## From the Editor:

**G**uten Tag! I hope everyone is enjoying their summer so far! Mercifully, we are getting lots of rain, and the pool is still nice and cool if you swim in the early evening like I do. I am sorry to say that Richwham will no longer be the editor of this media mag, but he has officially chosen me as his replacement after a few bottles of Stag's Leap that someone smuggled over from California—ha ha! Just kidding! Keep reading and you will discover a nice article about him in this issue—"Lay on, McDuff!" My name is Randell ( Randi ) Burton and I am at your service! I want to keep Poetry Corner and See You at the Drive-In, but I need submissions! The poems should be written by YOU—I know a lot of people write their own and we would love for you to share. You can remain anonymous if that is what you prefer. And EVERYONE has a movie or TV show that they LOVE and would like to rant about—write it up and send it to me! We would love to hear about it! And I have not forgotten you, Pam Spilbeler! I look forward to your next Yellow Bike submission!

I also want to congratulate all those wonderful residents who set up the July 4th BBQ. The food was divine and so was the company!!! THANK YOU for making this happen and I sincerely hope we have another get-together soon ( with food, of course ). I also want to do a SHOUT OUT to Laura and Michael Cholewa for closing the pool at night and kicking all us slackers out ( HA HA—again, just kidding! ), and to Patty Gregg, who does so much for this park it would take up the whole catalog to describe her endeavors...BUT, right now, I would like to thank her for being so kind to receive the box of media booklets and put them in our park mail boxes. I can barely walk with fractures in both feet ( yes, both! ) and doing this for me/us makes my heart swell—but in a good way! Thank you Laura and Patty ( and Michael )!!! I also want to thank Linda Stayer for keeping our library nice and full and she and I want to do a monthly book review for the media, too. So if you get a book from the library, or have your own, please send a review to me to put in the next issue—but remember—NO SPOILERS—you are enticing people to read it so don't give anything away that could make it less desirable to read. So, I will say "gute Nacht!" ( it is very late right now as I write this ) and here is my email for all submissions, reviews and rants!!! And any ideas you may have to put in the magazine: [ichwillmetal999@gmail.com](mailto:ichwillmetal999@gmail.com)

**N**ow that summer is in full swing, we hope everyone is getting out and enjoying time with family and friends. With rising temperatures this season we want every to be cautious when outdoors working. Wear loose clothing and stay hydrated.

*continued on page 6*

As we proceed thru the 360 inspections, keep this hotter weather in mind. Schedule early morning or evening to do your cleanup chores.

As most of you know, we have had some issues at the Eldorado Pond in the last month.

While we do not yet have the formal test results, we still want you to use the pier. If you are fishing, you are requested to ask the people around the pond for permission to access their lots. We are working on the actual boundary lines for this. But, for now fishing is from the pier only. We want all residents to be able to use the pier and picnic area.

Parking at the Clubhouse is only permitted for guests and events--NOT your permanent parking spot unless a short time permit was issued by the office. All other vehicles can and may be towed at your expense.

We are just about completed in the East Bay Oaks library. A few finishing touches to go.

Residents will be able to enjoy the new layout. The books will be going back in soon for you to start using it.

If you need to adjust your auto payment with the office, please do before the 18th of the month. As they lock us out until the 7th of the following month.

Maintenance does not pick up your trash, you must take it to the compound or off site yourselves. Gates close at 3:30 PM Monday – Friday. Do NOT dump on the ground! This is a violation and the city will be notified. If you have bags of leaves, the valet people do not pick that up. You must take to the compound yourself.

As a last note, please be sure you are not putting out your trash days before the scheduled day. If you are going out of town, have someone take it to the road for you. Breakdown your boxes. Our maintenance staff no longer picks up trash, so you may want to call them during the week for access to the compound: (727) 638-4844

Thank you all for your understanding and cooperation during this time. Please stay safe and well!

Debra Puckett, the Manager

## H.O.A. NEWS

### **Homeowners Association (HOA) action request for new residents:**

Florida Statute 723 requires that the HOA keep an account for **every resident in the park**. This is Florida Law and, Eldorado Village Management Office gives us your name, once a year, as they are required to do.

However, when you move in you are given a FORM to either give consent or not to having your information included in the Eldorado Village Directory, Monthly Media and/or Facebook page.

The ACTION requested: **New** residents are NOT completing the FORM and returning it to the HOA or Eldorado office. If you still have that FORM among your papers, please complete, even if you do not give your consent to anything and return it to Dorisanne Gibson, HOA president, at Lot 187.

Thank you for your cooperation.

### **NEW Rules and Regulations (Village Rules - Effective 12.01.2020)**

The HOA Board is being proactive and explaining or bringing to our attention the new rules that pertain to us all (owner or renter). The method right now is by highlighting some rules every month in the media.

**SUBJECT: #5 – SALE AND/OR REMOVAL OF HOME** (exerts from complete document)

**Rule # 5.2** States that before a new owner for your home is approved for residency, management will inspect the home to be sure it complies with all rules and regulations and meet local code requirements. Assurances must be given that the required repairs/upgrades will be done or proof of completed repairs.

**Rule # 5.4** Further states that failure to maintain the home according to established standards shall be a violation of these Rules and Regulations.

Management has indicated that going forward this rule will be enforced.

As always, any questions, do not hesitate to give the EV Office a call: 727-531-9105.

Thank you in advance for your cooperation!

The HOA Board is being proactive and explaining or bringing to our attention the new rules that pertain to us all (owner or renter). The method right now is by highlighting some rules every month in the media.

With NO street names, it is important that the Emergency services be able to locate any resident or tenant in need of attention. This means GREAT house numbering for them to see DAY or NIGHT. It is also in the rules and regulations:

### **6. SETUP: NEW or REALES**

**6.5.10 – Residents MUST secure their street number and/or lot numbers on the front of the Home, placed consistently with surrounding homes as required for emergency services and in accordance with applicable county code requirements.**

**THEY CARE ABOUT US.....FMO!!!**      **Let's support them!**  
*(From the FMO website)*

---

**T**he Federation of Manufactured Home Owners of Florida, Inc., (FMO) is a statewide, consumer advocacy association dedicated to protecting the rights and interests and enriching the lifestyles of manufactured home owners. ([www.fmo.org](http://www.fmo.org))

Formed in 1962, the FMO has a current membership of approximately 15,000 manufactured home owners. FMO operates with more than 1,000 volunteer officers from around the state who serve members by answering questions, assisting with problems, organizing district meetings and workshops, and linking them to the Board of Directors and the administrative staff at the Largo business office.

In 1962, the St. Petersburg City Council planned to enact an ordinance mandating that mobile home owners install tie-downs, a very expensive proposition then. Peggy Johnstone, upset by the impending mandate, contacted fellow mobile home owners and, on March 26th, 77 communities came together to defeat the ordinance. The FMO was founded that day with a clear vision in place:

**Protect the interests of manufactured/mobile home owners in Florida.  
FUTURE MEMBERS**

**Greetings and thanks for your interest in the  
Federation Of Manufactured Home Owners of Florida, Inc.**

We welcome guests and future members. Manufactured housing offers great opportunities for home ownership, Land-Lease communities are quite popular in Florida and there are over 1700 communities to choose from. A common lament we hear at resident meetings is "I wish I knew that before I made my decision to buy!" The relationship between owner and resident in these parks is unique. There is an entire chapter of Florida law devoted to this relationship and your rights. In the New Home Buyers section we offer some advice and the opportunity to download the complete New Buyers Guide. This is applicable to both the buyers of new and previously owned homes in these communities.

If you have already purchased a manufactured home in Florida you're ready to apply for membership. The application and a list of benefits are in the menu for this section. If you have an interest in manufactured housing but are not an owner of a manufactured home in Florida you can still join as an associate member - give the office a call!

## Neighborhood Watch Information

---

**O**n Monday, July 12, 2021, the Neighborhood Watch Team met with **Officer Vu Tran** from the Largo Police Department, our partner with the Neighborhood Watch Team.

Hurricane suggestions: In light of the recent hurricane warning, Officer Tran had some hurricane crime prevention tips for us that we may not have thought of and wanted to pass them along to us.

1. Put your awnings down if possible, but if you do not put them down or do not have any, or have side windows where there are no awnings, you might get window locks or stops to prevent the windows from being opened.
2. Deadbolt locks should go into the door frame 1”, but the screws that hold the plate on the frame need to be 3” and most of them are not. The longer screws could be bought at the same time you purchase the deadbolt lock. (This would make it much harder for anyone to “punch” your deadbolt equipment to break the door open.)
3. Consider purchasing solar lights for use when the electricity is off INSIDE your home and on your porch or carport. Hopefully, this would discourage vagrancy when the power out and you may not be home.
4. Having cash on hand, especially during hurricane season, is always suggested. Small bills are best but, separate the cash. Don’t keep it all in the same pocket, purse, and wallet, put it in several places.

**Fraud:** Additionally, Officer Tran spoke about the tremendous increase in fraud, especially

## Thank you for your RCS Donations

Sandy Yost

The Eldorado Village Social Club has been supporting the work of RCS for more than 8 years! The first records are from our former neighbor, Shirley Pratt, followed by John Campbell and Michelle Leamon and, currently, Sandy Yost delivering our club donations to RCS. Individuals and families may access services once a month, receiving 3-4 days' worth of food for all household members per visit. A photo ID, SS card and a piece of mail with current address are needed. If you or someone you know need a ride to RCS, please contact Debbie and Steve Ennis or Sandy Yost.

## RCS programs and services include:

**RCS Food Bank** served 70,000 Pinellas County neighbors. 32,000 of these neighbors are senior citizens and children. Over 4 million lbs. of food are distributed annually with support for nearly 100 other local food banks and pantries.

**RCS Grace House** helps individuals and families facing homelessness return to self-sufficiency.

**The Haven of RCS** provides safety, security and support for women and children facing domestic abuse. Their outreach center serves nearly 17,000 women and children annually. Their safe house sheltered over 300 women and children last year and they provide a resource list for men needing assistance with domestic violence issues. Their hotline receives over 4,000 calls annually with requests for assistance in matters of domestic violence.

**Goldsmith Gardens** provides comfortable, safe, affordable housing and support for individuals and families. Their housing community serves 12 families and nearly 40 individuals annually. They provide wrap-around programs and services that are conducive to self-sufficiency including education, financial literacy, workforce development and life skill development.

**Basic Needs** are met through a variety of collaborations and partnerships.

*continued on page 18*

RCS Express Center provides ‘get it now’ services to meet the needs of the community with direct support related to hunger, homelessness, domestic violence, and basic needs. Small meal ingredients and hygiene products are distributed, and guests are connected to partner agencies for various needs via immediate referrals.

## Who is Richwham?

For those of you who don’t know, Richwham has been the editor of the El Dorado Media since the laying of the last dinosaur egg. His real name is Richard ( Dick ) Hambley, and he has been in this little village since 1982 and says that things have really changed since then. Along with the lower prices, of course, East Bay Drive was just a two lane road with no turning lanes! Traffic was so light, that he remembers another resident riding her tricycle across the road to the supermarket using just hand signals! Try doing that now and make sure you have a will made!

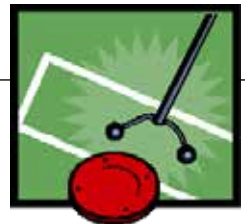

Mr. Hambley is originally from Long Island and likes to build lighthouses for people’s yards as a hobby. He remembers Central Park as being the location of an orange packing plant, and very few businesses lined the road. The farthest he has been is London, England where he had some old friends who lived there and showed him and his wife around. He is sad to be parting with the editor position of the media but can still be contacted at his email and on the El Dorado Facebook page. We will miss you, Richwham, and keep you in our hearts! Thank you so much for keeping the mag afloat and such a joy to be read!!!

## Eldorado Facebook Page

*Dick Hambley*

---

For those who were unaware, Susie Rossetti and I are the administrators for the Eldorado Village Facebook Page. We would like to remind everyone that to join the page you (the individual requesting) must make a request and answer the three questions that are required. The main reason for the questions is that membership is limited to residents or former residents of Eldorado or EBO. If we get a request from someone who has not answered the questions, we automatically decline the request. We do not mean to exclude folks who have a perfect right to join, but you would be surprised at the number of requests that we get that, when we research a bit, they have no affiliation with either park. We want to include any residents who wish to join and welcome their requests; however, we need to follow the above procedure to assure that the original intention of the page is followed. Please request an invite at Eldorado Village Page. Thanks!

## DARTS – DARTS – DARTS

*Linda Stayer*

---

Calling all dart enthusiasts! The Eldorado Village Social Club has “refreshed” the dart game area, located near the billiard table in the clubhouse. There are NEW darts, dart score board, eraser, and markers. The dart board has been hung at the correct height and there is a new floor decal which marks the correct distance from the dart board for game play (for steel tipped darts).

Find a buddy and come and enjoy!!!

## New Scrap Books

---

We have a new addition to our Library thanks to Pam Spilbeler. Pam has spent many hours going through old medias and pictures and picking out items of interest that she has put into three scrap books. They are a wonderful glimpse into Eldorado in the past and show that the previous residents (and some who are still here) laid a groundwork of fellowship and camaraderie that we continue to try to adhere to today. She also plans to have all the past medias stored in the library as well for us to look back at the past. These items are not to be removed from the library, but we have comfortable seating here, and if you have an afternoon with nothing else to do, I can assure you that you will enjoy perusing Pam’s efforts. Shout out to PAM!!!

# PHONE DIRECTORY

Randell Burton

Please write to me any corrections or additions to the Eldorado Village Phone Directory. Submit to [ichwillmetal999@gmail.com](mailto:ichwillmetal999@gmail.com). Also, please contact me if you need a 2021 directory — I have more than you can shake a stick at!

## READ A BOOK TO START THE NEW YEAR!!!

The Eldorado Village Library is comfortable, clean, well-kept, and most importantly USED!

Thank you to the many residents who have donated books, puzzles, DVD movies, and playing cards. All is appreciated.

The items incorporated into the library are reviewed to make sure they are in “usable” condition for anyone to borrow. (no bugs or overly loved items). Anyone wishing to volunteer with me is always welcome.

Please note: Our library is limited in space and therefore, some items will be rotated out when new items come in. If you have a charity you want to give to, I am happy to save a bag or two of items that I will give to you to donate to them.

There is a Welcome sign on the library bulletin board along with instructional information on the library usage.

1. Borrow – Donate – Participate.
2. Written on the book spines are the first two letters of the authors last name which makes the filing process easier and faster.
3. A “Drop-off” box (in the library) is available for returned books or new donated items. The new items will be reviewed and placed on the shelves.
4. The entertainment book shelves which contain DVD movies, puzzles, board games and playing cards are just waiting for your attention. FYI: There is a donation box just for playing cards.
5. HISTORY -- If you did not know, there are Eldorado Village notebooks and scrapbooks (with photos) on our rich and interesting history dating back to 1969 when the park was established. Take a few minutes, sit on the love seat or comfortable chair, and enjoy a “blast from the past”.

Please STOP by our library and enjoy! And if you really get a kick out of something you’ve read, write a review and we will put it in the next media! Just email it to [ichwillmetal999@gmail.com](mailto:ichwillmetal999@gmail.com).

Thank you!

Linda Stayer

# FLORIDA ANCHOR AND BARRIER COMPANY

To our valued customers:

During the current times we wanted to let you know that we are taking as many precautions as we can to ensure not only our workers safety but yours as well. We check workers' temperatures each morning and have limited the amount of contact our crews have with each other. Our crews work in Tyvek suits with respirators which helps to ensure your safety as well as theirs.

As a company, we want your business and there is no need for any contact if you so choose. Our business is deemed an "Essential Business" and we are here for you when you need us. You can schedule your inspection by calling 1-800-681-3772.

## Bulletin Board

We have a Bulletin Board by the Mailboxes. We realize that many folks do not go to the clubhouse on a regular basis, so this is a way for all to see “coming events.” Hopefully, you will find something you might enjoy attending. Thank you, Debbie, for getting them installed, we appreciate this.

## For Your Information

The clubhouse is opened by the maintenance staff Mon-Fri at 7:00am. Evenings and weekends, (including holidays), Tammy Heffron at #188 has been volunteering since Feb of 2017 to lock up at 9:00 ( GO, TAMMY! ). Please cooperate with this. I am sure minor adjustments can be made for special occasions.

To the Eldorado Residents and guests....I, along with other walkers, have noticed an increase of cigarette butts littering the streets and sidewalks of our community. As a wife of a smoker, I know a lot of you are so careful and considerate of where you throw out the butts of your cigarettes. I encourage all of those who smoke, to please refrain from leaving them along our streets. It would be graciously appreciated.

## Information About Water Shutoffs:

As most residents know, there are times that the water in Eldorado must be turned off to make repairs. There is nothing we can do about that, but there are some things that we can do to avoid trouble.

We have adopted a new system to notify residents in the event water is turned off. This system will generate a phone call to the residents alerting them to the fact that the water is off or will be shortly. If you are not sure if your name is on the parks robocall list, I would suggest that you check with the office to make sure they have added you to the list.

We suggest that you turn off your hot water heater if you are concerned about it. Also, when you want to check if the water has come back on, use the cold water for this purpose to not let air into your hot water heater. You can also turn off the water coming into your home which will prevent water from draining out of it and into the water system. Some folks keep a few gallons of water on hand just for such emergencies.

**PLEASE DO NOT CALL THE OFFICE TO ASK ABOUT THE WATER SHUTOFFS!**

There is nothing they can do to help you.

# CLUBHOUSE CAMARADERIE

## Editor's Note:

**T**he fourth of July BBQ was a blast and a good sign that we will soon be back to “old times” and enjoying tasty eats and each other’s company more often. Hopefully, more potlucks and get-togethers are in our near future! I could not believe all the home-made, delicious recipes that people brought! If anyone wants to plan something, please let me know! Ichwillmetal999@yahoo.com. Vive Eldorado!

PS—Here is an idea and something we did in school when I was a kid: We had a nationality potluck where everyone brought two food items that was the product of their heritage. Man, talk about lots of food! I never forgot how cool it was and how full it made me! Each table had a little sign saying the name of the country ( mine was Germany ) and what the dishes were. I think if we did that, people would really go for broke! Please, all the Eldorado head honchos, tell me what you think!!!

Weekly:

1. Tuesday night is BINGO! Come on out and enjoy an evening with your friends and neighbors!
2. Movie Night is Sunday. Patty Gregg has the movie posted at the Clubhouse. Don't forget the popcorn, candy and soda! And write a review for the media about the film!

## BINGO IS STILL GOING STRONG

### Bingo Hours:

Tuesday evenings:

Start selling at 5:00p.m. Stop selling at 6:15p.m.

Start playing by 6:30p.m.

We will be following the guidelines set down by ELS for the good of everyone, so please plan on observing those rules. Just come out and plan on having a good time and who knows, you might win a couple of bucks.

We would appreciate it if you would not bring \$20-dollar bills as they are hard to make change for.

Bingo is over by 8:45p.m.

## POETRY CORNER

Since I did not get any contributions yet, I will submit another that I wrote myself. I also wrote the starfish poem that I submitted a few months ago. This poem came upon me suddenly after meeting a co-worker's young son who had just graduated Marine boot camp. I served in the army a long time ago and seeing this young man just made me so proud. The mother printed my poem and put it above his Marine picture in the hall. Here it is and GOD bless our military!

### The Steedless Warrior

A noble warrior walks through the sand  
Being a stranger in an unknown land

No stallion beneath him, no noble steed  
Carrying himself with just the boots on his feet

His shoulders are hunched, his lips are dry  
Thinking of home, his breath escapes in a sigh

Why am I here, what is the plan?  
Are the questions of this lonely man

And maybe one day God will permit him to see  
The path he travels is his destiny

We can sleep soundly in the warmth of our beds,  
Enjoying the safety that his boots have tread

And one day this warrior will look back and say,  
It was all worth it — to provide freedom this way.

## SEE YA AT THE DRIVE-IN!!!!

---

**A**gain, I will contribute one of my own— oh, watch out —I love to write! — until I start getting your submissions. Here it is:

I wrote about Saturday Night Fever before and, believe it or not, the second movie that had such a huge influence on me and my generation was another John Travolta vehicle — GREASE!!! My family and I saw that movie over and over and when we weren't boogying to the BeeGees, we were dancing to Grease and doing the Hand Jive!!! The best dance scene/musical scene in any movie I ever saw ( and I watch a zillion! ) was hands-down the dance contest in Grease when they are on TV. You have to watch it over and over again because there is so much going on in front and in the background, too! Man, that scene is ICONIC! I just saw Grease again a few months ago—it is one of those movies you see every few years—like Star Wars—and I watched that whole scene when they are on TV at the dance over and over! And don't forget the part where Sandy is pulled away and Danny finishes the contest—and wins—with Cha Cha! If you have not seen Grease in awhile, they have it on DVD at the Pinellas Library by Central Park. Linda Stayer may have it, too, in her library so reach out and ask if you are interested!

I hope you enjoyed my submissions and will be encouraged to send your own.

## Management and Staff

---

**P**eople are still putting their trash out before Tuesday or Friday mornings.

Please try to obey these rules--they are for **everyone**. If you are unable to be up in the morning and take out your trash, please get a heavy duty garbage can with a tight lid to put it in. This will not allow animals to get into it and it can be left out a little earlier than the specified time. This is ONLY for tight lidded garbage cans!!! Plastic ones are fine and you can get a good one at Walmart or Amazon.

## Birthdays and Anniversaries

*Dick Hambley*

---

**F**or those residents who are not aware of it, I would like to remind everyone that we maintain a book with the resident's birthdays and anniversaries in it. I do my best to keep it up to date, but I need your help with writing in your birthday or anniversary if it is not already in there. The book is in the library and I go through it periodically to see if there are additions and add them and reprint the necessary pages. This record is also used to put the birthdays and anniversaries in the media. So, thank you for helping us keep our records up to date.

## BIRTHDAYS AND ANNIVERSARIES

RANDELL BURTON

Since we only got the phone directory in July, I am adding birthdays and anniversaries for BOTH July and August in this issue. I hope everyone had a good day and congratulations to the anniversary residents for having “jumped the broom” with their spouses and still being together after all these years. Just imagine, they still did not have electricity when Vince and Patty tied the knot! They had a candlelight wedding! Literally! HA HA! Just kidding — I could not resist! I hope everyone enjoyed their birthday and anniversary day immensely and may there be many more to come! If I am removed as editor of the media, you all should know why! (Smiley, winking face

## FOR YOUR INFORMATION:

---

**P**arking permits are now available in the office for overnight guest parking.

## RECYCLE RECYCLE RECYCLE

---

**R**ecycling is a way that we can all help to save on our trash bills. The city of Largo charges by weight for garbage and trash, so the more recyclables that we can put into the recycle bin in the “salad bowl” in East Bay Oaks, the more we can save on our trash bills. The new recycle plan in Largo is great in that we do not have to separate our recyclables. Everything that is recyclable goes into the one bin. This certainly makes it much easier to “do the right thing” and we not only save money for ourselves, but we are helping with the environment as well. The things we can put in the bin is as follows: Glass (colored bottles and jars) Cartons (milk and juice containers) Mixed Paper (Newspapers, flattened cardboard boxes and office paper) Plastic Containers (food and beverage) Aluminum and Metal (cans and containers).

The things we should not put in are as follows: plastic bags and wrap, Styrofoam containers/ packaging, food waste/household garbage or chemicals/electronics (which includes, paint, light bulbs, batteries, computers etc.)

So fellow residents, please consider all of the above and let’s work to help save ourselves a few bucks and at the same time, work toward a greener environment

## OFFICE ADDRESS

---

**F**or those who were not aware that although our street address is 2505 East Bay Drive, the address of the office is different, therefore we are listing the office address so that you do not get any late fees when your check does not arrive on time. More information will be coming about where you are to send your rent check in the future.

## Coffee and Donuts

It has been brought to my attention that many people do not know that you can donate the coffee and donuts in memory of a loved one, birthday, anniversary, or any occasion you like. The donation fee is \$25.00. Please see the Social Club treasurer if you would like to donate a day.

## SPEED LIMIT IN ELDORADO

The speed limit in this park is **10 miles per hour**. People are not stopping at the four-way corners; they just seem to drive right on thru. Keep this in mind when driving thru the park; you could be the guilty one. Please think of your neighbors before someone gets hurt.

## SOLICITATION IN THE PARK

I have been told by the office that they do not give anyone permission to solicit in the park so if anyone comes to your door, call the police department. It has been brought to our attention that if you have someone soliciting at your door, and the office has not approved him or her, and you call the office to bring it to their attention, the office will not do anything about it. Their answer is to call the police. The Largo police number is listed as follows: 727-587-6730. Please call them at any time to register any complaints you might have.

## JOKES OF THE MONTH:

1. How do you make a Kleenex dance? Put a little BOOGIE in it!!!
2. A friend of mine is an agnostic, dyslexic insomniac. He stays up all night long wondering if there's a dog.
3. Two cannibals are eating a clown and one says to the other, "Do you taste something funny?"

HA HA HA HA HA! I hope you enjoyed these, and if so, pass them on!!!
