Please Don't Poison The Animals

Jennifer O'Connor

No one wants an uninvited critter to make themselves at home, but poisoning has unintended consequences. When we had to pull a dead opossum from under our floor, and she had a poison pellet clenched in her jaws. Besides being an extremely cruel method of killing (animals suffer violent seizures and excruciating pain for extended periods of time while their lungs flood, eventually suffocating them) dying animals will find a dark, dry place - like the underside of your house - to die and decompose.

Innumerable "non-targeted" animals can also suffer and die after consuming animals who have eaten poison. Birds in particular die in droves after eating mice and rats who have eaten poison. So please, if you think someone is trying to move in, borrow a live trap (there are several folks willing to loan theirs, ask me), or buy an inexpensive live trap from the hardware store for smaller critters (Have-A-Heart is a good one) and not only save a life, but save yourself a very unpleasant task.

On a related note: If you spot a snake near your coach, consider yourself very lucky! Snakes will keep all rodents far away from your place. Please do not kill snakes and try to get over your fear - they want to avoid you at all costs.

We're in Florida - let's live in harmony with wildlife.

Let's Recycle Smart

By Jennifer O'Connor

People are putting obvious GARBAGE in the recycling bin, including piles of broken ceiling tiles, hoses, garden clippings, clothing, sheets, pillows, Styrofoam "popcorn" and egg cartons, etc, and most of all, plastic bags. Use the large dumpster for garbage, debris, construction materials, garden clippings, etc. I'm finding masks, cellophane paper chip, cracker and snack bags, dryer lint, dirty A/C filters ... you get the picture.

Plastic bags of any kind - garbage, grocery, sandwich - contaminate the load and get caught in the sorting gears. Do not put in empty, plastic-wrapped cases that once held water bottles. If you gather your recyclables in a plastic bag, please empty it and reuse it, or if it's soiled, throw it in, you guessed it, the garbage bin.

You CAN recycle:

- Aluminum, steel and tin cans.
- Flattened, clean cardboard - including boxes and boxboard (cereal, rice, dried good boxes).
- Milk, cream, soy milk, half-and-half cartons.
- Glass bottles and jars. NO OTHER types of glass, including broken dishes or lightbulbs.
- Newspaper and mixed paper. NO shiny wrapping paper. NO shredded paper.
- Plastic bottles #1-7 (code is on the bottom). NO OTHER broken plastic, including toys, beach stuff, or furniture. NO straws! NO used coffee pods.

You CANNOT recycle:

- Styrofoam of any kind. Publix has green bins outside their doors for that. Publix also has bins for plastic bags.
- No plastic bags, wrap, packaging or film.
- No paper towels, waxed paper plates, cups, tissues or wax paper. No empty coffee cups or lids.
- If you can, please remove lids from water and other bottles. They don't recycle.

Thank you all for following these simple guidelines.

FLORIDA ANCHOR AND BARRIER COMPANY

To our valued customers:

During the current times we wanted to let you know that we are taking as many precautions as we can to ensure not only our workers safety but yours as well. We check workers' temperatures each morning and have limited the amount of contact our crews have with each other. Our crews work in Tyvek suits with respirators which helps to ensure your safety as well as theirs.

As a company, we want your business and there is no need for any contact if you so choose. Our business is deemed an "Essential Business" and we are here for you when you need us. You can schedule your inspection by calling 1-800-681-3772.

As we are still under CDC and Corporate COVID policies, no outside guests at the pool immediate family only until we are told otherwise. This includes going from one property to the other. Due to recent issues, your conduct can cause ELS to re-close both pools. Closing time is 10:00PM no exceptions at all. If you are found violating this, you will be written up. It is not fair to those who follow the rules. No jumping the fences to get in and when lock up comes around you **MUST** leave.

We will be shutting down the lanai area to repaint. Please use the side gates to get into the pool area. Also, there is **NO** alcohol in the pool perimeter at all. The library will be in process soon as we can move forward.

There has been an increase in pets running free. This is a Pinellas County Law; they are not to roam free! You will be fined! It is also in your Community Rules and Regulations. If you need a copy of these rules just ask, we are more than happy to give them to you.

If you have items that you want to give away, **DO NOT** drop them in the laundry room.

They will be thrown away. Take them to the shelters or Salvation Army. The constant unsightly mess maintenance is having to clean up daily is uncalled for! This does not show well when we are trying to get good people in the community. Also, maintenance does not pick up your trash, you must take it to the compound or off sight yourselves. Gates close at 4:00PM Monday- Friday. **Do NOT** dump on the ground this is in violation and the City will be notified.

As a last note, please be sure you are not putting out your trash days before the scheduled day. If you are going out of town maybe have someone take it to the road for you. Our maintenance staff no longer picks up trash. So, you may want to call them during the week for access to the compound. (727) 638-4844

Thank you all for your understanding and cooperation during this time. Please stay safe and well!

Tourtière: A French-Canadian Meat Pie

Tourtière, also known as pork pie or meat pie, is a traditional French-Canadian pie enjoyed throughout Canada and New England. It is made from a combination of ground meat, onions, savory seasonings, and baked in a traditional piecrust.

Ingredients

Filling

- 1 pound ground pork
- 1 pound ground beef
- 1 small onion finely chopped
- 1 clove garlic finely minced
- 2 large potatoes
- 1/2 teaspoon Bells poultry seasoning or your favorite poultry seasoning
- 1/2 teaspoon ground cinnamon
- 1/4 teaspoon ground cloves
- 1/4 teaspoon ground nutmeg
- 1/4 teaspoon kosher salt
- 1/8 teaspoon pepper
- 1 egg scrambled for glazing

Pastry

- 2 cups unbleached all purpose flour
- 1/2 teaspoon kosher salt
- 2/3 cup butter or lard
- 6-7 tablespoons cold water

Instructions

Prepare the pastry:

1. In a large bowl, combine flour with the salt. Cut in butter or lard until mixture is a roughly even crumbly texture. Add water and blend just until dough comes together.
2. Shape into a rough disc, wrap and chill in the refrigerator. While pastry is chilling, prepare filling.

Prepare the filling:

1. Cook potatoes in a pot of water until tender, about 12 minutes. Reserve 1/2-cup of potato water and drain the rest. Mash potatoes and set aside.
2. In a large skillet, cook the onion, garlic beef and pork over medium heat until no longer pink. Drain off excess fat.
3. Combine the seasonings in a small bowl and add to the meat mixture in the skillet.
4. Add the reserved potato water. Mix in well and simmer over low heat for about 10 minutes until the liquid is absorbed.
5. Remove the pan from heat, stir in mashed potatoes, and set aside to cool.
6. Preheat oven to 400°F/205°C

Make the meat pie:

1. On a lightly floured surface, divide dough in half and flatten one ball of dough with your hands. Roll dough to about 12-inches in diameter to fit a 9-inch pie pan.
2. Place the pastry into the pie plate and add the meat filling.
3. Brush around the outer edge of the pastry with the beaten egg. Roll out the top pastry and place on top of the filling.
4. Fold the top crust under the bottom crust and pinch or flute the edges. Brush with egg wash and cut vent holes.
5. Bake in a preheated oven for 30 to 35 minutes or until the pastry is golden brown.
6. Remove the tourtière from oven and let it cool at least 10 minutes before serving.

Yield: Makes 1 pie, about 8 servings.
