SOCIAL CLUB NEWS

Marsha Dixon #314, President, 931-607-1493

Even though it is very quiet in Doral and we have already experienced a hurricane and many rainy summer days, Chit Chat Hour has turned out to be a great success! We have averaged 15-20 at each event and met some new residents while learning more about old residents. Thanks again to Joyce and Sandy for organizing and conducting these events. Kay is in charge of August Chit Chat Hour. Chit Chat Hour is the second and fourth Wednesday of August at 8am on the Cottage Back Porch. The dates are listed on the calendar.

Our breakfast at Tiffany's was enjoyed by 30 residents and guests. This was our July 4th event but held on July 3rd. Tiffany's always supports us at our annual Bazaar and we decided to give back this year to some restaurants that always are so generous to us. They were extremely happy we visited them, and their service and food were outstanding. Please read Kay's article for Area 2 about our August outing!

We continue to encourage everyone to stay safe and healthy. Covid is not over, and vaccines are highly encouraged to everyone so we can all be together soon. Stay tuned for changes soon with Chit Chat location changes and updates. Our best way to stay informed is viewing Channel 801, reading our Monthly Media, and viewing the Information Boards. You can always stop by

OUR ONEBLOOD DRIVE

Our **OneBlood** donation drive was canceled because of Hurricane Elsa. It has been rescheduled for Friday, July 30th. **OneBlood** is in desperate need of all blood types and are offering free gift cards. To sign up or if you need more details, please call Marsha Dixon, (931) 607-1493.

Bazaar Donations

Thanks for all the bazaar donations. There will not be pickups available until further notice. We will resume in the next few weeks!

AREA 2 WELCOMES YOU TO THE AUGUST EVENTS

Kay Shumway #226 727-485-8444

The Doral Social will be held, Saturday, August 7th at 11:00a.m. at the Olive Garden Restaurant at 29461 US 19 N. in Clearwater (Across 19 to the left of Bob Evans). I must provide a final total attending by Wednesday, August 4th. I will have a sign up sheet posted in the back hall of the Doral Club House, at our Chit Chat Hours in July and/or you can call and place your reservation with me at Unit 226, (727) 485-8444. They have a very reasonable lunch menu, and you can select whatever is appealing to you. I look forward to getting back to the fun and friendly social activities that are traditional for Doral. I scheduled the program on Saturday so that our residents who work can attend.

The Chit Chat Hour is a wonderful success. I can't tell you how great it is to see your friendly and some new faces. I am starting to feel like a person again. August's schedule is Wednesday, August 11th and 25th at 8:00 a.m. in the back of the cottage. If you have not been vaccinated, please wear a mask. It is optional for everyone else. We will continue to honor social distancing for your safety. Better safe than sorry. I can't wait to see you. XXXX Kay Unit 226

Joke of the Month

An elderly man was having hearing problems and went to see a specialist. The doctor fitted him with some hearing aids that brought his hearing back to full strength.

After a few weeks the man came back to make sure the new equipment was working properly, which it was.

The hearing specialist said, "It all seems perfect. Your family should be delighted you can hear everything now."

"Oh no," the man responded. "I haven't told any of them. I just sit quietly, listening carefully. I've changed my will four times."

Manager's Report

Jeremy Londergan

Hello Doral Village!

Hope everyone is hydrating and staying cool out there. You know I always like to thank our volunteers and let them know we appreciate their contributions to the park. I have a great example of community volunteers coming together to help others in need. Last month we had a named storm come through town. Thankfully, she was in and out. The morning before, a group of gentlemen (I use that term lightly) got together, and helped residents lower their storm shutters in preparation. This act of kindness created positive reactions. People felt happy. Happy that it was one less thing to worry about, or happy to assist others in need. Next time we're all in this situation, please call the office let us know you could use a hand, or that you can lend a hand. THANK YOU!

Our office is open. Please knock on the door, you will be greeted, and let in. Concern/Request forms are out front. Please fill out a request for any changes to the exterior of your home. If you have any questions, or need assistance please call or stop by Leslie and I are happy to help.

Hope everyone stays well, and I'll see you around the village.

Thank you.

Make it a great day!

KNOW YOUR NEIGHBOR

Life in Australia 2021.

Ray and I both love Doral Village and miss our time there. I love doing the "know your neighbor" articles for the newsletter and miss doing them, and meeting people in the park and sharing their stories via the monthly magazine.

I thought I might share what has happened in our life since we left #564 in December 2019.

We returned to our hometown Sydney, Australia to spend the summer and enjoying catching up with family and friends. Remember our seasons are opposite to the northern hemisphere.

Unfortunately, we flew into the horrendous bushfires that you must have all heard about. Sydney was blanketed in smoke; the country was on fire everywhere. Thankfully, finally, our hero firefighters with lots of help from firefighters from all over the world (including USA and Canada) got them under control. The devastation was awful. The Australian bush, however, regenerates very quickly so now it's mostly green again.

We had a two-week break in February 2020 on the West Coast of Australia, then in March flew to Hoi An in Vietnam for a holiday with Rays family. Covid had started but, as with most of the world, it didn't seem to be a big concern. Vietnam was very quiet as there were no Chinese tourists. Then, suddenly our flights were changed, cancelled, and finally brought forward by 4 days.

On the way to the airport there were military checks (Vietnam is a communist country), once we passed our medical checks it was then on to the airport. There were 23 flights on the departure board at the airport, 19 were cancelled. Luckily, we were flying Vietnam airlines who were still operating.

Everyone had to wear masks, at the airport and on the 9-hour flight home. The crew wore Haz Mat outfits. The only food offered was a fish noodle dish, the only drinks ... water.

On arrival in Sydney (masks discarded) we were immediately told to quarantine at home for two weeks, we couldn't go past the front door. Luckily, we could eventually get supermarket deliveries.

Australia at this point had very few cases, but the government was extra cautious. All international flights were cancelled both in and out. Then they introduced compulsory 2-week hotel quarantine for everyone entering Australia. The cost is \$A3,000 per person. Even our Prime Minister gets to quarantine if he goes overseas. This is still ongoing. Our tourist industry is in free fall. As it's a big country and we can't travel overseas Australians are exploring their own backyard when the internal borders are open. Australia is a country almost the same size as USA, minus Alaska. We have 6 States and 2 territories. Most states are huge. For example, Queensland, our second largest state, on our East Coast, is 2.5 times the size of Texas. Western Australia is almost twice the size of Alaska.

When there is an outbreak of Covid (just 2-3 cases), the States close their individual borders. Victoria, in the south, has been in lockdown for months and months. Victoria is our 2nd smallest state, but still, it's the size of the UK and 25% bigger than Florida.

The vaccine is slowly being rolled out, but as I write this less than 10% of the population has been vaccinated. Why? All kinds of reasons. We were slow getting supplies because Europe thought other countries needed it more, then it was age distributed, we have mainly Astra Zeneca with concerns regarding to blood clots, and so on and so on. Now those under 50 can have either Astra Zeneca or Pfizer. Ray and I have had both our shots. Currently (writing this at the beginning of July) we have the Delta strain of Covid about, most of us are in lockdown, but the good thing is lots more are out getting vaccinated.

Our lockdowns are stringent, masks are currently compulsory indoors or you could be fined. In fact, our deputy prime minister was fined just the other day. You can't travel outside your own area and every shop, club, bar, restaurant etc. you must check in with a QR code. It's a great way of tracking the virus.

What about us? After being locked in a small apartment for a couple of months, then having our flights at the end of April to USA cancelled we decided we couldn't live any longer in Sydney.

It's a big city, crowded, noisy, lots of traffic etc. Beautiful but big. We started looking for a property on the mid north coast of NSW.

Ray's mum died in London in May of Covid. As with millions of other people in the same situation we couldn't be there.

We eventually looked at about 45 properties and finally in Mid July 2020 we found one that suited us. It's in a town called Pampoolah, close to a large town called Taree. The area is pretty, very rural and lots of dairy properties. So, we sold the apartment and moved to the country. We are around 4-hour drive south to Sydney and 5 hours north to the Queensland border. The property is 3.5 acres, we have a creek frontage where Ray can fish, kayak, catch mud crabs etc. the creek leads to a big river called the Manning River. You may have heard of the devastating floods here in March 2021. Our property flooded but not near the house. We have a large pond on the property. The house is 4 bedrooms, so we have had a lot of visitors. There's a pool and a large shed (could fit 4 cars).

Sometimes we wonder if we've taken on too much 😊 However, we are enjoying being busy at home and exploring the local area.

I am growing lots of vegetables, trees and flowers. We have 7 chickens who keep us supplied with eggs. I have a beehive (waiting for the first honey production in spring/ summer), Ray has a huge aviary with finches, canaries and Burke parrots. He also spends 2-3 hours weekly on his ride on mower keeping the grass under control in the summer.

We've settled into country life, and here it's generally as though Covid doesn't exist. The countryside is beautiful with mountains on one side and stunning beaches on the other. But we can't wait to return to Doral Village. Ray is missing the unique Florida bars particularly the Boat Club. I miss my friends, and the lifestyle in Florida. I miss exercising in the pool 😊😊. I miss the shops around Doral. We both miss the social activities. "They" are saying maybe mid 2022 our international borders will open, who knows. Once they do expect to see that Australian flag flying over #564.

Cheers

Julie Green
