At Dedicated Senior Medical Center, we're committed to keeping seniors healthy, happy and at home. We understand these are scary times, but we're here to help. Dedicated doctors specialize in caring for seniors and that's why we make it easy for you to see a doctor.

Ask yourself:

1. Is your doctor's office still open?
2. Have you heard from your doctor in the past two weeks?
3. Is your doctor personally calling and texting to check on you?
4. Has your doctor called you to explain your risk of coronavirus?
5. Is your doctor's office offering doctor phone visits?
6. Does your doctor allow walk-in visits?
7. Are you able to call your doctor anytime, day or night?
8. Do you have any difficulty getting to and from your doctor?
9. Is your doctor helping to make sure you receive all of your prescription refills?
10. Is your doctor offering to help you get your medications delivered?

From the Board of Directors

Roland Doucette President

Hello All,

I was looking through my July, 2018 Monthly Media insert, and interestingly one of the things I mentioned was that our pool filtering system was beginning to show its age and that we would be looking to replace it in the next few years. Well that time has come. We have signed a contract with Pool Works. They will remove everything behind the “wall,” including the heater, dig down, core the north end of the pool, re-pipe everything, and finally return the heater and put in a new state-of-the-art system. The replacement will not be cheap, costing \$30,953. It will be covered by the pool reserve account. Work is scheduled to begin sometime in November and take 5-6 weeks. We were fortunate to schedule this project when the pool gets less use.

This project, while on our to-do list for quite some time, was hastened by the discovery of a couple of cracks and some fiberglass “flaking” in the existing filter structure. Fortunately we caught the deterioration in time to avoid a catastrophic breakdown which would have closed the pool for 6-8 months waiting to get in line.

The timely notification about the pool contrasts with our other major project, which has reached the emergency stage and needs to be dealt with immediately. The Gull Lake embankment behind house #'s 68 through 72 is collapsing, and will need immediate action taken to avoid a catastrophic loss. We have signed a contract with Solitude Lake Management to not only do the emergency repairs but to stabilize the entire circumference of the lake so no new issues will develop there. The cost behind the 5 houses is \$155 per linear foot, while the rest of the lake will cost \$80 per linear foot. It seems prudent to address everything on Gull Lake now rather than pay the piper later. The cost of this project will be \$59,945. Many thanks to our treasurer Sandy Losiniecki and property manager Kim Morris for finding a way to finance the project. They saved each home owner a \$255 special assessment.

While Solitude was here estimating the Gull Lake project we asked them to look at Pelican Lake as well. We have lost several feet of embankment on both sides of the lake over the last few years. Abandoned electrical piping which was once 3-4 feet from the bank of the pond is now exposed. We experienced a wash out 2 years ago that reached the road and required an emergency repair. The Board felt that putting this off might result in a situation like the one that currently exists at Gull Lake. Solitude gave us 2 estimates, \$33,055 if we did the project in conjunction with the Gull Lake project or close to \$40,000 if we waited. The Board decided to save the \$7000 and do the project now, and since we did not need to go into our Lake Structures reserve account to do Gull Pond we are going to use reserves to pay for it. The full project will begin sometime in July depending on the weather.

That's all I have for now, but considering that I have so far summarized spending \$124,000

Happy 4th of July

From the Social Club

Susan Murray, Social Club Secretary

It's July, the half-year mark, and Blue Jay is slowly emerging from our long Covid year of isolation. We are beginning with limited clubhouse activities such as Bingo and Tai Chi. The Social Club has begun our weekly coffee hour and information sharing on a limited basis. This was well received, and we look forward to a full house as soon as the CDC and County regulations allow.

We have a long list of volunteer activities with several vacancies. We will post the list and if anyone is interested, please let a member of the Board know. Or, if you have a new idea, we can discuss it at a Wednesday meeting.

Also, as we plan fall and winter events such as dances and dinners, we need hosts for them. If interested, please let us know as early as possible.

We voted at our last meeting to continue the current Social Club officers through the end 2021. If interested in being an officer of the Social Club for 2022, please contact the nomination committee.

USED GREETING CARDS

Joan Sturino, Coordinator

We are now able to bring our used greeting cards to Royal Palms Senior Living in Largo. Please drop off your used cards at Lot # 96 or call me at 727-785-7598. Thank you, Joan.

No ordinary talking mule

A farmer in the country was very poor. Tired of living in squalor, he decided to sell the only thing he owned—his talking mule. This was no ordinary talking mule, though. He could tell jokes and sing and dance. But with much regret, the farmer set off to the big city to sell his mule.

He set up on a street corner, and the mule drew an immediate crowd. The mule was so funny that the crowds couldn't remain standing for long because they were laughing so hard. Finally, a man came up to the farmer and said, "I'm a talent scout. I MUST have your mule for our show."

Unfortunately, the talent scout had just been pickpocketed, and had lost his wallet. The only thing in his pockets was a subway token. He convinced the farmer to trade the mule for the "Magic Token of Good Fortune" and secured the mule.

On the way home, the farmer realized that he had been cheated. Broken hearted, he decided to use the subway token to ride to the edge of the city. But when he put the token in the slot, alarms went off. He was frightened at first, but then he was notified that he was the 1 billionth rider of the subway, and he had just won \$50 million.

Meanwhile, the mule was so successful that he became the toast of Broadway.

Moral of the story: A mule that is funny is soon bartered.

The best way to pray

A priest, a minister, and a guru sat in a new interfaith community center. While a telecommunications worker installed the new phone system, they began discussing the best positions for prayer.

"Kneeling is definitely the best way to pray," the priest said.

"No," said the minister. "I get the best results standing with my hands outstretched to heaven."

"You're both wrong," the guru said. "The most effective prayer position is the lotus position."

The telephone technician sat up. "Excuse me, gentlemen, but I should tell you that the best praying I ever did was when I was hanging upside down from a telephone pole."

If you wish to glimpse inside a human soul and get to know a man ... just watch him laugh. If he laughs well, he's a good man.

A bag of miseries

A rich man every night prayed the same prayer: “Dear God, I am the most unhappy man on the earth. Why have you made my life full of problems? I am ready to exchange my difficulties with anybody else. Can’t you give me an opportunity to exchange my worries with somebody else?”

One night in a dream he heard a voice that told him: “Gather all of your miseries into a bag and bring them to the town hall.”

When he got to the town hall, the rich man saw that all his neighbors had also packed their miseries into big bags. He saw that some people were carrying much bigger bags than his. Even people he had always seen smiling on the street and saying nice things to each other were carrying bigger bags.

Inside the hall, the voice said, “Put your bags around the hall.” Everyone put their bags down, and the voice said, “Now you can choose any bundle that you like.”

And everybody rushed to their own bags.

The rich man also rushed towards his own bag, afraid that somebody else might choose it. But everybody chose their own bag with great relief and happily carried their bags back to their homes. Even the rich man who had prayed for years to exchange his miseries was very happy. He walked home thinking, “Who knows what is in the other bags? At least we are aware of our own problems. And we have become accustomed to our own difficulties.”

Moral: Solving your own problems is better than exchanging them with someone else.

Give 100 percent

A little boy and girl were enjoying a pleasant afternoon playing outside in their neighborhood together. The boy showed the girl his collection of beautiful, unique marbles. In turn, the girl showed the boy the handful of candy that she had just gotten for her birthday.

The boy proposed that the two of them switch—he would give her all of his marbles if she handed over all of her candy. The girl agreed, as she found the marbles to be beautiful as well.

The boy handed over all of his marbles, but kept one—the most exquisite one of them all—in his pocket. The girl kept her promise and gave the boy all of her candy.

That night, the girl was happy with the exchange and peacefully went to sleep.

The boy, however, couldn’t sleep, because he kept wondering if the girl had secretly kept some of her candy, just like he did with the marble.

If you don’t give 100%, you will always assume your partner isn’t giving 100% either.

"...I am so happy with my new windows...I'd like to commend your work crew. Earbie and Larry were fantastic! I couldn't believe the clean-up EVERYDAY! The whole job took just a week even with all the rain delays. I would and WILL highly recommend your company to my friends and neighbors. Of course I won't need to say a word - the house is doing all the talking! Thank you so much for my beautiful new house."
