## PRESIDENT'S LETTER

---

Can you believe July is already gone? Hope everyone enjoyed the 4th of July picnic we had at the bay. It was a great time, thank you to Sandy, Mark, and the volunteers for helping put this on. Also want to thank Mike for music provided that evening.

Hopefully by the time this comes out we should have the clubhouse open.

FYI: Social Club is only involved in social events, we do not make or change rules within the park. There has been misconceptions in the past about this and I just wanted to clarify.

Rob Lloyd

## WE CARE

---

*Dorothy Ravner*

I am sorry to announce to you of the passing of Frank Darche in July. Condolences were sent to Rosemary Darche, , 1 Elmwood Farm Dr., Hanover, Ma 02339.

Many of you remember Frank's band and how many times he played at the Clubhouse.

## KOFFEE KLATCH

---

*By Sandy Rassmussen*

Thanks to Mark Rassmussen who still gets up at 5am and meets Henry from Sunshine Bakery to get Saturday morning donuts. We are currently meeting down at the Bay at 8-9 am watching the beautiful sunrise, or by the Laundry room during wet weather. We have had a few birthday parties, when donuts are free, or there is \$1.00 for donut and coffee. We will continue to adhere to social distancing and facemasks if you are not vaccinated for everyone's protection.

## WELCOME WAGON

By Sandy Rassmussen

---

Welcome wagon has been meeting at the Card House due to warmer weather. Mark has provided his burnt hotdogs (which are always a hit) . We have had an average of 35 people attending, 4 new residents a month.

## SHUFFLEBOARD

By Sandy Rassmussen

---

Shuffleboard games have been continuing, with adjustment to start times due to light issues. There have been no lights in the back area due to construction, so playing during day hours has worked well. Now it is getting warmer, we have changed the time to 6:30pm. Hope to see you there. We have asked for poles to be placed by the benches for sun coverage, to place umbrellas during the day. Check out BSW residents facebook page for updates

## GOLF CART POKER RUN

---

Poker Run has been happening monthly, 5-7pm starting at the pool. Thanks to Rob Lloyd for organizing this fun activity. Money pots have been averaging \$125.00. You do not need to know how to play, join us at the pool, pay \$5 and get a playing card in an envelope, then you socialize for 15 min. Then all karts go to the second home, which include goodies, another envelope and socialize, this continues up to 5 homes. Once you are at the last home, you open all envelopes and then compare your hand to everyone and the best poker hand wins the pot. fun...fun...fun

## THE TRUTH ABOUT WOMEN OUR AGE

**W**e've seen at all. We've done it all. We've been around the block. We're living large.  
 We're so in charge. Old Ladies? What a crook!  
 We've just begun to have fun! We've earned each little wrinkle. Say it loud. Say it  
 proud, and when we laugh we tinkle.  
 Real women feel it's no big deal to add another candle – We're old! We're bold! We're solid  
 gold! There's nothing we can't handle!

## The true nightingale

---

**H**ans Christian Andersen’s fairy tale, “The Nightingale,” tells the story of a Chinese emperor so attracted to the singing of a nightingale outside his window that he invites the bird into his palace to live with him. At first they’re happy together, but then the emperor receives a mechanical nightingale as a gift. Losing interest in the living nightingale, he sends the bird back to the forest.

Years later the emperor lies dying. The nightingale returns to his bedside to sing to him one last time. Her song is so moving that Death allows the emperor to recover.

According to the Listverse website, the inspiration for the tale may have been Jenny Lind, a famous singer known as “the Swedish Nightingale.” Andersen was in love with her, but she didn’t return his love, choosing instead to marry Fredric Chopin, the Polish composer.

“Through Jenny Lind I first became sensible of the holiness of art,” Andersen wrote in his memoirs. “Through her I learned that one must forget one’s self in the service of the supreme. No books, no men, have had a more ennobling influence upon me as a poet than Jenny Lind.”

## Winning as one

---

**A**n anthropologist proposed a game to some children in Africa. He placed a basket of fruit near a tree and told them that whoever got to the tree first could have all the fruit.

When he gave the signal to go, all the children held each other’s hands and ran to the tree together. Then they sat in a circle enjoying the fruit.

When the anthropologists asked why they’d run as a group when the winner could have had more fruit on his own, one child said, “How can one of us be happy if all the other ones are sad?”

## Labor saving?

---

**A**ccording to an anecdote, Thomas Edison had a summer residence he was very proud of. He enjoyed showing visitors around the property, pointing out various labor-saving devices. At one point the visitor had to pass through a turnstile in order to take the main path back to the house, and considerable effort was needed to move the turnstile.

The visitor asked Edison why, with all the other clever gadgets around, he had such a heavy turnstile. Edison replied, “Well, you see, everyone who pushes the turnstile around pumps eight gallons of water into the tank on my roof.”

**World Elephant Day, Aug. 12.** The elephant is loved, revered, and respected by people and cultures around the world, yet we balance on the brink of seeing the last of these magnificent creatures.

**National Nonprofit Day, Aug. 17.** Nonprofits help awareness, research, and aid reach the people who need it most.

## NUMBERS IN THE NEWS

### Did we drink more during COVID-19?

**L**ocked down in 2020 because of the spreading coronavirus outbreak, many people baked bread, studied foreign languages, and stopped wearing pants. But did they drink more? It might have been tempting, but a study conducted on behalf of the Beer Institute (reported on the Craft Brewing Business website), found that most people didn't increase their consumption of beer and other alcoholic beverages, despite the assumption that drinking must have increased during the lockdown.

Echelon Insights conducted a nationally representative survey of registered voters age 21+ during March 1–4, 2021. One in five respondents indicated they did drink more beer, wine, and liquor last year, but the same number also reported drinking less, and 60% said their drinking habits hadn't changed at all since the beginning of the pandemic.

COVID-19 did have an impact on the beer industry, though. The pandemic resulted in a loss of almost \$20 billion in retail beer sales, and more than 561,000 U.S. jobs were lost, the majority in bars and restaurants that suffered from restrictions or closed outright.

# FLORIDA ANCHOR AND BARRIER COMPANY

To our valued customers:

During the current times we wanted to let you know that we are taking as many precautions as we can to ensure not only our workers safety but yours as well. We check workers' temperatures each morning and have limited the amount of contact our crews have with each other. Our crews work in Tyvek suits with respirators which helps to ensure your safety as well as theirs.

As a company, we want your business and there is no need for any contact if you so choose. Our business is deemed an "Essential Business" and we are here for you when you need us. You can schedule your inspection by calling 1-800-681-3772.
