FROM THE BOARD

By April Loomis, Vice President

Did you know that this month, we celebrate 27 years as Clearwater Cascade? In the 70's, corporations purchased three parcels of land and turned it in to a family mobile home park. In July, 1994, a group of the residents purchased the park and changed it to a non-profit, resident- owned, 55 and older community.

Add the years and you will realize that maintenance of our community's common areas- roads, walkways, parking lots, buildings, pools and landscaping- cannot be neglected. This is costly and even though HOA fees cover some of the expenses, we have to have money in Reserves to cover expenses that arise as the years and weather take its toll. It is challenging to keep expenses within budget as costs increase and our park ages.

Try to think back to why you choose to live or vacation here. What made this park more desirable over the others in the area? Most would say, "because it was so well maintained!" Let's keep it that way and continue to attract people to our park. In order to do that, we must not only maintain but upgrade any outdated areas.

Have a Happy Fourth and don't forget to say Happy Birthday to our park!

MANAGER'S MESSAGE

By: Jane Jarlenski, CMCA, AMS, PCAM

Independence Day – July 4th - Happy Birthday USA. The business office will be closed on Monday, July 5th for the National Holiday.

Activities – It is so nice seeing some of the activities have started up again! Thankfully, those of us that have been vaccinated no longer need to wear masks!

Hurricane Season – I like to share a tip on preparing for storm season. Four years ago, I purchased a 2-Week 1-Person Emergency Food Supply. In it is a variety of great-tasting (I haven't tried them yet) emergency foods such as Fettuccine Alfredo, Maple Brown Sugar Oatmeal as well as delicious dry soup mixes like Creamy Potato Soup. There is also dehydrated fruit and Morning Moo's® Low Fat Milk Alternative, a delicious dry powdered milk drink. In total, the kit provides 140 servings of 1,828 calories per day food. This will give my husband and I one week of food in an emergency. The bucket has a life of 25 years, so we still have 21 more years until it expires. You can purchase a variety of different types of food options and enough to last for a year or more. The one pictured is the one we purchased. As storms approach nonperishable foods become scarce so Brad and I know we won't starve!

Windows – The Board of Directors will be reviewing bids for the replacement of windows in the Office/Library/Fitness building. I am sure the park will save a considerable amount of money

...continued on page 6

in energy costs when the new windows are installed. The new windows will also be impact rated and be much less likely to suffer damage from high winds.

Mosquitos – Pinellas County has a mosquito control division. There are 11 zones in the county. If you are bothered by mosquitos around your home, call 727-464-7503, or email mosquitocontrol@pinellascounty.org and they will send someone out to inspect your home’s exterior. For the best personal protection, use a repellent containing Deet, Picaridin or Oil of Lemon Eucalyptus and/or wear loose, light-colored long sleeves and pants.

Mailboxes - The mailboxes still have not been delivered. The Maintenance Team has given both laundry facilities a new look in preparation of them becoming mail rooms too.

Rule Reminder - According to the Declaration of Master Form Occupancy Agreement, Monthly Maintenance Fees are due on the 1st of each month and become late on the 5th of the month. When payments are received late, the owner(s) is assessed a fee of either 5% of the delinquent amount of \$25.00, whichever is greater. When the next payment is made, it will be first applied to any interest that was assessed, then to a late fee, then it will be applied to the attorney or management company’s cost. The portion remaining will be applied to the owner’s outstanding balance.

It is hard to believe 2021 is half over! Where does the time go? Before we know it, we will be doing holiday shopping and putting up decorations!

FROM THE EDITOR

By Donna Collins

Hurray! The sun is shining, the temperatures are getting warmer, (especially for our snowbirds), the leaves are out and flowers are blooming. More and more people are getting their COVID vaccinations and the number of new cases in the United States and Canada are declining. We are definitely not out of the woods yet but are certainly better than this time last year.

Since July is the month in which both Canada and the United States celebrate becoming countries, I decided to do a little research. Don’t worry, I am not going to bore you with references and footnotes. Suffice it to say I will give you snippets of things that I found.

United States

- Benjamin Franklin was the Continental Congress’s first choice to write the Declaration of Independence. He refused. John Adams was asked next; he refused, so the task fell to a five-man team (Ben Franklin, Roger Sherman, Robert Livingston, John Adams, Thomas Jefferson) with Jefferson writing the majority of it.
- The Second Continental Congress VOTED to approve the Declaration of Independence on July 2, 1776.

- Jefferson and Adams supposedly signed it on July 4, but most signed a clean copy, produced by, Timothy Matlack, assistant to the secretary of Congress, on August 2, 1776. Some waited until January, 1777, to sign, when the document was made public.
 - There was a celebration party in Philadelphia on July 8, 1776. George Washington, who had not heard what was happening in Philadelphia so wrote his own declaration on July 2, heard the news on July 9, Georgia on August 10, and London, England on August 30.
- Canada
- The British North America Act was the law passed by the British Parliament on March 29, 1867 to combine New Brunswick, Nova Scotia, Upper and Lower Canada (Ontario and Quebec) to create the Dominion of Canada. It came into effect on July 1, 1867. It also received Royal Assent on March 29, 1867.
 - The Fathers of Confederation (36 men from the British North American colonies who attended several conferences) assisted in the writing of the BNA Act.
 - The act outlines the structure of government in Canada and the distribution of powers between the central Parliament and the provincial legislatures.
 - In 1982 the BNA Act was renamed the Constitution Act, 1867. This was a result of repatriation where the document was transferred to Canada from England allowing Canada to make changes to the Constitution without England's approval.
 - On April 17, 1982, Queen Elizabeth II, Prime Minister Pierre Trudeau, Minister of Justice, Jean Chrétien, and André Ouellet, the Registrar General, signed the Proclamation which brought the Constitution Act, 1982 into being.

So, there you have it in a nutshell of how both countries got to where we are today.

Happy Canada Day – July 1st and Happy Independence Day – July 4th

Let's all celebrate these happy holidays in whatever manner we are safely allowed to do wherever we live.

ASK MIKE

By Mike Hoit

So, let's all take a breath. The Facebook page for Clearwater Cascade is starting to resemble a certain unnamed politician's now banned Twitter page. Instead of the usual pleasantries Facebook has become a sounding board for peoples' gripes and the exchanges are frequently less than pleasant.

Let us remember; Covid-19 is at the root of most of our frustration. Without it we would be enjoying get-togethers, Social Club breakfasts, dinners and evening entertainment in the Park as well as all that the Tampa area has to offer. The restrictions we endured all winter are mostly gone and things in Clearwater Cascade are returning to normal. As more people get vaccinated, normalcy will gradually return.

Full-time residents are especially fortunate in that their lives will soon be back to the way they use to be. Many of our seasonal residents also live where life is normalizing, but not our Canadian neighbors. Quebec and Ontario are still under severe restrictions. In Ontario, only essential services such as groceries and pharmacies are open. Quebec is just beginning to allow outside restaurant dining. Top that off with the fact that the border is closed between the U.S.A. and Canada so our Canadian residents are unable to come to Clearwater Cascade but still pay maintenance fees and taxes. The restrictions that we suffered pale by comparison.

So, as I said, let's all take a breath. Appreciate the opportunities that we have for dining and entertainment and look forward to this fall, when hopefully, things will return to normal. Let's use Facebook to appreciate Park activities, dining out, grandchildren and other interesting posts and photos. Have a safe, Covid-19 free summer.

MY OPINION

By Donna Thorn, Resident

Social Media - Now that's an interesting phrase. It seems we are overwhelmed with "social media" venues these days. When my grandchildren talk about TicToc, Instagram, Twitter and so forth, I'm at a loss. Speaking as only one Senior, I am familiar with Facebook and that's about my limit.

Is the use of social media meant only for the young? Some younger people seem to use it to tell you what they had for lunch...in case you may be at all interested. Young adults like to invite you on their travels...now that's interesting lol.

Us seniors seem to stick to Facebook to follow friends and family and their happy occasions like birthdays, graduation and such. I really like that part.

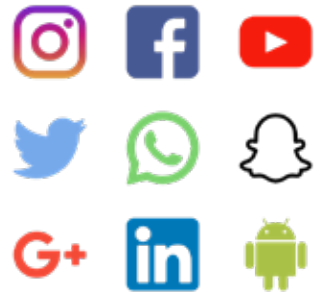

I think social media was meant as a venue to keep in touch and that has certainly been a bonus through this pandemic.

I also think our use of these very valuable tools has somewhere along the line been twisted into a pseudo weapon. Whoever thought there would be such a thing as Cyber Bullying?

Let's go back to simpler times. Be supportive, not judgemental. When you have an issue go to the source. My mother always was a bit paranoid about airing your laundry in public. I never really thought about that too much until now.

We are all in the same age range people, let's make the back forty fun and pleasant. Be positive and remember that old adage..."if you can't say anything nice don't say anything at all".

Just my opinion

THANK YOU

from April Loomis

The butterfly garden is beautiful and in full bloom, with thanks to Donna and Karl Miller. Adding to the beauty is a unique butterfly bench donated by Steve and Cindy Barnstorf, Chris and George Becker, Donna Thorn, Barry Porter, Jim and Diane Cudnik, and Norve and April Loomis in memory of Cathy Long.

To make sure the garden is in constant bloom, the following people contributed money for the purchase of flowers:

Ed and Mary Sherwood
Don and Sandy Cooper
Mary Yale
Sharon Schrum
Dee Ann Brennan

Thank
You

David and Susan Floyd
Peter and Bev Keegan
Essie Zgorzalski
Cindy Ventura

This garden is a wonderful addition to our already beautiful park. Stop by and enjoy watching the butterflies as they float from blossom to blossom. Sit on the bench and your stress will disappear!

Many thanks to all who have helped make it all possible.

MEET YOUR NEIGHBOR – MARCIA MANZI

By Maddy Haber

Who's that new gal on St. Claude Street? That's Marcia Manzi from Longmeadow, Massachusetts! Marcia moved to Clearwater Cascade, Lot #441, January 2021. Marcia has two daughters, Debra and Christine, and four grandsons, Bryan, Jeremy, Michael and Riely. Her daughter has a friend that lives in the park, and recommended that she take a look. Marcia took a look and the rest is history.

Marcia retired from an accounting firm, Themistos & Dane, where she worked as an Administrative Assistant. Previous to working at the accounting firm, Marcia, with her entrepreneurial spirit, owned her own business sewing leather accessories and selling them to mostly motorcycle distributors.

Some of Marcia's favorite things to do are painting landscapes on canvas, sewing, knitting, crocheting, and baking. She is looking forward to trying shuffleboard and other activities in the park this Fall. Marcia is involved with the Communication and Grievance Committees for CWC. She has always been a Patriot fan, but now that Tom Brady is playing for the Buc's, this will be her second favorite team.

You can find Marcia walking her best friend, Lexi, a loveable 11-year-old dachshund (wiener dog), down St. Claude. Stop and say hi, and welcome her and Lexi to our park.

"...I am so happy with my new windows...I'd like to commend your work crew. Earbie and Larry were fantastic! I couldn't believe the clean-up EVERYDAY! The whole job took just a week even with all the rain delays. I would and WILL highly recommend your company to my friends and neighbors. Of course I won't need to say a word – the house is doing all the talking! Thank you so much for my beautiful new house."

Beautification

By Donna Miller

Well, well, well ... the weather here has been beautiful - sunny and warm as usual. NOT as usual, we have still had no rain which means more hand watering to take care of all the plants. Several plants have not made it with the lack of rain and have been replaced - even in the new butterfly garden.

At the end of May it was decided to remove the ground cover at the back of the fountain (which was not looking very good). The ground cover was removed and replaced with individual plants in the interest of including this back-of-fountain area as an extension of the Memory Garden. We now have room to add more memory stones! Many thanks to Peggy Thompson for her help in the planting!

All of the plants in the map area, and some beside the fountain, have also been replaced and it now looks much better.

This is a message to those of you who signed up to help Beautification at the volunteer get-together that was held recently: would you please let me know your specific interest in helping - watering, planting, weeding, dead-heading, thinning, etc. My mobile number is in the directory. Thank you.

Simple actions help to make the task of working in the hot sun much easier - thanks, Judy, for the cold drink you brought me while I was working, hot and sweaty, at the fountain!

Till next time, help to keep our world beautiful!

Communication

By Debbie Creighton

Hopefully next season’s activities will kick off to a great start. I think everyone is ready for some fun, laughter and good friends. We are looking for new coordinators for the following previous and new activities: **Bocce, Horseshoes, Corn Hole, Water Fitness, Bingo, Billiards, Ping Pong, Poker and Bunco.** If you have other activities you would like to see in the park, contact me at the telephone number/email address below. Also, many activities have more than one coordinator and the Communication Committee can help with that too.

Please, please, please, consider volunteering to help out with the fun activities in our park. For our new residents, this is an ideal way to meet new people and participate in an activity of your choice. For our established residents, this is a great way to meet our new residents and help to make our park awesome.

Volunteering is rewarding for everyone. Email me at debcreighton@yahoo.com or call me at [412-519-4613](tel:412-519-4613) if you think you might be interested or have any concerns. I hope everyone is having a great summer

Social Club

Thank you to Theresa and Danny Parsons and their helpers for hosting the Ice Cream Social on May 29th. Those who attended had an enjoyable time catching up with old (not in age) friends and meeting new ones as well as enjoying an ice cream treat. Thank you, April Loomis for being the Social Club Coordinator for this and future summer events and to Paul Fournier for paying the bills.

Don, Sue, Donna, Paul, Barb, Jim, Maggie, and April

Games Night

You will see Games Night on the monthly calendars. This activity came about quite informally. You are welcome to bring your own board games or borrow one from the library and have a fun evening. You may be asked to use the “round” tables by the library/office doors if there is a group in setting up for a Saturday morning event. This has worked in the past and should not be a problem.

Let the games begin!
