## FROM THE OFFICE

---

**T**he Hurricane Preparedness flyers are available in the office (also available in Spanish). If you are in the Park, now is the time to make preparations, including securing all items in your lot, carport, patio, etc. that may become projectile's during a storm, or hurricane strength winds. If you are not currently here, please make sure you contact someone in the park to make sure your items are all put away. (Many Snowbirds read the News and Views online). LADDERS are a big issue! Every time I ride around the park, I see several ladders laying on the ground; they must be secured to the side of a building or in your shed. This is ALL THE TIME not just for hurricane season. (Largo City Code).

The Pool is still on; it will be kept on until the remodeling starts. So far it will be July 5th, but I have told them if they are ready earlier all we would need is a 24-hour notice.

**SPEED BUMPS:** The speed bumps that were installed did not hold up to the wear, so they were returned. I am working on finding some other ones. If people would stop for the stop signs, most areas would not need speed bumps. That being said, there will be speed bumps!

**Outdoor Fires-**please do not have outdoor fires until the rainy season begins, everything is just too dry to take any chances of sparks igniting a fire.

**GARBAGE-**just because you live in the park, it does not mean that you can bring trash from outside of the park and dispose of it in our dumpsters! If you hire a contractor to do remodeling or tree trimming work for you, they are supposed to take the debris with them.

**LAWN CARE-**due to the lack of rain, so no growth, we are still not on a regular schedule. Make sure hoses are kept off the grass, as well as lawn furniture; the mowers will not return if you move it after they have gone through your yard.

As most of you know, we had a mobile home burn down, electrical fire is suspected. This should make everyone think about homeowner's insurance. It is a myth that these mobiles are too old to insure. They will have to pass an inspection-roof, wiring, plumbing, etc. I would guess that about 20% of the park has insurance. I am with Citizens and pay less than a thousand dollars a year. There is an ad in the News and Views.

Thank you to the neighborhood watch that does "overnights" and puts flyers on illegally parked vehicles. (You know who you are!) This is a big help, they get a letter asap.

If you, or someone you know, plans to have an RV at embassy this year, please call me in September to confirm your spot and provide approximate date of arrival. Due to so many not returning for the 2020-2021 season, and leaving in a hurry due to Covid, I need verification from those who plan on returning. I do not have room for anyone new at this time, I already have a waiting list with several people on it.

The next Manager's Meeting will be **Sept. 15TH**, 9:00 A.M. for coffee; meeting at 9:30 a.m. Please note: If you plan to attend, practice social distancing that you are comfortable with. If everyone at the table is wearing a mask and you are not, please respect that and sit elsewhere.

*Jessica A Buchholtz*

## LIBRARY

---

**C**ait London was born Lois Kleinsasser. She is a bestselling author who enjoys the perks of her career, like traveling and talking to fans. Cait combines romance and suspense in her novels. She writes using elements from her many experiences.

In “With her Last breath”, Maggie has had some varied experiences in her life. First Maggie’s family goes sailing and the boat capsizes. Her father dies. She was 12 years old. Now she is afraid of the water. Years later Maggie’s Mom dies of cancer, leaving just Maggie and her sister, Glenda. One day Maggie is taking a bath and an associate of her husband breaks in and tries to rape her!

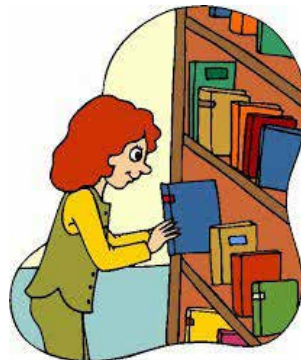

Her husband nor her sister believe her. Neither do the police. Glenda dies of an overdose. Maggie and her husband divorce. Now divorced Maggie has come to this little town on Lake Michigan to start over and face her fear of the water. Unknown to her there is a person holding a grudge tracking her down to get payback! This is a good read with many twists and turns!

There is a designated spot where all the books Embassy has from the featured Author will be on display.

Don’t forget the Library is open daily 10 – 6: Wi-Fi can be accessed from the screen room 24/7. Please use your Library.

The office also has for sale pool cover-ups, embassy mailboxes, and face masks that help support our Library.

Please remember to be safe and take precautions. Turn out the lights and please turn off the fans when you leave. Please take your garbage with you.

## An addled child

According to a story, when the inventor Thomas Edison was a young boy he came home and handed a paper from his school to his mother. “My teacher told me to give this only to you.”

His mother’s eyes filled with tears as she looked at the letter. Then she read: “Your son is a genius. This school is too small for him and doesn’t have good teachers for training him. Please teach him yourself.”

Years later, Edison’s mother died. One day he was going through his old family things. Suddenly, he noticed a folded paper in the corner of a drawer. He took it and opened it up.

On the paper was written: “Your son is addled. We won’t let him come to school anymore.”

Edison cried for hours. Then he wrote in his diary: “Thomas Alva Edison was an addled child that, by a hero mother, became the genius of the century.”

## Unsportsmanlike conduct

---

**A**t one point during a game, the coach called one of his nine-year-old baseball players aside and asked, “Do you understand what cooperation is? What a team is?”

“Yes, coach,” replied the little boy.

“Do you understand that what matters is whether we win or lose together as a team?”

The little boy nodded.

“So,” the coach continued, “I’m sure you know, when an out is called, you shouldn’t argue, curse the umpire, or call him a jerk. Do you understand all that?”

Again, the little boy nodded.

The coach continued, “And when I take you out of the game so that another boy gets a chance to play, it’s not a stupid decision or that the coach is an idiot, is it?”

“No, coach.”

“Good,” said the coach. “Now go over there and explain all that to your father.”

## The Sacrifice

---

**E**leven people were hanging on a rope under a failing helicopter — ten men and one woman. The helicopter was about to crash under their combined weight, and they realized that one of them would have to let go, otherwise all would fall to their deaths.

No one volunteered, though, until the woman spoke.

She said that she would let go of the rope because she was used to giving up everything for her husband and her sons, and was used to sacrificing everything for men in general without getting anything in return.

The men were so touched by her speech that as soon as she finished, they all started clapping.

## Hearing problem

---

**A**priest was giving blessings to children outside his church. Billy, 16, walked up and asked him, “Father, can you help me with my hearing?”

“I’ll try,” the priest said. He put his hands over Billy’s ears and prayed. When he removed his hands, he asked, “How is your hearing now?”

“I can’t tell,” Billy said. “It’s not until next Wednesday.”

# FLORIDA ANCHOR AND BARRIER COMPANY

To our valued customers:

During the current times we wanted to let you know that we are taking as many precautions as we can to ensure not only our workers safety but yours as well. We check workers' temperatures each morning and have limited the amount of contact our crews have with each other. Our crews work in Tyvek suits with respirators which helps to ensure your safety as well as theirs.

As a company, we want your business and there is no need for any contact if you so choose. Our business is deemed an "Essential Business" and we are here for you when you need us. You can schedule your inspection by calling 1-800-681-3772.
