Mary Gilmore

All of our residents who were planning on heading north, have now left. Our park's population, at last count, is 26. We hope all travelers had a good trip home. Before the last of our residents left, more work was done by our men on the ditch. After our first heavy rain, the pipe system worked well. In some locations, where there was no dirt on top of the pipe, some modifications had to be made. Exposed pipe was secured in place and rocks were placed near the flange to guide the ditch water into the pipe.

Our lack of dirt problem has been solved, not by J.S.S. Construction, but by a worker in our park who was renovating a home. He knew of a soccer field that was being re-sodded. Instead of the owners of the field paying someone to take dirt away, we made a deal to have the dirt come to our park. Many of our residents were on truck watch. What does that mean? Our men needed to know when the truck with dirt entered our park so that they could direct the driver to the correct location at the ditch. Sometimes the truck passed the pool to get to Michigan and

other times the truck went the other way around to Michigan. At our soiree at the pool, our men had to leave abruptly to meet the truck driver. They returned after the dirt was left in the right location to relax and finish their supper. A few days later, a backhoe was rented and the dirt was spread in the ditch where needed. Our men this past season have worked so hard on many projects and have done an amazing job on all.

This past season, there was a group of us, sometimes large and sometimes small, that walked every night in the park. Anyone was welcome to join in if they wanted to walk, get some exercise, and visit with neighbors. Hope this unplanned, spontaneous activity starts again next season. It was good for us and enjoyable.

Remember last month when Marty told us about her three wheeler being stolen from their carport? Well, their security light went on another night, waking Darby up to find a thief taking both his three wheeler and Bill Lawrence's three wheeler minus its front wheel down the sidewalk. First, the police were summoned and then Darby took off running after the thief. He caught up with the culprit, the police came and the culprit landed in jail. Sweet justice prevailed. Darby got his bike back. No word yet about Marty's bike.

If an award was given for best new front yard, many of us would give the prize to Terry Maegdlin in #90. Terry had in past years re-sodded her front lawn two times. Both times, the weeds took over and killed her grass. Dan even tried to help one season by seeding her front lawn. The same thing happened, the weeds took over. This season, Terry decided enough is enough. She was going to try something different, no more trying to grow grass. She dug out and raked out any existing grass and all of the weeds. She started with a clean slate. She covered the yard with a double layer of a weed barrier first. Then she fitted the perimeter of the yard with a rubber edging that was staked into the soil. She bought 24 bags of rubber mulch that RW helped her get out of her car and onto the weed barrier that she had laid. Thanks RW. Then, Terry evenly spread the rubber mulch all over her front yard. She had a plan in mind to have a circular garden in the center of her rectangular yard and this plan came to being a beautiful reality. Terry had quite a collection of animal ornaments, including dogs, rabbits, a snail, ducks and egrets. She cleverly arranged some of these in her circular garden along with pots of flowers some of which came from Deanna and Janice before they went home. Bill's wheelchair lift found a new home with another veteran and the porch steps were moved from the side of her porch to the front of her porch. Terry was so happy to have some neighbors come to her front door. To show what I have tried to explain, I took some pictures to show you Terry's new front yard. Great job Terry. You go girl.

Two of our residents have experienced some health issues that they are dealing with now. Please keep in your thoughts and prayers Evelyn (Evie) McNaughton and Bob Bulmer. Bob did the can crushing this season and when he left the park earlier than he had wanted, Rob took over the crushing and now that Rob left for home, Jon has taken over. Bob also was my camera

man, taking pictures at events for the newsletter and Social Committee Tidbits. Hope both of you, Bob, and Evie are feeling better.

One more thing to tell you, our rock angel is no longer with us, but a cookie angel has made some visits in our park, leaving a bag of cookies on top of our mailbox or somewhere near our door. Thank you cookie angel. They were delicious.

Perhaps, we can thank our guardian angel who is always with us. Maybe, some of us haven't heard this prayer or some of us, including me, haven't said this prayer since we were kids.

O Angel of God, my guardian dear,
to whom God's love commits me here,
ever this day be at my side, to light
and guard, to rule and guide. Amen

Happy Father's Day

Mary Gilmore

Prayer to St. Joseph
Written by Pope Francis for the Year of St. Joseph

Hail, Guardian of the Redeemer, Spouse of the Blessed Virgin Mary. To you God entrusted His only Son; in you Mary placed her trust; with you Christ became man. Blessed Joseph, to us too, show yourself a father and guide us in the path of life. Obtain for us grace, mercy, and courage, and defend us from every evil. Amen

WELCOME

Ingrid Eby

Since the beginning of the pandemic, we have had a steady stream of new residents in Boca Ciega. Who would have thunk it? This is a wonderful occurrence because everyone who becomes a resident brings new ideas. We have to admit some of our activities have been going on since the beginning of the park and new ideas are always welcome. Along with new ideas comes opportunities to be involved, heading up activities, helping run events and attending the social functions. Having new people in the park is bitter sweet. We look forward to new residents but the residents who have left, for whatever reason, are sadly missed.

We welcome into the park Rick and Pam McCoy in unit #129. They are friends of Barb and Dave Thomas. Rick and Pam came to Boca Ciega as renters and fell in love with our community. As luck would have it, they were able to buy. The McCoy's are from Indiana and we seem to be having a huge influx of Hoosiers. They have two sons and eight grandchildren. Pam enjoys crafts and hopes to investigate some of our craft opportunities in the park. Rick enjoyed working with the crew of guys this season on various projects. We look forward to getting to know Pam and Rick.

We also want to welcome Kevin and Kim Walden who bought Unit #50 on the front street. They live in Jellico, Tennessee and have one daughter. Kevin works in Veterans Affairs for the county and Kim is the treasurer for their church. Their hobbies include music and traveling. They have visited the park because Kim's sister is Connie Philbeck and her Aunt and Uncle are Ralph and Pat Cornelious. They are anxious to be active in the park.

As a side note, Ron and Liz Martin have bought unit 57 and will be moving to their new digs as you read this article. This next years Meet and Greet event should be quite an occasion with all the new residents to meet and get acquainted with.

The whole job took just a week even with all the rain delays. I would and WILL highly recommend your company to my friends and neighbors.
