AUGUST, 2021 Westwind II “Hi-Lites” CONDENSED EDITION

Tim Burgner, Editor

The ONLY way to receive the “Hi-Lites” Magazine is to get on the email list.

Two years ago, I added the “PG-13 Laughs & Giggles” to the “Hi-Lites” Magazine. When I write that If you’re not getting the “Hi-Lites” MAGAZINE, you’re missing out on ALL the “FUN STUFF” and you’re only seeing HALF of the “Hi Lites,” this is just one of the items you’re missing! MANY of the comments I receive is that people do enjoy the “PG-13” jokes & cartoons. If you’re not already getting the emailed “Hi-Lites” Magazine, give yourself a treat and get on the email list. “TRY IT; YOU’LL LIKE IT!”.....

MITRENGRUB@GMAIL.COM

Are YOU getting the “Hi-Lites” MAGAZINE? If not, you’re missing out on ALL the “FUN STUFF.” The MAGAZINE is sent out 2 weeks before the published park edition is delivered. It is FULL of COLOR pictures instead of ads. It’s sent out 12 months a year. It’s FULL of color and it’s FREE!...More than 300 people are now on the list...YOU should be too....Just send an email to **mitrengrub@gmail.com** to get on the list...SO SIMPLE!.... See what you’ve been missing. If you’re not getting the MAGAZINE, you’re NOT seeing the “Hi-Lites.” (NO ONE will see your email address.)

SEE WHAT YOU’RE MISSING...GET ON THE “Hi Lites” MAGAZINE LIST TODAY!
mitrengrub@gmail.com

(When you see this note, it means you are missing part of that article which had to be deleted to make room for the ads. Usually it’s pictures - anywhere from one to 20 - sometimes more. This is why people get the MAGAZINE EDITION. If you’re still not on the list, you’re missing a LOT!.....(“Try it; You’ll LIKE it!”).

DID YOU KNOW?

There are now FIVE (5) ways to get current information on what’s happening in Westwind.

ALWAYS a GOOD idea to check-out the bulletin board in the clubhouse now and then to see if any thing new comes up you might want to do.

THIS AUGUST “HI-LITES” IS DEDICATED TO OUR FRIEND & NEIGHBOR, ROBERTA SZYMCZAK - #464

THANKS TO ANITA & GREG RHORDANZ FOR SENDING THESE PICTURES AND STORY

Roberta was a good friend to us for many years. We had some fun times when she still could go out. Before we moved to WW-2, Roberta & Ludd were part of the "Monkey Bar" group: Terry/Larry Brandt, Art/Gerry Robinson, Joe/Rachel Wallace, Ross/Peggy Hadley.

Roberta spent the last 2 months with her daughter & family until our Lord called her home to get her Angel wings.

We all will miss her. She was a sweetheart.

IMPORTANT MESSAGE FROM THE EDITOR OF “Hi-Lites” Magazine

Beginning with the *JUNE* edition of the “Hi-Lites” Magazine, I am **ONLY** including articles, pictures, announcements, calendar entries, cartoons, jokes, etc. that **OTHERS** send me. For the summer months, I will no longer be sending out emails requesting these items for the “Hi-Lites.” (I will continue to send out “Due Date Reminders.”). Because Westwind II still has a published edition hand delivered to our residents, something still needs to be sent to the publisher each month.

PLEASE continue to send articles and pictures that I can put into the “Hi-Lites” over the summer months....That would include: “BIRTHDAY/ANNIVERSARY CLUB,” “MEET YOUR NEIGHBOR,” “BEEN THERE; DONE THAT,” “LETTERS TO THE EDITOR,” “LAUGHS & GIGGLES,” “HOW I SPENT MY SUMMER/WINTER VACATION,” “PG-13 LAUGHS & GIGGLES,” PROMOTIONS FOR UPCOMING EVENTS AND PICTURES -LOTS OF PICTURES.

THANKS TO MIMI HUFFMAN FOR THE FOLLOWING:

New Westwind Website Goes Live

Westwind I is happy to announce that our new website is up and running. We are hoping that you will find this website easy to navigate and helpful. We also look forward to finding more ways that we can use this as a convenient tool to help improve our daily lives and communication within our community. It will be a “work in progress” and we look forward to feedback from community members as to how this can be improved. Suggestions can be made through the “Contact Us” page and sent to the Webmaster/Website. *We especially look forward to making this a community wide website with the addition of the Westwind II events and information.*

To protect our residents and maintain their privacy, certain parts of the website will require a login to view. We recommend that all residents register for an account on the website. This will allow you to view all parts of the website. If you need assistance in registering you can stop into the Westwind I Office for instructions. John Schoen is also available after Westwind I coffee on Tuesday morning for anyone needing assistance.

COVID has certainly made this past year a challenging one in so many ways, including developing a website. We look forward to continuing to grow and improve over time. We also look forward to having all of you join us.

New Website: westwindroc.com (old website will redirect)

MEET YOUR NEIGHBOR:

We never imagined that in 1978, our first visit to Westwind 2, we would later become "second generation" residents of this community.

The stars aligned on Valentine's Day, 1964, with Joyce's college roommate and Frank's college carpool buddy arranging a blind datelove at first sight!

Frank went on to serve in the army then to enjoy a successful career with IBM in NY's mid Hudson Valley. Joyce fulfilled her dreams of becoming a teacher and a mom to two wonderful children; Jennifer, mother to our two grandchildren, now lives in the Cincinnati area and Stephen resides in the Albany, NY area.

Upon retirement Frank pursued several interests: school mentor, regional church volunteer and president, wood turner and golfer with some good friends. Joyce's interests led her to quilting with church friends and historical gardening at the local museum.

Hurley, the little village that we called home for 35 years offered a delightful place to raise a family. Main Street, a national historic landmark site, grounded the family in both history and community. We were able to find both of those attributes in Westwind as we pondered the inevitable downsizing ritual. We already owned lot 159 that had been Joyce's parents so we practiced being snowbirds for several winters. And then, one day, on a long ride back to NY, we both realized it was time for less driving and more time for cruising, traveling and more relaxing. "House for Sale" and here we are....

It doesn't get better than this!

Frank & Joyce Pinckney

Will YOU be remembered by the WW II Park Community?

Editor's Note: ***MANY THANKS TO JOYCE & FRANK PINCKNEY FOR THEIR GREAT ARTICLE!!*** If YOU would like to be a part of the "Meet Your Neighbor" series, please send me an e-mail. Thank you in advance for keeping "Meet Your Neighbor" in the "Hi-Lites." I am still reserving months in 2021...Please contact me ASAP.)

LETTERS TO THE EDITOR

THANKS TO LYNN MILLER FOR THE FOLLOWING:

Hey Tim,
Soooo, this is the third Hi-Lites issue in a row to include my reminder to STOP!! Thank you for repeating this, and I think it might be working on a few people anyway. I have seen more cars either really slow down or stop at Fourth St/Tweedy over the past few weeks. Can't say if it's also working throughout the rest of the park overall.

I do love the new signs that WWI has added about slowing down and obeying the 15mph speed limit. Perhaps WWII might add those to some of our existing signs.

Lynn Miller

LETTERS TO THE EDITOR

Tim
I did put two of these signs up on first street. Also as the summer progresses I will be repainting the streets at each stop sign with a 72"x12" bar and the word STOP in safety yellow reflective paint. Also I am looking for the proper stencils to paint SPEED LIMIT 15 MPH at various intervals throughout Westwind.

PUBLIC SERVICE ANNOUNCEMENT

THANKS TO DON ROWAN FOR THE FOLLOWING:

✕ MICROWAVING WATER ✕

***IMPORTANT* must read.**

A 26-year-old man decided to have a cup of coffee. He took a cup of water and put it in the microwave to heat it up (something that he had done numerous times before). I am not sure how long he set the timer for, but he wanted to bring the water to a boil. When the timer shut the oven off, he removed the cup from the oven. As he looked into the cup, he noted that the water was not boiling, but suddenly the water in the cup 'blew up' into his face. The cup remained intact until he threw it out of his hand, but all the water had flown out into his face due to the build-up of energy. His whole face is blistered and he has 1st and 2nd degree burns to his face which may leave scarring.

He also may have lost partial sight in his left eye. While at the hospital, the doctor who was attending to him stated that this is a fairly common occurrence and water (alone) should never be heated in a microwave oven.

The superheated liquid will bubble up out of the cup - when it is moved, or when something like a spoon or tea bag is put into it.*

To prevent this from happening and causing injury, do not heat any liquid for more than two minutes per cup. After heating, let the cup stand in the microwave for thirty seconds before moving it or adding anything into it.

Pass this on, you could very well save someone from a lot of pain and suffering.

General Electric's Response:

Thanks for contacting us; I will be happy to assist you. The e-mail that you received is correct. Microwaved water and other liquids do not always bubble when they reach boiling point. They can actually get superheated, and not bubble at all. The superheated liquid will bubble up out of the cup - when it is moved, or when something like a spoon or tea bag is put into it.

To prevent this from happening and causing injury, do not heat any liquid for more than two minutes per cup. After heating, let the cup stand in the microwave for thirty seconds before moving it or adding anything into it.

Pass this on, you could very well save someone from a lot of pain and suffering.

PAT HAS A NEW HIP!....This necessitated the installation of new grab bars in the showers and the construction of hand rails at all the exit doors.

Pat's son, David, & I built the ft. porch hand rail. This was the 1st one built and it allowed Pat to go outside one week after her surgery.

The back door wrought iron hand rail was bought used. It was refabricated to make it square with the steps. It's very well made and is very heavy - unlike the sheet metal railings sold at the home centers.

The garage hand rail cost \$0.00 - built from left-over lumber and fasteners. Hand tools and a 3/8" drill were used to make it.

The deck hand rail is unique in that it folds down, allowing both bedroom security screen doors to still fully open.

3. Is your doctor personally calling and texting to check on you?
4. Has your doctor called you to explain your risk of coronavirus?
5. Is your doctor's office offering doctor phone visits?
6. Does your doctor allow walk-in visits?
7. Are you able to call your doctor anytime, day or night?
8. Do you have any difficulty getting to and from your doctor?
9. Is your doctor helping to make sure you receive all of your prescription refills?
10. Is your doctor offering to help you get your medications delivered?

crazy—as in standing-on-the-balcony-firing-paintball-guns-at-strangers crazy. She is also Elsa’s best, and only, friend. At night Elsa takes refuge in her grandmother’s stories, in the Land-of-Almost-Awake and the Kingdom of Miamas, where everybody is different and nobody needs to be normal.

When Elsa’s grandmother dies and leaves behind a series of letters apologizing to people she has wronged, Elsa’s greatest adventure begins. Her grandmother’s instructions lead her to an apartment building full of drunks, monsters, attack dogs, and old crones but also to the truth about fairy tales and kingdoms and a grandmother like no other.

My Grandmother Asked Me to Tell You She’s Sorry is told with the same comic accuracy and beating heart as Fredrik Backman’s bestselling debut novel, *A Man Called Ove*. It is a story about life and death and one of the most important human rights: the right to be different.

I hope you enjoy this book and look forward to seeing you on the 31st.

When you renew your homeowner's insurance (or when you buy it for the first time), remember to send a copy of the Insurance Declaration page from your policy documents to the Park Office. “WILL WORK FOR BEER”

Someone in WW II asked if we could try to bring back our old “Help Out Your Neighbor” that used to be in the “Hi Lites.”

Well.....we are! and here it is: We're calling it by a NEW name - "Will Work for Beer." If you have a SMALL job that needs to be done and would like an extra hand, one of these people can probably do it. (We're not talking about anything major. This is not meant to be for "handyman projects." It is meant for something relatively simple that should only take a few minutes to complete (installing fluorescent bulbs, programming a TV remote, hanging a curtain rod, getting something down from a top shelf, etc.) It is meant to be a FREE service. You are not expected to pay anything - even a free beer. This service will be provided to WW II residents We are looking for MORE names for this list. If you would like to be included, please call or e-mail me - Tim Burgner.

Just call anyone's name on this list. They'll let you know if they can help or refer you to another person.

SOCIAL CLUB NEWS

SOCIAL CLUB PRESIDENT'S LETTER

Hi everyone,

Our events coordinators, Rose Sullivan and Debbie Grandmont, have been very busy planning activities for the coming year. We are always looking for committee persons to chair any event that they may think would be of interest to our community including holiday dinners.

We have a nominating committee for the social club for 2022. Karen Hanafin and Becky Gump are the co-chairs for that committee. Anyone who is interested in running for a position on the social club board or as a trustee, please contact them. We will have that election in December prior to the end of the year.

...continued on page 44

Below are some of the activities that are scheduled for 2021/2022 season:

Coffee and donuts will be the first and third Tuesdays of the month.

Beginning in November, the first Tuesday will also be a meeting at nine followed by coffee and donuts.

The last Wednesday of the month -starting in January- we will have our grill.

Along with our regular events, we have some special events that will be occurring: 11/19 welcome party, 12/9 Christmas party with entertainment, 1/12 comedian, "Hardly Worth it," 2/11 Bobby Palermo, 3/17 St. Patrick's dinner, 3/19 art walk, 4/10 ice cream social. Bingo and military whist will begin again in November. Please check the calendar for dates and times. We will have a grill and "horse races" on 12/5, 1/9, 2/13, and 3/13.

Please check the monthly calendars for times and ticket prices -if any- and any changes that may occur during the season.

We look forward to a happy and fun time here at Westwind II.

Please check the Facebook page: "Westwind II social club" for updates. We are also moving forward towards our website along with Westwind I. I will keep you posted.

Thanks,

Jane Merucci

THANKS TO ALICE WEBER FOR THE FOLLOWING:

Over The Hill

When you officially know you are truly "over the hill."

During a long day of looking around Cabela's, me, and a couple of my [single] friends stopped in at Hooter's for some hot wings and drinks.

After being there for a while, one of my friends asked me which waitress I would like to be stuck in an elevator with.

I told them, "The one who knows how to fix elevators."

Alice Weber

Diagnosis

The psychology instructor had just finished a lecture on mental health and was giving an oral test.

Speaking specifically about manic depression, she asked, "How would you diagnose a patient who walks back and forth screaming at the top of his lungs one minute, then sits in a chair weeping uncontrollably the next?"

A young man in the rear raised his hand and answered, "A basketball coach?"

Jury Duty

Mrs. Hunter was called to serve for jury duty, but asked to be excused because she didn't believe in capital punishment and didn't want her personal thoughts to prevent the trial from running its proper course. But the public defender liked her thoughtfulness and quiet calm and tried to convince her that she was appropriate to serve on the jury.

"Madam," he explained, "this is not a murder trial! It's a simple civil lawsuit. A wife is bringing this case against her husband because he gambled away the \$12,000 he had promised to use to remodel the kitchen for her birthday."

"Well, okay," agreed Mrs. Hunter, "I'll serve. I guess I could be wrong about capital punishment after all."

TWELVE COMMANDMENTS FOR SENIORS!

THANKS TO MAX HERRMANN FOR THE FOLLOWING:

- #1 - Talk to yourself. There are times you need expert advice.
- #2 - "In Style" are the clothes that still fit.
- #3 - You don't need anger management. You need people to stop pissing you off.
- #4 - Your people skills are just fine It's your tolerance for idiots that needs work.
- #5 - The biggest lie you tell yourself is, "I don't need to write that down. I'll remember it."
- #6 - "On time" is when you get there.
- #7 - Even duct tape can't fix stupid - but it sure does muffle the sound.
- #8 - It would be wonderful if we could put ourselves in the dryer for ten minutes, then come out wrinkle-free and three sizes smaller.
- #9 - Lately, You've noticed people your age are so much older than you.
- #10 - Growing old should have taken longer.
- #11 - Aging has slowed you down, but it hasn't shut you up.
- #12 - You still haven't learned to act your age, and hope you never will.

And one more:

"One for the road" means using the bathroom before you leave the house.
