President's Report

By Ray Lamoureux #9

Golden Acres is quiet this time of year. All the snowbirds have left for their northern homes. The remaining full-time residents are planning their summer events now that the clubhouse is open. As long as nothing changes due to the virus the clubhouse will remain open to do future events in the fall and winter. Most of Golden Acres have been vaccinated so spreading any virus should be slim.

The board had the fruit tree at the Hardin house removed because we were worried that the fruit rats that eat those fruit would infect the park also. The board had reports of residents seeing them when out and about and we had traps put out to try to catch them before they become a major problem for us.

We have a new home going in at site sixteen. This seems to be the coming thing in the park. They are popping up throughout the park. Some of the homes that has been removed were unfixable and needed to be removed to make the park look better.

Three members of the board are conducting meetings on our rules and regulation trying to make them clearer to understand their intent. It is still in the early process and it will be present at a meeting for residents input.

We had problems with a sewer line that runs from 156 to 161 it was filled with tree roots. We needed to get the drain team to scope it and clean the roots out.

From the Editor's Desk

By Sue Bailey #188 suebail@tampabay.rr.com

Happy Canada Day on July 1st to all our Canadian Counterparts! Happy Independence Day on July 4th to all our USA residents! I hope everyone is enjoying their summer. Things are quiet here at Golden Acres, but we're now looking forward to some summer activities starting in July since the Covid restrictions have been lifted in Florida.

In this month's newsletter you will read about Beep visiting Dunedin, online pharmacy scams from Fraud Watch Network, Hardin House tree removal, renting your place this year, needing a volunteer for our GA Librarian, Wise Choices from News in Health, an update on our pool mascot, and a draft of a proposal for our summer activities.

Wherever you are located, please keep in touch with all of us by sending articles and pictures for the monthly newsletter. We love to read about what's going on.

Have a joyous and plentiful summer wherever your journey takes you.

Until next time,

May God bless and keep you well and safe...

Greetings from the Office

By Karin Desmone

“Happy Summer” and may this summer bring lots of happiness to your life.

On that note, I already have a list of twenty plus people looking to rent in the park for the 2022 season. I am receiving calls weekly for folks to be added to the waitlist. It appears that people are sooo... ready to start enjoying themselves and a return to some type of normalcy post Covid. If you are considering renting your unit, please contact the office, and I will provide you the contact information of those interested renters.

BEEP

By Elaine Janes #216 & Carol Spinney #187

On May 19, 2021, a fat, orange futuristic vehicle appeared in Dunedin.

It is an AVA: Autonomous Vehicle Advantage, named Beep. It is part of a pilot program that keeps it in Dunedin for three months. Beep runs Wednesdays through Sundays, 10:00 a.m. – 10:00 p.m. It begins in the parking lot on the corner of Main and Douglas and goes to the public library to turn around.

The copilot, as the “driver” is called, uses a joystick to steer, stop, or go as needed to assist the orange shuttle. The vehicle has sensors on all sides to sense when traffic or people might interfere with its forward progress. Because of traffic deaths in other electric cars, there must be a copilot in the vehicle at all times.

There are two Beeps in Dunedin. For the most part, one runs the streets, the other sits in the parking garage on Douglas charging. One charge lasts about four hours; it takes about 90 minutes to charge.

The idea for the jellybean-shaped shuttle is to move people about in areas of congestion. For the last homestand of Blue Jays baseball, Beep allowed fans to park for free in lots away from the stadium, then shuttle for free to the game. Passengers must wear masks and seatbelts.

Carol and Elaine enjoyed the adventure of riding in an other-worldly, electric vehicle.

Snowbirds who missed this opportunity can head to Port St. Lucie or the Orlando area where Beeps are also in use. There are plans for the near future to have Beep in Yosemite National Park. After Dunedin, Beep heads to Clearwater Beach.

The Jetsons have nothing on Dunedin for futuristic cool!

Hardin House Tree Removal

Bay Area Grounds was here during the month of June to remove the fruit trees and brush on the Hardin property. It isn't completed yet, but here is a glimpse of what it looks like to-date. What a difference in the looks of the property.

Needed: GA Volunteer(s) To Become Our Librarian(s)

Fran Clark #47 has been our GA Librarian for many years and is ready to step down and give someone else the title. Fran has done an amazing job and we thank her so much for her dedication. She is willing to train her replacement (preferably more than one). The job requires taking the books that are in the return box (whether donated or returned) and putting them back on the shelves. There may be times when we have more donations than we have shelf space in which we donate the excess to our local library. It involves only approximately 2 times per week to keep our library orderly. Please contact Fran if you are interested in filling her position.

Golden Acres Mascot Update

By Sue Bailey #188

Our swan mascot is here to stay. The most popular name for our mascot is “Steve” (as in Steve Swann). Steve was moved out of the pool since he takes up too much room for swimming and now resides on the pool deck, tied to the fence so as not to blow away. He is still keeping the ducks away. More fishing line is being installed by Robert to cover more area above the pool.

Online Pharmacy Scams

By Sue Bailey #188 as an AARP Fraud Watch Fighter

Free Helpline at (877) 908-3360 or

<https://www.aarp.org/benefits-discounts/all/aarp-fraud-helpline/>

Shopping for meds online can save you money and time but take precautions to distinguish legitimate sellers from the fraudsters and black marketers.

Warning Signs

- An unsolicited email or social media post promises deep discounts on well-known drugs.
- A pharmacy site allows you to buy medications without a prescription.
- The site offers to ship internationally.
- The supposed pharmacy is located outside the United States or its website does not list a location.

Rogue pharmacies often represent themselves as Canadian, exploiting our northern neighbor's reputation as a haven of low-cost medications, but many are registered to Russian web domains. They may traffic in drugs that are mislabeled; expired; ineffective because they have the wrong dosages or active ingredients; or even toxic, laced with opioids and other dangerous substances.

These sites put more than your health at risk. Many are tied to organized crime networks, according to the U.S. Food and Drug Administration (FDA). Along with stealing your money, they may use the payment and personal information you provide for identity theft or infect your computer with malware.

Protect Yourself from the Heat & Sun

From NIH (News in Health) newsinhealth.nih.gov

- Do outdoor activities during the coolest part of the day, in the early morning or evening.
- Exercise in an air-conditioned space if possible. Or do water workouts.
- Try to stay in the shade when outdoors during peak sunlight.
- Drink plenty of liquids, especially water. Avoid drinks that contain alcohol or caffeine.
- Wear protective clothing, such as hats, long-sleeve shirts, and long pants to block out the sun's harmful rays. Choose light-colored loose-fitting clothing.
- Use sunscreen that blocks both UVA and UVB radiation. Choose a sun protection factor (SPF) of at least 15, preferably 30. Reapply frequently.
- Use sunglasses that block both UVA and UVB.
- If you don't have air conditioning, keep your home as cool as possible. If you need help paying energy bills, visit go.usa.gov/x6arw or call 1-866-674-6327.

Active Duty Soldiers to Remember

Please take a moment to offer a prayer of thanks and remembrance to all those who help to protect our way of life. Keep them in your prayers until they return safely to their loved ones.

- Adam Coburn (British Army) serving in Afghanistan, Nephew of Mildred and David Todd, Lot #2.
- Damien Fitzpatrick (Staff Sgt. USAF) Grandson of Judith Fitzpatrick, Lot #87.
- Eric Fitzpatrick (PFC US Army) Grandson of Judith Fitzpatrick, Lot #87.
- Sean Fitzpatrick (Major US Army) Grandson of Judith Fitzpatrick, Lot #87.
- Daniel Jones (US Navy) Grandson of Carol Diniz, Lot #25.
- Matthew Jones (US Navy) Grandson of Carol Diniz, Lot #25.
- Brian Karhoff (US Army Major) Son of Nancy Karhoff, Lot #67.
- Jeffery Richardson (USN Color Guard) in Bremerton, WA, serving on the USS Nimitz. Grandson of Kathleen Gilliam Lot #204.
- Jacob Smith (PE3 Army M. Police) – Grandson of Valerie O’Farrell, Lot #31.
- John Wilson (PFC 1st Class USMC) Iraq – Grandson of Jean Key, Lot #138.

So that we might get to know these courageous soldiers better, I would like to add their pictures to this section. Please forward any photos to Sue Bailey suebail@tampabay.rr.com

Unsportsmanlike conduct

At one point during a game, the coach called one of his nine-year-old baseball players aside and asked, “Do you understand what cooperation is? What a team is?”

“Yes, coach,” replied the little boy.

“Do you understand that what matters is whether we win or lose together as a team?”

The little boy nodded.

“So,” the coach continued, “I’m sure you know, when an out is called, you shouldn’t argue, curse the umpire, or call him a jerk. Do you understand all that?”

Again, the little boy nodded.

The coach continued, “And when I take you out of the game so that another boy gets a chance to play, it’s not a stupid decision or that the coach is an idiot, is it?”

“No, coach.”

“Good,” said the coach. “Now go over there and explain all that to your father.”

The Sacrifice

Eleven people were hanging on a rope under a failing helicopter — ten men and one woman. The helicopter was about to crash under their combined weight, and they realized that one of them would have to let go, otherwise all would fall to their deaths.

No one volunteered, though, until the woman spoke.

She said that she would let go of the rope because she was used to giving up everything for her husband and her sons, and was used to sacrificing everything for men in general without getting anything in return.

The men were so touched by her speech that as soon as she finished, they all started clapping.

Hearing problem

A priest was giving blessings to children outside his church. Billy, 16, walked up and asked him, “Father, can you help me with my hearing?”

“I’ll try,” the priest said. He put his hands over Billy’s ears and prayed. When he removed his hands, he asked, “How is your hearing now?”

“I can’t tell,” Billy said. “It’s not until next Wednesday.”
