From The President

Tom Vanzant

Soon, summer will be in full swing and our seasonal friends won't return to the Park until fall, or possibly later. Wherever you are, the board is asking you to think about something that is extremely important.

Holiday Shores Park continually needs qualified people to serve on the board. Thanks to modern technology, it does not matter whether you are a seasonal or a full time resident. What does matter is that the board members/directors familiarize themselves with the Association's documents and keep the overall good of the **Park** in mind whenever planning, managing, voting on issues, or engaging in any other activity that affects it.

The powers, duties and responsibilities of the board of directors are determined by government regulations and the Holiday Shores Park, Inc. documents.

As of now, although time can change minds, there could very well be as many as 6 positions (expiration of term) needing to be filled in order to continue to operate as a 7 person Board. We have the option of having a 5 person board, but that would only place more burden on each board member.

In my opinion, it is a privilege to be on our board. As a board member, you will be elected by the shareholders to establish and support the execution of management policies that will affect the Park now and into the future.

This is the best time to give it some thought. Please don't wait until forty days prior to the scheduled election. This year, the absolute deadline for your submission to be placed in nomination as a Candidate for the 2022 Board of Directors is October 30, 2021. Should you decide to become a 2022 Candidate, please contact Pat Merl at 727-393-5916, or email HolidayShoresPark10289@gmail.com, for further information on the process.

Please contact me, or any board member to obtain additional facts as to what it means to run for the Holiday Shores Park Board of Directors.

From The Office

Pat Merl

Those of you who are away from the Park for a period of time, please don't forget about the property you have here. Summer is the worst time of the year for weeds and mildew. Please schedule your home to be cleaned at least once while you are away and more if you are away more than three months. Your home should be checked for weeds every week, as they grow quickly this time of year. As I am sure you know, these are only two of the things that should be monitored in your absence.

If you have not registered on the Holiday Shore Park website, I suggest you do. Just email me at holidayshorespark10289@gmail.com letting me know that you would like to register and I will pass your information on to the websitter. You will then get an email from mycommunitysite.com inviting you to register on the site. Among other things, you will find the Park's legal documents, including the phone book, Rules and Regulations and Bylaws, **Departure Slips**, etc.

If you have not left a **Departure Slip** with the office, please fill one out and email, mail, or fax it to 727-392-1626. The office is legally required to have your current contact and other information on file. It also helps us to know who is in the Park during hurricane season.

Hurricane season begins on June 1, 2021 and continues for a period of five months, or through October, each year. If you are in the Park, please make sure that you do everything you can to get prepared. This link takes you to the State of Florida Hurricane Preparedness page where you will find their Hurricane Preparedness Guide: <https://www.stateofflorida.com/articles/hurricane-preparedness-guide/> Please don't wait to familiarize yourself with it – even seasoned Floridians need to keep up to date on ways to protect yourself, your family and your property©

RESIDENT - SPECIAL NEEDS: There is another very important step to take in order to prepare for hurricane season. The Pinellas County Emergency Management Office defines “special needs” residents as individuals who are confined to a wheelchair, bedridden, or requiring oxygen, or electrical life support equipment. **Holiday Shores Park residents with these medical or mobility problems who want assistance from the County in the event of an “emergency” such as a hurricane will need to call 727-464-3800 to pre-register.**

Special needs residents will need to complete paperwork and have it signed by their doctor and return it to the Pinellas County Emergency Management Officer, to be registered. Each year, they will receive renewal forms that will need to be completed and returned to continue their registration.

If you have special needs and would like to register on line, take a moment to create an account at the Pinellas County link below and pre-register yourself with the Pinellas County Emergency Management Office at the following link: <https://snr.floridadisaster.org/Signin?client=pinellas>

Residents who do not meet the County’s “special needs” criteria, but who may need assistance during evacuation, will need to make arrangements beforehand, with the Pinellas County Emergency Management Office (727-464-3800), for help during an emergency.

The Emergency Management Office will not give out your information, due to their Privacy Policy.

Enjoy your summer! Here’s wishing you healthy and contentment.

Happy summer everyone!

We had an impromptu movie night that went very well. Our thanks to David Gonzales for sponsoring it, and for the help of Dale Duquet and Craig Drouin for setting up and break down of equipment. As discussed in our social meeting, we followed up with a movie night on the 21st with an intermission and concession stand.

An ice cream social was held to coincide with our pool opening.

We had a luncheon request for Olive Garden in May. No sign up sheet was needed for they did not take reservations.

Special thanks to Monty Slaybaugh for the time and effort he puts into our Memorial Day celebration, this year and every year.

We will be planning a pool party. Please watch the A-Frames! Summer activities may pop up as ideas come forth for those of us still in the Park.

I have two bingo volunteers. I need more!!

I will be away June 8th through the 22nd. Please keep those suggestions coming. None are too big or too small. All are appreciated! Thank you!

Sharing and Caring

Nita Anderson

Hello Friends and Neighbors of Holiday Shores Park. It greatly saddens me to inform you that the brother of Sharon Shobe, Cliff, has recently passed away. Also, Joyce Swope (10110 N. Lake Drive) recently passed away. Some of you may remember she used to work in the office. Also Harold Harlan (10424 Holiday Shores Drive) passed away.

Bob Dugal (10373 North Lake) has been hospitalized with brain cancer. I will keep you informed on any further information I receive.

Frank Karbowski recently had cardiac surgery. Nurse Lindy is taking care of him so we hope he will be healed very quickly.

Randy Brose (10221 South Lake) is home from hospital and rehab. We've recently saw him outside soaking up some Florida sun. If you have the opportunity, please stop by and chat with him a while.

Please call me (440-724-1488) if you are aware of any of our friends and neighbors who are ill, have had a death in the family, or have had a surgical procedure. I will keep you posted on any new developments. Please keep these friends and neighbors (and their families) in your prayers. Thank you.

Bear hunting

Two men went bear hunting. One stayed in the cabin while the other went out looking for a bear.

He soon found a huge bear, shot at it, but only wounded it. The enraged bear charged toward him, and he dropped his rifle and started running for the cabin as fast as he could.

He ran fast but the bear gained on him with every step. Just as he reached the open cabin door, he tripped and fell flat on the ground. Too close behind to stop, the bear tripped over him and went rolling into the cabin.

The man jumped up, closed the cabin door and yelled to his friend inside, "You skin this one while I go and get another!"

The missing cow

A big city lawyer was called in on a case between a farmer and a large railroad company. The farmer's prize cow had gone missing from his field through which the railroad passed. He filed suit against the railroad company for the value of the cow. The case was to be tried before the justice of the peace in the back room of the town's general store.

The attorney went to the farmer and tried to settle out of court. The lawyer was very persuasive, and the farmer finally agreed to take half of what he was asking for to settle the case.

After the farmer signed the release and took the check, the young lawyer felt a little bad. He said to the farmer, "You know, I hate to tell you this, but I couldn't have won the case. The engineer was asleep and the fireman was in the caboose when the train went through your farm that morning. I didn't have one witness to put on the stand."

The old farmer nodded. "Well, I'll tell you, young fellow, I was a little worried about winning that case myself, because that durned cow came home this morning."

Long way down

On a mountain hike a man falls down into a crack. His wife calls after him, "Are you OK?"

"Yeah!"

"Are you hurt?"

"No!"

"Not a scratch? How come?!"

"I'm not done falling yet!"

Shorties

“Wow, honey, I never thought our son would go that far!”
“Yeah, that catapult is really amazing.”

Years ago, I threw away a boomerang really hard. I've lived in constant fear since.

My aunts would come and tease me at weddings, “Well, Sarah? Do you think you'll be next?” We settled this quickly once I started asking them the same thing at funerals.

Whenever I see lovers' names carved in a tree, I wonder how many people bring a knife on a date.

I haven't been sleeping well recently. Well, that's it for my last talent.

Lunch date

The geography teacher was lecturing on map reading. After explaining about latitude, longitude, degrees, and minutes, the teacher asked, “Suppose I asked you to meet me for lunch at 23 degrees, 4 minutes north latitude and 45 degrees, 15 minutes east longitude?”

After a long silence, a student answered, “I guess you'd be eating alone.”

Absentee

A mother asked, “Why did you get such a low mark on that test?”

“Because of absence,” her son answered.

“You mean you were absent on the day of the test?”

“No, but the kid who sits next to me was.”

Laughter heals all wounds, and that's one thing that everybody shares. No matter what you're going through, it makes you forget about your problems. I think the world should keep laughing.
