FROM THE PRESIDENT

Catherine Cutting

SECURITY

Security here at Glenwood is very important to the Board. The quality of security is as strong as the participation of our residents. The guards are noticing that residents are driving past the guard house without checking with the guards. Please stop at the guard house so that the guard can check the sticker on your windshield. If you have a Glenwood license plate, please check with the office to receive a sticker for your windshield. The license plates are no longer used. Thank you for your cooperation.

VISITOR PASSES

Residents are advised that visitor passes are required when visitors enter Glenwood Estates in the evenings. Frequent visitors are encouraged to pick up a pass from the office that can be renewed each month. Also, the guard is to be notified of any visitors or deliveries. Unexpected visitors will need to call the residents for approval to enter the community.

SPRINKLER SYSTEMS

We are asking all residents to adjust your sprinkler systems to the correct days. If the water level in the lake continues to a draught, there is a possibility that the pumps will have to be shut down. Residents are cautioned NOT to use city water for watering lawns. The Board will be required to call Code Enforcement. Your cooperation during this time is essential.

CATS

We have been receiving calls regarding owners who are allowing their cats to roam around the community. These cats are defecating in yards, etc. Residents are required to have dogs **and cats** on a leash when they are outside of the house. Please be considerate of your neighbors. Thank you for your cooperation.

FROM YOUR SOCIAL COMMITTEE

Jennifer Paredes / President

Happy Summer everyone!

On Saturday, May 29th, the Glenwood Memorial Day Program was well attended and was a very moving ceremony remembering our fallen heroes. A special thanks to all who planned and participated.

Saturday Morning Coffee started up again last month. Coffee and Donuts are **\$1 each**. Coffee starts at **8:00 am** in the Clubhouse on Saturdays throughout the Summer. This is a great time to catch up, spend time together and meet your neighbors as well, so please wear your name tags. If you are celebrating a special event, you can also sponsor coffee and donuts for everyone that day for \$40. We also need some residents willing to set up coffee. Please see the sign-up sheet in the Clubhouse. Contact me or Georgia Fox for more information.

Come to the clubhouse to play the new game ***I GOT IT!*** on **Thursdays at 6:30 pm**. It has been a huge success, it is lots of fun, and there have been some big winners! \$1 per card, per game.

Independence Day Picnic:

Saturday, July 3rd at 1:00pm in the Clubhouse. This is free for residents and owners, but you will need a ticket in advance to attend. Guest tickets are \$5.00 each. Get your tickets at Saturday coffee on June 17 and June 24, or on Thursdays at “I Got It” games. The menu is hamburgers, hot dogs, salads, chips, sodas, water, and ice cream.

See the Glenwood Estates Facebook page for updates on activities over the summer.

HORSESHOES

Wayne Neville

We have expanded your opportunity to have more fun playing horseshoes! Come join us on **Wednesdays at 9 am and Fridays at 6 pm** at the lake pavilion. Any questions contact Wayne Neville at (727) 291-3206.

Have the Right Doctor? Ask Yourself These 10 Questions.

At Dedicated Senior Medical Center, we're committed to keeping seniors healthy, happy and at home. We understand these are scary times, but we're here to help. Dedicated doctors specialize in caring for seniors and that's why we make it easy for you to see a doctor.

Ask yourself:

1. Is your doctor's office still open?
2. Have you heard from your doctor in the past two weeks?
3. Is your doctor personally calling and texting to check on you?
4. Has your doctor called you to explain your risk of coronavirus?
5. Is your doctor's office offering doctor phone visits?
6. Does your doctor allow walk-in visits?
7. Are you able to call your doctor anytime, day or night?
8. Do you have any difficulty getting to and from your doctor?
9. Is your doctor helping to make sure you receive all of your prescription refills?
10. Is your doctor offering to help you get your medications delivered?

Jan Kearney

We had our first lunch in a while because of COVID at the Acropol Restaurant in June with a nice group of ladies and Jan Kearney as our hostess.

This month we have Jo Ann Pumphrey as our hostess and we are going to Backwaters on Sand Key, 1261 Gulf Blvd, Clearwater, Fl 33767 on July 6, 2021. Please check the sign-up sheet in the Clubhouse to get the time. We are looking forward to having you join us.

FAVORITE RECIPES

PILLSBURY EASY CHERRY PIE CUPS

Ingredients

- 1 box (14.1 oz) refrigerated Pillsbury™ Pie Crusts (2 Count), softened as directed on box
- 1 can (21 oz) cherry pie filling

Steps

1. Heat oven to 425°F. Remove crusts from pouches; unroll on work surface. With 3 1/2- or 4-inch round cutter, cut 6 rounds from each crust; discard scraps.
2. Fit rounds into 12 ungreased muffin cups, pressing in gently. Spoon about 2 tablespoons pie filling into each crust-lined cup.
3. Bake 14 to 18 minutes or until edges are golden brown and filling is bubbly.

Expert Tips

- Swap cherry pie filling for your favorite fruit pie filling, such as blueberry or strawberry.
- Top each cherry pie cup with a dollop of fresh whipped cream or whipped topping, if desired.
- If you plan to bring these pies to a party or potluck, place fully cooled pies back inside a clean muffin pan for easy transport.

Space probe returning with asteroid chunks

A NASA spacecraft has begun a two-year journey back to Earth, bringing with it material from an asteroid for scientists to study. According to U.S. News & World Report, the spacecraft, Osiris-Rex, traveled 178 million miles to the asteroid Bennu, which is approximately 1,600 feet wide and 4.5 billion years old and is believed to be broken off from a larger asteroid.

Osiris-Rex managed to grab between a half pound to one pound of small, rocky chunks from Bennu's surface, far more than the target amount of two ounces, making it NASA's biggest collection of extraterrestrial material since the Apollo moon missions. Scientists believe the asteroid chunks could help explain how planets formed in our solar system, as well as how life arose on Earth—and maybe improve Earth's defenses against any asteroids heading toward us.

The return trip will take Osiris-Rex some 1.4 million miles as it circles the sun twice before delivering its samples in a capsule to the Utah desert, scheduled for September 2023. The samples will go to a new laboratory currently being constructed in Houston's Johnson Space Center, where hundreds of pounds of moon rocks and material are already stored.

Genetically modified mosquitos released to fight disease

It sounds like the plot of a sci-fi disaster movie, but it's happening in real life: Genetically modified mosquitoes have been released in Florida in an effort to combat an invasive species spreading disease. What could go wrong?

The Science News website reports that biotech company Oxitech bred the male mosquitoes and placed eggs in hexagonal boxes on private properties in suburban locations in April 2021. In May, monitors on the boxes showed that mature mosquitoes had flown off to start mating with females. The males possess genetic add-ons that prevent female larvae from developing after mating. Males, however, will carry the same genetic trait.

The project is designed to prevent the spread of dengue and Zika from a recent invasive species, *Ae. Albopictus*. After initial tests, Oxitech plans bigger releases to examine how well males fare and whether pest numbers decline. Oxitech may release up to 20 million mosquitoes in more tests during the fall.

The beauty of a living thing is not the atoms that go into it, but the way those atoms are put together.

— *Carl Sagan*

An addled child

According to a story, when the inventor Thomas Edison was a young boy he came home and handed a paper from his school to his mother. “My teacher told me to give this only to you.”

His mother’s eyes filled with tears as she looked at the letter. Then she read: “Your son is a genius. This school is too small for him and doesn’t have good teachers for training him. Please teach him yourself.”

Years later, Edison’s mother died. One day he was going through his old family things. Suddenly, he noticed a folded paper in the corner of a drawer. He took it and opened it up.

On the paper was written: “Your son is addled. We won’t let him come to school anymore.”

Edison cried for hours. Then he wrote in his diary: “Thomas Alva Edison was an addled child that, by a hero mother, became the genius of the century.”

July Daily

Canada Day, July 1. Often informally referred to as "Canada's birthday," Canada Day celebrates the anniversary of Canadian confederation on July 1, 1867.

Independence Day, July 4. U.S. holiday commemorating the signing of the Declaration of Independence in 1776.

Bastille Day, July 14. The anniversary of storming of the Bastille in July 1789, a turning point of the French Revolution.

World Snake Day, July 18. There are about 3,458 known species of snakes living in almost every climatological region in the world, from the humid rainforests of South/Central America and southern Asia to the icy tundra.

Space Exploration Day, July 20. The day in 1969 when Neil Armstrong and Edwin "Buzz" Aldrin first set foot on the moon as part of the Apollo 11 mission.

No story lives unless someone wants to listen.

At Dedicated Senior Medical Center, we're committed to *keeping seniors healthy, happy and at home*. We understand these are scary times, but we're here to help. Dedicated doctors specialize in caring for seniors and that's why we make it easy for you to see a doctor.

Ask yourself:

1. Is your doctor's office still open?
2. Have you heard from your doctor in the past two weeks?
3. Is your doctor personally calling and texting to check on you?
4. Has your doctor called you to explain your risk of coronavirus?
5. Is your doctor's office offering doctor phone visits?
6. Does your doctor allow walk-in visits?
7. Are you able to call your doctor anytime, day or night?
8. Do you have any difficulty getting to and from your doctor?
9. Is your doctor helping to make sure you receive all of your prescription refills?
10. Is your doctor offering to help you get your medications delivered?

Try these numbers on for size

You think high school algebra was hard? Try wrapping your mind around these amazing numbers, courtesy of the Cracked website:

- To write the largest known prime number in a straight line, you would need a sheet of paper 23 miles long.
- Americans use 100,000,000,000 plastic shopping bags a year, enough to stretch end to end around the equator twice every day.
- A blue whale can eat up to 40 million small krill a day—about 7,900 pounds, which is more than the weight of a Hummer.
- A Rubik’s Cube has 45,252,003,274,489,856,000 possible configurations.
- There are 12.1 trillion digits of pi known right now. A piece of paper needed to write them in a straight line would stretch to the sun and back.
- LEGO manufactures 125 million bricks a day, more than the number of banknotes the U.S. prints in a day (38 million).
- Beetles represent 30% of all known animal species, with more than 300,000 species currently identified.
- People send 205 billion emails every day. If you were to print out each one on a separate sheet of office paper—which would consume 25 million trees—the stack would stretch halfway around the equator.

‘We hold these truths to be self-evident ...’

On July 4, Americans celebrate the signing of the Declaration of Independence. The Declaration was officially adopted by the Continental Congress in Philadelphia on July 4, 1776, although Congress formally declared independence from Great Britain on July 2, and the Declaration wasn’t signed by all 56 members until August.

Some other facts about the founding document of the United States that you may not know:

- There’s a message on the back. No, it’s not an invisible treasure map (as in the Nicolas Cage movie *National Treasure*). The words “Original Declaration of Independence, dated 4th July 1776” appear on the reverse side of the document on display in the National Rotunda, at the bottom and upside down.
- About 200 copies of the Declaration were immediately produced by printer John Dunlap for distribution through the 13 colonies. Of these original “Dunlap broadsides,” 26 still exist.
- The original document wasn’t printed on paper, but “engrossed” on parchment. Engrossing is a process for preparing an official document in large, clear handwriting.
- At the bottom left corner of the Declaration is an unidentified handprint. Historians speculate that it’s the result of the document’s being rolled up for transport and handled by various people for extensive exhibition in the early years of its existence.
- The two youngest signers of the Declaration were Thomas Lynch Jr. and Edward Rutledge, both of South Carolina, both 26 years old at the time. The oldest signer was Benjamin Franklin, 70. Nine of the original signers died before the American Revolution ended in 1783.

"...I am so happy with my new windows...I'd like to commend your work crew. Earbie and Larry were fantastic! I couldn't believe the clean-up EVERYDAY! The whole job took just a week even with all the rain delays. I would and WILL highly recommend your company to my friends and neighbors. Of course I won't need to say a word - the house is doing all the talking! Thank you so much for my beautiful new house."

Monthly Mania: It Pays (Up to \$100) To Patronize the Advertisers in Your Newsletter

THOUSANDS manufactured home residents have won over **\$157,400** since our contest began. It's simple to play ... when you patronize a current advertiser, ask for a Monthly Mania ticket (or a reasonable facsimile) and fill it out completely. Put the ticket in our Monthly Mania drop box in your community or mail your paid receipt to us at **Monthly Media • 220 Bahama St. • Venice, FL 34285**.

That's all you do. At the end of the month the Publishers will pick up the tickets and hold a drawing. If your ticket is drawn, we mail you a check.

(Allow 8-12 weeks for mailing of check). **This month's cash winners are:**
