## **SOUTHWIND RESIDENTS HAVE A GREAT NIGHT OUT!**

By Terri C.

---

**F**or the first time in a very long time, on June 3rd, 2021 we had the opportunity for a fun night out to the beach for dinner! Thanks to our Off Site Event Coordinator, Maggie G. several residents boarded a chartered Jolley Trolley at the Club House and headed out to Clearwater Beach, where we had dinner at the Palm Pavilion. See attached photos by Maggie G. and Terri C.

The weather was perfect and although it had rained earlier, there was not a drop of rain on this trip! It was great to see all the places along our route, down Alt 19 to the Beach. The windows were all open and the fresh air was wonderful. Traveling is so enjoyable when you don't have to drive and find a place to park when you get there. We pulled right up to the restaurant and got off the Trolley. Everyone was seated fairly quickly, your choice of inside the restaurant or outside on the beach deck. Everyone had a great view of the beach and the Gulf. There was live music, great service, fantastic food and everyone had a fun time! Watching a pretty sunset was the highlight of the night.

As we were boarding the Trolley to return home, we saw flashing lights and heard sirens. Cheryl H. commented "You know you're getting older when you go out at night, but the sirens and the flashing lights are not the cops... it's an ambulance!"

Sandy M. said "that's the Florida State Anthem... ambulance and fire truck sirens!"

Bill and Mardy Adams commented "in the 18 years we have lived here, we have never taken the Trolley! What a nice time we all had."

If you or your visitors are looking for something fun to do here locally, be sure to check out the Trolley and the Palm Pavilion – here's some info for you:

All Aboard! Hop on the **Clearwater Jolley Trolley** for a fun and unique way to see Clearwater Beach, Sand Key and the surrounding Coastal Towns of North Pinellas, including Downtown Clearwater, Dunedin, Palm Harbor and Tarpon Springs. Enjoy the views from our vintage-style trolleys with friendly drivers who are always happy to point out local attractions, share fun facts and recommend great local restaurants and breweries.

Beach and Coastal routes run 7 days a week and maps can be found on board the trolleys, and at most local resorts, hotels and restaurants. All Trolleys are ADA accessible

### **Unlimited Daily Pass**

**\$5.00 Reduced Rate: \$2.50 \* (reduced rates are for Seniors and Disabled)**

**PALM PAVILION BEACHSIDE GRILL AND BAR** was named the 2021 Best Beach Bar and #2 Best Grouper (by Visit St.Pete, Clearwater). It's a laid-back and casual place where the "locals" have been hanging out since 1926 (family owned).

Our Southwind group feasted on everything from gator bites appetizers, sliders, seafood,

salads and their famous home-made key lime pie with raspberry sauce, while enjoying the sunset view on the beach with live music. <https://palmpavilion.com>

Look for Welcome Guide Maps in the Club House Library, for more area attractions.

# Memorial Day Picnic

by Bill A.

The Southwind community had a wonderful picnic on May 31. The meal consisted of either a chicken breast or a chicken leg and thigh. Trust me -those were some of the largest chicken legs with thighs and breasts that I have ever seen.

Along with the chicken, there was corn on the cob, macaroni or potato salad, slice of watermelon and a drink. I hope that those who attended got their monies worth. We had 56 residents who attended the picnic.

Of course, this event could not have been held without the wonderful volunteers. Jack and Bill cooked the chicken and John McGraw grilled them. Those who also helped included: Carol C., Ginny H., Bev T., John M., Sandy M., Ellie M., Ann M., Karen R., Stella R.,Bobbie M., and Chuck M.

We cannot thank these people enough for cooking, cleaning tables, helping serve, to cleaning up in the kitchen.

**THANK YOU VOLUNTEERS.**

Thank you to those who attended the picnic and purchased a meal.

# ATTENTION RESIDENTS – WHAT TO DO ABOUT SUSPICIOUS PHONE CALLS OR EMAILS

**Call AARP Fraud Watch Network Helpline:  
877-908-3360**

This toll-free service is available Monday through Friday, 7 a.m. to 11 p.m. ET

**D**o you think you have been targeted or have fallen victim to a scam?

Common signs include:

- Receiving a call asking for money or personal information like your Social Security #
- Finding unauthorized charges on your credit card.
- Getting an email or call saying you've won a sweepstakes or lottery you don't recall entering.

**AARP's Fraud Watch Network Helpline**, a free resource for AARP members and non-members alike, can provide the information you need to protect yourself and your family.

The Helpline is operated by staff and volunteers with extensive training and experience fighting scams that target older Americans. "We know that older people, and people in general, need a wise friend or need support when it comes to dealing with scams and fraud," says Amy Nofziger, director of the Fraud Watch Network Helpline. "The most important thing our volunteers do is that they listen, and they listen without judgment."

## **Report Scams and Fraud**

If you get a suspicious call, text or email (for example, requesting your bank account number, instructing you to buy a gift card or promising an expensive prize), or if you, a relative or a friend has given money or financial information to someone you now suspect was a scammer, call 877-908-3360.

## **Our volunteers can offer you:**

- Tips and advice on how to spot a scam.
- Concrete steps you can take to avoid fraud.
- Actions to take if you have been victimized by fraud.
- Emotional support from peers who have experienced fraud.
- Guidance for families concerned that a loved one is being scammed.
- Referrals to law enforcement and other agencies that fight or investigate fraud.
- Translation services available.

In addition, your call helps AARP and our federal, state and community partners spot scam trends and respond to emerging threats. "People who call us, they're our boots on the ground," Nofziger says. "They're our eyes and ears to what's happening out in the scam world."

# HURRICANE SEASON 2021

It's time to start planning for an emergency evacuation now. Pinellas County has a HURRICANE PREPAREDNESS GUIDE available to view online at:

[http://www.pinellascounty.org/emergency/pdf/all\\_hazard\\_guide.pdf](http://www.pinellascounty.org/emergency/pdf/all_hazard_guide.pdf)

Inside this 16 page guide, the emphasis is on three things: 1. Know your Risk; 2. Make a Plan, and 3. Stay Informed. Please note that **ALL MOBILE HOMES IN PINELLAS COUNTY MUST EVACUATE** when an Evacuation Order is issued, no matter where in the County they are located. Community centers in mobile home parks may not be safe shelters.

Before you evacuate, you should place shutters or plywood over windows, remove loose items from around the exterior of your unit, lower/remove awnings and shut off power and/or breakers.

If you are not able to evacuate to neighbors or friends homes, the best option may be a hotel. Know what hotels are available. Visit St. Pete/Clearwater participates in a statewide Accommodations Availability and Information Hotline. Call (800) 317-5050 or visit [www.visitstpeteclearwater.com/storm](http://www.visitstpeteclearwater.com/storm), which is active before and after a storm. Make reservations early and call ahead to confirm your stay. Bring your own food and water and enough supplies to last for two weeks.

Special needs shelters are for those who need minimal medical assistance or who are dependent on electricity for life-sustaining equipment. Please preregister for special needs shelters by calling (727) 464-3800 or visit: [www.pinellascounty.org/specialneeds](http://www.pinellascounty.org/specialneeds) to download a form and find more information.

Planning for your pet is covered on page 7 of the Guide, with supplies needed on page 10.

For a complete list of items/supplies needed for evacuation and more information about preparation, please refer to the guide listed in the first paragraph of this article.

For news and updates during the storm check Pinellas County Connection Television (PCC-TV) - Information on county programs and services, general preparedness and live updates during emergencies from the Emergency Operations Center. Watch it on Spectrum 637, WOW! 18 or Frontier 44. YouTube for Pinellas County Government has videos on general hurricane information. [www.youtube.com/pccvtv1](http://www.youtube.com/pccvtv1)

During emergencies, the County Information Center is open. Call (727) 464-4333. During non-emergency times, call Pinellas County Emergency Management at (727) 464-3800 or email: [ema@pinellascounty.org](mailto:ema@pinellascounty.org). The safety of you and your family, and community depends on each of us taking responsibility by knowing your risk, making a plan and staying informed.

During the current times we wanted to let you know that we are taking as many precautions as we can to ensure not only our workers safety but yours as well. We check workers' temperatures each morning and have limited the amount of contact our crews have with each other. Our crews work in Tyvek suits with respirators which helps to ensure your safety as well as theirs.

As a company, we want your business and there is no need for any contact if you so choose. Our business is deemed an "Essential Business" and we are here for you when you need us. You can schedule your inspection by calling 1-800-681-3772.

Wishing you good health and safety,

## Memo from HOA President

By Bill A.

This is a reminder for all of our Southwind residents, whether you are an HOA member or not. Now that the snowbirds have gone home, it is important that we stay more alert than ever. We just had a resident lay on the floor in their house, unable to get up, for almost three days with a medical emergency. No one heard their voice for over two days and lucky for them someone was walking their dog early in the morning and heard a cry for help.

We need to watch over our neighbors and everyone keep an eye on everyone. If a newspaper is not picked up, window blinds not open, or just a different routine for your neighbor, it might be a sign that something is wrong.

If you go away for a few days or weeks please tell someone, that you will be gone for x number of days or weeks. Folks, this could save a life. This is not being nosy, this may save a life.

Thank you for being alert and have a safe, healthy and fun summer. Enjoy the quiet while you can.

# TOP MEDICAL ALERTS OF 2021

By Terri Campbell

**S**outhwind is a great Community for those of us who are aging in place and living independently, because we have so many caring and helpful neighbors. Bill Adams, HOA President, wrote about one of our residents who fell on the floor and was unable to get up laying there for several days. Luckily, another neighbor heard the cry for help and called 911. Fortunately, this neighbor's crisis was averted, a life was saved and recovery is in progress.

What can we do to prevent an incident like this from taking our life? Whether you are married or single, a "HELP" button is available and could save your life!

After researching providers of personal emergency response systems, on the website: [www.consumersadvocate.org](http://www.consumersadvocate.org), I found some helpful information to share. Some solutions also serves family caregivers who want to stay connected, even if they live apart. Here are the top 5 options:

**#1 – MEDICAL GUARDIAN 1-800-487-7415**, currently offering 1 free month, free activation, shipping, a free lock box and a free extra button for new customers. There are options for mobile phones or land lines. Their recently released smartwatch provides a variety of features. There are 602 customer reviews on this website and a quoted BBB A+ rating.

**#2 – BAY ALARM MEDICAL 1-877-522-9633** has a risk-free trial for 30 days, offers in-home medical alert with landlines or 4G cell phones (lowest cost) to bundle packages which include a smartwatch, Help button and necklace button. This company quotes a 4.7 star google rating with 5,899 reviews posted.

**#3 – ALOE CARE HEALTH 1-833-649-2016** has a limited time offer for a mobile companion for \$1. Available products includes a central Smart Hub, a mobile companion with fall detection (4G LTE, AT&T), wearable buttons, motion sensors, a family caregiver mobile app, and more or a voice-activated Smart Hub, automatic fall detection, air/temperature monitoring, and cellular connectivity. No contracts.

**#4 – MOBILE HELP 1-855-718-1339** has a Limited Time Offer: \$50 Off PLUS 50% Off Fall Detection - \$110 savings when buying annually. They offer free shipping, and a free lockbox. They offer traditional in home systems to emergency assistance at home and on the go. For a free quote call 800-803-4078. They quote a BBB rating of A+.

**#5 – MEDICAL ALERT 1-800-800-4174 offers 2 free gifts** – a locking keybox and free shipping, with systems starting at \$19.95 per month, for at home landline system. Equipment included is Base Unit and waterproof pendant or wristband. No long-term contracts. They quote a BBB rating of A+. website is: [www.MedicalAlert.com/cwd11](http://www.MedicalAlert.com/cwd11)

*\*note – a lockbox containing a house key is placed on the outside door knob and a pin code is provided to emergency 911 responders to enable them to get in.*

[Consumersadvocate.org](http://Consumersadvocate.org) does claim the following:

Many or all of the companies featured here provide compensation to us. These commissions are how we maintain our free service for consumers. Compensation, along with hours of in-depth editorial research, determines where & how companies appear on this list.

Another source I viewed online was:

<https://www.medicalalertbuyersguide.org/best-medical-alert-systems>

This source listed BAY ALARM MEDICAL, as their #1 pick – for fast response times in under 12 seconds, for over 70 years experience and affordable plans starting at \$19.95 per month followed by their #2 pick – Mobile Help and their #3 pick - Medical Alert

Another option to consider is: The Symphony Medical Alert System by CVS Health - [www.cvs.com/content/symphony](http://www.cvs.com/content/symphony) , which offers Essential Bundle or Basic Bundle systems. The closest location to Southwind is: 1000 East Tarpon Avenue, Tarpon Springs, FL – phone #727 – 937-4203

Hopefully – you have found this information helpful for yourself, a neighbor, a friend or a family member. If you have caregivers who do not live locally and express their concern for your safety, this would be a great birthday or anniversary present for you to receive and your loved ones to give.

Take care and be safe!

## FOREST GUMP DIES & GOES TO HEAVEN

**F**orrest Gump died and went to Heaven. He was greeted at the Pearly Gates by St. Peter. “Well, Forrest, it certainly is good to see you. We have heard a lot about you. Lately, the place has been filling up fast, so now we are giving an entrance exam to everyone. It is a short test, and you must pass it to get into Heaven.”

“St. Peter, Sir,” said Forrest, “it sure is good to be here, but nobody ever told me about any entrance exam. I sure hope it ain’t too hard. Life itself, was a big enough test.”

“Yes, I know, Forrest, but the test is only three questions.”

“Ok, Sir St. Peter. What’s the first one?”

“The first one, Forrest, is ‘What two days in the week begin with the letter T?’”

Forrest thought for a few minutes and then said, “Shucks, that one’s easy. The answer is ‘Today and Tomorrow.’”

Surprised, St. Peter said, “Forrest, that is not what I was thinking, but you do have a point. Since I did not specify, I’ll give you credit for it.”

“Now, for the second one; How many seconds in a year?:”

It took Forrest a little longer to think about this one. Then he answered, “I recon the answer can only be twelve.”

“Twelve? Twelve”, said St Peter. How in heaven’s name did you come up with twelve seconds in a year?”

“Shucks,” replied Forrest, “There’s got to be twelve: Jan. 2nd, Feb. 2nd, March 2nd...”

“Hold it!” Interrupted St. Peter. “I see where you’re going with this and I see your point, and I’ll give you credit for that one too. Now, the third question is ‘What is God’s first name?’”

“Shur” Forrest replied, “it’s Andy.”

“ANDY?” Exclaimed an exasperated and frustrated St. Peter. “O.K. I get how you came up with your first two answers, but how in the world did you come up with the name ‘Andy’ as God’s first name?”

“Shucks, that was the easiest one of all,” said Forrest. “I learnt it from a song.”

“You learned it from a song? Pray tell me, what is it?”

“ANDY WALKS WITH ME,,,ANDY TALKS WITH ME....ANDY TELLS ME I AM HIS OWN.” Sang Forrest.

St. Peter threw open the Pearly Gates and said, “Run, Forrest, run!”

# FUNNY JOKES FOR OLDER FOLKS

According to Maxine : The biggest lie I tell myself is “I don’t need to write that down, I’ll remember that!”, and what’s more is...

## Life is all about Ass

You are either covering it  
Laughing it off  
Kicking it  
Kissing it  
Busting it  
Trying to get a piece of it  
Behaving like one or  
You Live With One!

## The Cat in the Hat... on Aging

I cannot see  
I cannot pee  
I cannot chew  
I cannot screw  
Oh my God, what can I do?  
My memory shrinks  
My hearing stinks  
No sense of smell  
I look like hell  
My mood is bad – can you tell?  
My body’s drooping  
Have trouble pooping  
The Golden Years  
Have come at last  
The Golden Years  
Can kiss my ass!

1. A retired man now volunteers to entertain patients in assisted living homes and hospitals. He visited one hospital in Brooklyn and brought along his portable keyboard. After telling jokes and singing songs at patients’ bedsides, he said farewell and, “I hope you get better.”  
One elderly gentleman replied, “I hope you get better, too.”
2. A woman told her friend, “I feel like my body has gotten totally out of shape, so I got my doctor’s permission to join a fitness club and start exercising.”  
She said, “So, I decided to take an aerobics class for seniors. I bent, twisted, gyrated, jumped up and down, and perspired for an hour. But by the time I got my leotards on, the class was already over.”

## MORE HOUSEHOLD HACKS

---

**Q**uick chill water: Everybody is having a good time but the drinks aren't cold. Sure, you can throw the beverages in the freezer for half an hour to an hour to chill them out, but who wants to wait that long?

In order to quickly cool down your beer, water or other beverage, simply wet a napkin before wrapping it around the drink's container. With the container wrapped in wet paper, set the beverage in the freezer for 15 minutes. The napkin will accelerate the cooling process, thus leading you to a frosty drink in a fraction of the time

As a grown adult, it can be a little humiliating to admit that we can't open a jar. Fortunately for us, this life hack takes the humiliation out of the equation. This simple life hack will have you unlocking every jar with Herculean ease.

Depending on what type of jar you are opening, the lid of the container may have solidified residue beneath it. This residue will cause the lid of the jar to stick, forcing most people to use brute force to unstick it. Instead of breaking your jar or wrist, simply put adhesive tape on the lid for grip ½ pc duct tape on one side of lid.

There is no power greater than that of the rigid plastic container. If you want to avoid getting cut while opening this rigid plastic, you can bust out the handy can opener. Rigid plastic packages can be opened by simply treating them as a piece of metal with your can opener. Line up the can opener along the edge, ensure a tight grip, and then proceed to spin the tool to begin cutting. You'll be amazed at how easy these packages are to open now.

## Unsportsmanlike conduct

---

**A**t one point during a game, the coach called one of his nine-year-old baseball players aside and asked, “Do you understand what cooperation is? What a team is?”

“Yes, coach,” replied the little boy.

“Do you understand that what matters is whether we win or lose together as a team?”

The little boy nodded.

“So,” the coach continued, “I’m sure you know, when an out is called, you shouldn’t argue, curse the umpire, or call him a jerk. Do you understand all that?”

Again, the little boy nodded.

The coach continued, “And when I take you out of the game so that another boy gets a chance to play, it’s not a stupid decision or that the coach is an idiot, is it?”

“No, coach.”

“Good,” said the coach. “Now go over there and explain all that to your father.”

## The Sacrifice

---

**E**leven people were hanging on a rope under a failing helicopter — ten men and one woman. The helicopter was about to crash under their combined weight, and they realized that one of them would have to let go, otherwise all would fall to their deaths.

No one volunteered, though, until the woman spoke.

She said that she would let go of the rope because she was used to giving up everything for her husband and her sons, and was used to sacrificing everything for men in general without getting anything in return.

The men were so touched by her speech that as soon as she finished, they all started clapping.

## Hearing problem

---

**A**priest was giving blessings to children outside his church. Billy, 16, walked up and asked him, “Father, can you help me with my hearing?”

“I’ll try,” the priest said. He put his hands over Billy’s ears and prayed. When he removed his hands, he asked, “How is your hearing now?”

“I can’t tell,” Billy said. “It’s not until next Wednesday.”
