June in History

June 6, 1944 - D-Day, the largest amphibious landing in history, began in the early-morning hours as Allied forces landed in Normandy on the northern coast of France. Operation Overlord took months of planning and involved 1,527,000 soldiers in 47 Allied divisions along with 4,400 ships and landing craft, and 11,000 aircraft. The Germans had about 60 divisions spread along France and the Low Countries. American forces landed on two western beaches, Utah and Omaha, while British and Canadian troops landed farther east on Gold, Juno and Sword beaches. By the end of the day 150,000 Allied soldiers and their accompanying vehicles had landed with 15,000 killed and wounded.

June 18, 1812 - After much debate, the U.S. Senate voted 19 to 13 in favor of a declaration of war against Great Britain, prompted by Britain's violation of America's rights on the high seas and British incitement of Indian warfare on the Western frontier. The next day, President James Madison officially proclaimed the U.S. to be in a state of war. The War of 1812 lasted over two years and ended with the signing of the Treaty of Ghent in Belgium on December 24, 1814.

June 25, 1876 - General George A. Custer, leading 250 men, attacked an encampment of Sioux Indians near Little Bighorn River in Montana. Custer and his men were then attacked by 2000-4000 Indian braves. Only one scout and a single horse survived 'Custer's Last Stand' on the Little Bighorn Battlefield.

RIVIERA ESTATES – FROM THE OFFICE

Mike Richards, Community Manager

To: Residents at Riviera Estates Date:
Dear Community,

4-20-21

So often people tell me how nice our park looks. Thanks for how you take care of your place. You make this a great place to live. You make this a nice community.

SALES- Currently we have 1 new home for sale and 2 used homes for sale. See all of our homes for sale at- <https://www.mystatemls.com/profiles/us/134453/> Our sales team includes our home office and our regional sales manager.

Spring Cleaning- Homes will need to be pressure washed almost every year. If your driveway has been painted then it will need to be maintained. Only outdoor furniture is allowed on carports and screen porches. No appliances, recliners, etc. are allowed. No building material is allowed to be laying around outside of the home. Such storage items must be stored out of sight.

Skirting- Many have repaired this already. Thank You! All skirting must be white split brick. Wrapping outside of brick skirting with chicken-wire or similar material is not allowed. This will be written up like any other community violations. I am noticing pest control workers working hard to sell this to you. They must put it behind the white brick, if you choose to have this done.

Painting your home?- Colors must be approved at the park office. We do want current colors that are fitting for a nice manufactured home community.

I am here Monday – Friday, 9am – 4pm. Let me know how I can help.

Sincerely,
Mike Richards
Community Manager

Be a Good Neighbor:

- Please clean up after your pet.
- Please place your garbage (including cigarette butts) in the proper containers provided.
- Please adhere to the posted speed limits in the park

Homeowners Association

On behalf of myself and my H.O.A. team I would like welcome all new residents to Riviera Estates. I'm sure that you will find, as we have that under normal circumstances, we have a very vibrant park which you will be proud to call home, if only for a few short months in the winter. Over the past few years, we have noticed a shift from predominantly part time residents (snowbirds) in the winter to full time U.S. residents.

I am once again requesting that you consider taking an active role in assisting the H.O.A by volunteering to join our team. We currently have two positions that need to be filled and in addition to those both Alan and I, plan on resigning from the H.O.A. as of December 2021. When this takes place if no one has stepped forward your H.O.A is in dire straits and could cease to exist.

I cannot stress strongly enough that without an active H.O.A. You the residents will be at the mercy of the park owners to make changes as they see fit without consultation with the residents and no challenging body (H.O.A.) to keep them in check.

Allan as you F.M.O. representative has forwarded to me a link that you can join which will give you insight and instruction and the tools to become a member of the H.O.A. PLEASE SEE THE LINK BELOW and take action to protect and enjoy, in harmony with park management the investment that you have chosen to make in your homes at Riviera Estates.

In closing with the number of snowbirds declining each year and the number of full time U.S. residents increasing each year I believe that it is time that the H.O.A. be managed by full time residents who have the most to gain by managing their homes within Riviera and are in a better position to do so. We the existing H.O.A. will be more than happy to assist you based on our past experiences during this transition. And help in any way we can.

Please consider my remarks seriously and the possible consequences if the H.O.A. were not to continue, and you were left with no representation.

Please stay safe down there and look after each other

Best regards

Dave Shiner

www.fmo.org

Dear HOA Board Member,
Please distribute this letter to the remaining members of your Board of Directors.

The Federation of Manufactured Homeowners of Florida (FMO) extends Greetings and a Request for your assistance. In return, we will assist you in multiple ways that may also lead to the increase of the membership in your HOA.

In recent years, FMO has seen a steady decline in membership, as have many Non-Profit Organizations. Our all-volunteer organization proudly serves as a Statewide Advocacy Group representing the rights and privileges of thousands of manufactured homeowners since 1962. **WE ADVOCATE FOR YOU!**

FMO is structured to allow our Volunteer responsibilities to flow as follows:

- Organization decisions, Operations, and Policy is determined by a Board of Directors
- The second tier is inclusive of up to 17 District Presidents (plus District Officers) who are solely responsible for specific designated area of the State and of whom report to the Board Members.
- Finally, there are FMO Park Representatives who serve as conduits of communication with your HOA

Board and residents from FMO, thereby promoting membership in FMO. Larger communities may choose to have more than one FMO Park Representative. If your park currently does not have a FMO Park Representative, we ask that you choose one either from a member of your HOA board -or- a respected resident of your Community. It is important that members of your HOA Board of Directors become FMO members as well. Many HOAs pay for the Board Member's membership dues in the FMO

FMO continuously updates and improves a series of Training and Education classes that will aid in the operation of your HOA. Currently these include:

- FMO Park Representative Webinar
- HOA Negotiating (Rent) Committee instruction.
- FMO has structured and oversees an HOA Consolidated Legal Fund. A Webinar is available explaining the full details of this program. In brief, HOAs are invited to contribute to a fund that may be used to aid member parks for litigation purposes. The funds belong 100% to participating fund members.

In addition to the above training and education, FMO conducts HOA Board Certification Classes. Florida Statute (F.S.) 723.0781 **REQUIRES** that Board Members of an HOA receive Certificates which are issued upon completion of a State Approved Certification Class. F.S. 723.0781 (3) states: *A Director who fails to timely file the written Certification*

As a Member of FMO there is access to other additional benefits inclusive of:

1. **FMO bi-monthly magazine (A section on FREE “Legal Ease” provides discussion of legal issues).**

3. **A list of Attorneys knowledgeable with F.S. 723 (The Florida Mobile Home Act).**
4. **Cross Country Motor Club (like “AAA” at a significantly lower price)**

9. **Full access to the FMO Member portion of our Website**
10. **District Presidents and Board Members that will visit your Community upon invitation and who will speak to your residents and answer questions of concern.**

Your Support Matters! Without the support of your HOA and individual membership, FMO could struggle to exist. We are your Advocacy Group as relates to the importance of F.S. 723 and your community. Without our Advocacy on matters of F.S. 723, the attack on Manufactured/Mobile Homeowners could possibly intensify to the point that HOAs may not continue to operate in today’s traditional manner.

Please join us in our continuing dedicated Advocacy to fight, where needed, to level the playing field between you and the Park Owners and for our continuance of serving you with ongoing Legislation, Education, and Information.

With Appreciation,

Jesse James,

Membership Committee Chairman. 727-271-9565 jessejamesfmo@hotmail.com

Riviera Spotlight:

Julie Cardinalli

Julie Cardinalli with good friends Jennie Harsh and Tina Dickmann

Julie comes from San Diego, California but has lived from one border to the other and, Puerto Rico.

She has worked many different jobs in her life from mortuary to weapons.

When she discovered she could count to 21 I decided to move to Vegas and be the best, friendliest black jack dealer in Las Vegas.

In the twelve years she and husband Andy were there she went from dealer to casino manager.

Dealing was always her favorite though. There was always something happening but one of the most exciting moments was the night a person who was just profiled on America's Most Wanted was apprehended in my casino.

She has met a few celebrities, and took a lot of money from some very nice people.

Now she still takes money from people and give some too in her latest job in accounting.

Julie still love Vegas and goes back whenever they can, but... she don't play blackjack.

Diana's Words of Wisdom:

An Old Lady's Poem

What do you see, nurse, what do you see?
 What are you thinking when you're looking at me?
 A crabby old woman, not very wise,
 Uncertain of habit, with faraway eyes?
 Who dribbles her food and makes no reply?
 When you say in a loud voice, "I do wish you'd try"
 Who seems not to notice the things that you do,
 And forever is losing a stocking or shoe....
 Who, resisting or not, lets you do as you will,
 With bathing and feeding, the long day to fill...
 Is that what you're thinking? is that what you see?
 Then open your eyes, nurse; you're not looking at me.

FLORIDA ANCHOR AND BARRIER COMPANY

To our valued customers:

During the current times we wanted to let you know that we are taking as many precautions as we can to ensure not only our workers safety but yours as well. We check workers' temperatures each morning and have limited the amount of contact our crews have with each other. Our crews work in Tyvek suits with respirators which helps to ensure your safety as well as theirs.

As a company, we want your business and there is no need for any contact if you so choose. Our business is deemed an "Essential Business" and we are here for you when you need us. You can schedule your inspection by calling 1-800-681-3772.

Wishing you good health and safety,
The Florida Anchor & Barrier Team
