**A**ttention Crafters: If you would like to instruct a class on your favorite craft, please contact Lorraine at (951) 315-2773. We would love to feature a monthly craft class to showcase your creations!

**Bunco:** Many of you have never heard of the game of Bunco. To briefly explain it is a Dice Game in which several tables of 4 have a goal to roll specified numerical sequences of dice. When the goal is attained a bell is rung and two of the players exchange tables. It's **wacky, fun, and a great way to meet your neighbors and make new friends!** To keep costs down for everyone there is a small \$3.00 fee to play. At the present time we are awarding small prizes for 1st, 2nd and 3rd place winners. As the number of players increase the rewards will get better! We have a sign-up sheet on the bulletin board near the calendar or you can contact Debbie or Lorraine to be added. We need an absolute minimum of 4 players to play! **Let's get social.....**

## June Craft

### DIY SEASHELL PLANTER

- Terra cotta pots (buy varying sizes if you wish!)
- Seashells (pick something somewhat flat & uniform in size)
- Glue gun and glue sticks
- Succulents & extra potting soil (preferably a cacti-mix)

Begin by arranging your shells by largest to smallest. This will give the shells a nice fit when gluing to your pot.

Now it's time to glue! Using your hot glue gun, squeeze glue onto the bottom part of the shell and along the sides. Place the shell slightly overhanging to top of your pot, and repeat along the entire rim.

For the next row, glue the shells in the same way, and in between the shells on the row above. Repeat this until you've covered the entire pot.

Now, it's time to plant! We chose a single succulent for the small pot, and a mix of small and medium sizes for the larger one. Pour some cacti-soil into the bottom of your pot, gently loosen the roots of the succulent and add some top soil to finish!

## Strawberry Pies

- 1 package puff pastry, thawed
- strawberries
- turbinado (natural brown sugar) sugar
- 1 egg (or, you can just use water)
- Nutella, optional

### Directions:

1. Preheat oven to 400 degrees F. Dice strawberries and set aside. Lightly flour your work surface, and gently unfold one puff pastry sheet. Roll out the dough into a 15 by 15 inch square. Use a cookie cutter to cut out 24 rounds.
2. Beat the egg together with a few tablespoons of water to make an egg wash. Place 12 rounds of dough on a cookie sheet and brush the edges with the egg wash.
3. Spoon diced strawberries into the center of the rounds. Sprinkle with turbinado sugar.
4. Place a second round on top of each filled circle. Use a fork to crimp the edges together.
5. Brush each mini pie with egg wash and cut a small vent on the top of each one. Sprinkle with turbinado sugar. Bake for 15-17 minutes, or until golden brown.
6. Serve with Nutella. Enjoy!

## Root Beer Pulled Pork Sandwiches

### Ingredients

- 1 (2 pound) pork shoulder or butt tenderloin can be used for a leaner option
- 1 (12 ounce) can of root beer
- 1 (18 ounce) bottle of barbecue sauce
- 8 hamburger buns

### Instructions

1. Place the pork in a slow cooker and pour the can of root beer over the meat. Cover and cook on low for 6 hours or until pork shreds easily with a fork.
2. After pork has cooked, drain and discard the root beer. Shred the pork and place it back in the slow cooker. Pour the barbecue sauce over the pork and stir to combine. Serve immediately or keep warm in slow cooker until ready to serve. Serve on hamburger buns.
3. For the Instant Pot: Cook on high pressure for about 35 minutes. Let pressure release and continue to step two.

## Bear hunting

---

**T**wo men went bear hunting. One stayed in the cabin while the other went out looking for a bear.

He soon found a huge bear, shot at it, but only wounded it. The enraged bear charged toward him, and he dropped his rifle and started running for the cabin as fast as he could.

He ran fast but the bear gained on him with every step. Just as he reached the open cabin door, he tripped and fell flat on the ground. Too close behind to stop, the bear tripped over him and went rolling into the cabin.

The man jumped up, closed the cabin door and yelled to his friend inside, "You skin this one while I go and get another!"

## The missing cow

---

**A** big city lawyer was called in on a case between a farmer and a large railroad company. The farmer's prize cow had gone missing from his field through which the railroad passed. He filed suit against the railroad company for the value of the cow. The case was to be tried before the justice of the peace in the back room of the town's general store.

The attorney went to the farmer and tried to settle out of court. The lawyer was very persuasive, and the farmer finally agreed to take half of what he was asking for to settle the case.

After the farmer signed the release and took the check, the young lawyer felt a little bad. He said to the farmer, "You know, I hate to tell you this, but I couldn't have won the case. The engineer was asleep and the fireman was in the caboose when the train went through your farm that morning. I didn't have one witness to put on the stand."

The old farmer nodded. "Well, I'll tell you, young fellow, I was a little worried about winning that case myself, because that durned cow came home this morning."

## Long way down

---

**O**n a mountain hike a man falls down into a crack. His wife calls after him, "Are you OK?"

"Yeah!"

"Are you hurt?"

"No!"

"Not a scratch? How come?!"

"I'm not done falling yet!"

## Shorties

---

“Wow, honey, I never thought our son would go that far!”  
“Yeah, that catapult is really amazing.”

Years ago, I threw away a boomerang really hard. I’ve lived in constant fear since.

My aunts would come and tease me at weddings, “Well, Sarah? Do you think you’ll be next?” We settled this quickly once I started asking them the same thing at funerals.

Whenever I see lovers' names carved in a tree, I wonder how many people bring a knife on a date.

I haven’t been sleeping well recently. Well, that's it for my last talent.

## Lunch date

---

The geography teacher was lecturing on map reading. After explaining about latitude, longitude, degrees, and minutes, the teacher asked, “Suppose I asked you to meet me for lunch at 23 degrees, 4 minutes north latitude and 45 degrees, 15 minutes east longitude?”

After a long silence, a student answered, “I guess you’d be eating alone.”

## Absentee

---

A mother asked, “Why did you get such a low mark on that test?”

“Because of absence,” her son answered.

“You mean you were absent on the day of the test?”

“No, but the kid who sits next to me was.”

*Laughter heals all wounds, and that’s one thing that everybody shares. No matter what you’re going through, it makes you forget about your problems. I think the world should keep laughing.*

## Monthly

---

**Alzheimer's & Brain Awareness Month.** Worldwide, 50 million people are living with Alzheimer's and other dementias. Join the Alzheimer's Association in going purple and raising awareness in June. The more people know about Alzheimer's, the more action is inspired.

**Lesbian, Gay, Bisexual, Transgender, and Queer (LGBTQ) Pride Month.** Celebrated annually in June to honor the 1969 Stonewall riots, LGBTQ Pride Month works to achieve equal justice and equal opportunity for lesbian, gay, bisexual, transgender, and questioning Americans.

**National Dairy Month.** Dairy products contain nine essential nutrients which may help you better manage your weight and reduce your risk for high blood pressure, osteoporosis, and certain cancers. Whether it's protein to help build and repair the muscle tissue of active bodies or vitamin A to help maintain healthy skin, dairy products are a natural nutrient powerhouse.

**National Rivers Month.** The United States is home to about 2.9 million miles of river. One out of every three people gets their drinking water from a river or stream. People spend about \$97 billion each year on river-related recreation and tourism, and fish and wildlife depend on rivers, especially during breeding and migration.

## Weekly
