## From The President

*Tom Vanzant*

**W**e now have four board members that will be leaving the Board at the end of the 2021 year.

They are:

- Tom Vanzant, President
- Norm Burkey, VP
- Nita Anderson, Secretary
- Pam Grimm, Standards/NWP (Resigned)

As is always the case, the Board will vote on Board positions, in a private setting, during the December meeting.

Anyone wishing to consider running please contact me, any other Board member, or Pat Merl, our Community Association Manager for details.

Hopefully, we will have the pond and the culvert leading to 106th Avenue cleaned of muck and vegetation. This will help the water flow level and mitigate losing more ground into the pond.

I hope everyone has a great summer.

## BOARD MEETING SCHEDULE:

### When and Where are the Association Meetings?

**B**oard of Directors meetings occur every month of the year except for July and August, in accordance with the Holiday Shores Park Bylaws. Customarily, they are scheduled for 9:30 A.M. on the third Thursday of each of those months and take place in the clubhouse. Special meetings to address matters of urgency and closed meetings to address personnel or legal matters are also held in the clubhouse. Exceptions are the Annual Meeting, which occurs on the second Saturday of December at 10:00 A.M. and at the same place as the regular meetings. Please read your Bylaws for additional information and clarification on other meetings that occur throughout the year such as the Short and Long Meeting and various other committee meetings.

**\*\*The Park roads are being resurfaced all this month, so please be sure to carefully read the document attached to this newsletter. This way you will be sure to avoid the roads that are being worked on and the roads that may still be wet and you will be able to protect any of your property that you feel might be affected while the work is being done. For your convenience, this schedule is also posted on the Association website: [HolidayShoresPark10289.com](http://HolidayShoresPark10289.com)**

Please remember that everyone is required to notify the office if you have guests in your home. On day 15 of the visit, shareholders are required to pay the \$4.00 fee each day from then until your guest departs. These forms can also be found on the website.

Last but not least, Departure Notices are also required from shareholders when planning on being gone longer than a week. Please be sure to advise the office of your return, so that we can update our occupancy records. These forms can also be found on the website.

**If you don't use any of the forms provided, you are still required to provide all of the information that is required on these forms. You can refer to the website for that info, or call the office and provide it to us over the phone or email this info to the office.**

Thanks, for your cooperation in these instances. Doing so, only helps to run the Park more efficiently and safely.

## Holiday Shores Activities Association

*Bernadette Drouin*

---

We were able to have two more movie nights this May despite the wind. My apologies to those who are disappointed on the 21st.

We will plan for another ice cream social. About 6 quarts of ice cream and toppings consumed at our last. Who doesn't love ice cream?

Thank you again to Monty Slaybaugh for his inclusive Memorial Day service. It was so nice to see so many of you in attendance.

Again, I will be away from June 8 through the 22nd. But, my door is always open for your ideas and your help. Thank you.

July 4 pool party! Starting in clubhouse at 12:30 PM. Food and more food. Beer and wine. Sign-up sheet is in the clubhouse. Five dollars per person payable at the door. Please complete your sign up by July 1 so that we know how many people will be attending.

Bring dinner to a movie. July 30. We are planning to hold a movie in the clubhouse on the big screen. We will supply the paper goods. You bring your dinner for a 5 PM movie.

Don Bornick and friends return to the clubhouse on Tuesday afternoon at 1 PM. Enjoy the music!

Many ideas are turning into actual planning. This coming fall is going to be very busy. Volunteers are needed.

Thank you all for the wonderful compliments and feedback our team is very grateful!

## Unsportsmanlike conduct

---

**A**t one point during a game, the coach called one of his nine-year-old baseball players aside and asked, “Do you understand what cooperation is? What a team is?”

“Yes, coach,” replied the little boy.

“Do you understand that what matters is whether we win or lose together as a team?”

The little boy nodded.

“So,” the coach continued, “I’m sure you know, when an out is called, you shouldn’t argue, curse the umpire, or call him a jerk. Do you understand all that?”

Again, the little boy nodded.

The coach continued, “And when I take you out of the game so that another boy gets a chance to play, it’s not a stupid decision or that the coach is an idiot, is it?”

“No, coach.”

“Good,” said the coach. “Now go over there and explain all that to your father.”

## The Sacrifice

---

**E**leven people were hanging on a rope under a failing helicopter — ten men and one woman. The helicopter was about to crash under their combined weight, and they realized that one of them would have to let go, otherwise all would fall to their deaths.

No one volunteered, though, until the woman spoke.

She said that she would let go of the rope because she was used to giving up everything for her husband and her sons, and was used to sacrificing everything for men in general without getting anything in return.

The men were so touched by her speech that as soon as she finished, they all started clapping.

## Hearing problem

---

**A**priest was giving blessings to children outside his church. Billy, 16, walked up and asked him, “Father, can you help me with my hearing?”

“I’ll try,” the priest said. He put his hands over Billy’s ears and prayed. When he removed his hands, he asked, “How is your hearing now?”

“I can’t tell,” Billy said. “It’s not until next Wednesday.”

## An addled child

---

**A**ccording to a story, when the inventor Thomas Edison was a young boy he came home and handed a paper from his school to his mother. “My teacher told me to give this only to you.”

His mother’s eyes filled with tears as she looked at the letter. Then she read: “Your son is a genius. This school is too small for him and doesn’t have good teachers for training him. Please teach him yourself.”

Years later, Edison’s mother died. One day he was going through his old family things. Suddenly, he noticed a folded paper in the corner of a drawer. He took it and opened it up.

On the paper was written: “Your son is addled. We won’t let him come to school anymore.”

Edison cried for hours. Then he wrote in his diary: “Thomas Alva Edison was an addled child that, by a hero mother, became the genius of the century.”

## No ordinary talking mule

A farmer in the country was very poor. Tired of living in squalor, he decided to sell the only thing he owned—his talking mule. This was no ordinary talking mule, though. He could tell jokes and sing and dance. But with much regret, the farmer set off to the big city to sell his mule.

He set up on a street corner, and the mule drew an immediate crowd. The mule was so funny that the crowds couldn't remain standing for long because they were laughing so hard. Finally, a man came up to the farmer and said, "I'm a talent scout. I MUST have your mule for our show."

Unfortunately, the talent scout had just been pickpocketed, and had lost his wallet. The only thing in his pockets was a subway token. He convinced the farmer to trade the mule for the "Magic Token of Good Fortune" and secured the mule.

On the way home, the farmer realized that he had been cheated. Broken hearted, he decided to use the subway token to ride to the edge of the city. But when he put the token in the slot, alarms went off. He was frightened at first, but then he was notified that he was the 1 billionth rider of the subway, and he had just won \$50 million.

Meanwhile, the mule was so successful that he became the toast of Broadway.

Moral of the story: A mule that is funny is soon bartered.

## The best way to pray

A priest, a minister, and a guru sat in a new interfaith community center. While a telecommunications worker installed the new phone system, they began discussing the best positions for prayer.

"Kneeling is definitely the best way to pray," the priest said.

"No," said the minister. "I get the best results standing with my hands outstretched to heaven."

"You're both wrong," the guru said. "The most effective prayer position is the lotus position."

The telephone technician sat up. "Excuse me, gentlemen, but I should tell you that the best praying I ever did was when I was hanging upside down from a telephone pole."

*If you wish to glimpse inside a human soul and get to know a man ... just watch him laugh. If he laughs well, he's a good man.*
