KEEP YOUR EYES OPEN:

Watch the Scuttlebutt, e-mails, Facebook, and the bulletin board by the clubhouse doors for possible surprise activities to fill the summer months.

Also watch for information regarding cornhole this summer. This is such a fun game of skill that it will hopefully get returning and new residents motivated to come out and play in the fall, and have a great time socializing with their neighbors.

JUNE FUN FACTS:

June is derived from Juno, the goddess of marriage. June is the month with the longest daylight hours of the year in the Northern Hemisphere, and conversely, June has the shortest daylight hours of the year in the Southern Hemisphere.

The birthstones for June are the Pearl, the Moonstone and the Alexandrite. The zodiac signs are Gemini (May 21-June 20), and Cancer (June 21-July 22). Flowers for the month of June are the Rose and the Honeysuckle.

**View this Newsletter in full color at www.monthly-media.com

FELLOWSHIP REPORT:

Happy Birthday to all born in the month of June.
Happy Anniversary to all who were married in the month of June.

CONTINUED WELCOME TO:

All new residents of Harbor Lights, this is a great community in which to live. To find out what activities/events are taking place in the park, keep an eye on our Facebook page, e-mails that are sent out, monthly issues of the Scuttlebutt (that are delivered to your door the 1st of each month), and the bulletin board next to the main entrance doors of the clubhouse.

LAWN CARE REMINDER:

Lawn care will take place weekly for the months of May thru October. Specific date are not available, however, routinely lawn care takes place on Thursday or Friday.

Murphy's Law

Iwonder how deep the ocean would be without sponges.

A RIB TICKLER:

To exercise or not:

If you exercise

1. The inventor of the treadmill had died at the age of 42.
2. The inventor of gymnastics died at the age of 57.
3. The world bodybuilding champion died at the age of 41.
4. The best footballer in the world, Diego Maradona, died at the age of 60.

BUT, If you don't exercise

5. The KFC inventor died at 94.
6. Inventor of Nutella brand died at the age of 88.
7. Imagine, cigarette maker Winston died at the age of 102.
8. The inventor of opium died at the age of 116 in an earthquake.
9. Hennessey inventor dies at 98.

HOW DID THESE DOCTORS COME TO THE CONCLUSION THAT EXERCISE PROLONGS LIFE?

The rabbit is always jumping up and down but it lives for only 2 years and the turtle that doesn't exercise at all lives 400 years.

SO, GET SOME REST, CHILL, STAY COOL, EAT, DRINK AND ENJOY YOUR LIFE!

COOKS CORNER:

Easy Corn Chowder

- 1 medium onion
- 2 medium red potatoes
- 2 Tbsp butter
- 1 cup water
- 2 Cups whole-kernel corn
- 1 ½ cup creamed corn
- 1 ½ cup milk
- ½. Tsp salt
- dash of pepper
- 5 Tbsp bacon bits.

Peel off outer layer of onion, cut into ½ inch pieces. Chop the red potatoes into bite-size cubes, set onion and potatoes aside.

Melt butter in heavy sauce pan over medium-low heat. Cook the onion in the melted butter about 3-4 minutes.

Add the potatoes and water, cover pan and let simmer for 15 minutes.

Stir in the whole-kernel corn, creamed corn, milk, salt, and pepper. Continue cooking and stirring the chowder until it heats through (about 7 minutes).

Ladle the chowder into bowls, sprinkle bacon bits on top, and serve. Very Tasty!!

If you have a favorite recipe you would like to share, send it to jafroscoe46@yahoo.com, and it will be shared in next month's Scuttlebutt.

Daily

Wonder Woman Day, June 3. The most popular and widely known superheroine of all time, Wonder Woman has been inspiring readers worldwide since her debut in All Star Comics #8 in 1941. Armed with her iconic lasso of truth, she has long been a unifying force for goodwill and justice.

World Oceans Day, June 8. On World Oceans Day, people around our blue planet celebrate and honor our ocean, which connects us all. Get together with your family, friends, community, and millions of others around the world to start creating a better future.

Flag Day, June 14. This annual holiday celebrates the history and symbolism of the American flag. Learn about the history of this holiday and the beloved Stars and Stripes.

Father's Day, June 20. Send a card, make a call, share a meal—just remember to tell dad you love him.

World Giraffe Day, June 21. World Giraffe Day 2021 is dedicated to Operation Sahel Giraffe II, the second giraffe conservation translocation in Niger. There are only 660 West African giraffes left in the world.

Turn up the radio!

Today's cars have all kinds of electronic entertainment options, including CD players, Sirius XM, Wi-Fi hookups, and more. So what do most people listen to while driving on short errands or long-distance road trips? It's still the radio.

A 2021 survey of 1,057 people reported by the RadioInk website found that 75% had listened to AM/FM radio in their cars in the past month, down from 81% in 2020 but still the No. 1 choice of drivers. Here's how radio ranks compared to other sources of sound:

Radio	75%
Owned digital music	48%
CD player	35%
Online audio	33%
Podcasts	30%
Sirius XM	21%

Bear hunting

Two men went bear hunting. One stayed in the cabin while the other went out looking for a bear.

He soon found a huge bear, shot at it, but only wounded it. The enraged bear charged toward him, and he dropped his rifle and started running for the cabin as fast as he could.

He ran fast but the bear gained on him with every step. Just as he reached the open cabin door, he tripped and fell flat on the ground. Too close behind to stop, the bear tripped over him and went rolling into the cabin.

The man jumped up, closed the cabin door and yelled to his friend inside, "You skin this one while I go and get another!"

The missing cow

A big city lawyer was called in on a case between a farmer and a large railroad company. The farmer's prize cow had gone missing from his field through which the railroad passed. He filed suit against the railroad company for the value of the cow. The case was to be tried before the justice of the peace in the back room of the town's general store.

The attorney went to the farmer and tried to settle out of court. The lawyer was very persuasive, and the farmer finally agreed to take half of what he was asking for to settle the case.

After the farmer signed the release and took the check, the young lawyer felt a little bad. He said to the farmer, "You know, I hate to tell you this, but I couldn't have won the case. The engineer was asleep and the fireman was in the caboose when the train went through your farm that morning. I didn't have one witness to put on the stand."

The old farmer nodded. "Well, I'll tell you, young fellow, I was a little worried about winning that case myself, because that durned cow came home this morning."

Long way down

On a mountain hike a man falls down into a crack. His wife calls after him, "Are you OK?"

"Yeah!"

"Are you hurt?"

"No!"

"Not a scratch? How come?!"

"I'm not done falling yet!"

Dedicated Senior Medical Center
A CHENMED COMPANY

Have the Right Doctor? Ask Yourself These 10 Questions.

At Dedicated Senior Medical Center, we're committed to keeping seniors healthy, happy and at home. We understand these are scary times, but we're here to help. Dedicated doctors specialize in caring for seniors and that's why we make it easy for you to see a doctor.

Ask yourself:

www.Dedicated.care

1. Is your doctor's office still open?
2. Have you heard from your doctor in the past two weeks?
3. Is your doctor personally calling and texting to check on you?
4. Has your doctor called you to explain your risk of coronavirus?
5. Is your doctor's office offering doctor phone visits?
6. Does your doctor allow walk-in visits?
7. Are you able to call your doctor anytime, day or night?
8. Do you have any difficulty getting to and from your doctor?
9. Is your doctor helping to make sure you receive all of your prescription refills?
10. Is your doctor offering to help you get your medications delivered?

**If you answered no to four or more of these questions,
call us at (727) 260-2651.**

Monthly

Alzheimer's & Brain Awareness Month. Worldwide, 50 million people are living with Alzheimer's and other dementias. Join the Alzheimer's Association in going purple and raising awareness in June. The more people know about Alzheimer's, the more action is inspired.

Lesbian, Gay, Bisexual, Transgender, and Queer (LGBTQ) Pride Month. Celebrated annually in June to honor the 1969 Stonewall riots, LGBTQ Pride Month works to achieve equal justice and equal opportunity for lesbian, gay, bisexual, transgender, and questioning Americans.

National Dairy Month. Dairy products contain nine essential nutrients which may help you better manage your weight and reduce your risk for high blood pressure, osteoporosis, and certain cancers. Whether it's protein to help build and repair the muscle tissue of active bodies or vitamin A to help maintain healthy skin, dairy products are a natural nutrient powerhouse.

National Rivers Month. The United States is home to about 2.9 million miles of river. One out of every three people gets their drinking water from a river or stream. People spend about \$97 billion each year on river-related recreation and tourism, and fish and wildlife depend on rivers, especially during breeding and migration.

Weekly

Community Health Improvement Week, June 6–12. Community Health Improvement Week honors health professionals who work closely with public health organizations, area leaders, hospitals, and clinics to guide neighborhood, urban, and suburban areas to improve overall health.

Men's Health Week, June 14–20. The purpose of Men's Health Week is to heighten the awareness of preventable health problems and encourage early detection and treatment of disease among men and boys. This week gives health care providers, public policy makers, the news media, and individuals an opportunity to encourage men and boys to seek regular medical advice and early treatment for disease and injury.

Waste and Recycling Workers Week, June 13–19. During this special week of celebration, join together to thank the hardworking women and men who show up daily to keep our neighborhoods and streets safe and clean. Taking the time to simply say "Thanks" goes a long way.

Lightning Safety Awareness Week, June 20–26. The National Lightning Safety Council recognizes National Lightning Safety Awareness Week as a unique opportunity to provide the public with safety information about lightning. Visit NOAA's comprehensive lightning safety web site to learn more about lightning and lightning safety.

Shorties

“Wow, honey, I never thought our son would go that far!”
“Yeah, that catapult is really amazing.”

Years ago, I threw away a boomerang really hard. I’ve lived in constant fear since.

My aunts would come and tease me at weddings, “Well, Sarah? Do you think you’ll be next?” We settled this quickly once I started asking them the same thing at funerals.

Whenever I see lovers' names carved in a tree, I wonder how many people bring a knife on a date.

I haven’t been sleeping well recently. Well, that's it for my last talent.

Lunch date

The geography teacher was lecturing on map reading. After explaining about latitude, longitude, degrees, and minutes, the teacher asked, “Suppose I asked you to meet me for lunch at 23 degrees, 4 minutes north latitude and 45 degrees, 15 minutes east longitude?”

After a long silence, a student answered, “I guess you’d be eating alone.”

Absentee

A mother asked, “Why did you get such a low mark on that test?”

“Because of absence,” her son answered.

“You mean you were absent on the day of the test?”

“No, but the kid who sits next to me was.”

Laughter heals all wounds, and that’s one thing that everybody shares. No matter what you’re going through, it makes you forget about your problems. I think the world should keep laughing.

Precision Vapor Barriers

Have You Looked **UNDER** **PROTECT**
Your Home Lately? **YOUR HOME**

**Fix Small Problems Today
Before They Cause Serious Damage!**

We will inspect and photograph any issues, showing you pictures of the underside of your home. Damaged & worn vapor barriers can create high energy costs and allow mold & mildew to grow and weaken your sub floor creating "Soft Spots". Keep Mold, Moisture & Animals out of your Home.

Repairs will be made quickly and include a
20 Year Transferable Warranty!
