GATEWAY ACTIVITIES ORGANIZATION

Cheryl Williams, President

GAO as we are commonly known is responsible for the operation of the Gateway social activities. The activities in turn are the responsibility of a multitude of unpaid year-around and seasonal resident volunteers. The volunteer officers, President, Vice-President and Secretary are elected to two-year terms, the volunteer treasurer serves at the pleasure of the members. The GAO Steering Committee is made up of the appointed chairmen in charge of the various activities and meets monthly October through April to plan and co-ordinate the activities. Residents with interest in any of our activities and events and especially new residents who wish to become a part of the active Gateway ‘social’ scene will find the monthly meetings provide an informative overview of activities. Information about our GAO is available from any of our Steering Committee Chairpersons or by contacting the officers or editor of NewsNDos.

JULY 4TH INDEPENDENCE DAY PICNIC

GAO Steering Committee

What a great way to celebrate the 4th! There were nearly 70 residents and more than enough to feed their hunger who turned out for this well organized and orchestrated affair. Thanks go to Butch and Sheila Fleitz who headed the committee and included everyone who came and brought prepared dishes, set up the clubhouse, cooked the meat and cleaned up at the end of the day.

What a great way for our Gateway Community to move forward from the Covid pandemic!
Thanks to all who attended and were part of our Independence Day celebration.

CATCHING UP WITH CRAFTY CORNER

Michelle Johnson, Coordinator

Crafty Corner has been a wonderful reprieve from Summer's quiet days! Six to eight women have met each session to craft and chat. The ladies have made Celebration Leis, patriotic wreaths, and decoupage trinket boxes. Next up is paint-by-number time. Michelle Johnson and Bonnie Sisco combined their crocheting talents to make an afghan to be auctioned at the December holiday bazaar. Coming up in August the group will be making items for the upcoming holiday bazaar. Watch the Facebook group "Gateway Activities Organization" for information about each session and items that you can donate to help the ladies with their projects.

EARLY BIRD DINNER THEATRE UPDATES

Michelle Johnson, Coordinator

Four Gateway residents enjoyed a recent production of Love, Loss and What I Wore at Early Bird Dinner Theatre. Susan and her team have announced the next three productions for the troupe. First up, Kalamazoo on Saturday, October 9, a romantic comedy about life's second act and learning you're never too old to be young again. Centennial Casting, a farcical look at misunderstanding and mistaken identity, is next on Saturday, November 20. And let's jump back in time on Saturday, January 29 to Boeing, Boeing, a 1960s era take on flying high with love to round out the show ticket at Early Bird.

Tickets for each performance will be \$40 payable with cash or check. Watch for updates and reservation sign-ups via News and Do's, Let's Connect, or GAO's Facebook group.

JUNE POTLUCK

Dorinda Barnes, Organizer

Had 14 meals eaten on our first Summertime Potluck, lots of good food and conversations. Thanks to Walt Willis, Sally, MaryLynn, and Sheila for all the great help with set up and clean up. August Potluck Dinner will be Thursday, the 19th at 5 pm. Bring a dish to share and your appetite. Be sure to check the clubhouse for the signup sheet and list what you will be bringing.

MESSAGE FROM MANAGEMENT

William Hulett

NOW THAT COVID IS OUT OF THE WAY-We are having our first Resident Appreciation since basically 2019 lol so we would like to invite all of our Residents out for the summer to the clubhouse for some ice cream, Laughs and great conversation. The date is Tuesday, Aug 17th at 12 noon. Tickets are free in the office please stop and get yours TODAY.

The paving of First Lane & First Way is almost complete and is looking great; we hope everyone likes the improvements. We are using the roadwork shavings in the overflow lot to make it a little more usable even in the rainy months.

Code enforcement found that Itopia Apartments are responsible for the cleanout of the ditch behind Bay Street, so I'm sure they will give them a time limit to get it cleaned and will stay on top of them to make sure it gets done.

I am still noticing storage of tubs, building materials and other items outside of a few homes, we are doing our best to make your park and homes looks great.

Parking in Vacant Lots or Empty Driveways- We are not supposed to be parking on empty slabs or vacant lots, you are taking a chance of getting towed. **DO NOT PARK IN DRIVEWAYS THAT BELONG TO THE PARK-YOU WILL BE TOWED.** I have recently had some residents calling my office because of arguments with their neighbors about parking in abandoned homes driveways. (WE ARE SUPPOSED TO PARK IN OUR OWN DRIVEWAYS ONLY- If you park in a residents driveway you must have written permission).

(WE ARE SUPPOSED TO PARK IN OUR OWN DRIVEWAYS ONLY- If you park in a residents driveway you must have written permission)

Keep in mind that most all residents who go away for a short while or even extended periods usually make arrangements with friends and neighbors to conduct routine home checks. And this will often include information as to parking arrangements. It is rather upsetting when while away to receive a call that there is a vehicle, owner unknown, parked in your carport.

Keep in mind also that incidences of Home Squatting are not uncommon in Florida and have occurred at Gateway. Those strangers in your neighbor's home might not be there with the permission they say they have. Do your best to contact your neighbor to verify they are aware of what is occurring at their home.

REPRINT OF MANAGEMENT EMAIL

The Editor

The following is a reprint of an email to Gateway Park Residents. This email was sent in the days prior to Hurricane Elsa and contains important information regarding storm preparation for your home and your personal safety. Please take the time to read and heed throughout the storm season.

Dear Residents

The news is calling for a possible tropical storm to land in the Tampa Bay area and this could happen around Monday or Tuesday and could last a couple days. Now we hope this doesn't happen but we ask that you all be prepared just in case because after all your safety is the most important thing so with that being said we ask that you **tie down or take inside anything that might get blown around or could possibly take flight and hurt you or your fellow residents or may cause damage to you or your neighbors mobile.**

We realize this is the July 4th Holiday weekend and you all will want to celebrate but being prepared for this storm is very important so please act accordingly

continued on page 14

One more thing. **If storm does make landfall please understand the Gateway Clubhouse is not rated nor is it authorized to be used as a shelter. If this storm makes Landfall, or gets bad in any way and you are advised to take shelter, the Gateway Clubhouse is not the answer. Please seek shelter when and where the weather advisors advise you to go.**

Thank you and please enjoy your July 4th Holiday weekend

William Hulett: Gateway Mngr

PERSONAL SAFETY — BE PREPARED

UCLA Crime Prevention Unit

By taking a few simple precautions, you can reduce the risk to yourself and also discourage those who commit crimes.

- Always be alert and aware of the people around you.
- Educate yourself concerning prevention tactics.
- Be aware of locations and situations which would make you appear vulnerable to crime, such as alleys and dark parking lots.

STREET PRECAUTIONS

- Be alert to your surroundings and the people around you—especially if you are alone or it is dark.
- Whenever possible, travel with a friend.
- Stay in well-lighted areas as much as possible.
- Walk close to the curb. Avoid doorways, bushes and alleys where someone could hide.
- Walk confidently at a steady pace.
- Make eye contact with people when walking.
- Do not respond to conversation from strangers on the street—continue walking.
- If you carry a purse, carry it securely between your arm and your body. Although a purse-snatcher's intent is to steal the purse, your personal safety may depend on not clinging to it.
- Do not use or wear anything that will impede your vision or hearing (i.e. iPods).

CAR SAFETY

- Always lock your car doors after entering or leaving your vehicle.
- Park in well-lighted areas.
- Have your car keys in your hand so you don't have to linger before entering your car.
- Check the interior of your vehicle for intruders before entering your car.
- If you think you are being followed, drive to a public place or a police or sheriff station.
- If your car breaks down, open the hood and attach a white cloth to the car antennae. If

- Keep jewelry out of sight; don't flash jewelry; turn rings around so the stones don't show.

ON BOARD BUSES

- During off hours, ride as near to the bus operator as possible
- If someone bothers you or makes you feel uncomfortable, change seats. Inform the driver of the situation.
- Carry your wallet inside your coat, or in a front pocket.
- Keep your belongings in front of you and hold close to your body with both hands.
- Be alert to pickpockets on crowded buses; check your purse or wallet if someone is jostling, crowding or pushing you.

OFFICE SECURITY

- Never leave your purse or wallet in plain view or in common accessible areas.
- Don't leave cash or valuables at the office.
- If you work alone or after business hours, keep the office door locked.
- If you work late, try to find another worker or a security guard to walk out with you.
- In an elevator, be mindful that there is a distress alarm on the control panel.
- Be alert for pickpockets on crowded elevators.
- Report all suspicious persons and activities to the proper authorities (office manager, building security, law enforcement).
- Be aware of escape routes for emergencies and post the police and fire department numbers near telephones.

Finally, if a crime does occur...REPORT IT! Everyone should consider it his or her responsibility to report crime. Many criminals develop favorite areas for committing crime, as well as predictable methods of operation. When you report all the facts about a crime, it helps the police assign officers in the places where crimes are occurring or where they are most likely to occur, and your report may help prevent a crime from reoccurring.

At least half of the crimes in the Unites States go unreported, either because people don't think the police can do anything about it, or because people don't want to get involved. If you don't report a crime, this allows the criminal to continue to operate without interference.

In many cases, it is the information provided by victims and witnesses that leads to the arrest of a criminal. So tell the police as much as you can; no fact is too trivial. The police need the eyes and ears of all citizens.

GATEWAY LET'S CONNECT

June Boudreau, Coordinator

Want to be reminded of the activities schedule for the park? Then join in Let's Connect by sending your e-mail address to juneboudreau5@gmail.com with a Subject Line of Let's Connect.

Let's Connect is a great way to stay aware of those once a month Gateway activities that we usually remember just hours before or the next day after the event. Event emails usually arrive a few days ahead but just in time for you to adjust your schedule and post a reminder to your calendar.

The Let's Connect notices now go to over 100 throughout the Park and is a great way to be reminded of events and regular activities.

FROM THE DESK OF LANA KENNEDY

SHUFFLEBOARD: We are still practicing Wednesday morning at 10 am. For night practice call Dick to arrange it @ 815-236-9946. Fall information for the league will be coming as things develop.

LINE DANCING: To the right, to the right, to the right. Hopefully in November. I will let you know when I know something.

LIBRARY: I know nothing more at this time.

RUMOR MILL & OTHER THINGS

The Editor

The following is from the 2019 August NewsNDos and deserves repeating. In addition I would add that throughout the past year I have received multiple 'Friend Requests' from FaceBook 'friends' I already have. Prior to accepting 'added requests' you should contact your 'already friend' to verify they have created a new account or to warn them that their account information may have been compromised.

I have been an online computer user from the earliest days of personal computing and even prior to the perils of identity theft and debit cards to purchase gasoline I was aware of and concerned for personal information privacy and security. I have been a purchaser and user of Norton/Symantec Security software for decades and can recall fondly how I was the one being called by friends when their systems had been compromised and was able, through the use of Norton/Symantec tools to get them back online and virus free.

Craigslist and Online Selling

I have bought and sold multiple items using this popular online market place web site. Typically to avoid scammers I DO NOT list a phone number for contact with regards to the listing. It seems that scammers often respond with text messages offering to buy your item(s) at

continued on page 26

an inflated price saying they will send a ‘check’ and then you are requested to deposit the check and ‘pay to ship’ the item. The check they send is BOGUS and you will be out your property and will have paid them to take it if you accept their offer.

Everything I have sold was posted to the local Craigslist without a phone number and those interested first contacted me via email and purchase and delivery arrangements (local McDonalds, Post Office parking lot, one came to my home on the river) were made. I listed a couple monitors and shredder and included a cryptically displayed phone number. Within minutes I received a text message from another area code inquiring whether the items ‘were still available.’ I responded ‘YES’ and then added that ‘items would not be shipped’ and never received a reply. My suggestion, do not include a phone number when offering things for sale online and never include your home address in an online advertisement.

GATEWAY MEN’S GOLF

Dick Gilbert

For you new golfers at Gateway, we schedule play three times weekly (early mornings) Monday, Tuesday and Friday. The early mornings offer the opportunity to get in a round ahead of the summer heat and anyone new to Gateway should take the time to contact Dick Gilbert for details as to days, times and locations. Regular play has most recently been at the 9 hole Par 3 Cypress Links or the Back 9 of Mangrove Bay, both located off 62nd Avenue, east of 4th Street. Following play, Gateway golfers often stop for breakfast at Spring Gardens on 62nd Avenue.

Those interested should contact Richard Gilbert at (815) 236-9946 for details

GATEWAY COMMUNITY DIRECTORY

Peter Soehnen, NewsNDos Editor

Your 2021 Gateway Mobile Home Park Directory has been delivered. Please review the information contained in the directory and should you wish to add a phone number, a name or a state or country designation please contact me.

These directories are meant for use by residents and should not be casually discarded or left at the Clubhouse. Should yours become lost, destroyed or be eaten by a pet please feel free to contact Peter Soehnen, Editor of NewsNDos at (727) 269-9569 or GAOnews@tampabay.rr.com for a replacement. Please notice that Pinewood Village resident information is no longer included in our directory so you may wish to hold onto last year’s edition for Pinewood info.

During the summer months May through September Park Directories will be available by contacting Walter Willis of 1st Way or Britney at the Gateway Office.
