GOOD WORKS: VOLUNTEERING AT PALM HILL

By Susan Kerr

In April, volunteers across the country are recognized during National Volunteer Week/Month.

Here in Palm Hill, the spirit of volunteerism makes our world go round.

Within the pages of the April and May LINKS, you will read stories from and about Palm Hill residents who volunteer here or for whom volunteering has been a way of life. Some of the stories are from relatively recent arrivals to Palm Hill who are getting to know their neighbors through volunteering, and some are from long-timers. One story is about a husband and wife who have been volunteering here for more than 38 years!

The Palm Hill board is composed of nine (9) volunteers who commit a minimum of three years to work with each other and the management team, leading the legal corporation of which we are all shareholders – the Home Owners of Palm Hill, Inc. We are as large as some small towns in the United States, with 1,100 homes and more than 1,700 residents.

Fifty-seven names are on the lists for the ten (10) standing committees that help manage and maintain Palm Hill and its business. But it may be that hundreds of others step up to volunteer at Palm Hill events and activities or contribute behind-the-scenes volunteer work for others. Just following the Golden Rule.

Volunteers sometimes say they get more out of the work than they give. National Volunteer Week is a great time to say “thank you” to those in Palm Hill who volunteer their time, skills, care and concern to watch out for others and to keep Palm Hill a vibrant and unique community. Another way to say thanks is to join them.

If you are inspired by the stories, talk to those who organize the various events or activities (which are gradually resuming), or let a committee chair or board member know of your interest to help out.

PICK YOUR PASSION

Volunteering can be a one-off activity, like putting up/taking down holiday decorations. Individuals launched the annual Christmas Golf Cart Parade, created traditions like the Valentine’s Day Dance or the biannual New Year’s Ball, which can take a small army of volunteers to produce. They plan and organize Memorial Day and Veterans Day honor and remembrance events. They organize golf events and charity tournaments (pre-Covid). They

plan and organize the Halloween Costume Party and the Kentucky Derby Party. They lead exercise classes in water and on land. Events and opportunities are announced at the coffees or listed on bulletin boards at both clubhouses. The coffees are also organized by volunteers.

They plan and recruit others to help produce the annual Casino Night, dinner events and the book club. Volunteers run the two Palm Hill libraries. Volunteers manage our helping services, offering medical equipment for loan, conducting food drives or fund drives for hospice, making calls to people who live alone, helping residents get rides to medical appointments. Volunteers walk their neighborhoods, delivering the monthly LINK.

Residents help each other individually and quietly – assisting the family of a resident who passes away, helping put down shutters to weather a coming storm or assisting neighbors pick up after hurricane damage.

Volunteers lend their skills to manage the website, to enable ZOOM meetings and widespread communications through our Webmaster email blasts, TV station Ch. 732 or the LINK. They collect donated furniture for sale in the Palm Hill Bazaar. Prior to the Covid restrictions, they cooked meals and held potluck dinners or organized Bingo and a myriad of activities for like-minded Palm Hillers.

Sometimes people get inspired situationally to tackle a project or step up to fill a need, such as manning the golf pro shop during the former manager's illness, leading a Palm Hill improvement or beautification project. Big things or one-project jobs, Palm Hillers step up when help is needed.

And it is amazing to say – the list above does not cover all the acts of concern and caring that happen every day throughout Palm Hill.

One way to learn about Palm Hill and get involved as a volunteer is to attend the committee meetings. The committees are made up of volunteers who take personal responsibility to monitor the maintenance and constant improvements that affect the quality of life here: Building and Grounds, Communications, Finance, Golf, Planning and Environment, Real Estate, Rules and Regulations. (Information on the committees is on the Palm Hill website (www.palmhillcountryclub.net; go to Members section, then choose Committees of Palm Hill.) Be alert for the emails about upcoming committee meetings, now being held via ZOOM.

Instructions on how to attend the meetings are embedded in email ZOOM invitations. Anyone whose email is registered on the website should get those invitations. And “attending” is possible at any time because the ZOOM meeting recordings are posted on the Palm Hill website.

Meeting notices, events and activities are also posted on Channel 732 and on the website.

Volunteers will be featured in this LINK and again next month, in the May LINK.

Please keep reading to meet some of our Palm Hill volunteers.

APRIL'S THOUGHT WORTH THINKING:

“I always wondered why somebody didn't do something about that. Then I realized I was somebody.”

Lily Tomlin. American comedienne and actress

ON THE COVER: Sandy and Chuck Obi: Double the Volunteer Service at Palm Hill, Double the Fun.'

North Recreation Club Entertainment Director (Sandy) and Club President (Chuck)

"It's the best feeling when friends and neighbors come up to me and tell me what a great time they had."

Chuck and I moved to Palm Hill in 2015 after we retired because we were attracted to this beautiful community and the great social life that it offered.

Shortly after we moved in, word got out that Chuck could sing, and he was immediately recruited and volunteered to be part of the Palm Hill Performers. While performing, he discovered various issues with the sound system in the North Clubhouse, so he volunteered to be the Audio Director and rectified many of these issues. His love of music also led him to attend karaoke at the clubhouse, and in the past couple years he has volunteered to help lead these events which has resulted in full houses and so much more interaction with the attendees.

A couple years ago, he was asked to be the House Director for the North Clubhouse, and most recently he was appointed as the North Recreation Club President. He enjoys being social, feeling useful and encouraging everyone to have a good time and enjoy themselves. His latest project was the outdoor concert scheduled for March 26 at the South Clubhouse.

I started volunteering as a means to meet more people. I first joined the Palm Hill Players, and even though I cannot sing, I still had fun interacting with these great people. I then volunteered to be the North Recreation Club Entertainment Director in 2018 when the former director had health issues.

I've enjoyed booking great entertainers and arranging delicious dinners and dances for all to enjoy, and also assisting residents when they book the clubhouse for private or Palm Hill events. It's the best feeling when friends and neighbors come up to me and tell me what a great time they had at one of the events that I've arranged.

I'm always amazed to see the number of people who offer to help in any way they can, between the coffee and donuts on Mondays, the monthly pancake breakfasts, the dinners, dances, etc. It's a great feeling of accomplishment and appreciation. If it wasn't for volunteering, I wouldn't have met so many great people who have become my good friends.

We look forward to the resumption of all the Park's normal activities and great social life and to meeting even more new people and friends!

JANE SINGER: INSPIRED BY CIRCUMSTANCE – Good Works Multiply

When the Covid virus restrictions struck last year and seniors were urged to stay close to home, Jane Singer thought people would benefit from having puzzles available to them while the Palm Hill libraries were closed.

Ms. Singer purchased about 20 puzzles and put them out in her carport on a card table with

a sign, creating a puzzle pop-up. Word got out.

“It is a place for people to use and return puzzles. I purchased some, but the rest have just appeared over time,” she said. “I’m sure some are originally from the puzzle-lending areas of the park that have been closed, the rest are just from kind and generous residents.”

At last count, she said the puzzle pile had grown to more than 350!

Even though the libraries have reopened, Ms. Singer will keep the puzzle pop-up in action. The bookshelves displaying the puzzles are easy to browse. If you are looking for a puzzle, visit the carport at the first house next to the driveway to the golf course pro shop/club house.

“Thank you, Jane, for helping us cope,” wrote Carolyn Hooper when alerting the LINK to Ms. Singer’s generous act and concern for residents.

JOE FITZGERALD, Finance Committee Member, Plus

“Making Palm Hill a better place to live.”

Palm Hill owes much of its success to the many volunteers both past and present. We first arrived in Palm Hill in 2012 and must admit we were not involved that much the first year. As time goes on however, one realizes that all of the activities and all of the things that go on in Palm Hill are the results of the efforts of volunteers.

When kids are young, people often volunteer for activities with their children. Then people volunteer in ways that are associated with their careers. For most in Palm Hill the kids have grown up, the work career is over, and volunteering is all about making Palm Hill a better place to live whether as a permanent or seasonal resident.

Three Accountants Serve as Volunteers

This is my third year on the Finance Committee. I am an accountant by trade so I tend to enjoy doing things that involve numbers. We have six members on the Finance Committee this year and three are Chartered Professional Accountants (CPA), (Canadian accountant designation) working with three additional members who bring different and important skill sets to the table.

The Covid situation has made committee work more difficult with two members participating remotely from Canada while the other four are in Palm Hill. So, it can still be done. I have also volunteered in other activities at Palm Hill including golf, annual Bazaar, Canadian Barbecue and other Recreation Club events.

Volunteering is a great way to meet people at Palm Hill especially for new residents. There is always a sense of accomplishment when volunteering. Volunteers are essential to the success of Palm Hill.

MARY AND HERB LESLIE, 33 Years of Volunteering at Palm Hill

“We hold great memories in our hearts.”

“We came to Palm Hill in 1988 after hearing about Palm Hill from three satisfied residents from our area up North who raved about how wonderful it was here. We got involved fairly early by volunteering for any function we could. After volunteering for the Octokberfest, we joined with Marcia Chabot and John Brauchler. We saw how much fun it was to work hard at it.

We helped raise money for a new Pro Shop after meeting up with other golfers whose enthusiasm was infectious. Monies were raised through spaghetti suppers, luncheons, baking cookies and several other endeavors. That was the beginning of years of volunteering for many functions after that.

Through the years, we served on committees, starting out on the Security Committee. We would take turns with others to drive through the entire park watching for anything that looked suspicious. We also were responsible for “locking” up the Club Houses and checking the restrooms after 10 p.m. each night.

Herb served on various committees and later became a HOPH Board member, taking the Rules and Regulations Committee as his assignment. In the meantime, he served as an officer of the Mens’ Golf Association. Mary worked with the Ladies Golf Association, first as treasurer, then secretary, then vice president and then president.

We became presidents of our respective Golf Associations in the same year and planned the first joint awards dinner for the combined leagues. It proved to be a huge success. We chaired the event for the next four years until someone else took the reins. Each year thereafter various couples and their teams did the honors.

“TERRIFIC WAY TO MEET OTHERS”

The bonus in volunteering was not only the satisfaction one gets for doing things for others, but in meeting others who are enjoying it as well and having fun doing it. We volunteered for many events that were sponsored by other groups. Working for the Bazaar was a lot of fun and we thoroughly enjoyed the time spent sorting, pricing and selling items. Mary served as Secretary to the South Recreation Club for a time and reorganized the office space.

Through the years we have felt that our volunteering has proven to be some of our most rewarding times. We are both in our 90s (92 and 93) and are now cutting back.

Recently, we took on the goal of getting the Pro Shop ready to open. We scrubbed windows, lifted floor tiles, painted cabinets did touch up painting, washed fans, etc. Other volunteers showed up and pitched in. Peggy Novara identified more areas that needed attention. She scrubbed the under-sink cabinet then returned and painted the areas around the fans. Ray Kopp dropped by and hung a plaque that we were too short to do. Every once in a while, someone would walk by and offer their help in doing things that were needed.

Palm Hill is so fortunate in having so many jobs filled because of our caring and willing volunteers. We feel blessed to have been part of that team. We have met so many wonderful people here in Palm Hill and hold great memories in our hearts.

Volunteering is a terrific way to meet others. This past year when we have all been dealing with

the pandemic, it has altered the way we do things. If we continue being careful, we will soon be facing the time that we can all be volunteering again.

Get involved, meet new friends, enjoy the rewards.

SUSAN FISHER, Book Club Chair and Founder

“We were still moving our furniture when a neighbor came by and said, ‘Welcome to Palm Hill. It is our street's turn to work.’”

My volunteering started when I was a small child. My mom frequently cooked, served or cleaned up at church dinners. I was with her, so I was tasked with helping pick up the dirty dishes or carry the plate for an elderly person who needed to lean on a cane or walker. My mom was always proud of me for doing this, so I guess that was my payback.

As an elementary teacher, there were many opportunities to volunteer at dinners, meetings, fundraisers, etc. It allowed me to see my students and their parents outside the classroom and form stronger bonds.

In 2006, as we neared retirement, we purchased our home in Palm Hill. We were still moving our furniture when a neighbor came by and said, "Welcome to Palm Hill. It is our street's turn to work. Here is a list of activities going on in the clubhouse this month. What can you do to help?" We had a lot of fun at that dance and we met many of our new neighbors.

So that was the start of my years of volunteering at Palm Hill for Coffees, as Ladies' Luncheon chairperson, helping set up for events and clean up afterwards, South Recreation Club officer, annual Christmas lunch, and chairperson of the book club.

Why do I do it? Simple: I like attending these activities. I think if I make the chairperson's job easier, he/she will continue to do this dance or dinner. If the chairperson is exhausted because there were no helpers, maybe he/she won't want to do it again. If I help someone with his/her activity, I'll get helpers for the activities I chair. Those are the selfish reasons, but I want to do my part to make my community a good place to live. Volunteering is how I can do that.

CAROLYN STORY, A Long Story of Volunteering at Palm Hill

Block Captain for 28 years, Board Member and More!

“It was our turn to contribute to the community.”

When Richie and I came to Palm Hill to care for my Dad in 1992, we decided it was our turn to contribute to this community, following in the footsteps of my parents' ways before us. They arrived here in 1972 during the formative years of this community.

Our first endeavor was our charitable choice of raising money for Hospice with our annual event which we chaired for over 20 years. Over this period of time, we raised \$58,000. through the generous donations of Palm Hill residents. Some activities along the years were chaired with Marge and Jack Taylor and included: numerous skits and dinners, Pro Shop Fundraisers, playing Mr. and Mrs. Santa Claus bringing homemade cookies to Palm Hill residents for

years, and the Palm Hill Wannabe's entertainment group. Additionally, we chaired golf events, including overnight golf getaways, and raised funds for benches on a golf course fund-raiser, co-chaired the Palm Hill 90's Club for a several years, and I have been a Block Captain for 28 years, etc. I founded the Generations of Palm Hill list which is a list of residents whose parents have resided in Palm Hill before them, some of whom still reside here. This list includes 2nd and 3rd generations of shareholders.

In 2018, I decided to run for the Board of Directors, was elected, and have been a member for the past four years. I have chaired the Real Estate Committee for four years, welcoming new residents to Palm Hill and have served as Board Secretary for three years. I have also served on the Communications, Environmental and Golf Committees.

The Real Estate Committee has been rewarding in that I am frequently greeting people as they are starting their retirement years and have chosen Palm Hill as their residence. I discuss the rules and regulations, answer their questions, encourage the use of the many amenities and joining the activities to meet new people, and welcome them to our beautiful community.

Volunteering has always been a part of my life. I believe the way you were raised holds a significant part. During our formative years, we often learned by following the actions of those around us. Doing for others is gratifying and if my contributions help others in any way, then I am pleased.

ARNOLD TONEY, From Block Captain to Board Member

25 YEARS OF VOLUNTEERING AT PALM HILL, IN PINELLAS COUNTY AND IN LARGO

Question is? Why does one want to, or even care to, volunteer. In most cases we find that organizations such as Palm Hill rely on folks helping to provide services that we as homeowners want to enjoy. Same is true with many other organizations that could not continue without the assistance of volunteers.

Fortunately, I have been able to volunteer in many different positions because of several reasons. First, because there was a requested need to assist the organization. Second, because I have a desire to want to enjoy a position with an organization that is of interest to me. Either one provides a personal benefit which could not be obtained without volunteering. One benefit is the knowledge that by volunteering you are assisting in providing a service that an organization would either have to pay for or would not be able to provide if it wasn't for volunteers. The other is that you get to choose what services you want to volunteer for. In my case, I generally volunteer for this type of benefit because it affects my knowledge or my interest in things I enjoy or would like to enjoy. Of course, being able to do this affects the way I enjoy my "retired life", my health and well-being as part of the community.

Shortly after moving to Palm Hill, I was asked if I would be a Block Captain and without hesitation, I volunteered. This led to my volunteering for many positions over the 25 years I have lived here. This includes being on the Palm Hill Board, the North Recreation Club board, the Square Club (now Mesco), the Garden Club and several committees over the years. I think

...continued on page 18

that one of the best experiences I had was volunteering at Mesco which was formed from the project that the Square club began. Helping homeowners find medical appliances was very rewarding to me personally.

In past years I have also volunteered with Pinellas County, Heritage Village, Auxiliary Trail Rangers, City of Largo Police Department, Largo Cultural Center and Ruth Eckerd Hall. I currently am the President of the Senior Advisory Board at the Largo Community Center.

I volunteer because it makes me a better person and I make new friends.

CLAIRE LONGMAN AND CAROLINE ZIMMERMAN, Founders, Ladies Golf Lessons

Fifteen years ago, Claire and Caroline, teachers by profession, began sharing their love of golf with the women of Palm by offering free golf lessons on Sunday afternoons. But that's just the latest in their lifelong volunteer experiences.

“We love seeing how excited the women get. Many of our students have never played until they arrive at Palm Hill.”

Volunteering is fun! We have volunteered all our lives. Claire was an active room mother when her children were in school in Ohio. Whenever the church in Ohio would have a dinner or an ice cream social Claire was there helping the church reach the community.

Professionally, both taught Health and Sport Science and actively promoted physical education on the local and state level by editing a newsletter and presenting programs at conventions. Caroline, at an early age enjoyed volunteering in a magic act in school much to the embarrassment of her mother, a teacher. Teaching at the Wittenberg University, Caroline incorporated volunteering in her classes encouraging students to enter the community and to help others.

We were and are teachers! We like golf! We think of the good times we've had playing and believe we should give back to golf so others experience the joy we've had. For 14, years we volunteered as marshals at PGA and LPGA tournament across the US.

The past 15 years, we have volunteered teaching golf to the women of Palm Hill. Each opportunity we have had volunteering in the past has been fun, but teaching the women of Palm Hill is at the top of the list! We love seeing how excited the women get. Many of our students have never played until they arrive at Palm Hill. For those without equipment, we find some that are suitable. We are amazed and happy how quickly they learn and progress.

Of all of our teaching experience we rarely have had students say “that was fun! I'll see you next week!! That's what happens at the Palm Hill Sunday Ladies Golf Lessons. That's why we volunteer.

A POEM FOR APRIL, A POEM FOR SPRING

Up North, when the first crocus pushes up through melting snow, winter-worn spirits lift in anticipation of the returning warmth.

The poem below by 19th Century British Romantic poet William Wordsworth recalls the delight in the sight of Spring's first flowers.

I WANDERED LONELY AS A CLOUD, by *William Wordsworth*

I wandered lonely as a cloud
That floats on high o'er vales and hills,
When all at once I saw a crowd,
A host, of golden daffodils;
Beside the lake, beneath the trees,
Fluttering and dancing in the breeze.
Continuous as the stars that shine
And twinkle on the milky way,
They stretched in never-ending line
Along the margin of a bay.
Ten thousand saw I at a glance,
Tossing their heads in sprightly dance.
The waves beside them danced; but they
Out-did the sparkling waves in glee.
A poet could not but be gay,

In such a jocund company.
I gazed – and gazed – but little thought
What wealth the show to me had brought.
For oft, when on my couch I lie
In vacant or in pensive mood,
They flash upon that inward eye
Which is the bliss of solitude.
And then my heart with pleasure fills,
And dances with the daffodils.

Also, as of March 8, restricted hours for guests at the pools, shuffle courts and tennis courts were eliminated, but restricted seating and social distancing continues to apply. Sign-in at the clubhouses and pools, and capacity limits continue and should be followed as posted. Hand sanitizer will be available at facilities and residents and guests are encouraged to use them. It is anticipated that measures requiring mask wearing in public, limiting gatherings to 10 or fewer in common areas, six-foot social distancing, as well as the updated restrictions for use of facilities and common spaces at Palm Hill, will be in effect for the next several months, given the continuing spread of the Covid virus. Use of common space requires advance approval from Office.

OUTSIDE HOME CHANGES – Work Permit Form Now on Website

The Rules and Regulations Committee recently reminded shareholders through an email blast about the requirement to get prior Office approval for any outside work on their lots. The Exterior Work Permit is now available on the website to download; it is also available at the Office.

CORONAVIRUS UPDATES/RESOURCES:

C **COVID VACCINE ALERT: PHONE SCAMS:** The State Attorney General's office has issued warnings about vaccine phone scams.

Beware of phone calls that come in on your phone as "Florida Vaccine Center" or "FL Vaccine Center" even if it appears to be from a Florida exchange.

Check the veracity of any unexpected phone call. If in doubt, ask for the name of the agency calling so you can call back independently, and ask for the name of the caller's supervisor. Do not provide personal info. Phone scammers/impersonators try to get you to say the word YES in the beginning of the conversation, and then record your voice for possible use later. A common initial question is: Can you hear me? Do not answer with the word yes. Instead, begin asking questions to verify their identity, or just hang up.

AGE RESTRICTIONS ARE LOWERING FOR VACCINE ELIGIBILITY

As of the April LINK deadline, age restrictions on vaccines are lowering in some parts of Florida. In addition, the Veterans Administration, Publix, and some health organizations are distributing vaccines to patients, and in some cases, patient's spouses, in addition to those 65 and older.

Latest eligibility information, as of March 19, 2021: www.floridahealthcovid19.gov

As of March 19, 2021: Note: These Florida residents are now eligible to register for the vaccine at www.patientportalFL.com:

- Anyone 60 and older, **(with proof of age; 50+ eligible on March 22)**
- eligible health care workers 18+ **(with ID)**,
- 50 and older sworn law enforcement, firefighters and K-12 school staff **(with ID)**.
- **Medically vulnerable residents** with a physician form

Teachers under the age of 50 may schedule their vaccine appointment at Publix, CVS, Walmart or Sam's Club, or may go to the Federal Vaccination Site at the Tampa Greyhound Track.

Vaccine supply is limited, and you must be a full-time or part-time resident to be vaccinated in Florida.

Homebound residents can let the Florida Department of Emergency Management (FDEM) know they are in need by emailing HomeboundVaccine@em.myflorida.com. FDEM will send them a survey and then work with DOH strike teams to deliver vaccines.

...continued on page 36

FDEM is working on writing up more information for how this program will work and will provide information to counties when complete.

PUBLIX SUPERMARKETS in Pinellas County has been scheduling vaccinations for people 65 and older, through an online site – www.publix.com/covid-vaccine/florida

The scheduling opens online at 7 a.m. on Wednesdays and Fridays. Download the consent form and fill it out ahead of your appointment to save time.

As of the April LINK deadline, Pinellas County was still scheduling vaccination appointments for people 65 and older, but only as vaccine becomes available. Reservations are necessary.

Accounts are necessary for the Pinellas County/state vaccine distributions and to make appointments: www.patientportalfl.com

GENERATIONS LIST

Carolyn Story: 727-585-1579

Palm Hill continues to attract generation after generation of residents. Check out the Generations List in both clubhouses -- and on the Palm Hill website -- to see how true that is. There are 68 people currently on the list, including seven families of the Third Generation. If you are a descendant of someone who lived in Palm Hill previously, or who is a current resident, please contact Carolyn Story at 727-585-1579. This list is updated periodically and it would be good to have you included.

Chest pressure, a squeezing sensation or chest pain. These feelings may be angina, a symptom of heart disease.

Angina is your heart's warning system. It happens when part of the heart doesn't get enough blood and oxygen. It's also a symptom of coronary artery disease, a type of heart disease. It may feel like a pinching sensation in the chest, and could be accompanied by sluggishness and chest tightness. If you experience any of these symptoms, the experts at BayCare's Morton Plant Hospital can get to the cause and treat it with a procedure that's right for you. We use state-of-the-art technology to treat rhythm disorders and offer minimally invasive procedures for structural heart and valve conditions. Morton Plant Hospital provides care for heart failure through our Heart Function Clinic and BayCare's ventricular assist device program, has an accomplished open-heart surgery program and you can recover from heart issues with our cardiac rehab services. Our team is here when you need us. And we have enhanced safety measures to help keep you protected. Don't ignore your heart's warning system. Get a cardiology referral: MortonPlantHeart.org

LADIES GOLF ASSOCIATION

President Jessie Walcott, 727-288-7521 or email jessijow1@yahoo.com

April has arrived and hopefully we will see some warmer weather before our snowbirds start for home. It is also good to hear that our Park has been getting better access and information about available vaccines. A big thank you for that! We should be able to gradually return to some sort of normalcy by our next season. With that being said, I am optimistically planning tentative dates for our activities for next year. More may be added. These dates are dependent on the Covid-19 protocol and will be cancelled if necessary.

As per Palm Hill guidelines, all Men’s Golf Association functions have been cancelled. We look forward to returning to past activities and meetings as soon as possible. Two board seats are vacant. Association dues, activities and the filling of vacant positions on the Men’s Golf Association board will be discussed at a future meeting. If there is other business or news that needs attention, please notify me at my email billmattingly2299@twc.com.

GEORGEANNE’S HELPING HANDS

Ted Silva, 508-965-6072

As of March 4, 2021, service began again on a VERY limited basis.

For the immediate future we are only bringing residents to medical appointments with a priority at getting to Covid vaccine appointments.

But as more volunteers get vaccinated, we will slowly be increasing our ability to help you get where you need to go.

At this point, we are only using volunteers that have been vaccinated and waited the required time period. Face masks will still be required at all times by everyone during these transports regardless of vaccination status.

If you need transportation to a medical appointment or vaccine site, please call as soon as possible: Ted Silva, 508-965-6072.

We encourage residents to shop “on-line” with home delivery of food through the supermarkets that offer that service, such as Publix and Walmart. Some residents have been using “Care Ride” - 727-536-7453 or 727- 866-1193.

“PALM HILL CALLING”

The purpose of the project is to make sure that everyone has contact with someone at least once a day. Most people have friends or neighbors and they routinely check on each other. We now have at least forty “clients” who receive a call from a Palm Hill volunteer.

Palm Hill Calling is available to anyone interested in having this service whether you are a shareholder or renter, full time or seasonal. If you would like to be on our call list and have someone check on you once each day please call Ted Silva at 508-965-6072.

PRAYER TEAM

Georgeanne’s Helping Hands is pleased to be able to offer a new service: PRAYER TEAM. If you have a need, we have individual volunteers in the park offering to pray with you. The Prayer Team in Palm Hill is Claudia Hartz, Maureen Livers and Bonnie Swanson. Please call Claudia at 315-368-8166 if you have any questions. All social distancing guidelines will be followed.

NOTE: There is no charge for any services from the Helping Hands volunteers, and we do not accept any monetary “tips.” If we can help you, or you can help Helping Hands, please call Ted Silva at 508-965-6072.
