From the Editor

June is upon us and by the time this comes out, I will be settled into my travel trailer in the North Carolina mountains. This does not mean I will be out of touch and our lives today have become such that you are never far away. Between email, facebook, texting and phone calls you can be in touch almost instantly. Having said that I would like to remind everyone that I am always looking for submissions to the media to share with our residents. I believe that by doing that, we get to know one another during these times when we have been separated. It looks like we will soon be getting back to some of the activities that helped to bring us all together and enjoy the things we used to call normal.

I am still looking for someone to step in and take this project of the media editor on. Folks, this is not rocket science, anyone with a computer can do this easily and I would be more than happy to work with anyone until they felt comfortable doing it. It only takes about an hour a month to put it together. As always, we welcome suggestions and submissions that anyone would like to share. We have had a couple of new additions the past couple of months and I urge everyone to add their story, poem or idea to please continue to think about what you would like to see in the media.

From the Manager:

As we are still under CDC and Corporate COVID policies, no outside guests at the pool immediate family only until we are told otherwise. This includes going from one property to the other. Due to recent issues, your conduct can cause ELS to re-close both pools. Closing time is 10:00PM no exceptions at all. If you are found violating this, you will be written up. It is not fair to those who follow the rules. No jumping the fences to get in and when lock up comes around you MUST leave.

If you need to adjust your auto payment with the office, please do before the 18th of the month. As they lock us out until the 7th of the following month.

The landscaping has started on the front of the property. The new flag poles will go up once that is completed.

There has been an increase in pets running free. This is a Pinellas County Law; they are not to roam free! You will be fined! It is also in your Community Rules and Regulations. If you need a copy of these rules just ask, we are more than happy to give them to you.

Maintenance does not pick up your trash, you must take it to the compound or off sight yourselves. Gates close at 4:00PM Monday – Friday. Do NOT dump on the ground this is in violation and the City will be notified.

As a last note, please be sure you are not putting out your trash days before the scheduled day. If you are going out of town maybe have someone, take it to the road for you. Breakdown

continued on page 6

your boxes. Our maintenance staff no longer picks up trash. So, you may want to call them during the week for access to the compound. (727) 638-4844

Thank you all for your understanding and cooperation during this time. Please stay safe and well!

HOA DUES FOR 2021

GOOD NEWS! Slowly, but surely, things are starting to open here in Eldorado Village, and we look forward to the day when we may have more events.

Homeowners Association Dues are \$10 per household each year. This is a friendly reminder and instructions on how to pay for **2021**. You may write a check (or cash if comfortable) and put in the personal mailboxes of Sharon Laney #47 (Treasurer) or Dorisanne Gibson #187 (President). *A receipt will be issued by Sharon and put in your personal home mailbox. If you have a question, give a quick call to whoever you gave your money to.*

Thank you for your cooperation during this unusual time!

NEW Rules and Regulations (Village Rules - Effective 12.01.2020)

The HOA Board is being proactive and explaining or bringing to our attention the new rules that pertain to us all (owner or renter). The method right now is by highlighting some rules every month in the media.

With NO street names, it is important that the Emergency services be able to locate any resident or tenant in need of attention. This means GREAT house numbering for them to see DAY or NIGHT. It is also in the rules and regulations.

6. SETUP: NEW or REALES

6.5.10 – Residents MUST secure their street number and/or lot numbers on the front of the Home, placed consistently with surrounding homes as required for emergency services and in accordance with applicable county code requirements.

As always, any questions, do not hesitate to give the EV Office a call: 727-531-9105.

Thank you in advance for your cooperation!

June 1st starts HURRICANE season:

May was hurricane preparedness month! In Eldorado Village we have an Emergency Response Team which was organized after Hurricane IRMA (Sept 2017).

For those of you who have just moved to Florida from a northern state, we suggest you

take the preparations seriously. (Don't hesitate to ask one of the "longer occupied residents/neighbors" for suggestions if you have questions.)

One of the first things you should do is make sure that your shutters are in working order. If the need to evacuate occurs, you don't want to find out your shutters will not close; so, try them this summer and make any repairs necessary.

In June, date to be announced, there will be a hurricane information/preparedness event sponsored by the Largo Fire Department for our park. Our contact, Summer Mahr, has been in communication with us, so watch for more information!

Fishing and Lakefront lot Information:

Over the past month or so, there have been discussions between the park manager, the regional manager and the HOA concerning the property lines of lots along the Lake.

The map in your prospectus shows the property of those homes extends to the lakefront retaining wall. Because those residents pay a premium lot rent for their location, it is agreed that legally their property line extends from the street to the Lake.

There is NO easement footage running around the lake which would permit anyone walking around, across, or fishing from the lakefront properties.

Summary:

Please be respectful of the homeowners around the lake. The DOCK is for viewing of the lake for all other homeowners, guests, and pets. Fishermen, this is your spot!

Signage to this effect will be up shortly if it is not already in place

Hello Eldorado Village

There is an herb garden located to the left of the mailboxes that is for all EV neighbors. The garden was started in February 2020 and it has very established Oregano and Rosemary ready for harvesting. Oregano is the perfect compliment to tomato sauce, pizza, bean and meat dishes and overall an essential herb for Mediterranean meals. Rosemary is the perfect herb for chicken, lamb, pork, steaks and many vegetables. We have had less than desirable results in trying to grow Sage, Parsley and Basil. I would welcome help/advice from any herbalists or want to be herbalists.

Contact Debbie Ennis at 518-316-6544

Submitted by one of our Residents, but there are many more who feel the same way.

"One of my favorite parts about living in Eldorado Village is getting to see and know the neighbors who are pet lovers. Nothing brings a smile to your face more than spending time with a friendly pup. But, here comes the BUT, nothing is worse than stepping in dog poop and tracking it into your home. I am trying to fix up my home and the new plants require watering every few days. Now I know I need to do it in sunlight and look before I step in it or drag my hose in it.

I simply ask that you please pick up after your dog. Thank you and stay safe and healthy in 2021.

Tammy Dwyer"

A New suggestion and I love it

The following was submitted by Randell Burton, one of our longtime residents and I think it is a great idea. I hope that others send in their submissions for all of us to enjoy. And, if you have an idea for something you would like to see, please share it with us.

I am privy to your secrets--all of you! I am talking about the secret artists who write poetry on the sly. Stop hiding your work and share it with the world! We will now feature one poem with every new edition of our media magazine. Please email: richwham@aol.com with your poem, and he will let you know when it will be printed. More than one poem by the same author is fine, and if you are a little shy, you can always ask that your work be anonymous. Please don't send anything too long, and if you want to introduce your poem, write the introduction to Mr. Hambley so he can print it above your work. So let's get going and get some poems sent in! You can write new ones, too! Let us make the master (Shakespeare) himself proud!!!

PS--And you can write any way you choose--freestyle, limerick, sonnet, haiku and etc...

Poem Corner

Since no one submitted a poem this month, I decided to use one of Joyce's poems for this month. For those who knew her and for information to those who did not, Joyce was a prolific writer and I have many stories and poems that she wrote. I picked this one because, the first born child is the beginning of a new generation and a continuation of family.

Folks, I am sure many of you have a poem that speaks to you, so please send it to me so we can share it with others.

Our First Born September 30th 1948

As I awoke from far away
I heard a baby cry.
"It's a boy", the doctor said
And he's a pretty big guy.

When they handed me my first born son
A surge of love fulfilled me
The wonder of a new life beginning
Perfection was all I could see.

We brought him home and realized
A newborn so helpless and blessed
A challenge we gladly accepted
And vowed that we'd do our best.

A happy little boy he became,
So full of love and life
Like a sponge he absorbed everything
And progressed without any strife.

I do! I do! Became his cry
Along with lots of frustration.
Some things he conquered easily
While others became an obsession.

As he grew the challenges changed.
But he took it all in stride
He was a bright and loving boy
Always a source of pride.

We all have a movie or show dear to heart that we enjoy over and over again. Something that may have had a huge compact to our life or may have shaped us as children. Or maybe just something that we love for no specific reason. We want to know about it so please submit a small blog about your favorite film or show (it can be cable, TV, or anything) and share it with the rest of us. If you want to remain anonymous, just say so. Tell us why you love it and if it had any bearing on your life or how you grew up. So please start sending in your choice right away because we want to SEE YA AT THE DRIVE-IN!!

SEE YOU AT THE DRIVE-IN!!!

Submitted by Randell Burton

Remember the drive-in??? The whole family packed in the station wagon (remember those???) with paper bags full of popcorn and a cooler of Coke??? The movies have always been one of the best ways to get away from everyday life for awhile and for us to spend quality time with our families. One of the greatest films I have ever seen and that had a HUGE impact on my life was Saturday Night Fever (PG version). My family loved that movie so much my mom even signed my sister and I up to take disco lessons with her. This was the 1970's, and being just a kid, life was grand! I remember when we learned the line dance they did in the movie to the song "Night Fever"--wow, talk about FUN! Here is a neat bit of trivia for you--the dance is actually called "The Brooklyn Shuffle." COOL, huh? Well, my father went out and bought the double album that emerged with the movie and we wore that thing out. We listened to it for YEARS. One time, while we lived in Fort Lauderdale, we were all up in the middle of the night with the dining room light on and all furniture moved while my sister, brother and I all boogied to "You Should be Dancing", "More Than Woman" and "If I Can't Have You." The neighbors across from us just stood there and stared out their window at the crazy people getting their midnight disco on--what a lark!!! And to this day, I still ADORE John Travolta. How amazing he is!!! So send in those emails of YOUR favorite film, explaining why you loved it, and I will SEE YOU AT THE DRIVE-IN!!!

Thank you for your RCS Donations

Sandy Yost

The Eldorado Village Social Club has been supporting the work of RCS for more than 8 years! The first records are from our former neighbor, Shirley Pratt, followed by John Campbell and Michelle Leamon and, currently, Sandy Yost delivering our club donations to RCS. Individuals and families may access services once a month, receiving 3-4 days' worth of food for all household members per visit. A photo ID, SS card and a piece of mail with current address are needed. If you or someone you know need a ride to RCS, please contact Debbie and Steve Ennis or Sandy Yost.

RCS programs and services include:

RCS Food Bank served 70,000 Pinellas County neighbors. 32,000 of these neighbors are senior citizens and children. Over 4 million lbs. of food are distributed annually with support for nearly 100 other local food banks and pantries.

RCS Grace House helps individuals and families facing homelessness return to self-sufficiency.

The Haven of RCS provides safety, security and support for women and children facing domestic abuse. Their outreach center serves nearly 17,000 women and children annually. Their safe house sheltered over 300 women and children last year and they provide a resource list for men needing assistance with domestic violence issues. Their hotline receives over 4,000 calls annually with requests for assistance in matters of domestic violence.

Goldsmith Gardens provides comfortable, safe, affordable housing and support for individuals and families. Their housing community serves 12 families and nearly 40 individuals annually. They provide wrap-around programs and services that are conducive to self-sufficiency including education, financial literacy, workforce development and life skill development.

Basic Needs are met through a variety of collaborations and partnerships.

RCS Express Center provides 'get it now' services to meet the needs of the community with direct support related to hunger, homelessness, domestic violence, and basic needs. Small meal ingredients and hygiene products are distributed, and guests are connected to partner agencies for various needs via immediate referrals.

I have a box of 100 A-MAIZE-ING CORNY (© Ridley’s games) jokes that I thought are just corny enough to give us a smile or two. I’ll put a few in every month and hope you enjoy them and feel free to share with your friends.

Why do seagulls fly over the sea?

- Because if they flew over the bay they would be Bagels!

What do you call cheese that’s NOT yours?

- Nach-o cheese

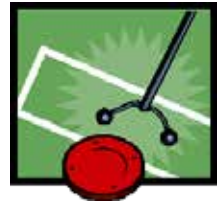

Why do bees have sticky hair?

For those who were unaware, Susie Rossetti and I are the administrators for the Eldorado Village Facebook Page. We would like to remind everyone that to join the page you (the individual requesting) must make a request and answer the three questions that are required. The main reason for the questions is that membership is limited to residents or former residents of Eldorado or EBO. have a perfect right to join, but you would be surprised at the number of requests that we get that, when we research a bit, they have no affiliation with either park. We want to include any residents who wish to join and welcome their requests; however, we need to follow the above procedure to assure that the original intention of the page is followed.

DARTS – DARTS – DARTS

Linda Stayer

Calling all dart enthusiasts! The Eldorado Village Social Club has “refreshed” the dart game area, located near the billiard table in the clubhouse. There are NEW darts, dart score board, eraser, and markers. The dart board has been hung at the correct height and there is a new floor decal which marks the correct distance from the dart board for game play (for steel tipped darts).

Find a buddy and come and enjoy!!!

New Scrap Books

We have a new addition to our Library thanks to Pam Spilbeler. Pam has spent many hours going through old medias and pictures and picking out items of interest that she has put into three scrap books. They are a wonderful glimpse into Eldorado in the past and show that the previous residents (and some who are still here) laid a groundwork of fellowship and camaraderie that we continue to try to adhere to today. She also plans to have all the past medias stored in the library as well for us to look back at the past. These items are not to be removed from the library, but we have comfortable seating in the library and if you have an afternoon with nothing else to do, I can assure you that you will enjoy perusing Pam’s efforts.

ARTICLE: COME VISIT THE LIBRARY -- SIT A SPELL!!!

The Eldorado Village Library is comfortable, clean, well-kept, and most importantly USED!

Thank you to the many residents who have donated books, puzzles, DVD movies, and playing cards. All is appreciated.

The items incorporated into the library are reviewed to make sure they are in “usable” condition for anyone to borrow. (no bugs or overly loved items). Anyone wishing to volunteer with me is always welcome.

Please note: Our library is limited in space and therefore, some items will be rotated out when new items come in. If you have a charity you want to give to, I am happy to save a bag or two of items that I will give to you to donate to them.

There is a Welcome sign on the library bulletin board along with instructional information on the library usage.

1. Borrow – Donate – Participate.
2. Written on the book spines are the first two letters of the authors last name which makes the filing process easier and faster.
3. A “Drop-off” box (in the library) is available for returned books or new donated items. The new items will be reviewed and placed on the shelves.
4. The entertainment book shelves which contain DVD movies, puzzles, board games and playing cards are just waiting for your attention. FYI: There is a donation box just for playing cards.
5. HISTORY -- If you did not know, there are Eldorado Village notebooks and scrapbooks (with photos) on our rich and interesting history dating back to 1969 when the park was established. Take a few minutes, sit on the love seat or comfortable chair, and enjoy a “blast from the past”.

Please STOP by our library and enjoy!

Thank you.

Information about water shutoff's

As most residents know, there are times that the water in Eldorado must be turned off to make repairs. There is nothing we can do about that, but there are some things that we can do to avoid trouble.

We have adopted a new system to notify residents in the event water is turned off. This system will generate a phone call to the residents alerting them to the fact that the water is off or will be shortly. If you are not sure if your name is on the parks robocall list, I would suggest that you check with the office to make sure they have added you to the list.

We suggest that you turn off your hot water heater if you are concerned about it. Also, when you want to check if the water has come back on, use the cold water for this purpose to not let air into your hot water heater. You can also turn off the water coming into your home, which will prevent water from draining out of your home and into the water system. Some folks keep a few gallons of water on hand just for such emergencies.

PLEASE DO NOT CALL THE OFFICE TO ASK ABOUT THE WATER. SHUTOFF'S

There is nothing they can do, to help you.

We have a Bulletin Board by the Mailboxes. We realize that many folks do not go to the club house on a regular basis, so this is a way for all to see “coming events”, hopefully you will find something you might enjoy attending. Thank you, Debbie, for getting them installed, we appreciate this.

For Your Information

The clubhouse is opened by the maintenance staff Mon-Fri at 7:00am. Evenings and weekends, (including holidays), Tammy Heffron at #188 has been volunteering since Feb of 2017 to lock up at 9:00. Please cooperate with this. I am sure minor adjustments can be made for special occasions.

To the Eldorado Residents and guests....I, along with other walkers have noticed an increase of cigarette butts littering the streets and sidewalks of our community. As a wife of a smoker, I know a lot of you are so careful and considerate of where you throw out the butts of your cigarettes. I encourage all of those who smoke, to please refrain from leaving them along our streets. It would be graciously appreciated.

CLUBHOUSE COMRADERY

Editor's Note:

Listed below are activities that normally take place, however, due to the current restrictions we are unable to have them. Hopefully as things open up our activities will return to normal. We look forward to that day.

Weekly:

1. Tuesday night is BINGO! Come on out and enjoy an evening with your friends and neighbors!
2. Movie Night is Sunday. Patty Gregg has the movie posted at the Clubhouse.

Bingo Hours

Tuesday evenings:

Start selling at 5:00p.m. - Stop selling at 6:15p.m. - Start playing by 6:30p.m.

We will be following the guidelines set down by ELS for the good of everyone, so please plan on observing those rules. Just come out and plan on having a good time and who knows, you might win a couple of bucks.

We would appreciate it if you would not bring \$20-dollar bills as they are hard to make change.

Bingo is over by 8:45p.m.

Birthdays and Anniversaries

Dick Hambley

For those residents who are not aware of it, I would like to remind everyone that we maintain a book with the resident's birthdays and anniversaries in it. I do my best to keep it up to date, but I need your help with writing in your birthday or anniversary if it is not already in there. The book is in the library and I go through the book periodically to see if there are additions and add them and reprint the necessary pages. This record is also used to put the birthdays and anniversaries in the media. So, thank you for helping us to keep our records up to date.

RECYCLE

RECYCLE

RECYCLE

Reduce Reuse Recycle

Recycling is a way that we can all help to save on our trash bills. The city of Largo charges by weight for garbage and trash, so the more recyclables that we can put into the recycle bin in the "salad bowl" in East Bay Oaks, the more we can save on our trash bills. The new recycle plan in Largo is great in that we do not have to separate our recyclables. Everything that is recyclable goes into the one bin. This certainly makes it much easier to "do the right thing" and we not only save money for ourselves, but we are helping with the environment as well. The things we can put in the bin is as follows: Glass (colored bottles and jars) Cartons (milk and juice containers) Mixed Paper (Newspapers, flattened cardboard boxes and office paper) Plastic Containers (food and beverage) Aluminum and Metal (cans and containers).

The things we should not put in are as follows: plastic bags and wrap, Styrofoam containers/packaging, food waste/household garbage or chemicals/electronics (which includes, paint, light bulbs, batteries, computers etc.)

So fellow residents, please consider all of the above and let's work to help save ourselves a few bucks and at the same time, work toward a greener environment

Hello, Mr. Hambley!!!

I am writing you because I have another idea for the media mag! It is called, "See Ya at the Drive-In!" and will be a blog about a favorite movie or show we all enjoyed in our lifetime. It can be an old film, new one, a TV movie or TV show, a cable show or even a reality one. We all love the movies or a good show on cable or regular TV--no one can deny it! The writer can tell us why they enjoyed a certain film/show and what it meant to them. And they should not give away any red flags about their choice in case others decide to see it. I can do the first one, if you want, to give an idea of what the blog should entail. And if this takes off, people are more than welcome to submit more than one--but it **MUST** be one **AT A TIME** so others can get theirs read also. Here is how we can introduce it:

SEE YA AT THE DRIVE-IN!!!

We all have a movie or show dear to heart that we enjoy over and over again. Something that may have had a huge impact on our life or may have shaped us as children. Or maybe just something that we love for no specific reason. We want to know about it so please submit a small blog about your favorite film or show (it can be cable, TV, or anything) and share it with the rest of us. If you want to remain anonymous, just say so. Tell us why you love it and if it had any bearing on your life or how you grew up. So please start sending in your choice right away because we want to SEE YA AT THE DRIVE-IN!!

SPEED LIMIT IN ELDORADO

The speed limit in this park is **10 miles per hour**. People are not stopping at the four-way corners; they just seem to drive right on thru. Keep this in mind when driving thru the park; you could be the guilty one. Please think of your neighbors before someone gets hurt.
