BUSINESS ITEMS

The Park Directory will have two parts this year, an alphabetical listing as well as a numerical listing. As is the standard those who have paid their 2021 dues will automatically receive a copy. If you did not pay dues the cost will be \$7.00 to help pay for publishing.

If you have anything to put on the Wish List to Sun Community for improvements to our park, please let your Board know. You can email, call, or put a piece of paper in one of our mailboxes. I will keep you updated with what residents are putting on the list.

Currently the Board meetings are scheduled for the 3rd Monday of the month at 6:30 PM. Watch the RHOA Bulletin Board in the clubhouse as well as the marquee for the announcement.

We need to join together to work together for the betterment of our community. One of the committees that was an important part of this was the “Helping Hands”. The responsibility of this group was to check on out neighbors, help arrange transportation to appointments, and a contact for family to call if concerned about their family member.

Respectfully,
Penny Dinsmore Thompson, President

An Open Letter to Residents of Park Royale from Michele

Hi Neighbors,
 My name is Michele, my dog's name is Charlie but he is my brother's dog now. I want to thank everyone for the overwhelming love and support Charlie and I received during his last few days here. I know there are people and probably their dogs who are glad he's gone. I want you to know I tried as best I could to get him to behave on a leash. Off leash he passed training with flying colors. He was just leash reactive and wanted attention from everyone. I did not want him to intimidate anyone or any pets in the park. You love your pets and I love mine. Maybe next time we could talk things out first. I miss my boy.
 Thanks again. Michele

The Royalites Report By Cathy Maringer

Some people in the park have wondered...Who are the Royalites? It's a very simple answer, YOU ARE! The Royalites isn't a "women's only" group. We are the social club within the park. We plan and execute all the social activities in Park Royale. We need both men and women to make these events successful. Please consider attending our monthly meetings. These meetings will be advertised in the Monthly Media, the Park Royale Facebook Messenger group, and by email. If you haven't received any Park Royale Royalites social activities notifications, please contact Cathy Maringer; cmaringer@acegroup.cc

Book Club

March saw our club catch up on our novels and movies! We all thoroughly enjoyed getting together to discuss the novels and watch the movies together. Of course, the refreshments also added to our fun.

The novel and movie for April was the first book in the series *Red Sparrow* by Jason Matthews. The discussion and movie will come after the writing of this article so more to come next month.

The novel and movie for May is the first book from the *Anne of Green Gables* series, it is written by Lucy Maud Montgomery. This novel was written for people of all ages. The story is set in the late 19th century, and recounts the adventure of Anne Shirley, an 11-year-old orphan girl, who is mistakenly sent to two middle-aged siblings, Matthew and Marilla Cuthbert, who had originally intended to adopt a boy to help them on their farm in the fictional town of Avonlea in Prince Edward Island, Canada. The novel recounts how Anne makes her way though life with the Cuthbert's, in school, and within the town.

Our club has grown; however, we still have room for a few new members. Come, join the fun! Call or contact any member if interested.

On Tuesday and Thursday 6 PM, and now on Sunday at 6 pm until the last man/woman leaves in the clubhouse, there are several Park Royale men and women who enjoy the game such as Texas Hold 'Em. Contact Sue Simms at 727-504-2001 for more information

NEIGHBORHOOD WATCH

Thanks to all of you who attended the Neighborhood Watch meeting. it was good to see Officer Gatti again. We certainly live in a wonderful community.

As I sure most of you know, I will be moving back up North pretty soon. After living here in Park Royale for 10 years, I will certainly miss you all. I have enjoyed being part of the Royalites and the HOA and the Neighborhood Watch.

I would hope the community continues to provide the warm, friendly feeling it has had for the past 10 years. I am asking that someone step forward and take the leadership of the Neighborhood Watch group. Officer Gatti will need someone to contact for scheduling of meetings. If you would like to do this please email me @ vmiller380@tampabay.rr.com.

Blessings to all of you,
Vicki Miller

Pickleball

All Park members are invited to come to the courts to try the game. There are extra paddles for anyone to try out the sport. Anyone interested in learning Pickleball, there is a sign-up sheet in the Clubhouse.

Veteran's Corner by Anthony Suglia arsuglia@gmail.com

Blue Water Navy - Nehmer

The Department of Veterans Affairs (VA) announced it will re-adjudicate claims for Veterans who served in the offshore waters of the Republic of Vietnam during the Vietnam War. This review is part of the Veterans Benefits Administration's implementation of the November 5, 2020, U.S. District Court of the Northern District of California decision to re-adjudicate previously denied claims as applied in *Nehmer vs. U.S. Department of Veterans Affairs*.

Veterans who were previously denied service connection for an herbicide related presumptive condition due to lack of in-country Vietnam service will automatically have their claims re-adjudicated.

Re-adjudication means VA will review the evidence of record and provide replacement decisions in the cases of Veterans who were previously denied service connection for one or more herbicide related conditions on the basis that military service was not performed on the landmass of the Republic of Vietnam or on its inland waterways. This review will also apply to eligible survivors of deceased Vietnam era Veterans. VA is dedicated to ensuring all Veterans receive the benefits they have earned.

VA ensures that we have the proper resources in place to meet the needs of the Veteran community. Eligible survivors of deceased Veterans may also benefit from the policy and may be eligible for benefits based on the Veterans' service.

Veterans who have a condition caused by herbicide exposure during military service can learn more about Agent Orange exposure at this website. Veteransbenefits@messages.va.gov

Anthony Suglia

How communication furthers the goals of the association.

Informing the members of the actions and decisions of the officers supports the goal of transparency. All actions (with very few exceptions) of a public not for profit corporation in the state of Florida are visible to the members of the corporation. The Corporate records of the Association are also available for inspection and copying by the members. Records of Clubs and Committees established by the corporation are similarly available for inspection and copying.

In concert with this transparency of corporate records are the open meetings of the Board of Directors. Members are informed of Board of Directors meetings and permitted to observe the transactions.

In order to comply with their fiduciary duties, the Board of Directors will publish articles and newsletters on a routine basis to keep their members informed. Meeting notices will be posted on the marquee and bulletin boards; Emails, messages, mailings and distribution to park mailboxes will be other methods used to release information to the members.

Specific records can be requested in writing by contacting the Board.

FLORIDA ANCHOR AND BARRIER COMPANY

To our valued customers:

During the current times we wanted to let you know that we are taking as many precautions as we can to ensure not only our workers safety but yours as well. We check workers' temperatures each morning and have limited the amount of contact our crews have with each other. Our crews work in Tyvek suits with respirators which helps to ensure your safety as well as theirs.

As a company, we want your business and there is no need for any contact if you so choose. Our business is deemed an "Essential Business" and we are here for you when you need us. You can schedule your inspection by calling 1-800-681-3772.

Wishing you good health and safety,
