Thank You

We owe these people for the meals we have had this spring. The Taco walk by was a great hit. They were the best taco's I have ever eaten, who ever came up with the idea a big thank you.

Lets give a big thanks to the people who prepared the food.
Becky, Jeannie, Pat, Tammy, and Bonnie.

Thank all of you for giving your time and energy.

We love and appreciate all of you. For those who left us have a great summer, we will, a little warm but we will adapt. If any one has a idea for something entertaining please let Becky know.

It has been a long year, but the sun has started to shine on us thank God. Thank you Andrea for facilitating the use of the Club House and kitchen.

The Planning Board has done well by us this spring.

If anyone has an idea for an event or a game please share that idea with Becky at #50.

If anyone would like to take the job of editor please contact me at 317-501-4243, Elyse Poole.

Bear hunting

Two men went bear hunting. One stayed in the cabin while the other went out looking for a bear.

He soon found a huge bear, shot at it, but only wounded it. The enraged bear charged toward him, and he dropped his rifle and started running for the cabin as fast as he could.

He ran fast but the bear gained on him with every step. Just as he reached the open cabin door, he tripped and fell flat on the ground. Too close behind to stop, the bear tripped over him and went rolling into the cabin.

The man jumped up, closed the cabin door and yelled to his friend inside, "You skin this one while I go and get another!"

The missing cow

A big city lawyer was called in on a case between a farmer and a large railroad company. The farmer's prize cow had gone missing from his field through which the railroad passed. He filed suit against the railroad company for the value of the cow. The case was to be tried before the justice of the peace in the back room of the town's general store.

The attorney went to the farmer and tried to settle out of court. The lawyer was very persuasive, and the farmer finally agreed to take half of what he was asking for to settle the case.

After the farmer signed the release and took the check, the young lawyer felt a little bad. He said to the farmer, "You know, I hate to tell you this, but I couldn't have won the case. The engineer was asleep and the fireman was in the caboose when the train went through your farm that morning. I didn't have one witness to put on the stand."

The old farmer nodded. "Well, I'll tell you, young fellow, I was a little worried about winning that case myself, because that durned cow came home this morning."

Long way down

On a mountain hike a man falls down into a crack. His wife calls after him, "Are you OK?"

"Yeah!"

"Are you hurt?"

"No!"

"Not a scratch? How come?!"

"I'm not done falling yet!"

"...I am so happy with my new windows...I'd like to commend your work crew. Earbie and Larry were fantastic! I couldn't believe the clean-up EVERYDAY! The whole job took just a week even with all the rain delays. I would and WILL highly recommend your company to my friends and neighbors. Of course I won't need to say a word - the house is doing all the talking! Thank you so much for my beautiful new house."
