Paradise Island Cooperative

By Paul Snellenberger, President

We have 19 volunteers working on 3 committees to better serve all the residents of Paradise Island and maintain the financial strength of our community. Each month, committee chairs will bring reports and recommendations to the full board for discussion and approval as needed.

1. The Finance Committee is auditing all policies and procedures that are considered business related. All files are being reviewed and organized.
Gary Jira, chair.
2. The Operations / Infrastructure Committee has been continually active in investigating the short- and long-term infrastructure needs in our community. Priorities are being considered utilizing the Reserve Study that is in the process of being finalized. Roz La Rocco, Chair. A Reserve Study is the art and science of anticipating and preparing for common area repair and replacement expenses such as the clubhouse roof, pool, sidewalks, etc. Partially art because we are making projections about the future. Partially science, because our work is a combination of research and well-defined computations following National Reserve Study Standard principles. It is like putting money aside in an emergency household fund realizing that nothing lasts forever, and we need to be prepared.
3. The Unification Committee is exploring new opportunities for communicating with all residents more effectively. If you have not already done so, please join the 'Paradise Island Largo' Facebook group. If you have ideas, please share them. Paul Snellenberger, Pat Humphries Co-chairs. Dianna Gilmore, HOA President.

As our community is returning to a PEACE FILLED PARADISE, let's not underestimate the POWER OF A SMILE shared between neighbors. Smiles are contagious. When you smile, people around you will smile, too. Smiling does not just significantly impact those around you, but research supports that smiling improves your personal health and well-being.

One smile is all it takes. Give it a try. Smile. Watch how suddenly, you will feel its immense power and impact in elevating your mood and well-being.

One of the ceaseless wonders of the world: THE POWER OF A SMILE. ~ Malcolm Forbes

The Sunstar FirstCare Ambulance Membership Plan

By Pat Humphries

- [Download Ambulance Membership Application](#)
- [Frequently Asked Questions](#)
- [FAQ Video](#)
- Go to [Sunstar website](#)

The Sunstar FirstCare Ambulance Membership Plan is not an insurance plan. It is a Pinellas County government program that works with an individual's (or family's) insurance plan to cover 100 percent of expenses associated with deductibles and copayments and 50% of cost for Medically Necessary transports denied for non-covered charges by your insurance plan.

Sunstar FirstCare Ambulance Membership Plan Quick Facts:

- **Eligibility:** The Plan covers medically necessary ambulance transports within the Pinellas County "locality" by Sunstar ambulance units only. The Membership does not cover transports via Sunstar's Mental Health Transport Van. The Family Membership Plan covers family members related by blood, adoption, marriage, or domestic partnership who permanently reside in the same household as the primary member.
- **Coverage:** If you have insurance, membership will cover the costs that would typically be your responsibility, such as deductibles and/or copays. The membership plan may cover 50 percent of the cost for medically necessary trips denied for non-covered charges by the insurance company. If plan members are uninsured, they receive a 20 percent discount on medically necessary ambulance transportation services.
- **Annual Fees:** Annual membership fees are \$75 for a single membership; \$114 for a family membership. The average cost of an emergency ambulance transport is \$780.
- **No membership cards required**
- **Coverage period:**

New member coverage: Completed applications with payment in full, received prior to the end of the calendar year, will be effective on January 1st. Completed applications with payment in full received after January 1st will be effective on the postmark date.

Renewal member coverage: Completed applications with payment in full, will be effective April 1st. Renewal applications must have a postmark date prior to April 1st in order to avoid an interruption of coverage.

continued on page 6

All memberships expire on March 31st of the following year. Members whose applications/payments are received postmarked after March 31st will not have coverage for a full 12-month period. Membership fees will not be pro-rated.

- Call (727) 582-2008 for additional information or to have an application form mailed to you; or
- [Download an application](https://www.pinellascounty.org/publicsafety/pdf/contract.pdf) (https://www.pinellascounty.org/publicsafety/pdf/contract.pdf) and mail it in with your check or money order.

Concern Reports

By Brian Wade Community Manager

Concern Reports are a confidential tool for bringing specific concerns to the attention of the Community Manager. Concern Reports are for communicating maintenance needs around the community such as trip hazards, street lights that are not working, signs that are down, etc. Another purpose of the Concern Reports is to report rule violations that are evidenced such as parking on the street overnight without a parking permit sticker, persons living at the address without going through the proper background check or registering at the Co-Op office, a home having mildew on the siding, etc.

Concern Reports are not to be used for neighbor disputes. The Co-Op has no remedy for neighbor disputes. If the issue does not violate a rule or any other established guideline, the Board nor Management has any enforcement capabilities. Neighbor disputes need to be addressed between neighbors in a civil and mature manner.

Concern reports may be submitted by a form located in the office or email the reason for your concern to pimanager@ParadiseIslandLargo.com.

Confidentiality will be maintained for all Concerns brought to the attention of the Community Manager. Receipt will be acknowledged at the time of submission. Specific actions taken will not be communicated. Be assured that steps are taken with appropriate timelines provided for remediation. Working together, we can preserve, protect, and enhance the common elements of our community.

Thank you for doing your part.

One Source

By Paul Snellenberger Co-Op President

Resource Property Management provides to all Paradise Island residents a web-based management system called One Source. This system allows you to access valuable and timely information regarding the community and provides a 24/7 access point for maintenance requests, account information and important communications.

As a first-time user you will need the Security Key provided in a letter sent to each resident last summer. If you do not have this letter, please contact Miriam at the Co-Op office 727-535-2172. She will be able to provide for you a copy of the letter with the Security Key.

To log on, go to <http://www.resourcepropertymgmt.com/> and click on the "One Source Login" link in the upper center of the screen. Each time you log in, the Username will be your e-mail address and the password will be the password used while creating your account for the first time. As a first-time user, you will need to select "Register Your Account".

Please note that all information loaded into the system is stored at a secure data center with multiple back-up systems. We hope that you will find this system useful and encourage you to become familiar with the functions available. Please take advantage of this service as an additional means of communication.

The Paradise Island Homeowners Association

By Dianna Gilmore

Lately we've been hearing the questions "What is the HOA? What does it do in the community?" This is the first in what will be a series of articles to share our vision of the HOA. One of the things we see as our role is to foster a sense of community. McMillan & Chavis (1986) define a sense of community as "a feeling that members have of belonging, a feeling

that members matter to one another and to the group, and a shared faith that members' needs will be met through their commitment to be together.” By showing respect, empathy and understanding of one another’s views, concerns and celebrating successes with each other, we can increase the sense of community in Paradise Island. Developing and utilizing communication tools are one way to be sure that all can feel that same sense. Each one of us has a part to play in this mission. We encourage you to think about the ways you contribute to the sense of community here. As mentioned above, good communication is key. More on that part of our role next month.

A few pieces of business to share with you:

1. 6 residents have been certified in CPR.
2. Special thanks to all those involved with Caring Hearts (an independent resident community group) for all the hard work getting it up and running. Any questions, please contact them at PICaringHearts@gmail.com
3. Committees are working diligently to be prepared for the anticipated opening of bingo in the fall.
4. The Paradise Island Largo Facebook group is up and running to provide you with the latest information.
5. Our next resident’s meeting will be held via Zoom on Wednesday, June 9th at 7pm. The Zoom link will be sent out by email a few days prior. If you aren’t currently receiving emails from the HOA, please register your email with Secretary, Cindy Maciejewski at pihoasecret@gmail.com

The Paradise Island Annual Craft Fair will be held Saturday November 6th, from 9 am to 2 pm at the PI Clubhouse. Everyone is looking forward to getting out and seeing the new and creative items made by our talented vendors. Vendor spaces are \$20 for wall space and \$15 interior space. Paradise Island residents will have the first opportunity to reserve a space. Spaces are limited and are on a first come basis. After June 15th the reservations will be open to past vendors outside the community and then to the general public.

As in the past, there will be a Bake Sale in conjunction with the Annual Craft Fair. Remember that baked goods make great gifts or just save your baking time for holiday parties. There will also be a raffle, with items donated by the Craft Fair vendors and others from the community. Last year over \$600 in items were raffled off.

In the next few months, more information will be in the Monthly Media, on Channel 732 and on Paradise Island Largo Facebook page. If you would like to serve on the Annual Craft Fair committee, reserve a space or have any questions/suggestions, please contact Nadine Peters. Call or text 402-750-3083 Email: nadine5106@gmail.com or stop by 631 Palm Island.

We're aware that times are still limiting some aspects of life. As we plan events, we will continue following the CDC guidelines for the safety of everyone involved.

Social Committee Update

By Marcia White

As I write this article the CDC has lifted the mask mandate for only those who are fully vaccinated as well as the Social Distancing mandate. As our clubhouse opens and we start up our events please be mindful of others if you are NOT vaccinated and continue to wear your mask especially indoors, and continue to keep yourself and others safe from this virus. Even if you are vaccinated you can still carry the virus and infect anyone including those who are vaccinated. This is not a free pass and we need to stay vigilant about keeping those who for health reasons could not be vaccinated. We have all come a long way and it's taken more than a year to do so. Let's not throw it all away in the name of fun.

Our first event will be on June 12th with Happy Hour at 5-6 pm. At 6 the hosts will start to serve the food and the meal will be followed by the pool party for those of you who wish to join in. Remember that all pool rules must be followed including drinking at the sides of the pool. We want you all to have fun, but not at the expense of others. Keep your containers at your chair or table and have a fun time. NO GLASS at the pool or SPA. If all goes well we will continue to host the parties for the next 3 months and our plan is to reopen our events in October.

A new calendar is posted in this book for your reference as well as it is on the new information website. We will upload it to Positively Paradise and PIFAN by the time you are reading this.

We finally got our new shed installed and Ken, Mary Anne, and his helpers are very happy to be able to continue to take all the donations you all have so generously given to us. Our first flea market will in October with set up on the 22nd and the market on the 23rd. You don't want to miss this one. We will have 3 full storage sheds of treasures for you to choose from. We hope to see you all there.

We are still looking for a Volunteer to Host the Annual Christmas Golf Cart Parade. This event has prizes of cash for 1-3 place winners. Without a volunteer we will not be able to sponsor this event this year. Please consider stepping up. Contact Marcia 727-953-3616

We also still need a Decorating Team for the clubhouse. It can be as little as one or as many volunteers as we can get. Our team leader has resigned due to health reasons and once we open the clubhouse we will need to start decorating for our events again. If you like to decorate give us a call 727-953-3616. We have a lot of new residents and if you want to get to know some fun people come join us. Volunteering is very rewarding and we all have fun doing it.

Until next time, stay safe
Warm Regards, Marcia White

Ladies Luncheon

By Beth Pieckiel

Well here we are and it's officially summer. Our monthly Ladies Luncheons are continuing to grow again as more of us get our vaccines. Please come out and meet new neighbors and friends from here in Paradise Island. Our luncheons are held the 4th Tuesday of every month. This month's luncheon will be hosted by Janice Buchko and we will be meeting on Tuesday, June 22, 2021 at 11:30 am and Janice has chosen:

JD's Restaurant & Lounge
125 Gulf Blvd.
Indian Rocks Beach, FL 33785
(727) 595 - 1320

As always the sign-up sheet for the luncheon is in the clubhouse. If you find that you are unable to attend the luncheon after signing up PLEASE remove your name from the list so that your hostess(es) can give their restaurant of choice an accurate headcount. You can also sign-up to be a hostess for one of our luncheons and we need a few people to step up and choose your favorite restaurant.

If you should have any questions regarding the luncheons please contact me, Beth Pieckiel at (214) 538-7094.

By Serena Johnson

We give thanks to our Heavenly Father for His love, goodness and mercy each day and especially as we celebrate Father's Day on June 20th. Happy Father's Day to all our Father's. May you be blessed abundantly today and every day throughout the year.

Men's Club

By Art Yeo

Summer is upon us and most of the Snowbirds have returned north to their summer residences. Vaccines are being given at a much greater pace and all of us are looking forward to a state of normalcy in Paradise Island returning in the fall.

Those Canadians that did not travel south this winter are eagerly looking forward to spending the next winter in Florida. As of this writing the border between Canada and the United States remains closed to non-essential travel. If we continue to follow the health guidelines this too will change and travel will return to normal once this pandemic is under control.

The Men's Club wishes everyone an enjoyable summer and we will see you all in the fall.

Stay safe and stay positive.

Birdsong

By Pam Stover

Identifying birds by sound can be daunting, especially for beginning birders, but one way to make the learning curve a little less steep is to use mnemonic devices. These are fun phrases that sound a bit like bird calls and songs, and that are simple and easy to memorize. Here are some mnemonics that can help get you started.

Carolina Chickadee: "Chickadee-dee-dee"

Tufted Titmouse: "Peter peter peter"

Carolina Wren: "Tea kettle tea kettle tea kettle"

American Robin: "Cheerup, cheerily, cheerily"

Eastern Towhee: "Drink your teaaaaa"

Eastern Wood Pewee: "Pee-o-weet"

Red-headed Woodpecker: "Kweer, kweer"

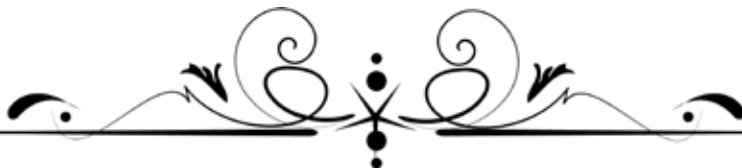

Northern Parula Warbler: "Zeeeee-up"

Black-and-white Warbler: "Wheezy, wheezy, wheezy"

Northern Bobwhite: "Bob-white"

There are other tips and tricks you can use as well. Make sure to listen to cues, such as whether songs are ascending or descending in pitch, and listen for repeated elements. Northern Mockingbirds and Brown Thrashers, for example, have a wide repertoire of complicated phrases but thrashers always repeat each phrase twice while mockingbirds repeat three or more times. You can also find bird sounds online in the species profiles on Cornell's [All About Birds](http://www.allaboutbirds.org) site.

Feral Cats in Paradise Island

By Janice Buchko

Spring has arrived and new litters of free-roaming cats are being born. If you notice a pregnant cat, one that has recently given birth, or a new litter of kittens living beneath a vacant/neighbors' house, please reach out to me or Denise Werner-Hansen at denisewh@aol.com. We will do our best to trap these kittens at an appropriate age so they can be fostered and or re-homed. Thanks to all who have reached out to help.

VETERAN'S CORNER

By ROBERT BEHM, President

How many of you would like to learn to play guitar? Established in 2007, Guitars for Vets, a non-profit organization, came together when Marine Corps Veteran Dan Van Buskirk took months of guitar lessons from Patrick Nettesheim. Through their lessons, Van Buskirk was able to learn to play the guitar and since then, the two became friends. Both realized that these lessons created an outlet for expression as well as provided a positive interaction. Together they went to the Clement J. Zablocki VA Medical Center in Milwaukee, Wisconsin to share their story. Since then, Guitars for Vets, or G4V, has expanded to be operating out of 110 VA chapters in 40 states. The G4V guitar instruction program can help Veterans working through physical injuries, post-traumatic stress disorder (PTSD) and other forms of emotional distress. Music therapy is an evidence-based clinical treatment designed to help Veterans through music. The therapy can help improve Veterans' communication, coordination and interpersonal skills. Nettesheim also developed the G4V "four-way path," which consists of Patience, Acceptance, Gratitude and Empathy (PAGE). These are the guiding principles used throughout the program. The G4V program starts with a 10-week instruction period. During this time Veterans are given one-on-one individualized lessons. They promote teaching the music that appeals to the student and works at the students' pace. After completing the lessons, the graduation process involves receiving a free acoustic guitar and guitar accessory kit. The next step is to continue practicing and learning. Each month there are group sessions organized by one of the 110 chapters and growing. The group sessions develop a community of fellow Veterans and guitarist. To date, G4V has provided over 4,000 guitars to Veterans. Enrollment in G4V requires a referral from a case or social worker to a local VA office that offers a G4V program. G4V does not control admission into the program. To find a local chapter they offer a locator tool on their site <https://guitars4vets.org/about-us/find-a-chapter/>.

How many of you knew that there were Veterans offered year-round? Go to the following link and you can find them. Just type it in your search engine or copy and paste it there.

https://blogs.va.gov/VAntage/85765/veteran-discounts-available-year-round/#utm_source=VRfeature&utm_medium=email&utm_campaign=VetResources

Veterans and their families may begin accessing their VA benefits and services on the new and user-Friendly VA.gov website starting April 30. Users will be able to access information about VA benefits and services through a single site rather than through multiple locations. All benefits-related features previously located in the eBenefits web portal will be available on VA.gov. Veterans are encouraged to start logging into the site using their current Digital Service (DS) Logon or creating a new account using ID.me. “VA.gov offers Veterans an enhanced site in terms of usability and security with the implementation of two-factor authentication,” said Acting VA Under Secretary for Benefits Thomas Murphy. “The most frequently used features are now readily accessible on one website to include the ability to file a disability claim, check the status of a claim or change direct deposit and payment history.” The eBenefits site will remain functional through March 31, 2022, to give Veterans an opportunity to complete claims started on the platform. Thereafter, VA.gov becomes the single source solution to access VA benefit and service information online. U.S. Digital Service worked with thousands of Veterans to test the new and improved VA.gov. The department wanted to ensure Veterans deemed the site functional before migrating Veterans’ data.

Hope everyone has a great summer and please join in as the pool parties resume, beginning in June!

See, when you drive home today, you've got a big windshield on the front of your car. And you've got a little bitty rearview mirror. And the reason the windshield is so large and the rearview mirror is so small is because what's happened in your past is not near as important as what's in your future. — Joel Osteen
