FROM THE EDITOR

By: Donna Wurtz

(lot 938.....509-1182.....momshse@aol.com)

Thanks to all who contribute articles for publication. Please keep them coming. We need your stories and your pictures to keep our “voice” interesting. The voice has been published for us for 45 years. Let’s keep it going. Perhaps you have a special interest or knowledge in a specialty area. That is what we need. Send us something you would like to share, and your neighbors will enjoy it. Nurses toolbox published each month is an example. Perhaps you can write something about new technology, nearby restaurants you have visited and would like to review, fishing tips, anything of interest would be good for articles. Just send them to the e-mail above. Thanks.

FROM THE DESK of the PRESIDENT

By: Harold Wurtz (lot 938.....459-0394.....haroldwur@aol.com)

When Donna and I came to Lincolnshire 15 years ago August was a complete “do nothing” month. Sure – the pool was busy and bingo was still going, but other activities were all just planning for October restart. Well as we recover from 2020 setbacks, it seems the same again. A lot of events that were created to continue through the summer months, and throughout the year are in need of people to get going again. We have a lot of residents who are willing to “help,” but we need residents who will be chairpersons and take responsibility to get our programs going again. Many who have done them in the past have retired from the events or even left the community.

We notice a lot of “private” little gatherings in carports, and impromptu golf cart parties in front of the mailroom. We are happy to see our residents having fun with each other, but these little parties exclude so many others. If you are interested in a party, why not volunteer to get the entire park involved. Don’t be selfish – have everyone join you in the clubhouse for a big activity. There are plenty of helpers and a lot of resources we can help you with if you are interested in being a chairperson. Labor Day is currently our earliest target. We would love to have a picnic, show, or other event. If you would like to start this up again, let us know, and

continued on page 6

we will help you get it going so everyone can enjoy getting Lincolnshire events back to every month all year and back to being a busy community. New ideas are welcome So let's get some volunteers to get programs going again!!

On another note, hurricane season is here – now is the time to prepare. We had a near miss with Elsa going by. Lots of questions came our way, especially from newer residents who have not been here long. First, when you look at hurricane category maps, it appears that Lincolnshire is relatively safe. But remember mobile homes are in evacuation status for any cat 1 storm no matter what area you live in. Be sure to have your plan in effect to know where, when, and how to evacuate in case of a storm. The closest shelter for Lincolnshire is Largo High School on Missouri. It is pet friendly, but requires pre-registration for pets, so be sure to stop in the office for an application form if that is your plan. Remember the clubhouse is NOT a hurricane shelter and will be closed during a storm. Avoid interstates if you are driving a distance out of the Largo area. They are always crowded, (sometimes just stopped) and exit ramps are always stop & go as people try to find fuel and food for their trip. Check with Pinellas County web site or almost any TV news station for lists of things you should have on hand in case of emergency.

Stay safe and stay healthy

WORLD SENIOR CITIZEN DAY

The UN General Assembly made this day official in 1990. Ronald Reagan was the president at this time. The first celebration took place in 1991. The idea is to highlight the issues faced by us senior citizens, such as health deterioration and abuse. This day is to remember the part played by seniors in our society and to appreciate them. Let's celebrate!!

Summer pool party

Mark your calendar for the annual Summer Pool Party sponsored by Lincolnshire Estates and Rickert Properties. It's the residents' chance to enjoy a free party & lunch in the clubhouse and around the pool. Management will be serving up Brats, Sloppy Joes, Salads, dessert, and beverages. August 13 from noon until 3 PM. There is a sign up sheet in the office. Tell your friends. Could be some surprises???

Meals for shut ins will be delivered by management.

Residents' club meeting

The next official meeting will not be until November per our bi-laws. No business will be conducted during the summer, and due to lack of attendance coffee hour will also be on hold until October when we plan to begin building back to a more normal calendar of events. Other events during the summer months will be at the discretion of the committees in charge of those events. Meanwhile stay safe and continue to follow CDC guidelines. As much as we don't like it, it is still the best way to get back to normal.

We will be back in the fall for more donations. They will always be needed.

New books have been distributed to block captains for distribution. If you have not received yours, or if you are here and did not receive a new book, please contact your block captain. If you are returning from your summer vacation up north, contact your block captain upon your return to receive your book. Remember to look back over previous editions of the voice to update your book since there have been changes since the publication went to print.

Thanks to everyone who gave us phone numbers and information for this edition of the "yellow Book." Please let us know any new changes as we are already starting on the information for the next edition

The pages in the back of the book are available to add new names, or names & numbers of friends outside Lincolnshire to keep them near your local numbers. Please make the following corrections and or additions

Martha Acker	lot 1150	410-4005 (number was incorrect)
Barbara LaFleur	lot 1456	698-1911 (new number)
Ben and Nancy Roth	lot 753	444-0193

Cindy Saylor	lot 528	513-824-0795
Dave and Charlotte Cato	lot 512	239-560-8345

You might not know that if you are happy with work done by a company, if you suggest to them that they advertise in the Dial Directory and they mention you referred them to it, you could win \$\$.

For those who are new, please address any questions directly to Donna Wurtz at lot # 938, (phone number above)

Please remember the only way we can publish your name & number as being a resident here in Lincolnshire is if you fill out the form and return it to lot #938. The office cannot share your information to us, and the book is published only once each year.

Thank you for your cooperation.

COOKING IN LINCOLNSHIRE

By: donna Wurtz (#938.....509-1182.....momshse@aol.com)

We have our cookbook still for sale, and some new residents might be interested in purchasing one, but without our usual events, we thought it would be nice to share some of the recipes that are in our book, and maybe some that didn't get in by the deadline for that edition. If you would like to contribute a favorite recipe, just send it to the above e-mail or drop it by coach 938 This month we are sharing a favorite old time memory. For those who may be from the New York area and once frequented a famous "deli" for a breakfast – here is a nock off that is as close as we can come here in Florida

NY DELI BREAKFAST SANDWICH

For each sandwich: 1 fresh Publix bakery Kaiser roll (poppy or sesame) – don't worry we are going to make it seem like a fresh NY roll.

3 slices good smoked bacon 1 large egg
1 slice real American Cheese 3 TBS heavy mayo

To make your Publix roll more like NY, purchase 1 day in advance. Keep the roll in the paper bag that was furnished by the Publix store. In the morning with the paper used to place the roll in the bag still on top of the roll, place ½ moist paper towel on top and microwave for 10 seconds (no more or the inside will get rubbery.) This will soften the roll but still leave the crust crisp like NY fresh. Cook the bacon slices. Meanwhile, heat a skillet to medium temp. Slice the roll & spread ½ the mayo onto top and bottom of the roll. Place mayo side down in the skillet and lightly brown the mayo. In the same skillet, cook your egg over easy in butter. (don't over-cook it, you want that yolk to run into your roll when you bite in. Place the bacon on the bottom of the roll, add a slice of cheese and then the over easy egg – maybe some Salt & pepper if you like. Done!

THE KNIT WITS

BY: Anna Petrivelli..... (lot255.....365-6560)

Knit wits are currently on hold. We are not meeting on Mondays at this time but hope to continue again soon. Meanwhile each of the ladies are still knitting at their own homes and we will continue to donate finished goods.

We hope some of you will come out & join us in the near future. Give me a call for information.

RESIDENT STORIES:

Lincolnshire On The Move

Jane Pastva and John Morgan traveled to Medina and Elyria, Ohio on their annual summer trip to visit former 'Shire residents Diane and Bob Gallik and Linda and Bill West. They stayed for several days with Gallik's before traveling over to the central time zone to visit JJ and Ed Heischmidt in Mt Vernon, IL. They partied away the 4th of July with a cookout, pool time and multiple fireworks shows. Their dog, Bentley is ready to go home because JJ has too many animals, including an energetic new puppy, Brady. Bentley says he will be very happy to get home to good ole Lincolnshire!

“WELCOME TO LINCOLNSHIRE”

By Vicki Marentette (Lot 950...281-2382) Donna Wurtz (Lot 938...459-0394)

Seminars for new residents will be postponed until October. In the meantime, any news regarding the committee will be posted in the laundry room by Donna. In the meantime, if you have any questions, please contact Donna.

Even with the vaccine, it is a good idea to remain cautious. Wear a mask and social distance when necessary. Stay safe.

August always a hot and steamy month here in Florida. Do not forget to sign up for our Pool party in August!!! Sign- up sheet in the Clubhouse.

Hope everyone is doing well after our recent “close call” with Elsa. Elsa was a friendly reminder that we are in the middle of Hurricane season here in Florida. Make sure you always keep that emergency bag packed and ready to go!

Good News – please let us know of any of your upcoming plans for a get away this summer! We would love to include them in our newsletter articles.

Marge & Pete Kristall heading out 7/9 for a 17-day road trip with a weeklong stop to see family in Buffalo NY. Decided to take the back roads this trip and get off the crazy interstate highways. A couple of planned stops along the way at Gettysburg National Cemetery, Corning Glass Museum and Asheville's Vanderbilt Mansion. I am sure we will find other interesting stops on the back roads to explore.

Would love to include news about your families...please let us know of any special events, awards etc. that we can include in our monthly newsletter article.

Since our last newsletter we have contacted via cards /calls the following residents who have been hospitalized or home recovering from an illness. Please keep them in your thoughts & prayers

Pam Walters #719 recuperating after a short hospital stay.

Terri Luker #1131 – in rehab after a fall at home.

Lillian DePalo formerly of #1542 recovering after recent hip surgery.

So great to see John Mullery #1536 out walking 15th Street after recovering from his recent procedures.

Since our last newsletter sadly reporting the loss of 2 of our Lincolnshire neighbors.

Shirley Hoel #1520 – long- time resident of Lincolnshire passed on June 28th after recent hospitalization. Our condolences to Shirley's family.

Kevin Young #330 – passed away suddenly in Bay Roberts Newfoundland. Our hearts go out to his wife Myra and their entire family.

Please don't forget to reach out to Mary Jo and Marge (see phone#'s below) with any information you might have regarding our neighbors that would appreciate a card/call from us to lighten their day. We would also love to hear from you if there are any special events taking place for you or your family.

Another new neighbor – meet Daisy! She moved in to lot #512 with her well trained companion “Char.” She is a Chihuahua and is believed to be about 4 ½ years old, although that is not positive, since she is a rescue. So happy to see rescue dogs being helped by our residents. She loves to take walks. If you meet her don’t think she is not friendly, she just takes a while to warm up to you, but once she does you will be her friend forever. She got her name because Daisies are Char’s favorite flower. Char thinks she should have been named Bambi because she looks like a little deer. Daisy says her “mom” Charlotte is another spoiled Lincolnshire pet owner.

VETERAN'S CORNER

By Robert Behm, LTC retired Army (Lot 775.....401-207=9317)

Why You Should Get a Veterans Designation on Your Driver's License

Most states offer a free veteran's designation on their driver's licenses, **FL** is one of them and if you want to get your full benefits as a veteran, you will want to make sure you get yours. Having your driver's license updated with your veteran status ensures you easily can get special veteran's-only discounts and other benefits that are offered by private businesses as well as state and local governments. Lowes and Home Depot are one example of a business that offers a discount of 10%. But there are hundreds of businesses that offer to veteran's discounts. These discounts cover almost every type of business you can imagine: from golf courses to drugstores to theme parks. However, it can be cumbersome to carry your DD-214 with you all the time in order to get these discounts, and that really isn't something you should be doing. To make it easy to get these discounts, you can apply for a veteran's ID card from the DAV, but the VA only gives this card to honorably discharged veterans, and having to carry an extra ID card with you can be a hassle. That's why it's always good to get that veteran's designation on your driver's license. Either your VA ID card or your state-issued ID or license with a veteran designation is usually all you need to take advantage of the many discounts listed in our discounts section as well as other discounts. These "other" discounts can be extremely beneficial if you take advantage of them.

Suicides in the Military since 911

More than four times as many troops and veterans of the wars since 9/11 are believed to have died by suicide than were killed in the wars themselves, a new study from Brown University has found. In a paper released Monday as part of its Costs of War series, Brown's Watson Institute for International and Public Affairs estimates that 30,177 active-duty personnel and veterans of the wars in Iraq and Afghanistan have taken their own lives over the last nearly 20 years. That is far greater than the 7,057 service members who died in war operations since 9/11, the institute said in the report, "High Suicide Rates Among United States Service Members and Veterans of

the Post-9/11 Wars." The military's rising suicide rates have caught up to the growing problem across the U.S. population, the institute said. This represents a significant -- and "deeply alarming" -- shift, it said. In the past, active-duty service members have died by suicide less frequently than civilians. But the suicide rate in the military now has surpassed the age-adjusted civilian rate, the report said, and suicide rates among post-9/11 war veterans surpass civilian rates. The report said some elements unique to the wars of the past two decades may have led to a "suicide epidemic." One of the wars' signature weapons, the improvised explosive device, led to a wave of traumatic brain injuries or "polytraumas" -- cases where wounded troops sustained multiple injuries or severe injuries in at least two areas of the body.

Studies suggest that between 8% and 20% of post-9/11 service members have sustained at least one -- frequently more -- TBIs throughout their career, the report said. A 2012 study of U.S. allies in Afghanistan, cited by the report, found that nearly half of all deployed service members had experienced at least one TBI, and nearly 13% had suffered more than three TBIs. Improving medical treatment has also kept wounded service members in uniform longer than previously, allowing some to redeploy after sustaining severe trauma, the institute said. "These compounding traumas contribute to worsening suicide rates as service members deploy and redeploy after sustaining severe injuries," it added. But there are other factors at play as well. While the nation has been at war nearly two decades, the Watson Institute said, the public is largely disinterested. The high level of trauma of all kinds -- mental, physical, moral and sexual; stress and burnout troops and veterans have been exposed to; the military's culture and training; access to guns; and difficulty reintegrating into civilian life are also contributing to high suicide rates, the institute found.

"High suicide rates mark the failure of the U.S. government and U.S. society to manage the mental health costs of our current conflicts," the report said. Of the troops who die by suicide, the report said, a disproportionate number are young white, non-Hispanic men in their 20s, in the Army or Marine Corps. Suicide rates are also higher for those who were divorced or separated, or facing financial difficulties.

The Watson Institute said the military must reconsider and change the parts of its culture that "overburden" service members with moral responsibility or blame for actions or consequences that were largely out of their control, and "overwhelmingly produces feelings of self-blame, guilt and weakness." The military also trains service members to put the needs of accomplishing the mission above their own well-being, the report said. The military's masculine culture may make service members less likely to reach out for help for their trauma, because they don't want to look weak in front of others, it added. The Watson Institute recommended that the military limit deployments to reduce troops' exposure to traumatic events, and improve its screenings for conditions such as post-traumatic stress, TBIs, depression and suicidal ideation so they are universal and taken seriously.

The military and Veterans Affairs department are trying to help service members and vets who may be at risk of suicide, the report said, but their efforts

haven't been enough. Some branches of the military still treat those who seek help with their mental health "like criminals," it added. The VA also needs to cut bureaucracy that holds up access to care, hold ineffective and inefficient employees accountable, expand its specialized health care, hire more post-9/11 veterans, and update the technology used at medical care centers, the report said.

A Nurse's Self Care Toolbox #38

Allyn Webert, RN. (Lot 1438, allynwebert@gmail.com)

Last month we took a look at the dry skin conditions of aging. Now, the more we know about skin cancer and the precancerous warning signs the better prevention and actions needed if we notice something suspicious on our skin.

Some background first. Skin cancer begins in the cells that make up the outer layer (epidermis) of our skin. Skin cancer is the abnormal growth of skin cells most often develops on skin exposed to the sun. Though some groups of us are more susceptible.

Melanoma (our focus here), basal cell skin cancer and squamous cell skin cancer are the most common types in seniors. Melanoma is a disease in which malignant cells form in the skin cells called melanocytes which gives us our skin color. When skin is exposed to the sun, melanocytes make more pigment, causing the skin to tan, or darken. When melanoma starts in the skin, the disease is called cutaneous melanoma and can occur anywhere on the body. Risk factors for Melanoma are unusual moles, exposure to natural sunlight (even inside our homes, sunlight still invades around curtains and blinds), exposure to artificial ultraviolet light (tanning booths), history in the family, Caucasian, being an adult, certain features like blond or red hair, light skin and freckles too.

What do we look for and how often. Checking for moles, new or already there twice a year looking for a difference in how it looks, getting larger, changing shape or color. Does it itch or bleed often. Seeing smaller and similar moles around the larger suspicious mole. By the time we retire we do have a lot of skin tags, moles and scars. More often you inspect the more you know these old ones you seen for years.

I cannot stress enough that we are the first line of defense with noticing problems with our skin that is bothersome. We so often see our medical team where a more thorough skin examination seems to take second or third place if at all. Ask for a skin examination and especially if you are concerned. Ask a friend to look at your back too. You do their back. Take a phone picture if you can. Most people can't escape getting a skin exam if they are seeing a dermatologist. Hold still as it won't hurt!

What is the next step if our medical team is concerned about a spot, mole or lesion on our skin? Most often a referral to a dermatologist. If there is concern on whether it is an abnormal skin growth or even in a high probability area they will typically do a biopsy. After numbing up the skin area they will do a local excision to remove as much of the suspicious mole or lesion as possible. A pathologist then looks at the tissue under a microscope to check for cancer cells. Melanoma can be hard to diagnose which can mean another biopsy or additional office visit. We should not shave off or clip off suspicious looking areas as this can delay identification if cancerous and in some cases increase the spread. Be smart and call your medical team.

Monthly Mania: It Pays (Up to \$100) To Patronize the Advertisers in Your Newsletter

THOUSANDS manufactured home residents have won over **\$157,800** since our contest began. It's simple to play ... when you patronize a current advertiser, ask for a Monthly Mania ticket (or a reasonable facsimile) and fill it out completely. Put the ticket in our Monthly Mania drop box in your community or mail your paid receipt to us at **Monthly Media • 220 Bahama St. • Venice, FL 34285**.

That's all you do. At the end of the month the Publishers will pick up the tickets and hold a drawing. If your ticket is drawn, we mail you a check.
