Hi All:

Congratulations to the Tampa Bay Lightnings for their Stanley Cup Victory over the Montreal Canadiens!!

Well things are starting to open up in Canada!!! We just had a visit from my kids who both live in the U.S. (after 1.5 year separation). We had great hugs!!! They were allowed to come home as fully vaccinated Canadians.

However, non-essential travel is still a no-go for us to come back to Florida. There have been hints that the border will be closed for the rest of the summer. Even when it does open its going to be fully vaccinated people only. We are definitely keeping our fingers crossed for a November trip to Florida!!!

I watched a Saturday Night Live Skit where people were getting together after months of isolation. The first topic is which vaccine did you get, any side effects etc. Then when all that was sorted out, people didn't know what to say or how to act in a group. It has been so true.

I'll bet the youngers are looking forward to back-to-school. I heard the back to school shopping is going to be wild. It will be wonderful to mingle with their friends again.

Have a great summer.
Hope everyone is doing well.
Take care of each other and stay safe.
Best regards,
Debbie

August in History

August 16, 1896 - Gold was discovered in Rabbit Creek, a tributary of the Klondike River in Alaska, resulting in the Great Klondike Gold Rush.

August 28, 1963 - The March on Washington occurred as over 250,000 persons attended a Civil Rights rally in Washington, D.C., at which Rev. Dr. Martin Luther King, Jr. made his now-famous I Have a Dream speech.

August 15, 1969 - Woodstock began in a field near Yasgur's Farm at Bethel, New York. The three-day concert featured 24 rock bands and drew a crowd of more than 300,000 young people. The event came to symbolize the counter-culture movement of the 1960's.

August 31, 1997 - Britain's Princess Diana died at age 36 from massive internal injuries suffered in a high-speed car crash, reportedly after being pursued by photographers. The crash occurred shortly after midnight in Paris inside a tunnel along the Seine River at the Pont de l'Alma bridge, less than a half mile north of the Eiffel Tower. Also killed in the crash were Diana's companion, Dodi Fayed, 42, and chauffeur Henri Paul. A fourth person in the car, bodyguard Trevor Rees-Jones, was seriously injured.

RIVIERA ESTATES – FROM THE OFFICE

Mike Richards, Community Manager

Dear Community,

Summer is here. We are just 3½ miles to the causeway. Bridges over islands taking you to Honey Moon Island State Park. Park in the sand and enjoy the sunset. Pack a lunch or visit one of the restaurants. You could stay in your car or walk for miles. Maybe even take out a Kayak. We move here for this. I hope you are enjoying Florida. And some of you- I hope you can make it back soon.

Water Restriction- for our well water. We are low on rain at this time of year. We have received a notice concerning reclaimed water usage and schedules. Please only use well water for use around your home on Wednesdays and Sundays. At this time, we will leave on the well pump as there are exceptions for new plants or new grass. Fines start at \$193. For more information see the county website at - <http://www.pinellascounty.org/utilities/water-rules.htm#new>

SALES- I do have a list of people who have contacted our office looking for a home. Homes are selling for more money and they are moving quickly. We do have another new listing for sale this past week. See our listings at; <https://www.mystatemls.com/profiles/us/134453/>

Rent Checks- For you and for me. Write the amount clearly. Do not post-date checks as they will be returned to you. Make sure your lot number is on the check. If you use a money order, it must come from the US Post Office.

Skirting- Many have repaired this already. Thank You! All skirting must be white split brick. Wrapping outside of brick skirting with chicken-wire or similar material is not allowed. This will be written up like any other community violations. I am noticing pest control workers working hard to sell this to you. They must put it behind the white brick, if you choose to have this done.

Painting your home?- Colors for home and driveways must be approved at the park office. We do want current colors that are fitting for a nice manufactured home community.

I am here Monday – Friday, 9am – 4pm. Let me know how I can help.

Sincerely,
Mike Richards
Community Manager

This month Meet Wes Hann:

Wesley Morgan Hann, born in Port aux Basque, Newfoundland Jan 1937. He went to work at age 16 as a Call boy for the C.N.R. A 'call boy' was rail slang for a railway employee responsible for ensuring that members of a train crew are on hand for their regular runs and for notifying them of an extra run. He was promoted to Engine crew, then a Stevedore whose job was to handle freight on and off the trains

In Newfoundland when I was a young man, there was no homes for seniors to go for care, so...a daughter of a family member went to live with grandparents or parent and took care of their needs. Sometimes the oldest left home and made room for the grandparents to move into the family home.

I was the oldest and decided to join the Airforce in 1956 at age 19. I also wrote exams for RCMP but never heard back until I joined the Airforce and was accepted into the Marines division. But, I stayed with Airforce because I suffered chronic sea sickness.

I became a Airforce Fire Fighter and after graduating in St. Jean, Quebec was transferred to Camp Borden, Ontario. After a 9 week course in Structural Crash Rescue, Fire Extinguishers, and First Aid training I transferred to a T-33 Jet Aircraft training base Portage La Prairie, Manitoba for pilots.

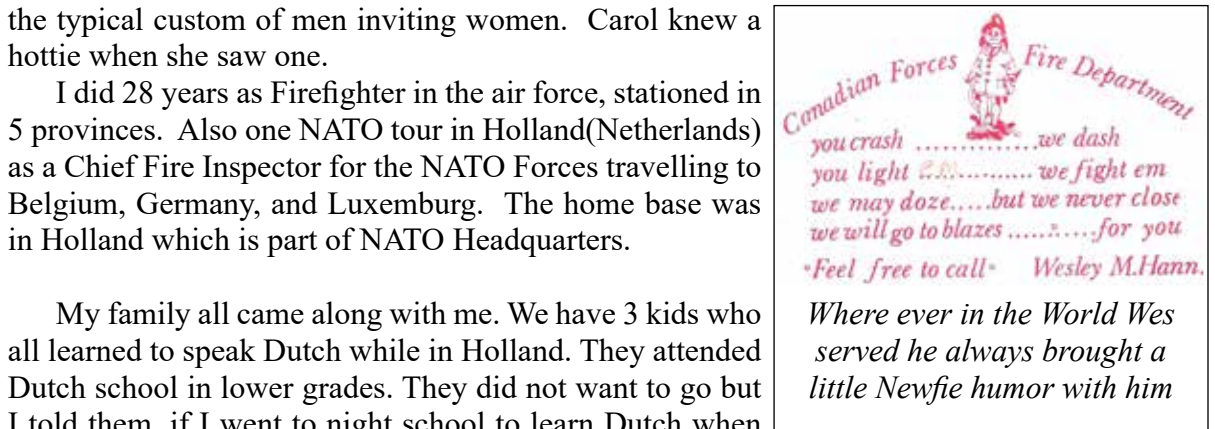

During this time I met my future wife Carol (from a farm near Portage La Prairie, Manitoba) We met at a Sadie Hawkins Dance. For those of you who are unfamiliar with Sadie Hawkins Dances, it is a dance where the women invite the men and ask them to dance, contrary to the typical custom of men inviting women. Carol knew a hottie when she saw one.

I did 28 years as Firefighter in the air force, stationed in 5 provinces. Also one NATO tour in Holland(Netherlands) as a Chief Fire Inspector for the NATO Forces travelling to Belgium, Germany, and Luxemburg. The home base was in Holland which is part of NATO Headquarters.

My family all came along with me. We have 3 kids who all learned to speak Dutch while in Holland. They attended Dutch school in lower grades. They did not want to go but I told them, if I went to night school to learn Dutch when

we got back to Canada no one would understand us and we'd have our own secret language That did it!! I did learn to speak Dutch by going to night school and playing cards for beer in a Dutch Pub Sunday mornings.

Moments I'm most proud of:

Retiring as a Fire Chief at the base in Gander,NFLD after 28 years in Military and not missing a pay cheque.

Hired in Churchill Falls, Labrador as Fire & Security Chief (day after being retired from Military) Churchill Falls was the biggest underground Power Plant in World at time. Retired after 13 years.

Wes enters parades with his grandchildren in Ontario

Having 3 Children, a caring & Loving Wife, 5 grandchildren and 6 great grandchildren all living in close proximity to Carol and I in Ontario.

How I got to Riviera Park:

I got to Riviera park through my Uncle Wes Billard. He was one of the first to buy a coach in the park which I own today. He passed at age 98 and left the coach to his daughter and I acquired it after I retired.

I have many short stories to tell in conversation, one that comes to mind is when I was driving a jeep for my work and I had a British Air Force co-worker in the passenger seat. After I made a stop at a stop sign, I asked him if it was clear his way to the right of me, (now you have to be very careful of bikes because bike paths ran parallel to streets) He said "yes" and since my side was clear, I let the clutch out and started to speed across the road to turn left. All of a sudden, I noticed a car coming at a good clip on my right, so I floored the gas

pedal, flew across the road over a bike path and just missed the vehicle on his side.

After I said to him ..You told me "Yes it was Ok". He said you never gave me enough time to finish. I was going to say "Yes, right after this car. I only got out Yes".

I told him you never put something negative in front of a positive.

Wes and Carol are wonderful people. Always offering good old fashion Newfie hospitality along with a little nip of Newfie Screech. Make sure to say hi to Wes and Carol.

Wes is a proud member of Canada's Military for 28 years

Wesley Hann, born, bred and proud of Newfoundland

Chakras

by Claudette

RED CHAKRAS

The 1st chakra is the red chakras and is the root chakras and is located at the base of the spine. It symbolizes safety, survival, grounding and nourishment from the earth.

Stones associated with the root chakra are fire agate, black tourmaline, blood stone, hematite and tiger eye. You can place the stone at the back of your butt by the tailbone or hold the stone in your hands.

The Adrenals are triangular shaped glands that cap each end of the kidneys. They secrete a variety of hormones including those that regulate the body's metabolism of fats, proteins and carbohydrates and ones that control the balance of salt in our bodily fluids. These glands also produce adrenalin, the hormone essential for our primitive "fight or flight" response, from which we determine the link between this gland and the root chakra's association with the issues of physical survival.

Each chakra is also associated with other elements other than organs such as these for the Root Chakra:

It is the root of support, it's color is red, it's main issue is survival/physical needs, associated body part are the bones, skeletal structure, elements and ruling planets are Earth and Saturn, Astrological Association is Capricorn, Associated sense is smell, Fragrances, incents and oils are Cedarwood, Myrrh, Animals and Archetypes are Elephant, Earth, Mother and Victims, Physical Dysfunctions could be Osteoarthritis, Emotional Dysfunction could be Mental Lethargy "spaciness", incapable of inner stillness Sacramental Association is Baptism, Foods are Proteins, meats, Developmental Age & Life Lesson 1-8 yrs and learning to stand up for yourself.

The Journey through the chakras begins with the Root (first) Chakra. It's Sanskrit name is Muladhara, meaning "root" or "support".

The root chakra is concerned with basic human survival. It has the lowest vibrational rate of all the chakras. There is a link between the Root Chakra and gravity, which constantly pulls us downward, connecting us with to our material existence.

Chakra Characteristics: See which of the following characteristics of excessive (too open), deficient (blocked), and balanced chakra energy you can relate to- and then determine how to better balance this chakra.

Too open (chakra spins too fast) - bullying, overly materialistic, self centered, engages in physical foolhardiness.

Blocked (chakra spins sluggishly or not at all) emotionally needy, low self-esteem, self-destructive behaviors, fearful.

Balanced (chakra maintains equilibrium and spins are correct vibrational speed) demonstrates self-mastery, high physical energy, grounded, healthy.

Exercise: Lay on your back w/arms down by your side. Knees bent w/feet on the floor shoulders width apart. Take a deep breath and press your lower back into the floor as you breath out. With the out breath, push your butt upward. Imagine a string connected to your tailbone being pulled towards the ceiling. Contract your butt to protect your lower back. Come downs slowly, bringing the upper back down to the floor first, followed eventually by the tailbone. Slide your arms outward to improve your balance, Allow yourself to rest for a few minutes, feeling your whole body connect with the earth.

Root Chakra Meditation:

1. Remain laying down or sit in a chair with feet on the floor. Breath slowly and deeply through your nose.
2. Tense each set of muscles in turn from your feet to your head, then relax each, gradually sinking into the floor or chair.
3. Visualize yourself in perfect surroundings (your happy place, mine is on the beach). You are safe, warm and secure.
4. Imagine who your people are with you in your happy place. Acknowledge each one. Feel their love radiate as a reddish golden glow penetrating every cell of your being, filling you with joy.
5. Imagine your inner mother looking benevolently down on you. Sense her smile enveloping you like a soft cloak. Know that she will never let you down. She is part of you and will always protect you.
6. Approach your inner mother. Hug, kiss and link arms. Enjoy the sensation. Take time to get to know each other. Enjoy the sensation and trust.
7. Welcome a treasure she has to offer you. Let your imagination go. Enjoy it, explore it, feel it. Thank your mother and let her know that you will treasure it and recall on it anytime you feel abandoned or victimized.
8. As you hold you gift, feel the energy of your inner mother's love channeled into your root chakra.
9. Focus on the smooth motion of the chakra and the warm , red glow that fills that part of your body, flowing down your legs to connect you with the Earth.
10. Enjoy the reassuring sensation of groundedness, security and stability before bringing your attention back to your everyday surroundings.
