# Paradise Island Progress

By Paul Snellenberger, President Co-Op

Here are a few of the many projects on which the Co-Op Board and Committees have been working.

- 8 AC units are being replaced in the Clubhouse.
- As many of the surrounding neighbors adjacent to Pond 3 (Webster) are aware, when we have a heavy rain the drainage system has been inadequate to keep up and as a result water overflows onto Palm Island Street. There is a drainage pipe that is designed to move excess water from Pond 3 to Pond 2 (large one near the Clubhouse). After an inspection it was determined that the drainage pipe is partially blocked due to debris buildup over the years. We have contracted with a company to clean and video the pipes between Ponds 2 and 3.
- The non-potable irrigation system that is 35 years old is being replaced with a new system utilizing Variable Frequency Drive controllers and equipment.
- Matthews Lawn Care company cancelled their contract giving us a 30-day notice due to a lack of sufficient workers. The Board contracted for a 9-month trial period with Millennium Lawn and Landscape, Inc. to provide mowing, edging, trimming, and blowing. All turf areas will be mowed weekly from April 1st to September 30th and bi-weekly from October 1st to March 31st. Millennium's services also include the raking and removal of leaves around all resident homes during the appropriate season. The raking and removal of leaves will be a new service for us and will eliminate the need for residents to bag up their own leaves. If you have concerns, please email our Community Manager [pimanager@paradiseislandlargo.com](mailto:pimanager@paradiseislandlargo.com) who will forward them to the Crew Leader.
- The Pavilion concrete slab and wood supports, where the BBQ grills are, is deteriorating and needs replacement. A new foundation and concrete wall will be installed to the existing slab height.

Just a reminder that all official Co-Op announcements and notifications will be posted on the Paradise Island Largo Facebook Group page. If you have not joined yet, please do, so you will have access to accurate and current information.

It is the intention of the Co-Op Board to listen to the concerns of ALL Paradise Island residents and do what we can to preserve, protect and enhance the common elements of our community. Often, progress is slower than what we would like. However, slow progress is still progress.

## Media Delivery

By Harold Noeller

We need volunteers to deliver the Monthly Media books. There are 13 delivery routes in our community and need to fill a couple of routes. I would also like a few volunteers to be a back-up for any vacation or sickness time. A typical route takes about an hours' time at the end of each month

If interested, please call Dave DeYong at 727-531-8426.

## The Paradise Island Homeowners Association

By Rose Petito

Greetings from the HOA. Let me introduce myself as the current president. I am Rose Petito and I have been a resident in Paradise Island for about three years. I retired from nursing after forty years. Jacob is my dog; you may have seen him on Facebook. It is my pleasure to serve the community. Along with the board, the many residents that have come forward to volunteer on various committees and the joint effort with the co-op alliance, I believe strongly that Paradise Island will grow stronger and greater for everyone. As it was mentioned in last month's Media, good communication is the key to successful outcomes. Since February, the board has been working diligently on many projects. The first and foremost is the Bylaws. Happy to say we are closer to the finish line, if not already there. We will keep you updated through our efficient media committee. Another great announcement is we are still on target to start BINGO on September 9. Committees have been working within CDC guidelines, others have been working on new and improved ways to make this night of fun safe and enjoyable. Please feel free to contact any of the board members if you have questions. We can use more volunteers to assist with Bingo and in the kitchen. Our next scheduled resident's meeting will be September 1 and we are looking to have an in-person meeting for the first time in over a year and a half! We will try to provide a Zoom connection for those who are not able to attend in person. Before I sign off, I would like to personally thank Dianna Gilmore for all she contributed while on the BOD. As we move forward let's each remember we learn from the past but we don't live in the past.

## HOA Membership Drive

By Dawn Foss

**Y**our HOA is looking to increase our active membership. What does that mean? What do I do? How does it work?

It's very simple. Just contact Rose or Cindy. Their contact info is below. That's it! You'll be added to our rolls as an active member and receive a membership card. What does it all mean? You will get timely information from the HOA about what we are and what we are doing. You will have an active voice in the HOA and our future goals and activities. We look forward to hearing from you!

# Craft Club

By Wendy Milledge

I'm happy to announce that the Craft Club is meeting in the clubhouse once again. We're looking forward to seeing familiar faces and hoping to see some new faces. We meet on Wednesdays from 1 to 3. Each week we work on projects that we sell. All of the money raised from the sale of these projects goes back into the community or for the purchase of new supplies. All supplies and equipment are provided.

This year, we're asking people who want to attend to sign up on the roster in the clubhouse or call me. This will give me an idea of how to plan for supplies. Generally, we all work together on the same project, either individually or in teams.

According to current CDC guidelines, those who are vaccinated don't need to wear a mask in the clubhouse. If you have not been vaccinated, please wear a mask for your safety and the safety of those around you.

If you have questions or want to sign up, please call or text me, Wendy Milledge, at 443-553-0426.

# Social Committee Update

By Marcia White

Here we are in August already. It seems like the summer is really going fast. Soon it will be Fall and hopefully our northern neighbors will start returning and once again our Paradise will be full of fun and laughter and good times with old friends.

Gail Barber, who was our chairperson for Cards, has resigned due to illness and we will need one of the card players to please step up and take this position. We have no way of knowing what you need without someone overseeing the process. In other words we can't continue to supply you with cards, score sheets etc without someone letting us know what is needed. We need only one person to handle this and it will need to be one of the card players since they know what and how many of everything needed. Please contact me at 727-953-3616 so that we can add your contact information to our activity chairpersons list. Thank you in advance for helping out.. Gail we want to say Thank You so much for all the time you handled this and we wish you a speedy recovery. Get Well Soon!!!!

As an FYI to all current volunteers: If you are resigning your position you will need to let either your director know or the secretary of the PISC so that we can keep our files updated. This also applies to all new volunteers who might agree to take someone's place for them. We need to know who is in charge at all times in case we need to contact you for any reason. Thank you in advance for your cooperation. We appreciate all of you and want to make sure you are recognized as the go to person.

In July, Walt and Cindy were able to host our first parade under the SC umbrella and what a parade it was. We are so looking forward to see what the holidays bring. Once again I want to Thank Walt Pfeifer for stepping up and volunteering to host the parades for us. He has some great ideas and at our first meeting in the fall, he will be presenting them to the SC for support. Our meetings are open to all residents so anyone wishing to join us is always welcome. We host our meetings in Oct.-April on the Second Tuesday of each month at 10:00 am. No meetings are held in May-Sept. unless we call an emergency meeting for some unknown reason.

July also hosted our second pool party for the summer and once again great job by all. It's so nice to see everyone coming out and socializing again and having fun. We are well on our way to returning to Paradise. A big Thank You to Nancy and Steve especially, for volunteering to host these events and we can't forget the great grill masters.....

The August Pool Party has been moved to Aug. 21st. Be sure to change the date on your calendar. You don't want to miss it all the fun and good food being served up by some great cooks. August is a quiet month for the SC so we currently have no other activities booked for this month.

Several of us go on vacation during this time but if anyone has any ideas that they would like to see added in August please feel free to contact me 727-953-3616 or at [wte@tampabay.rr.com](mailto:wte@tampabay.rr.com)

Here's hoping we are all vaccinated by now and are ready to join in the upcoming events we have for the fall and winter months. Remember to stay diligent when out and about. Those variants are still on the rise and we can't quit now.

Until next time, Marcia White

## FLEA MARKET UPDATE

By Ken Hopkins

As many of you are aware, we are suspending activity for flea market pickups for the summer. We appreciate all donations and will make exceptions if there is an item we need to look at or have an opportunity to try to pre sell on PIFAN. The new shed has been purchased and set up, and it is now full as well. We have been blessed with a plethora of donations, and just cannot accommodate more at this time. We will be doing a pick up the final week before the sale and will put you on the list for that time if you can wait. That final pickup will occur on October 20 and 21st of October. Contact Ken or Mary 'Ann at 727.303.3417

Thanks again to all who have generously donated to the program, We look forward to a great sale day on October 23rd!!!

## FLEA MARKET VOLUNTEERS

By Ken and Mary Ann Hopkins

Thanks to all the volunteers who have jumped in and helped over the past few months during sorting, pricing and selling events. Particularly we thank Wendy Milledge, Lynne Campbell, Vicki Swinden, Alice and Jim Shumaker and Ken and Nancy Jonas. These folks have been a real help and we appreciate them!!

We are continuing to add folks to our roster for set up (Oct 22) and sale day (Oct 23rd). If you have an hour or more to spare on those days, let us know and we will add to the list. Thanks for your support---we couldn't do it without you. Contact Ken or Mary Ann at 727.303.3417 or kenhopkins64@gmail.com

## Men's Club

By Art Yeo

Summer is upon us and things in the COVID world are beginning to show positive signs. Most of us have both doses of the vaccine and the world is slowly beginning to return to normal. The border between Canada and the US is still not open to non-essential travel but hopefully this will change soon.

The Men's Club is optimistic that by the first show in November we will be good to go.

On a sad note, one of our active members, Michael Peachey, lost his wife Kathryn this summer and our condolences go out to him and his family.

Remember to stay safe, stay healthy and continue to get vaccinated.

## Ladies Luncheon

By Beth Pieckiel

Happy August to everyone here in Paradise Island. Before we know it Fall will be here and hopefully our northerner friends will be returning soon. The monthly Ladies Luncheon for August has been booked for Tuesday, August 24th, 2021 at 11:30 and for this month I have chosen the restaurant:

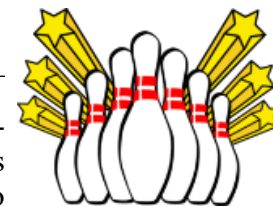

Columbia  
1241 Gulf Blvd.  
Clearwater, FL 33767  
(727) 596 - 8400

As always the sign-up sheet for the luncheon can be found in the clubhouse. Also if you sign up to attend the luncheon and then find you are unable to attend, PLEASE remove your name from the list. This is so your hostess(es) can give their restaurant of choice an accurate headcount. I hope that as more and more of are getting vaccines that more of the ladies here in Paradise Island will return to our luncheons and if you are new here in PI please come out a get the chance to meet your neighbors.

If anyone should have any questions, please contact me, Beth Pieckiel at (214) 538-7094.

# Paradise Island Church in the Park

By Serena Johnson

Are you enjoying the sunshine? We are blessed! Praying this hurricane season goes by with storms that stay out to sea or lose their power by the time they hit land. Also praying that the Lord completely eradicate this Covid 19 virus and that all can open up in our country. If we put our trust in God, we cannot fail. We have the victory in Jesus!

You are all welcome to join us in the Clubhouse on Sunday mornings at 9:30 AM for an hour of worship and fellowship. Please note: We as a church are following all the CO-OP's and CDC guidelines regarding Covid 19, so please feel free to come join us in safety. We are a Non-Denominational Church as many denominations are represented. We would love to have you stop by and be a part of the body of Christ worshipping here. If unable to attend, you can tune in to Spectrum Cable Channel 732 at the above time on Sunday mornings.

We are happy to announce Bible Study will resumed on Thursday July 1st, 2021 in the Clubhouse at 9:30 AM led by Pastor Bill Ogburn. We are studying the book of Job. Always room for more, All are welcome, come join us!

If you know of someone in the Park that has a need, please let us know. All requests are confidential. We would like to help if we can. Please call one of the numbers below and we will look into what we can do to help.

If you have a prayer request or would like a visit, please contact:

Pastor Bill Ogburn (727) 474-2722 or

Serena Johnson (727) 530-5905.

## Letter(s) to the Editor

### Eastern Screech Owls

By Pam Stover

This robin-sized nightbird is common over much of the east, including in city parks and shady suburbs, where many human residents are unaware they have an owl for a neighbor. The owl spends the day roosting in holes or in dense cover, becoming active at dusk. They are wonderful birds to have in your yard. They eat rodents and roaches and provide natural pest control. They can be poisoned by eating rodents that have been exposed to toxins and that in turn, reduces the number of owls available to hunt and the rodent population increases. They are a small owl measuring between 6.3 and 9.3 inches. Rather than the typical hoo, hoo, hoo' sound that other owls make, the screech owl whinnies and trills. You might not be able to look for them at night, but you sure can listen for them. Here is a site with recordings of screech owls- [AllAboutBirds.org](http://AllAboutBirds.org)

Courtship displays of males include bowing, raising wings, clicking bills. Males bring food to the female. Mated pairs preen each other's feathers, call in duet. Nest site is in a cavity in a tree, including natural hollows and abandoned woodpecker holes. They will also use artificial nest boxes, usually placed 10-30' above ground. Eastern Screech Owls lay three to four eggs in a clutch. The incubation period is 26 to 30 days. Because incubation usually begins with the first egg, the eggs develop at different rates and therefore hatch at different times. Nestlings leave the nest in the order they hatched. Screech Owls do not migrate; they maintain home ranges throughout the winter. In the wild Eastern Screech-Owls can live to about 14 years of age.

As we write this article we are enjoying some time away from some of the heat and humidity (I say “some” as we are experiencing some heat and humidity here too) of summertime in Florida. But as we enjoy this time away, it has been fun reading about pool parties and golf cart parades being such a success back in Paradise Island! This is hopefully just the beginning of many more activities to come for all, hopefully including many new folks, to take part in.

We look forward to getting back and meeting all of new folks, but in the meantime, many

*See, when you drive home today, you've got a big windshield on the front of your car. And you've got a little bitty rearview mirror. And the reason the windshield is so large and the rear-view mirror is so small is because what's happened in your past is not near as important as what's in your future. Joel Osteen*
