## Welcome Summer!

not exactly cool!

Everyone loves summer! It means sun, surf, sand and vacations. Family picnics and get togethers with friends are planned and looked forward to. At Pointe West it means quieter streets and fewer residents. It also means shorter lines at restaurants and shorter red lights, too. Not as many beach umbrellas, but much hotter sand. More available parking spots and many more bugs (after dark). For some reason the sunsets seem more awesome and brilliant! There's a lot to love about Florida summers. Sure it's hot, but August in other states is

A common complaint at Pointe West is there isn't much to do. Not so! The summer residents have taken things into their own hands! Summer may be a bit more laid back, but they've found ways to have fun. Yes, COVID has affected our usual planned activities for the past year but beginning July 1, 2021, several activities will resume a more normal schedule as the REC Center re-opens. Check the July calendar to see what's happening this summer.

Residents have also organized an informal "Meet and Greet" every Saturday at 7pm. Come to the pool with your bathing suit and beverage of choice. Plenty of splashes and laughs are promised. We also have a new resident with an extraordinary green thumb. She has been willing to share this incredible talent with us in a Garden Club at the REC Center (Thanks, Renee!). Our Water Exercise (formerly known as Aquacize) has expanded to two separate offerings. Monday, Wednesday and Friday from 10:30-11:30 we will have Beginner/Light sessions. Monday-Saturday at 9:30-10:30 there will be a more challenging Advanced Water Exercise. Choose any or all — we might have many toned ladies in our pool by fall!

Which brings me to my final thoughts! FALL! NEXT SEASON! If summer is here, fall can't be far behind. It will get here before we know it. Great news for all of us that can all be together again! Canada is still on lockdown and we don't know when that will change, but we hope that a full winter season of activities and fun will be in our future! Certainly things are looking up!

Stay safe! Fall is just around the corner, but in the meantime have a fabulous summer!!!

"...I am so happy with my new windows...I'd like to commend your work crew. Earbie and Larry were fantastic! I couldn't believe the clean-up EVERYDAY! The whole job took just a week even with all the rain delays. I would and WILL highly recommend your company to my friends and neighbors. Of course I won't need to say a word - the house is doing all the talking! Thank you so much for my beautiful new house."

## Time Goes By

By Crystal Lewis

Time goes by and slips away  
Just as the sky turns from blue to grey.  
We are here but only for a short stay.  
Don't let life pass with words you never say.

Don't live in anger, with fear and regrets.  
Seek forgiveness and lay your pain to rest.  
Don't judge too quickly, as you may be wrong.  
Instead, choose to live life as an uplifting song.

When tears fall, wipe them away  
As they will only last but for a day.  
Sometimes we hurt because we care.  
Sometimes life seems unfair.

We make mistakes we wish we could change  
And wonder how our life could be rearranged.  
Second chances last only for so long, reach out  
to others  
As we are all sisters and brothers.

There are angels in heaven that watch us every day.  
They look over us as we laugh and play.  
Live with joy, and when you lie down at night,  
Thank the Lord and release any strife.

## A Poem for Seniors

A row of bottles on my shelf  
Caused me to analyze myself  
One yellow pill I have to pop  
Goes to my heart so it won't stop  
A green one that I take,  
Goes to my hands so they won't shake  
The blue ones that I use a lot  
Tell me I'm happy when I'm not  
The brown pill goes to my brain  
And tells me that I have no pain  
The red ones as I recall  
Go to my blood so I won't fall

The orange ones so bright  
Prevent my leg cramps in the night  
Such an array of brilliant pills  
Helping to cure all kinds of ills  
But what I'd really like to know  
Is what tells each one where to go.

## 4th of July Fun Facts

-  Congress made Independence Day an official unpaid holiday for federal employees in 1870.
-  In 1938, Congress changed Independence Day to a paid federal holiday.
-  Only John Hancock actually signed the Declaration of Independence on July 4, 1776. All the others signed later.
-  The Declaration of Independence was signed by 56 men from 13 colonies.
-  One out of eight signers of the Declaration of Independence were educated at Harvard (7 total).
-  The only two signers of the Declaration of Independence who later served as President of the United States were John Adams and Thomas Jefferson.
-  The stars on the original American flag were in a circle so all the Colonies would appear equal.
-  The first Independence Day celebration took place in Philadelphia on July 8, 1776. This was also the day that the Declaration of Independence was first read in public after people were summoned by the ringing of the Liberty Bell.
-  The White House held its first 4th July party in 1801.
-  President John Adams, Thomas Jefferson and James Monroe all died on the Fourth. Adams and Jefferson (both signed the Declaration) died on the same day within hours of each other in 1826.
-  In 1776, there were 2.5 million people living in the new nation. Today the population of the U.S.A. is 316 million.
-  Fireworks are part of the tradition of celebrating this national holiday. The U.S. imported \$227.3 million worth of fireworks from China in 2012. U.S. exports of fireworks, by comparison, came to just \$11.7 million in 2012, with Israel purchasing more than any other country (\$2.5 million).
-  Barbecue is also big on Independence Day. Approximately 150 million hot dogs and 700 million pounds of chicken are consumed on this day.
-  Every 4th of July the Liberty Bell in Philadelphia is tapped (not actually rung) thirteen times in honor of the original thirteen colonies.

## Joke of the Month

-  If you crossed a patriot with a curly haired dog, what would you get? A Yankee Poodle!
-  How come there aren't any knock-knock jokes about America? Because freedom rings.
-  What kind of tea did the American colonists want? Liber-tea.
-  What's the difference between a duck and George Washington? One has a bill on his face, and the other has his face on a bill.
-  What did the colonists wear to the Boston Tea Party? Tea-shirts.
