At Dedicated Senior Medical Center, we're committed to keeping seniors healthy, happy and at home. We understand these are scary times, but we're here to help. Dedicated doctors specialize in caring for seniors and that's why we make it easy for you to see a doctor.

Ask yourself:

www.Dedicated.care

1. Is your doctor's office still open?
2. Have you heard from your doctor in the past two weeks?
3. Is your doctor personally calling and texting to check on you?
4. Has your doctor called you to explain your risk of coronavirus?
5. Is your doctor's office offering doctor phone visits?
6. Does your doctor allow walk-in visits?
7. Are you able to call your doctor anytime, day or night?
8. Do you have any difficulty getting to and from your doctor?
9. Is your doctor helping to make sure you receive all of your prescription refills?
10. Is your doctor offering to help you get your medications delivered?

**If you answered no to four or more of these questions,
call us at (727) 260-2651.**

FUN AND SUN ACTIVITIES

The June 7 meeting went very well, lots of ideas, lots of volunteers and so we have lots of activities planned for July – and more to come for August and September. Please refer to the calendar for the July activities. And a big Thank You to everyone who came to the meeting and volunteered.

“Card Bingo” is a new game to Lake Highlander and it sounds like lots of fun. It’s \$3 per night. You will need to bring 10 dimes, 4 quarters and a one dollar bill – and a deck of cards if you have one, just to make sure we have enough. This is played in groups of four, 10 games and multiple pots throughout the evening. Card Bingo will be played every Monday night at 6 pm, led by Norma Jean Allen. Give it a try – you might like it!!

And we’d like to get a few people together to shoot pool on Thursdays at 6 pm. Ladies and gentlemen are encouraged to come to the billiards room to work on your game and maybe get some pointers from some of the more experienced pool sharks!

FIRST COFFEE HOUR

Our first coffee hour went splendidly!! Thank you all for coming. It was a good kick-off to more summer activities. We had 45 signed up – but, only 35 came. So please, if you sign up, please come or cross your name off the list, as we order donuts and make coffee according to how many sign up. We do need hosts to sign up for July 24 and August 21, and into September. We’ve had lots of people say they are willing to help, so don’t be shy. Thank you and we look forward to seeing you again on July 10th and 24th.

SUMMARY OF JUNE 10, 2021 BOARD OF DIRECTORS MEETING

by JoLynn Kendzora

We started with the Pledge of Allegiance and recognition of those recently passed – Pete Stevens, Harold Lewis, Scott Kendzora, Bob Bernier and Bobbie Caudell. Then on to open forum. One resident spoke regarding her concern about carports being used as storage areas for junk, mattresses, and many other things. Makes the park look bad. If you have things that can’t go in the trash, please call Sharon at the office on Monday and she will schedule a pickup by the city on Wednesday morning. Usually this is a \$19 charge, but could change based on how much stuff you need to have picked up. DO NOT put these items in the landscaping bin. We have cameras in that area and we will bring these items back to you.

FLORIDA ANCHOR AND BARRIER COMPANY

To our valued customers:

During the current times we wanted to let you know that we are taking as many precautions as we can to ensure not only our workers safety but yours as well. We check workers' temperatures each morning and have limited the amount of contact our crews have with each other. Our crews work in Tyvek suits with respirators which helps to ensure your safety as well as theirs.

As a company, we want your business and there is no need for any contact if you so choose. Our business is deemed an "Essential Business" and we are here for you when you need us. You can schedule your inspection by calling 1-800-681-3772.

MILITARY & SENIOR DISCOUNTS

The subject of bears in the county came up – please do not put birdseed or any other type of food for critters (including cat food for the stray cats) outside as bears can smell it from far away.

Another issue is empty homes and the fact that they draw bugs, termites, rodents and cats. We cannot force owners to come to their homes, but if there are issues that can be taken care of, such as weeds, painting, power washing, etc., please contact the office and they will take a look and contact the owners. If the owners don't take care of it within 3 weeks of notice, the park will do it and charge the owners.

We discussed new activities for the summer and everyone is happy with the fact that summer activities are taking place. More info coming on the July Piper calendar.

Beth said they will be testing the new electronic voting system. If you've signed up for that, look for an email in the next few weeks for a test vote.

- Also, our maintenance man Doug is no longer with us. We have hired Will Daisy.
- There is going to be a Crime Prevention Meeting at the Clubhouse on June 30 with Deputy Skipper at 11:00. This first meeting is going to discuss Crime Prevention only, and future meetings will cover additional subjects.
- Lot 276 was sold at auction, and the new owner is trying to re-sell the house. He hasn't done the proper paperwork to become a resident, and therefore cannot sell the home at this time. Beth is trying to reach him, with no response. The home is a tear-out situation.
- Beth also said that gates at the entrances are not going to happen. Our park is just not laid out for this and there are too many issues with having them. But we are looking into getting more and better resolution cameras.
- There will be sewer work to address an issue behind unit #50, where the old clay pipes are getting roots in them. They will be replaced with PVC at a cost of about \$7000 or less.
- There is also a depression remediation at #283, where the Florida room is sinking. This starts on July 21 and will cost approximately \$20,000 as they have to put piers in at a depth of 30 feet. We do have money in the GeoTech Account for this issue.
- Also, if you see solicitors in the park, note the date and time, and then call the Suspicious Activities line -- 727-582-6177 -- and they will come out and take care of it. Do not approach them.

Bill Shedd covered hurricane preparedness and recovery. They delivered the Hurricane Preparation Guides throughout the park. Specifically, everyone must remove anything from their property that could become airborne during a storm, such as: potted plants, welcome mats, tables and chairs, figurines/statues, etc. Put these items either in your shed or inside your home. Lowering your awnings is also a good idea if you're gone for an extended period of time. The office has forms for people with special needs to enable them to get space at a special needs shelter. These shelters are for people in wheelchairs, on walkers or on oxygen, etc. You need to fill this form out each year and mail it in. We do have two generators at the park, one for the office and one for the library. Should we be out of power for any length of time, the library will be available for people who need to refrigerate medicines, charge phones, plug in their oxygen, and, in general, get out of the heat and be in the air conditioning.

Also, when cleaning up your homes, please look at your mailbox. The older plastic ones are very hard to clean and some are looking pretty shabby. If you need a new mailbox, come to the office, and for \$25 they can get a new one for you.

Security at the park – due to the golf cart thefts, people have talked about having a neighborhood watch program that would include residents on golf carts going around the park after midnight. You can do this if you want but it is NOT sanctioned by the park or by the police. If you see something suspicious, please call Pinellas County Sheriff’s office at 727-582-6200 or the Suspicious Activities line at 727-582-6177. Put these numbers in your cell phone for easy accessibility – I just did. If you will be gone for an extended period of time, you can also call them and ask to be put on the list for home safety checks. One of the best things you can do at your own home is LOCK THINGS UP! And use a motion detector light or put in cameras that notify your cell phone if anyone is in your carport. It was reported that these cameras are about \$120. LOCK UP AND LIGHT UP!

There was no financial report due to new company, but will have one at next meeting. Beth and Sharon met with the auditors and they cleaned up a lot of little stuff, and everyone learned a lot.

Unfinished Business: There will be NO water meters on resident homes. However, we will install them on common buildings specifically for leak detection (less than \$1000).

No new business. Meeting adjourned.

CLUBHOUSE BULLETIN BOARDS

Just a suggestion – for anyone who posts things on the Clubhouse Bulletin Boards, would it be possible to put a date on whatever gets posted? It would also be nice to remove things that are out of date so anyone who is reviewing the boards knows if these postings are current or from last year. Thanks for your help on this.

The Silver Rollers

Jim and Shirley Billingsly, Unit #187, in 1994, Jim age 61 and Shirley age 60, decided to take roller skating lessons! They took lessons for a couple of years in Maryland, then in 1996 decided to move to Lake Highlander. Continuing their lessons here, they learned to do the more complicated dances and moves. There was the Glide Waltz, the March, the Blues, the cross and the double cross, and many more. Shirley also learned one of the hardest skate moves, called figures. Easier to do on ice skates than on roller skates, for sure!

During their time in Dunedin, they first skated at Rainbow, on Ulmerton Road (now a car repair shop), then at Southland in Pinellas Park (now named Astro), and then on to Spination in Port Richey. (When the floor was replaced at Spination, Jim was able to take some of the wood and made a side table for their home.) Their group, called Senior Rollers, had the rink to themselves during the day a couple times a week. They would start in a “free skate” and then the host would call out a specific dance and the group would go into that dance, then another would be called, and another, and then back to “free skate”. All of this was to the old-fashioned organ music that we all remember from our younger days at the rink, and sometimes “Mr. Lucky” would play live.

The Senior Rollers had a few ladies that would sew costumes and bring them to the rink for the other ladies to buy. Shirley had a minimum of 50 costumes in her closet! Jim would wear tan pants and a colored shirt to match her costumes. They made many good friends over the years, some of them still skating well into their 80’s.

After skating for over 17 years, they had to give it up, but they still go to the rink to see their friends (except this year due to COVID), but look forward to going back next year. Jim also plays the organ and is a very talented artist, and Shirley does beautiful 3-D embroidery. Jim says, “We’d like to be able to skate anywhere, but it won’t happen!”

THANK YOU JOHN!!

by Liz Longhurst

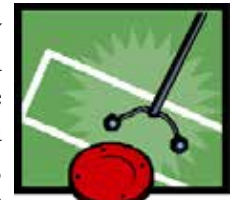

On May 27th we said farewell to our very dedicated and caring maintenance man, John Sebest. John has worked here in Lake Highlander for the past 12 years! We could always count on John to be on time each and every day. John always had a smile on his face no matter what task he was working on! He is already missed by everyone!

We all wish John and his wife Kathie the very best in his retirement!

INVITATION TO LAKE HIGHLANDER RESIDENTS and SHUFFLEBOARD CLUB MEMBERS

2021 / 2022 SHUFFLEBOARD CLUB UPDATE

Submit this as an invitation to our team members and to anyone that may be interested in joining our team. If you are not a member, I encourage you to join. You are wanted, welcomed and definitely needed. No experience is necessary. There are no pro players here. We have all the equipment you will need, without cost. We play per the schedule set by the Stirling League, either here or at another park (not long distance) every Monday. We practice in the AM and play in the PM. If you are leery about committing to every week, we are certainly able to work around that.

We have fun. There are no dues. We are self-supporting. We hold monthly pancake breakfasts and 50/50 ticket sales. We do ask that each member participate in the pancake breakfast by doing set up, clean up, cook or serve – we will train. Members get a free breakfast. Our uniform consists of a blue shirt that is bought by the team. The gals wear white pants. We have a free end of season banquet open to each member and one guest.

We try to hold a few practice/training sessions throughout the season here at LH park. Clearwater Shuffle Club holds free shuffleboard lessons with professional instructors weekly. They teach how to play, rules and regulations, and strategy of the game. Their instructions are very welcomed.

Shuffleboard season begins in December. The first Stirling League meeting will be held after Thanksgiving. The Stirling League canceled last season due to the pandemic. I think, only my opinion, that with the progress we've made with Covid, shots, masks and distancing, we should be able to get back into the swing (or shuffle) of our game. The Stirling League will determine if we will have a league this next season. Fingers crossed. Of course, the Lake Highlander team will also have an input in our participation.

With this in mind, the Lake Highlander team needs to look to the opening of a new season. I write now for a heads up to address various issues ahead of us before the season may begin. First – The Stirling League uses a rotation schedule changing the president each year to head the upcoming season. Butch Partington, our team President for many seasons, stepped down and is not able to fulfill the presidential duties for the Stirling League. We hope that Butch will be able to play in our home games, but will not be available with his full support as in the past for this season. His absence will leave a large void in our team.

Second – John Rheberg, team Treasurer, has resigned. John always said that when Butch left, he would also leave. He too will leave big shoes to fill.

Third – The pandemic left us with many missing team members. Potential members did not have the opportunity to play and may lack our team’s information.

Issues we must address within the next few months:

Our team will need to elect a new president, one that will also become the league president as well. Double duty. We will need someone who is available to attend league meetings, really knows shuffleboard, how to set the schedule for the league and our team, and knows all the league rules and regulations. We will need to elect a new treasurer as well. All offices are open for election. Anyone interested in the office of President, Treasurer, Secretary, or Team Captain, please let us know. I will stay on as Secretary unless someone else wants the position. I spoke with Butch recently and told him that I would attend the first League meeting (for information). Butch said he would accompany me.

Our first team meeting will be in December, 2021. Our team meetings are held on the 1st Monday of each month at 7 pm. Hopefully, this years’ officer elections will be held at that time. At the first Stirling League meeting, in November, we will be told how many teams there will be and the schedule of play will be set. They may also give us guidelines that players will have to follow, and set new rules for the season. Play begins in December.

Please feel free to contact Butch or Cathy. We will be glad to hear from you.

RECIPE OF THE MONTH

Many ladies have made mention of the recipes that have appeared in the past, so we are going to start putting Recipe Favorites in the Piper each month. Please send your favorite or most requested recipe to me via email at jolynnk1952@gmail.com. We'll start out with this frequently requested recipe from Shirley Greer, which turns out to be the Original Nestle Toll House Chocolate Chip Cookie recipe – but it does make very good cookies!!

ORIGINAL NESTLE TOLL HOUSE CHOCOLATE CHIP COOKIES

- 2 ¼ cups all-purpose flour
- 1 tsp. baking soda
- 1 tsp. salt
- 1 cup (2 sticks) butter, softened
- ¾ cup granulated sugar
- ¾ cup packed brown sugar
- 1 tsp. vanilla extract
- 2 large eggs
- 2 cups (12 oz.) Nestle Toll House Semi-Sweet Chocolate Morsels
- 1 cup chopped nuts (*if omitting nuts, add 1 to 2 tsp. of all-purpose flour*)

- Preheat oven to 375°.
- In a small bowl, combine flour, baking soda and salt.
- In a large mixing bowl, beat butter, granulated sugar, brown sugar and vanilla extract until creamy.
- Add eggs, one at a time, beating well after each addition.
- Beat in flour mixture gradually.
- Stir in morsels and nuts.
- Drop onto ungreased baking sheets by rounded teaspoon.
- Bake for 9-11 minutes or until golden brown.
- Cool on baking sheets for 2 minutes; remove to wire rack to cool completely.
- Makes about 5 dozen cookies.*

THE FUNNIES

A Godfather in the mob finds out that his bookkeeper has stolen ten million bucks. This bookkeeper happens to be deaf, so the Godfather brings along his attorney, who knows sign language. The Godfather asked the bookkeeper: “Where is the 10 million bucks you embezzled from me?” The attorney, using sign language, asks the bookkeeper where the 10 million dollars is hidden.

The bookkeeper signs back: “I don’t know what you are talking about.” The attorney tells the Godfather: “He says he doesn’t know what you’re talking about.”

That’s when the Godfather pulls out a 9 mm pistol, puts it to the bookkeeper’s temple, cocks it and says: “Ask him again!” The attorney signs to the underling: “He’ll kill you for sure if you don’t tell him.”

The bookkeeper signs back: “OK! You win! The money is in a brown briefcase, buried behind the shed in my cousin Enzo’s backyard in Queens!”

The Godfather asks the attorney: “Well, what’d he say?” The attorney replies: “He says you don’t have the guts to pull the trigger.”

A little boy was doing his homework one evening and turned to his father and said, “Dad, where would I find the Andes?”

“Don’t ask me,” said the father. “Ask your mother. She puts everything away in the house.”

A band director was having a lot of trouble with one of his drummers. He talked and talked and talked with the drummer, but performance didn’t improve. Finally, in front of the whole orchestra, he said, “When a musician just can’t handle his instrument and doesn’t improve when given help, they take away the instrument, give him two sticks, and make him a drummer.”

A whisper was heard from the percussion section. “And if he can’t handle even that, they take away one of his sticks and make him a conductor.”

A man scolded his son for being so unruly and the child rebelled against his father. He got some of his clothes, his teddy bear and his piggy bank and proudly announced, “I’m running away from home!”

The father calmly decided to look at the matter logically. What if you get hungry?” he asked. “Then I’ll come home and eat,” bravely declared the child.

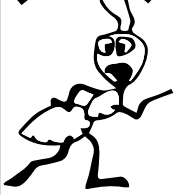

“And what if you run out of money” inquired the father. “I will come home and get some,” readily replied the child.

The man made a final attempt, “What if your clothes get dirty?” “Then I’ll come home and let mommy wash them,” was the reply.

The man shook his head and exclaimed, “This kid isn’t running away from home, he’s going off to college!”
