August and the dog days of Summer! Though it has felt like that for the past few months this year!

Things are really picking up around the park and the activities are in full swing. Please see the calendar for upcoming activities and if you're able to, be sure to pick an ornament off the tree for the Raising Hope campaign. School supplies for disadvantaged children.

It's great seeing so many residents at the events and getting to know our new neighbors while we reconnect with our old friends.

It's also hurricane season. Please make sure you are prepared should the need to evacuate arise. Since we are in a Zone A we will be the first order of evacuation.

Stay safe and enjoy the Summer! Fall will be here before we know it!

THE DOG DAYS OF SUMMER

WHAT AND WHEN ARE THE DOG DAYS OF SUMMER?

The “Dog Days” of summer last from July 3 to August 11. What are the Dog Days of summer, exactly? What do they have to do with dogs? The ancient origins of this common phrase might surprise you. Enjoy this article about the meaning behind the Dog Days of summer!

*Dog Days bright and clear
Indicate a happy year;
But when accompanied by rain,
For better times, our hopes are vain.*

WHAT ARE THE DOG DAYS OF SUMMER?

The term “**Dog Days**” traditionally refers to a period of particularly hot and humid weather occurring during the summer months of July and August in the Northern Hemisphere.

In ancient Greece and Rome, the Dog Days were believed to be a time of drought, bad luck, and unrest, when dogs and men alike would be driven mad by the extreme heat. Today, the phrase doesn’t conjure up such bad imagery. Instead, the Dog Days are associated purely with the time of summer’s peak temperatures and humidity.

WHY ARE THEY CALLED THE “DOG DAYS” OF SUMMER?

This period of sweltering weather coincides with the year’s heliacal (meaning “at sunrise”) rising of **Sirius, the Dog Star**. Sirius is part of the constellation Canis Majoris—the “Greater Dog”—which is where Sirius gets its canine nickname, as well as its official name, Alpha Canis Majoris. Not including our own Sun, Sirius is the brightest star in the sky.

In ancient Greece, Egypt, and Rome, it was believed that the dawn rising of Sirius in mid- to late summer contributed to the extreme weather of the season. In other words, the “combined heat” of super-bright Sirius and our Sun was thought to be the cause of summer’s sweltering temperatures. The name “Sirius” even stems from Ancient Greek seírios, meaning “scorching.”

For the ancient Egyptians, the dawn rising of Sirius (known to them as “Sothis”) also coincided the Nile River’s flood season. They used the star as a “watchdog” for that event.

Of course, the appearance of Sirius does not actually affect seasonal weather here on Earth, but its appearance during the hottest part of summer ensures that the lore surrounding the star lives on today!

WHEN ARE THE DOG DAYS OF SUMMER?

The exact dates of the Dog Days can vary from source to source, and because they are traditionally tied to the dawn rising of Sirius, they have changed over time. However, most sources agree that the Dog Days occur in mid- to late summer.

Here at the Old Farmer’s Almanac, we consider the Dog Days to be the **40 days beginning July 3 and ending August 11**. This is soon after the Summer Solstice in late June, which of course also indicates that the worst summer heat will soon set in.

The Brightest Star in the Sky

Sirius is the brightest star in the sky, if you don't count our own Sun. Under the right conditions, it can even be seen with the naked eye during the day. Sirius is one star in a group of stars that form the constellation Canis Major, meaning "Greater Dog." It's no surprise, then, that the nickname of this big, bold star became "the Dog Star."

Given that Sirius is the brightest star in the sky, it's not hard to find. Learn how to find the Dog Star in the night sky here.

The Dog Star in Ancient Egypt

In ancient Egypt, the Nile River flooded each year, usually beginning in late June. The people welcomed this event, called the Inundation,

because the floodwaters brought rich soil needed to grow crops in what was otherwise a desert.

No one in Egypt knew exactly when the flooding would start, but they noticed a coincidence that gave them a clue: The water began to rise on the days when Sirius (known to them as "Sothis") began to rise before the Sun. Sothis and the Inundation became so important to the Egyptians' survival that they began their new year with the new Moon that followed the star's first appearance on the eastern horizon.

A Time of Ill Fortune?

Unlike the Egyptians, the ancient Greeks and Romans were not as pleased by Sirius's appearance. For them, Sirius signaled a time when evil was brought to their lands with drought, disease, and discomfort.

Sirius was described as a "bringer of drought and plague to frail mortals, rises and saddens the sky with sinister light" by the Roman poet Virgil.

Is this just superstition? A 2009 Finnish study tested the traditional claim that the rate of infections is higher during the Dog Days. The authors wrote, "This study was conducted in order to challenge the myth that the rate of infections is higher during the dog days. To our surprise, the myth was found to be true."

DOG DAYS OF SUMMER FOLKLORE

Old-timers believed that rainfall on the Dog Days was a bad omen, as foretold in this verse:

*Dog Days bright and clear
Indicate a happy year;
But when accompanied by rain,
For better times, our hopes are vain.*

"Dog Days are approaching; you must, therefore, make both hay and haste while the Sun shines, for when old Sirius takes command of the weather, he is such an unsteady, crazy dog, there is no dependence upon him."

—The Old Farmer's Almanac, 1817

RESIDENT SPOTLIGHT

Editors note: This is the corrected version that should have ran last month.

Jan Finnin and Ed Dwyer Lot 191

Ed and Jan have lived at IITS since January 2018. They are from Boston, Massachusetts. They met in their childhood when Jan was 6 years old and Ed was 5 years old! They were neighbors in Boston growing up together. Ed says he was more of a bratty kid and Jan was a “good girl”! Jan moved away from Ed at the age of 18 and got married and started a family. Ed relocated from Boston to Florida in 1990. They lost contact from 1980 to 2010 but reconnected in 2010 on Facebook and kept in touch online.

Eventually, they both became single and divorced from their first marriages and in 2016 when they both were now single, Ed invited Jan to come to Florida and they began their new journey together. Ed says that the Lord brought them together and that he is blessed to have Jan in his life. They are now engaged and plan to marry soon. They have a history together growing up knowing each other’s families and childhood friends in common with a history of wonderful memories already made.

Ed has 2 daughters that live in the Clearwater area and 3 grandsons. Jan has 2 daughters and 4 grandchildren that are in Massachusetts. Jan works at Publix in Largo in the deli part time to keep busy and was a former school bus driver in Massachusetts. Ed is a Realtor, Real Estate Investor, Mobile Home Broker, Notary Public, and Home Inspector.

Their hobbies include Disc (Frisbee) Golf, boating, biking, hiking, travelling locally visiting state parks and Florida springs. They also enjoy hunting alligators and other wildlife with their cameras and have shared many great photos on FB! Ed plays guitar and they also enjoy live music and concerts. Be sure to say Hello when you see them out and about. Mike and I can attest to them being great neighbors and a welcome addition to the community!

Al and Barb Siegler Lot 79

Al and Barb have lived at IITS since November 2020. They are from Virginia Beach, Virginia.

They have been married 6 years, after dating for 2 years, after meeting online.

They share their home with two Shih tzu sisters named Abby and Molly. These friendly, adorable dogs constantly listen for the word “cookies”. They, along with their owners, are friendly and outgoing and have fun with their lives.

Barb retired as a Pediatric Nurse from the Medical College of Virginia in Richmond, a teaching hospital. Al retired as a Shore Facility Planner with the Department of Defense. They have a blended family with 7 children, 16 grandchildren, and 4 great grandchildren.

...continued on page 14

Al is a serious griller. He can tell you the best grill to buy, the temperature to cook any kind of meat, and Barb says he makes the best pulled pork ever. He also builds and plays guitars and has the music room in their house to prove it. His music choice leans heavily on ballads. He gave “Pretty Woman” as an example. He also enjoys fishing.

Barb loves to garden and read. She is our new Bingo Co-Chair and has joined the Activities Committee and is helping with our upcoming events.

They enjoy meeting and talking with people and invite you to stop by and chat!

Ladies Luncheon

REMEMBRANCE CORNER

Submitted by Marijill Zembry

On July 7, 2021 we lost our much loved friend, Jeannie Roelofs Harrington, age 68, IITS Lot 33.

Jeannie married Michael Harrington on October 11, 1981.

Jeannie and Mike have 2 loving children, Tim and Tena, 5 grandchildren, and 2 great grandchildren.

Jeannie is survived and loved by several siblings, her mother-in-law Becky, and several in-law family members.

Jeannie was a light to all of us here at IITS. Even in her darkest moments of pain, she was concerned for others. We will miss you Jeannie.

Jeannie was born and raised in Holland, MI, where there will be a celebration of her life on July 28.

There will be a celebration of Jeannie’s life here at the IITS Clubhouse on Aug. 8 at 3 PM.

Curious how to find out what is happening at IITS?

Submitted by Marilyn Babcock, Lot 161

As there are many new neighbors here at Island on the Sun, I thought I would take a minute to let you know about the various ways you can stay abreast of the meetings and activities taking place in the park.

There are 2 Facebook pages:

1. The Official Island in the Sun HOA - this page contains information about HOA related issues.
2. Island in the Sun Social Group - this group has information about activities taking place in our community and provides notifications.

The Island in the Sun Sentinel, also known as the media, is delivered by fellow neighbors monthly. It contains information about the community and articles of general interest.

The marquee as you enter the park has up-coming events. If sign-up is required, the form will be in the clubhouse on the table straight ahead as you enter.

The HOA meeting for all residents takes place on the first Tuesday of the month at 7 PM. HOA meetings will resume on September 7 in the Clubhouse. By the way, if you have not already done so, please join the HOA. Current dues for a 2 person household are \$20.00 annually. See any Board Member at the HOA meetings or in the community for membership.

There is also a Robocall, placed by Mike Malliet, for upcoming events. If you wish to be on the list to receive these calls, please send Mike an email at: mmal1974@yahoo.com. Please include your Name, Lot number and full telephone number including area code. Be aware some carriers have auto-blocking for numbers. If you add 1-877-333-9336 to your contacts the call will go through without issue. If you do not have access to email, please see any board member and we will be happy to forward your information to Mike.

I hope this has helped our new neighbors. Our community is warm and welcoming. Glad you joined the IITS family!

IITS GAMES UPDATE

DOMINOES

We meet every Monday at 1 PM for a fun game of dominoes. We use a set of large size dominoes with colored dots, making it easier to match dominoes during play. We would love to have some additional dominoes players. Come by and watch or join right in!

Did you know dominoes date back to the year 1232 in China? They are sometimes called “bones” because originally they were made from animal bones. The name domino probably comes from the similar appearance to a carnival costume of a black hooded robe worn with a white mask during the Venetian Carnival.

TEXAS HOLD’EM LEARN TO PLAY CLASS

Learn to play Texas Hold’Em, the hottest card game on TV today. Meet your neighbors and make new friends. This class for learning how to play or brushing up if you have played before, will be held Sunday, August 1 at 6 PM at the Clubhouse. Stay for the poker game after class that starts at 7:00 PM.

We play tournament style and entry fee is \$5.

We also play on Wednesday and Friday evenings at 7:00 PM at the Clubhouse. Entry fees vary.

BINGO IS BACK!!!

We have a new Bingo Committee that has this game back in full swing! Sheri Holmes is our Chair, Barb Siegler is Co-Chair, with Cindy Sadusky as our Caller Captain and Marianne Rich, Anna Van Vulpen, and Gary Posey completing the caller group.

We play every Thursday evening at 7 PM at the Clubhouse. We play 13 regular and special games and cash payouts are given to each winner after their bingo is verified. Bring refreshments for yourself or to share at break time.

Regular cards are 75 cents for the first card, and 50 cents for each additional card.

Paper cards are used for 2 special games at the end of the evening and are 75 cents for a sheet of 3.

Bring family and friends with you! The more people who play, the nicer the jackpots!

RUMMIKUB

This modified Rummy game is played with tiles instead of cards. We have 3 seasoned players that would be excited to teach newcomers the game or help anyone who has played before to come up to speed. We play on Tuesdays at 1 PM at the Clubhouse.

Come by and watch to see if it’s for you, or just sit down and join us!
