in the form of fruit rats. We don't want them to start coming into the park when the fruit is gone. The trees are in the process of being removed to eliminate the rodent problem in the park.

We have no places for sale as of this writing. We have a waiting list of over 600 people looking to buy in Golden Acres. The word is out in Dunedin we are the best park in the area.

I hope everyone traveling has a safe trip home and everyone in Golden Acres and up north have a safe and happy summer.

From the Editor's Desk

By Sue Bailey #188 suebail@tampabay.rr.com

It has become very quiet here at Golden Acres. The only people left in the park now are all of us year-round residents (sunbirds). At last count that's about 54 units and about 70 residents.

There are some perks to living in Florida in the summer. It's the only time that we can go to Clearwater Beach and find a parking spot! There are still things you can do to combat the heat. Like mall shopping, taking in a good movie, going out to eat without the long wait times, going for a nice drive in your air-conditioned car (since the roads are less congested).

Let's not forget the summer thunderstorms. They come fast and furious and then they're gone (just like that). There's nothing better than sitting in your comfortable chair, in your air-conditioned room, reading a good book while the rain is pelting on the roof of your coach. It is such a comforting sound.

...continued on page 6

It's a slower pace during the summer months. We get a good respite from it and then we're ready to welcome all of the snowbirds back for another year of fun and friendship!

Wherever you are located, please keep in touch with all of us by sending articles and pictures for the monthly newsletter. We love to read about what's going on.

As June approaches, here are some notable events to remember:

- o June 14th is Flag Day in the US.
 - o Father's Day is June 20th, so Happy Father's Day to all you Dads out there. I hope you have a very relaxing and memorable day!
 - o June 20th is also the first day of summer (Summer Solstice).
 - o June is graduations in the northern climates and the promise of some time off for the summer for all students attending school.
 - o June is also the month of weddings, so if your anniversary is this month, Happy Anniversary!
- Until next time,
May God bless and keep you well and safe...

Greetings from the Office

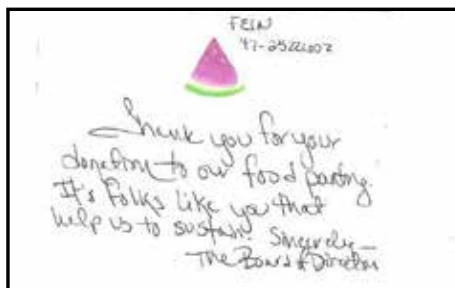

By Karin Desmone

Please welcome Andrew & Bobbi Bragg #144 to the park. Congratulations and may you find lots of happiness, fun, and laughter in your new home.

Flashback from 2016

By Sue Bailey

Karin will be celebrating her Fifth Anniversary as our Administrative Assistant. Here is an article from our June 2016 newsletter. She has definitely lived up to her qualifications and beyond. Congratulations, Karin, and to many more years ahead at Golden Acres.

Welcome to our new Administrative Assistant: Karin Desmone

By Jo Ellen Bryant

The next time you visit the office you are going to meet Karin Desmone who is our new Administrative Assistant. This gal is full of spunk, energy, and vitality ready to take on any task. In fact, in her spare time she loves projects and will roll up her sleeves in a moment's notice to take care of something. There's an air of independence and confidence, which will make her perfect for the job. She's friendly yet professional, and enjoys people, which are all prerequisites for working in the park.

Karin was born and raised in Langhorne, Pa (suburbs of Philadelphia). She also lived in Vestal, NY, Rochester, NY, and San Antonio, TX. She met her husband Phil in Rochester and they settled in Palm Harbor in 1985. They recently celebrated their 25th wedding Anniversary.

Also, Karin is the proud aunt of 5 nieces and nephews and soon to be a Great Aunt this August. She comes to Golden Acres with 19 years of administrative experience in both retail and manufacturing environments.

There is a lot to learn about our park, but she is eager, quick, and sharp; and it is quite obvious that she is going to be a terrific asset to our park. When you see or speak to Karin, please do offer her a warm welcome to our park and community.

Reminder from the Board:

Common Areas – Yours, Mine, Ours?

Community living comes with advantages and disadvantages alike. Members share rights to common areas. As members, we also have exclusive rights to the lots on which our homes are located. These rights work together, and, at times, they can cross paths.

Many of us walk through common areas on occasion. Doing so is within our rights. At the same time, we must remain aware of other members' rights, particularly regarding privacy in their own homes. When walking between and around other members' homes, please do so quickly and without pausing near coaches to limit the possibility that someone may perceive an invasion of privacy.

New Golden Acres Mascot by Default

By Sue Bailey #188

Lately we have been invaded with ducks trying to take over our pool. The wires installed no longer are working. Karin Desmone in the office has been researching what other deterrents we could try. She contacted a person that indicated to put up a sign that says, “No Ducks Allowed”. Of course, it was a joke since ducks can’t read. He also suggested getting a blow-up swan because ducks avoid swans. She ordered one, as well as, two reflective owls that are on the swan. So far ducks have stayed away. We should name our new mascot. Jack and I came up with AFLAC, although that’s a duck, not a swan. Any suggestions will be welcome.

Welcome to the Dunedin Business Hall of Fame!

Golden Acres, ROA is among a very small group of companies that have won the Best of Dunedin Award for two consecutive years. This distinction has qualified Golden Acres, ROA for the 2021 Dunedin Business Hall of Fame.

Press Release

FOR IMMEDIATE RELEASE

Golden Acres, ROA Receives 2021 Best of Dunedin Award Dunedin Award Program Honors the Achievement

DUNEDIN April 26, 2021 -- Golden Acres, ROA has been selected for the 2021 Best of Dunedin Award in the Mobile Home Park category by the Dunedin Award Program.

Each year, the Dunedin Award Program identifies companies that we believe have achieved exceptional marketing success in their local community and business category. These are local companies that enhance the positive image of small business through service to their customers and our community. These exceptional companies help make the Dunedin area a great place to live, work and play.

Various sources of information were gathered and analyzed to choose the winners in each category. The 2021 Dunedin Award Program focuses on quality, not quantity. Winners are determined based on the information gathered both internally by the Dunedin Award Program and data provided by third parties.

About Dunedin Award Program

The Dunedin Award Program is an annual awards program honoring the achievements and accomplishments of local businesses throughout the Dunedin area. Recognition is given to those companies that have shown the ability to use their best practices and implemented programs to generate competitive advantages and long-term value.

The Dunedin Award Program was established to recognize the best of local businesses in our community. Our organization works exclusively with local business owners, trade groups, professional associations and other business advertising and marketing groups. Our mission is to recognize the small business community's contributions to the U.S. economy.

In Spite of the Pandemic, Golden Acres Succeeded with New Sales

By Sue Bailey #188

As Ray Lamoureux #9 has indicated in his President's Report, we have no units for sale. We have a waiting list of about 600 applicants to buy in our park. On average, when a resident decides to sell, it usually is sold within 48 hours (even during the pandemic). A resident contacted me to ask if I could provide a list of those new buyers. Here is a list of new buyers since the 2020/2021 Directory was published. Since many residents were unable to come to GA during the pandemic lockdowns, you may discover that you have a new neighbor when you return.

Health Benefits of Aqua-Fit

By Debra Farris #28

Hello All!
I am one of the Aqua-fit instructors here at Golden Acres. I am also a massage therapist, Body Worker, Resistance Flexibility practitioner, and Corrective Exercise Specialist. I have been doing water aerobics since 2010, after a low back injury took me out of my previous triathlon, equestrian, and running sports. I can speak from personal experience, as I could barely walk when I started. Now I feel that doing this exercise put me back on the map, restoring my agility, making me pain free, flexible, strong and happy! The pool has become my happy place. Class is held consistently on MON, WED, and FRI from 10:30am-11:30am. I'm committed to doing the work for myself, so even if I'm in the pool alone, I'll be there!

There are so many benefits to doing this exercise! Here are a few:

1. Accelerating blood flow - One of the benefits of Aqua-fit exercise is blood flow. We know that the water has a density up to 800 times compared with the air. So, moving in water is harder because of the water pressure on our body. This resistance is like weightlifting with very little impact on the joints.
2. Strengthening the heart - Aqua-fit is also important for the heart. When your blood circulation is good, you get enormous health benefits for the heart and muscles. Aqua-fit is one of the sports that can lower blood pressure and regular practice helps the heart remain steady and stable.
3. Muscle formation- Aqua fit builds muscle! Pushes and pulls with arms and legs that are done in the water causes a contraction in the muscles that is safe. A regular Aqua-fit workout routine in the water will make muscle building easy. Additionally, exercise in water, also called Water Aerobics, Aqua-fit can help people lose weight, tone up, gain flexibility, lessen pain, etc.
4. Overcoming various diseases - Aqua-fit could also be an alternative to overcome various complaints of health and aging. This sport can be safely performed by anyone because of the buoyancy in the pool. Also, I always advocate for people to go at their own pace, modify any exercises that are too difficult, or tiring. Aqua-fit is a wonderful opportunity to cope with arthritis, osteoporosis, weak joints, and others. A Brazilian study revealed that older people who exercise in the water can increase their muscle endurance and quality of better health. This concept actually goes for everyone!
5. Fitness measure - Exercise in the water can provide tremendous benefits to health. I will provide guidance for you in every movement, so it's not difficult to do this sport. We follow a routine that includes some cardio work for heart health, Water weights for upper body, Balance, Stretching, Range of motion, as well as balancing the brain, organs, and mind.
6. Maintaining the balance - Aqua-fit exercise is beneficial to provide balance for the whole body. The various movements in the water offer resistance in the water. For instance, Leg movements will push the water down and bring a slight increased resistance, while it goes nearly unnoticed because of the buoyancy and fun! The intrinsic core muscles get used to balance us in the pool, but the movements feel stable under the pressure of the water.

All in all, over the years, Aqua fit has become my favorite way to exercise! If you're interested, please come watch, or put on your suit and jump right in! I'd be glad to have you in class!

Thank you!

Easy steps to prevent account takeovers by computer crooks

By Sue Bailey #188 as an AARP Fraud Watch Fighter

Free Helpline at (877) 908-3360 or

<https://www.aarp.org/benefits-discounts/all/aarp-fraud-helpline/>

1. Never give a stranger who contacts you remote access to your computer. “There’s absolutely no (legitimate) scenario in the world where someone will call you up on the phone unexpectedly and say, ‘We understand your computer is infected, and we’d like to help you,’ “ Buzzard says. If you suspect that your device has a problem, such as malware (malicious software), contact a trusted technician for service.
2. For another layer of security beyond a password, require two-step authentication to access sensitive accounts; it may be a number given in a text or call.
3. Ensure that your antivirus and anti-malware software is up to date.
4. Perform software updates as available on your computer, laptop, tablet and mobile device.
5. Set up your smartphone to stay locked until you provide biometric data such as a fingerprint or facial scan.
6. Contact your bank, credit card company and investment firm and ask what additional security measures they recommend for digital accounts; examples include fraud alerts and dollar limits on transactions. “They would love it if their customers took more initiative like that,” Buzzard says.
7. Write down your mobile device sign-on information and store it safely. You will need it to find your phone or, if stolen, to wipe the device.
8. Periodically review the “last log-in” time stamp on websites you frequent. Check if the stated times match your activity.
9. If you need to contact a customer service department, call using a phone number you know is legit, such as one from a billing statement.
10. If you receive an email directing you to log on to a financial account to check out a transaction, ignore it. Instead, bookmark your financial websites and log on through a secure, trusted website. An unexpected email “has a high likelihood of being malicious or a phishing scam,” in which a bad actor tries to steal something of value, like a credit card number or account number.

Reduce Your Risk of Blood Clots

From NIH (News in Health) newsinhealth.nih.gov

Eat a heart-healthy diet. Eat more fruits, vegetables, and whole grains. Limit salt and red meat. Find more tips at www.nhlbi.nih.gov/DASH.

Be physically active. Experts recommend adults get at least 150 minutes of moderate-intensity activity per week.

Aim for a healthy weight. Excess weight can increase your chances of developing health conditions linked with blood clots. Healthy eating and physical activity can help prevent excess weight.

Manage stress. Stress can contribute to high blood pressure and other heart disease risk factors. Find tips for lowering stress at go.usa.gov/xsHzE.

Quit smoking. Get free help to quit smoking at smokefree.gov, 1-800-QUIT-NOW (1-800-784-8669), or by texting QUIT to 47848.

Control high blood pressure, high cholesterol, and diabetes. Talk with your doctor about how to manage these conditions.

FLORIDA ANCHOR AND BARRIER COMPANY

To our valued customers:

During the current times we wanted to let you know that we are taking as many precautions as we can to ensure not only our workers safety but yours as well. We check workers' temperatures each morning and have limited the amount of contact our crews have with each other. Our crews work in Tyvek suits with respirators which helps to ensure your safety as well as theirs.

As a company, we want your business and there is no need for any contact if you so choose. Our business is deemed an "Essential Business" and we are here for you when you need us. You can schedule your inspection by calling 1-800-681-3772.

Wishing you good health and safety,
 The Florida Anchor & Barrier Team
