4. Has your doctor called you to explain your risk of coronavirus?
5. Is your doctor's office offering doctor phone visits?
6. Does your doctor allow walk-in visits?
7. Are you able to call your doctor anytime, day or night?
8. Do you have any difficulty getting to and from your doctor?
9. Is your doctor helping to make sure you receive all of your prescription refills?
10. Is your doctor offering to help you get your medications delivered?

Bear hunting

Two men went bear hunting. One stayed in the cabin while the other went out looking for a bear.

He soon found a huge bear, shot at it, but only wounded it. The enraged bear charged toward him, and he dropped his rifle and started running for the cabin as fast as he could.

He ran fast but the bear gained on him with every step. Just as he reached the open cabin door, he tripped and fell flat on the ground. Too close behind to stop, the bear tripped over him and went rolling into the cabin.

The man jumped up, closed the cabin door and yelled to his friend inside, "You skin this one while I go and get another!"

The missing cow

A big city lawyer was called in on a case between a farmer and a large railroad company. The farmer's prize cow had gone missing from his field through which the railroad passed. He filed suit against the railroad company for the value of the cow. The case was to be tried before the justice of the peace in the back room of the town's general store.

The attorney went to the farmer and tried to settle out of court. The lawyer was very persuasive, and the farmer finally agreed to take half of what he was asking for to settle the case.

After the farmer signed the release and took the check, the young lawyer felt a little bad. He said to the farmer, "You know, I hate to tell you this, but I couldn't have won the case. The engineer was asleep and the fireman was in the caboose when the train went through your farm that morning. I didn't have one witness to put on the stand."

The old farmer nodded. "Well, I'll tell you, young fellow, I was a little worried about winning that case myself, because that durned cow came home this morning."

Long way down

On a mountain hike a man falls down into a crack. His wife calls after him, "Are you OK?"

"Yeah!"

"Are you hurt?"

"No!"

"Not a scratch? How come?!"

"I'm not done falling yet!"

Shorties

“**W**ow, honey, I never thought our son would go that far!”
“Yeah, that catapult is really amazing.”

Years ago, I threw away a boomerang really hard. I’ve lived in constant fear since.

My aunts would come and tease me at weddings, “Well, Sarah? Do you think you’ll be next?” We settled this quickly once I started asking them the same thing at funerals.

Whenever I see lovers' names carved in a tree, I wonder how many people bring a knife on a date.

I haven’t been sleeping well recently. Well, that's it for my last talent.

Lunch date

The geography teacher was lecturing on map reading. After explaining about latitude, longitude, degrees, and minutes, the teacher asked, “Suppose I asked you to meet me for lunch at 23 degrees, 4 minutes north latitude and 45 degrees, 15 minutes east longitude?”

After a long silence, a student answered, “I guess you’d be eating alone.”

Absentee

A mother asked, “Why did you get such a low mark on that test?”

“Because of absence,” her son answered.

“You mean you were absent on the day of the test?”
