FROM THE BOARD

By April Loomis; Vice President

Summer is here! The butterfly garden is in full bloom and the compound sidewalks have taken on a new look!

Last month, residents voted in favor of relocating the mail boxes and accepting Spectrum's bulk offer. At the May Board meeting, the process to implement these issues was discussed.

Summer in Florida is hot and sticky and so are some subjects facing the board. Several residents have expressed concern about phone calls offering to buy their homes. Recently, Peter Richard gave me an article from the Wall Street Journal written by Konrad Putzier. It said, "Big foreign investment firms that buy office buildings, hotels and shopping centers around the world have a new favorite "real estate play"- single family homes in American suburbs. "

Common Ground, a CAI magazine for community Associations stated, "in Chicago, an investor tried to buy 100-200 of the condominiums consisting of 875 units to turn them into rentals. Owners who choose to sell, had the Option of leasing back for a short time".

Should we be concerned? Maybe we need to revisit the option to limit the number of shares one person can own. Something to think about!

Enjoy the summer and stay cool!

MANAGER'S MESSAGE

By: Jane Jarlenski, CMCA, AMS, PCAM

MANAGER

Happy Father's Day – June 20th, Happy Father's Day!

On April 24th, 1972, President Nixon officially making Father's Day a federal holiday celebrated on the third Sunday in June. It honors all fathers, grandfathers, great-grandfathers, and father figures for their contributions.

Hurricane Season – Hurricane Season begins June 1st and lasts through November 30th. As a reminder, all mobile home residents are required to evacuate. Emergency services will not respond to calls when wind speed reaches 35 mph. If you need assistance evacuating, we have Special Needs forms in the office. To view a short video on what the worst would happen if a hurricane hit Pinellas County, type ***Hurricane Phoenix 2.0*** into your internet browser. This video is a simulation, it will certainly make you think!

Spectrum Cable & Internet – As you probably know by now, a majority of the members have voted to give the board of directors the authority to negotiate a bulk communication agreement. In a few months Spectrum will begin replacing the underground cabling throughout the community. The start process will take a few months. All residents will be provided with

...continued on page 6

a high-definition cable box and a DVR box.

Mailboxes – New mailboxes will be installed at the laundry facilities. The postal worker will continue delivering mail to the old mailbox kiosks until the new mailboxes are delivered and installed at the laundries. Once the new ones are in place, the old buildings will be demolished.

Canal Committee – We have a newly formed Ad Hoc Committee that will be researching options on how to prevent more erosion along the canal.

Safety Mirrors – Four traffic mirrors have been installed around the community in areas where it was hard to see on-coming vehicles. These make it easier for drivers to see residents walking or biking.

Sidewalks & Walkways – Showcase Concrete Coatings did a great job; our walkways and sidewalks look beautiful, what a difference.

Butterfly Garden – Our beautiful butterfly garden in front of the business office is attracting lots of butterflies; they make me smile when I walk by. According to an article in the Tampa Bay Times, entitled “If you plant it, they will come,” butterflies are specific to their host plants to lay eggs for their caterpillars. The type of plant depends on what type of butterfly you want to attract. For example, to attract monarch butterflies, you only need one milkweed plant and one larger flowering nectar plant to start. This can be done in one pot, placed outside. A suggestion for the flowering plant is Tropical Sage, especially the red ones. The article goes on to say, if you plant them, the monarchs will find you with no effort on your part.

Thank you – I want to thank Debbie Creighton, Chair of the Communication Committee, Karl Miller, Marcia Manzi, Theresa Parsons, Connie Luka, Maggie Holt, and Mary Yale for helping to remind residents to complete and return their proxies last month. It is these volunteers and all the others that make Clearwater Cascade the great place that it is!

That is all I have for this month.

FROM THE EDITOR

By Donna Collins

Happy Father's Day to all Dads, Grandfathers, and father and grandfather figures. I would like to add my thanks to all the people who have helped their friends and neighbors around the Park and to make it a beautiful place to be. Also, to those who went door-to-door, phoned, or connected in many ways to get the proxy votes into the office regarding the mailboxes and bulk communication (Spectrum).

Those of us who haven't been in the Park since March, 2020, we are going to be amazed by the changes. We are so looking forward to, hopefully, being able to meet our new residents, get reacquainted with the old ones and see all the work that has been done to make Clearwater Cascade a special place to be.

Have a healthy, happy, safe June.

Reaching Others When Disasters Strike

The first thing many of us do during or immediately following a natural disaster is to call family and friends. Unfortunately, in the minutes and hours after a disaster, overloaded cell phone networks can make it difficult—if not impossible—to reach others. While there is no guarantee, the following tips can increase your chances of getting through when it matters most.

- * Even if you have a traditional landline, keep a corded phone in your home. It will work even if you lose power.
- * Keep a list of emergency phone numbers in your cell phone and near your home phone.
- * Prepare a family contact sheet with at least one out-of-town person who can serve as your family's emergency contact. Often, it's easier to make long distance rather than local calls during an emergency.
- * Have charged batteries and car phone chargers for back-up power.
- * Subscribe to text alert services from local or state governments and schools to receive emergency alerts.
- * Use text messaging, e-mail or social networks such as Facebook and Twitter instead of making calls on your cell phone. Texts and e-mails are less likely to experience network congestion. You can use social media to let family and friends know you're okay.
- * Keep phone calls brief to avoid tying up voice networks.
- * Conserve your cell phone battery by reducing screen brightness and closing apps you are not using.
- * Limit streaming videos, downloading music or playing video games on cell phones after a disaster to help emergency calls get through to 911.
- * **Call 911 only if you have a life-threatening emergency.**

BEAUTIFICATION

By Donna Miller

Happy Summer Everyone! The park is looking wonderful (except for the brown grass due to no rain) and I've been getting A LOT of compliments on the new Butterfly Garden! The bench has been put in place which adds a very nice "finished" look to the garden. In the future, we may find it necessary to add a foundation under the bench, but, we will see...

Beautification had a wonderfully large number of people who signed up to help with any upcoming projects - thank you! There are no major projects (as of this date) to be done over the summer and, since most of the volunteers are out-of-towners, this works well for now. Of course, any of you that are still in the park - if you see a weed or something else that doesn't belong - pull it, pick it up, or fix it for me. If you can't fix it, please let the office know so that it can be taken care of. Even this is a help for me!

Till next time - enjoy the beauty that's all around us!

COMMUNICATION

By Debbie Creighton

I'd like to introduce myself as the new chairperson for the Communication Committee. My husband, Dave, and I are part-time residents for the last 2 years and are greatly enjoying being a part of this wonderful community. I believe communication in our park is very important and hope that our committee can help in that regard. The Communication Committee will meet on June 3rd at 10:00 in the clubhouse and would welcome all ideas and suggestions. All volunteers, no matter how large or small the contribution, would be greatly appreciated and saves all of us a lot of extra money on our HOA fees. Please consider helping with our wonderful community to make it even better.

I would like to mention that the "Monthly-Mania Contest" box that was previously located

in the clubhouse has now been moved to the office. For those of us who don't know what that is....it's explained on the second to the last page in the Chronicle every month. When you patronize a current advertiser, ask for a "Monthly Mania" ticket, fill it out and place it in the "Monthly-Mania Contest" box located in the office. At the end of month, the Publishers will pick up the tickets and hold a drawing. You could win up to \$100 in the form of a check. Several people in our park have won money in previous years.

Marilyn Jones would like everyone to know that in addition to writing names on the Birthday and Anniversary sheets located temporarily in the Library, you can email any additions to her at norocking@yahoo.com. Please keep in mind that Marilyn needs this information on the 10th of the month prior to the month of the celebration in order to appear in the next edition of the Chronicle.

Nancy Wallace, coordinator of Spades, would like everyone to know that she is happy to give lessons to anybody wanting to play Spades. Nancy's phone number is 727-544-0368.

Maddy Haber has taken over "Meet Your Neighbors" and will be contacting new residents for a possible interview.

SOCIAL CLUB

As with all Social Club activities, COVID-19 has brought things to a halt. This also includes the Welcome Wagon. Thank goodness we have our Facebook page. The Welcome Wagon process starts with the office. Included in the interview package is the Welcome Wagon form. This is filled in by the office staff or Board Directors conducting the interview. They then place it in the Social Club mail slot. If this step isn't taken then we don't know about new people. Also, with the office closed for a time and the restrictions to stay at home and social distancing, it has been difficult to connect with people. We generally do visits between the beginning of November and the end of April, and will come to your door up to three times to make contact. If no one has been available any of these three times, we would ask that you contact a Social Club director. These visits will resume again in the fall of 2021. If you feel you have been missed, then let us know and we will put you on the fall list.

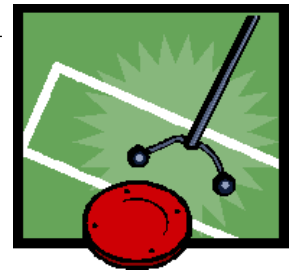

Have a wonderful summer everyone. If you have any ideas or would like to host an event for the 2021-2022 season, don't hesitate to let us know.

POETRY CORNER

About a month ago, Nancy Clark contacted me saying that she had been doing some cleaning out and found some poems that her husband, James, had written. She asked if I would like to share any with you. She mailed me several and these two have been selected to include here. Enjoy.

Thankful Little Church Mouse

I heard a church mouse praying
And saying, "Lord, if you please,
I'm not thinking of myself,
But the vicar needs some cheese.
And maybe a big, fat turkey,
some bread and an apple pie;
And I'll be the best little church mouse.
Really, Lord, I'll try.
And perhaps a few bottles of wine,
To rid off the cold,
Cause me and the vicar, Lord,
Are getting a little old.
Yes, I count my blessing, Lord,
And not only that,
Each day I wake up,
I know I wasn't eaten by the cat!"

An Angel

I met my wife in high school,
Many years ago.
Why she ever picked me,
I will never know.
She must have been sent from Heaven,
To make something out of me.
For I think she is an angel,
Yes, this she must surely be,
Cause she changed my life completely,
And gave me love beyond compare,
She put up with my nonsense.
And still showed that she cared.
I will always love her,
For what she means to me.
I pray to God I keep this angel,
Through all eternity.

Meet Your Neighbors – Maddy Haber and Debbie Zanolli

By Maddy Haber

Maddy and Debbie, best friends for over thirty years, moved to Clearwater Cascade on St. Ann Avenue, Lot #395, August 2020. It didn't take much to realize that August is a very **HOT** month in Florida. Maddy and Deb have visited Clearwater Cascade for the past twenty years to visit Maddy's sister, Philomena.

Both Maddy and Debbie are native Pittsburgher's and devout Steeler fans. Maddy was an Administrative Assistant for forty-eight years, working most recently for FedEx Ground at their Headquarters in Pittsburgh. She is now retired and loving it. Debbie worked as a Computer Desk-Top Technician for several large companies in Pittsburgh and just landed a position with the Post Office here in Florida.

As Steeler fans, both Debbie and Maddy watch every Steeler game, and enjoy watching other teams as well. Their other passion is golf. Debbie's game will amaze you; and Maddy's will make you laugh! Speaking about their love of golf, they just adopted a kitten and named her Callaway. You may see them at the pool, playing shuffleboard or bocce.

Maddy has a daughter, Rachael, and a son-in-law, Jeff. Debbie's brother, Shannon, is planning to relocate to Florida this Fall. (He's a GREAT handyman!)

Go Steelers!

FOR ALL YOU LOGOPHILES (one who loves words)

The **Washington Post's Mensa Invitational** once again invited readers to take any word from the dictionary, alter it by adding, subtracting, or changing one letter, and supply a new definition.

Here are the winners:

1. Cashtration (n.): The act of buying a house, which renders the subject financially impotent for an indefinite period of time.
2. Intaxication: Euphoria at getting a tax refund, which lasts until you realize it was your money to start with.
3. Reintarnation: Coming back to life as a hillbilly.
4. Bozone (n.): The substance surrounding stupid people that stops bright ideas from penetrating. The bozone layer, unfortunately, shows little sign of breaking down in the near future.
5. Giraffiti: Vandalism spray-painted very, very high.

Where to Go Without Leaving Home...

I have been in many places in my life but I've never been in Cahoots. Apparently, you can't go alone. You have to be in Cahoots with someone.

I've also never been in Cognito. I hear no one recognizes you there.

I have, however, been in Sane. They don't have an airport; you have to be driven there. I have made several trips there, thanks to my friends and family. I live close so it's a short drive.

I would like to go to Conclusions, but you have to jump, and I'm not too much on physical activity anymore.

I have also been in Doubt. That is a sad place to go and I try not to visit there too often.

I've been in Flexible, but only when it was very important to stand firm.

Sometimes I'm in Capable, and I go there more often as I'm getting older.

One of my favorite places to be is in Suspense! It really gets the adrenaline flowing and pumps up the old heart! At my age I need all the stimuli I can get!

And, sometimes I think I am in Vincible but life shows me I am not.

People keep telling me I'm in Denial but I'm positive I've never been there before!

I have been in Deep-shit many times; the older I get, the easier it is to get there. I actually kind of enjoy it there.

So far, I haven't been in Continent, but my travel agent says it is on the list.

"...I am so happy with my new windows...I'd like to commend your work crew. Earbie and Larry were fantastic! I couldn't believe the clean-up EVERYDAY! The whole job took just a week even with all the rain delays. I would and WILL highly recommend your company to my friends and neighbors. Of course I won't need to say a word – the house is doing all the talking! Thank you so much for my beautiful new house."

FLORIDA ANCHOR AND BARRIER COMPANY

To our valued customers:

During the current times we wanted to let you know that we are taking as many precautions as we can to ensure not only our workers safety but yours as well. We check workers' temperatures each morning and have limited the amount of contact our crews have with each other. Our crews work in Tyvek suits with respirators which helps to ensure your safety as well as theirs.

As a company, we want your business and there is no need for any contact if you so choose. Our business is deemed an "Essential Business" and we are here for you when you need us. You can schedule your inspection by calling 1-800-681-3772.
