President's Report

By Ray Lamoureux #9

The summer is flying by we had our first storm to hit Golden Acres this summer and no damage reported to anything in the park. The two directors and office that are year around Jerry and Sue and Karin handled everything to keep the park safe. Many thanks for their hard work. The reason we ask everyone to put away loose material that can fly around in a storm.

We are still having problems with streetlights. The ones on First Street keep going on and off all night long. The electricians have not found the answer to this problem as of this newsletter. The streetlight system has been in use since 1968 and the wiring keeps breaking down. We will probably need a new solution to the streetlights.

The clubhouse is now open for events and the summer recreation committee is holding events. Golden Acres is finally getting back to some normalcy after many months of staying away from each other because of Covid.

We had problems with the security cameras again. They were not transmitting information back to the office like they should on regular time. The transmitting disk was not working properly and needed to be changed also having problems with one camera.

The board hopes everyone is safe and we can have a full park this fall.

From the Editor's Desk

By Sue Bailey #188
suebail@tampabay.rr.com

On July 6th, Hurricane Elsa arrived on the Gulf side of Florida, heading up the coast. Luckily, by the time it hit here it was reduced to a tropical storm. It still had high winds of 65 mph and heavy rain, but no damage occurred in our park. That's why we have the rules and regulations that if you are leaving the park for the summer, be sure everything is put away and/or tied down since we don't know when a hurricane is going to occur. With flying debris and high winds, it could cause a lot of damage. We have a while to go yet for hurricane season (June 1 through November 30) and hopefully we won't have any more coming our way.

There are no official holidays in August. Probably because many take their vacation during this month to enjoy the great outdoors, beaches, picnics, or just sitting out at the pool. If you have had an occasion that you want to share, please send us an article and pictures for our newsletter. We love to read about what's going on with our residents.

In this month's newsletter you will read about our first summer event in two years! With more planned for the summer. It really felt great to be able to see each other again. Also, a warm welcome to a new resident in our park. More on Fraud Watch and News in Health.

Enjoy the rest of your summer and before long we'll all be reunited at our favorite place, Golden Acres!

Until next time,
May God bless and keep you well and safe...

Recreation Report

By Mark Johnson #174

Iwould like to take this opportunity to compliment Cindy Hubbard #114, and those responsible for planning summer events at Golden Acres. As we return to a safer environment for holding such events, it is comforting to know we have such capable and dedicated people in charge. Thank you guys.

I would also like to acknowledge Linda St. Peter #140, and Theresa McGrory #24, for their efforts in teaching line dancing the past several years. They have made the decision to discontinue the class, and we will miss their contributions.

Staying very warm in Minnesota!

The Summer Recreation Activities Resume

By Elaine Janes #216

The Summer Recreation Committee hosted the first activity in two years July 9, 2021. The Meet & Greet was attended by about half the people currently living in the park. Packaged snacks and soft drinks were enjoyed as the conversations flowed.

Mary Capone's 97th birthday was celebrated early. Jackie Meunier brought individually wrapped chocolate cupcakes so we could all toast this remarkable milestone. Mary's real birthday is July 23.

Debra Farris regaled us with a variety of guitar favorites. We imagined "Going to Kansas City" and "getting our kicks on Route 66" while tapping our toes and enjoying the beat. Did you know? Debra plays harmonica, too, while playing guitar. (She can not, however, play guitar, play harmonica, AND sing all at the same time.

It was a hot afternoon, but the Clubhouse was cool and inviting. Everyone enjoyed the camaraderie of being with old and new friends.

Next up: Bingo for prizes Thursday, July 15, 1:00 – 3:00 p.m.

Needed: GA Volunteer(s) To Become Our Librarian(s)

Fran Clark #47 has been our GA Librarian for many years and is ready to step down and give someone else the title. Fran has done an amazing job and we thank her so much for her dedication. She is willing to train her replacement (preferably more than one). The job requires taking the books that are in the return box (whether donated or returned) and putting them back on the shelves. There may be times when we have more donations than we have shelf space in which we donate the excess to our local library. It involves only approximately 2 times per week to keep our library orderly. Please contact Fran if you are interested in filling her position.

Welcome to a New Full-Timer

By Elaine Janes #216

Jean Hall is new to Golden Acres but not new to the area. She has lived in Pinellas County since 1985. She decided it was time to get rid of yard work and adopted the new motto: “Have more fun!” Jean lives in coach #44. She found Golden Acres while riding her bike through here and different parks, deciding where to move.

Jean enjoys do-it-yourself projects. She likes taking road trips. Jean hopes to get back into playing golf.

Jean grew up on a farm in Wisconsin. Her husband was from Evansville, Indiana so they lived there for twenty years. Jean has two sons; one lives in Zephyrhills, the other recently moved to Portugal. Jean is retired from twenty years in the investment field.

We welcome Jean to Golden Acres. We hope she is having more fun since her move to our park. Cheers to many years of happiness ahead.

You hear an ad on the radio or TV that describes how the world economy is shaky and the only thing you can really rely on during periods of economic uncertainty is precious metals. You call a toll-free number and are pitched on buying gold and silver coins that will undoubtedly go up significantly in value. What you are not told is that the coins are being sold at a 300-500% mark up and you will lose money the minute you buy them.

AUGUST DAYS

Lughnasadh, Aug. 1. A Gaelic festival marking the beginning of the harvest season.

International Beer Day, Aug. 6. Wherever you are in the world, enjoy your favorite brew responsibly.

World Elephant Day, Aug. 12. The elephant is loved, revered, and respected by people and cultures around the world, yet we balance on the brink of seeing the last of these magnificent creatures.

National Nonprofit Day, Aug. 17. Nonprofits help awareness, research, and aid reach the people who need it most.

Women's Equality Day, Aug. 26. The observance of Women's Equality Day commemorates the passage of the 19th Amendment, giving women the right to vote and calls attention to continuing efforts toward full equality.

NUMBERS IN THE NEWS

Did we drink more during COVID-19?

Locked down in 2020 because of the spreading coronavirus outbreak, many people baked bread, studied foreign languages, and stopped wearing pants. But did they drink more? It might have been tempting, but a study conducted on behalf of the Beer Institute (reported on the Craft Brewing Business website), found that most people didn't increase their consumption of beer and other alcoholic beverages, despite the assumption that drinking must have increased during the lockdown.

Echelon Insights conducted a nationally representative survey of registered voters age 21+ during March 1–4, 2021. One in five respondents indicated they did drink more beer, wine, and liquor last year, but the same number also reported drinking less, and 60% said their drinking habits hadn't changed at all since the beginning of the pandemic.

COVID-19 did have an impact on the beer industry, though. The pandemic resulted in a loss of almost \$20 billion in retail beer sales, and more than 561,000 U.S. jobs were lost, the majority in bars and restaurants that suffered from restrictions or closed outright.

AUGUST CALENDAR

American Artist Appreciation Month. The United States has been home to many amazing artists throughout history—Mary Cassatt, Jackson Pollack, Georgia O’Keeffe, Andy Warhol, and many more. Celebrate the month by discovering new American artists of all kinds. Check out your local museums and galleries to support local artists.

Children’s Eye Health and Safety Month. Along with shopping for back-to-school clothes and supplies, it’s time to make comprehensive eye exam appointments for the kids. Have your children’s eyes examined during well-child visits beginning around age three. Your child’s eye doctor can help detect refractive errors such as nearsightedness, farsightedness, astigmatism, and other diseases.

National Water Quality Month. National Water Quality Month is dedicated to making the most of the relatively small amount of fresh water we have. Clean water is vital to our individual health, our collective agricultural needs, and our environment.

Read a Romance Month. Love makes the world go around, right? In August people are ready for a romantic beach read. With no national holidays to distract you, you can make August an uninterrupted flow of all kinds of romantic reads.

Weekly

International Assistance Dog Week, Aug. 1–7. International Assistance Dog Week was created to recognize all the devoted, hardworking assistance dogs helping individuals mitigate their disability-related limitations.

Safe + Sound Week, Aug. 9–15. Successful safety and health programs can proactively identify and manage workplace hazards before they cause injury or illness, improving sustainability and the bottom line. Participating in Safe + Sound Week can help get your program started, energize an existing one, or provide a chance to recognize your safety successes.

Brake Safety Week, Aug. 22–28. Properly functioning brake systems are crucial to safe commercial motor vehicle operation. Commercial motor vehicle brakes are designed to hold up under tough conditions; however, they must be inspected and maintained carefully and consistently so they operate and perform properly throughout the vehicle’s life.
