Social Activities Club

Dave Neumore

Happy Canada day July first, Our Canadian friends are sure to have a great day. We here in the states will be celebrating our Fourth of July with a cookout provided by the Men's Club.

Coffee has been suspended for a few months. Our workers are planning trips to visit family and friends and so are many residences. It has been some time since many families have visited or seen each other and now that many health issues are set aside, visitations are in order.

We will still provide functions and fun things to do to pass the time and get together. Dart baseball, lots of shuffling going on, exercise classes, and pool parties keep us busy. We are going to have a Forth of July cart parade, which has become popular due to the fact than there are so many more carts in the park.

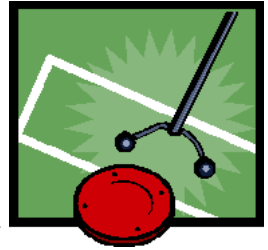

God Bless you all and enjoy the summer with your family and friends.

Dave Neumore

Senior coordinator for Social Activities Club

SHUFFLEBOARD

Pres. Pat Bryant 727-535-2439

Welcome everyone! If you would like to learn how to play shuffleboard, come to the Courts on Tuesdays and Thursdays at 6:15 and we will teach you (free). It is easy and a lot of fun. If you already know how to play, come on over at 6:15 and join the rest of us. (Weather permitting) On Tues. and Thurs. bring a quarter to play. We play a crazy game called "Horsecollar," It is a lot of fun, and helps you learn, plus nobody goes home empty-handed.

We play competitive shuffleboard on Sundays @6:15. Please bring 3 dimes.

The courts are open daily until 10:00 pm for all adults to play. There are disks and cue sticks available in the east end of the shed. Call the office or Pat or Paul Bryant for the combination to the lock. Children 16 and under who play must be supervised by an adult.

League play will begin in November. Will have more info in the future. If you are interested in league play, call Pat Bryant 727-535-2439. More players and subs are needed.

SEE YOU AT THE COURTS!

Bingo

Kay Voorheis

Here it is July already and summer is in full swing again. After the past year of staying close to home, a number of people are planning to travel this summer to see family and friends. With this in mind, we will be suspending bingo for the months of July and August this year. We have had very good response to bingo since reopening in April and look forward to seeing everyone when we start again in September. Please enjoy your summer, have safe travels if going on a trip and we look forward to seeing you at bingo in a couple of months!

Ranchero Village CO-OP

Bob Flanagan, President

July is here and the heat keeps moving in. Our projects for the summer are moving forward at a great pace. So everyone stay cool and be safe out there. We will keep moving forward and not look back. Our clubhouses and all amenities are once again open for your enjoyment, please use them and have a great summer.

The summer months also bring more storms to our area, and I hope that all residents have done some research into hurricane preparedness. Our community takes a pro-active approach to informing our residents about what needs to be done to secure your homes in the event of a hurricane. There are pamphlets available in the Hacienda about safety tips you should take, along with a list of motels in the area where you can go should a hurricane warning be issued for our area. Our park manager consistently reminds residents in our monthly bulletin about keeping your properties clear of excess items, and she encourages residents to completely eliminate any objects from around your home before heading north for the summer. Please take heed to these warnings as we are in the storm season and want everyone and their properties to be safe. I thank you all too for keeping your properties cleaned up and free of unsightly weeds during the growing season.

Your CO-OP board continues to work together to improve our community, and we are dedicated to moving forward as a team in keeping Ranchero Village the best place to live. Always remember, "There are no strangers in Ranchero Village, only friends you haven't yet met."

With Pride, Bob

ROAD CLOSURES

We have many projects involving road closures. Please be away of closures and DO NOT go through or around any barricades. Any damages caused by this will be charged to you.

BB&T SATISFACTION OF MORTGAGE

If you have paid off the mortgage on your share, and have questions about getting the titles from the bank, please stop by the office and pick up some information that may be helpful to you.

PHONE SCAMS

Phone scams come in many different forms, but they tend to make similar promises or threats, or ask you to pay certain ways. Here how you can recognize a phone scam.

1. You have won a price. If you have to pay to get the prize, it's not a prize.
2. You'll be arrested, fined, or deported if you don't pay taxes or some other debt right away. Law enforcement and federal agents won't call and threaten you.
3. They try to pressure you into making a decision on the spot.
4. There is never a good reason to send cash or pay with a gift card.
5. A family member has been arrested and needs bail money right away.

We cannot stop people from calling you, but there are some things that you can do.

1. Hang up! Do not engage in a conversation with them. They are fast and smooth talkers. Don't press any numbers. Then block the call.
2. Don't trust you caller ID. Scammers can make any name and number show up. That's called spoofing. Even if it looks like a local number scammers can call you from any where in the world.

Scammers use the internet to make calls from all over the world. They don't care if you are on the National Do Not Call Registry.

Learn more about unwanted calls and what to do about them at ftc.gov/calls

SOLICITORS!!!

DO NOT let them into your home! Call the Largo Police Department (587-6730) immediately if you see solicitors and please let the management office know after you have called the police. The scams just seem to increase, and it can't all be kept out of Rancho as much as we'd hope it could. There are always those who will prey on others. The schemes seem to be endless. If you have someone approach you and you send them on their way, please still call the office and alert us so that others won't be taken advantage of by them. With perseverance we can make a difference.

SUMMER GUESTS

Friends and families are coming to visit so we really need to adhere to the pool rules. Guests **MUST** be registered with the office and display Rancho Village ID tags. Residents should be accompanying their guests while at the pool or other location and are responsible for the behavior of their guests. Please review your Rules and Regs and acquaint your guests with the rules also. Children under 16 must be accompanied by an adult who shall assume full responsibility for their safety and conduct. No running, jumping or diving into the pool.

Glass bottles – It's time to enjoy the pool and the beautiful Florida sunshine. PLEASE REMEMBER that no glass of any kind is allowed around the pool area. We are getting reports of beer bottles around the pool. If glass is broken, you have the potential of people getting cut. If glass is broken in the pool, it can be quite expensive to clean out.

Food and drink are not allowed in the pool/hot tub. People have been seen eating on the side of the pool and having their drinks inside the pool and hot tub. Please do not do this.

No smoking at the pools – please adhere to the new No Smoking Rules at the pools and smoke only away from the pool area in the designated areas. This includes vapor and e-cigarettes.

Hot tubs – these are for the use of **adults only**. If a child had a temperature of 102 degrees we'd be giving them medicine, but some are allowing little ones into the hot tub and exposing them to these temperatures. Hot tubs are never advisable for children (besides being against our rules).

HOME SITE ALTERATIONS

If you are making any changes or additions to your home site or the exterior of your home please come to the office and submit a completed request form. Paint colors must be approved and a permit obtained from the office. The same applies to alteration requests; this includes plantings. Submit your written request and wait until you have received approval and a permit before proceeding with any work. Also, be sure to obtain any required City permits.

UPDATING RECORDS

We are still trying to get the office records updated with current ID's and emergency numbers for all our residents. Please stop by the office and check to see if your records are up to date. We've had many occasions to use these records and when there is an emergency you will want to know that your records and those of your friends are accurate.

Family Owned & Operated

For Over 3 Decades!

PET WALKING

Please be careful to only walk your pet in the pet area and to always pick up after your pet. Carry a plastic bag (or two) with you and be prepared for those moments. Other people don't appreciate these little "gifts" on their lawn.

BE CONSIDERATE OF YOUR RENTERS

It is the responsibility of the homeowner to make sure that any additional occupants in their home are properly registered with the park. If you are planning to rent out your home or have someone stay with you, review your Ranchero Rules and Regulations first. Additional occupants and renters must be registered with the office and a background check performed prior to their arrival. It is the Homeowners responsibility to meet all the requirements. The Office processes the applications as a courtesy for our homeowners but

there is an application fee to cover the expense. Applications are available in the Office. They must be accompanied by two legible forms of identification for each person. For international applicants, copies of passports and driver's licenses are required. These should be submitted at least 30 days in advance of the person's arrival. Applicants are to check in at the office upon arriving in the community.

IF YOU ARE A RENTER OR ADDITIONAL OCCUPANT and haven't done the above, please come to the office immediately and get properly registered. Thank You!

DO NOT FEED THE ANIMALS

Most of us love to feed the birds and wildlife, even the stray cats but we must ask you not to do so. We do not want to ruin your enjoyment, but birdseed attracts rodents and other undesirable creatures.

PUT IT IN WRITING!

All requests and complaints should all be put in writing and signed. Anonymous reports will not be addressed. Forms are available in the office for your convenience

HANDICAP CHAIR LIFT REMINDER

If you need assistance to go into a pool, we have the Handicap Chair Lift available at the Hacienda swimming pool.

STREET LIGHT OUT

Unknown to many, our streetlights do not belong to us. They are the property of Progress Energy and maintained by them. If a light is out please: Call Progress Energy @ 1-800-228-8485

An addled child

According to a story, when the inventor Thomas Edison was a young boy he came home and handed a paper from his school to his mother. “My teacher told me to give this only to you.”

His mother’s eyes filled with tears as she looked at the letter. Then she read: “Your son is a genius. This school is too small for him and doesn’t have good teachers for training him. Please teach him yourself.”

Years later, Edison’s mother died. One day he was going through his old family things. Suddenly, he noticed a folded paper in the corner of a drawer. He took it and opened it up.

On the paper was written: “Your son is addled. We won’t let him come to school anymore.”

Edison cried for hours. Then he wrote in his diary: “Thomas Alva Edison was an addled child that, by a hero mother, became the genius of the century.”
