Social Committee Tidbits

Mary Gilmore

As Elsa was passing over Cuba as a tropical storm, many of us hoped that the mountains of Cuba would disrupt Elsa's formation. Elsa's speed slowed down, but as the storm travelled up the west coast of Florida, it strengthened to a category 1 hurricane with a wind force of 74 mph. All the time it was traveling up the coast of Florida, we were making preparations at our homes. The pool furniture was put in the sheds and the remaining awnings at our clubhouse were lowered. Our flags were taken down. All we could do then was wait and keep listening to the weather forecasts.

The hurricane was to hit at night or early in the morning. Some folks had second thoughts about staying in their home, but at the time, no shelter was open. Many of us did not have a sound sleep that night. We would get up to listen to the latest facts about the storm and look to see what was happening outside. Thankfully, Hurricane Elsa travelled further west in the Gulf and did not make landfall in our area. Boca Ciega did not sustain damage. Our storm drains were able to keep up with the water on the roads.

Two days before Elsa arrived, we celebrated Independence Day at Cody's Roadhouse on West Bay. We had a section in the restaurant to ourselves

off of the bar. Not too shabby. A pail of salted peanuts was back on the tables. Fourteen residents and two guests attended including Rich and Betty Cerny, Norine Enot, Bob Robortella, Doris and Richard Charlesworth, Kathleen Kohler, Marlene and Ervin Winczewski, David Grubb, our newest resident who bought Tony Power's home, Karen, David's sister, Kenny, David's brother-in-law, Virginia Fuchtman, Terry Maegdlin, Shirley Mann and myself. We had a fun afternoon enjoying a good meal and fellowship with our friends and neighbors. Something that impressed many of

us was that David made an effort to walk around after our meal and introduce himself to residents that he had not met at Boca Ciega. That was good of him.

You would think that before the hurricane season gets into full swing in August and September, Scott of J.S.S. Construction would get a bobcat over to Boca Ciega and push the piles of stones and dirt on the lawns between homes at #24 and #23, #22 and #21, and #12 and #11 into the ditch. There is no excuse now that there is not enough fill to work with.

After a three day stretch of heavy rains

and thunderstorms, Terry and I walked along the ditch to see the vegetation that Marlene had described as never having seen before. The vegetation was a combination of exotic weeds and marsh grass. Quite remarkable. The weeds were about four feet tall. We should be able to harvest them soon. The pipe system was taking care of the water. No water was in the ditch. After the hurricane, Virginia and I walked along the ditch. The pipe seems to have risen in one area. There now is water in the ditch along both sides of the pipe. At the flange, water is not moving at all. If Scott would get the stones and

dirt into the ditch where the fill belongs, then the pipe might settle again into place and the system will continue to work during hurricane season. Virginia said that there are plans to cut the vegetation along the edge of the ditch and in the ditch.

As many of you know, our friend and neighbor, Ginny Tracy in #53 has passed away. She was 86. Ginny was a long-time resident of Boca Ciega who came to our park from Holiday

continued on page 16

Campground on Park Boulevard. When Holiday sold to a condo developer, Merle and Doris, George and Betty, Rich and Betty, Lee and June, and Ginny found Boca Ciega. Ginny's carport was the gathering place for the all year rounders and anyone else who walked or bicycled by. We were always welcomed to sit and visit with Ginny. All the problems of the world were talked about and solved in Ginny's carport. Jokes abounded and personal stories were remembered and shared. Ginny's laugh was something everyone enjoyed hearing. Ginny's daughter, Lynn said, Mom's laugh and Shirley Mann's laugh are something you remember. Many birthday parties were celebrated at Ginny's over the years. Ginny's neighbor and friend, Keith, was there to get a seat for folks and help out Ginny in any way that he could. Ginny was an excellent baker and made many birthday cakes and other goodies. If Ginny was sitting alone at her table, you would be right if you said that she was probably working on a crossword puzzle. She felt it challenged her mind. If she wasn't working on a puzzle, she might have been playing cribbage with friends. She played cribbage at the clubhouse and also poker with her poker buddies and Bingo on Wednesday nights. Again, if you heard that laugh of hers, Ginny was there. She is sorely missed. May the souls of the faithful departed, through the mercy of God, rest in peace. Amen.

Prayer For The Protection From Hurricanes

God our Father, Creator and Lord of the Universe, you have set the Earth on its foundation and all the elements of nature obey your command. We humbly ask you to keep us safe from all dangers and calm the storms that threaten us. May we be secure in your loving protection

and serve you always with grateful hearts. We ask this through our Lord, Jesus Christ, Your Son, who lives and reigns with you and the Holy Spirit, one God forever and ever. Amen.

Boca Ciega Estates For Sale or Rent

We are desperately looking for a place to rent at Boca Ciega for the winter of 2022. We rented unit 31 in 2020 and absolutely loved the whole atmosphere of the park and the people we met. Unfortunately, this unit has now been sold. We can't imagine spending a winter anywhere else after the wonderful experience we enjoyed at Boca Ciega.

Personal information:

Helen and Ron Jolly

647-828-3116 (cell)

905-951-0957 (home)

email, helenjolly93@gmail.com.

Also, I am sure Julie and Bill, unit 17 would supply a reference.

Introducing, Christine Merrikin and Ben Champagne.

On our next adventure in retirement, we would be so excited to be part of your Boca Ciega Community in the near future.

Life being so wonderful, has allowed us the opportunity to enjoy golfing, baseball, hockey and volunteering in the community of Petawawa, when needed. We have recently sold our houseboat which we enjoyed for the past 16 years with so many fond memories of being on the Ottawa River.

Being in Florida, we have to admit that we won't miss the -30 degrees Celsius weather in the winter, but we once were avid skiers. We are extremely excited to spend 6 months in Florida to golf and swim every day.

Please email to: cam1821@hotmail.com

Hope to meet everyone down the road.

Cheers
