## WEATHER:

**W**e skated thru Elsa, but don't get lax. We have only just a month ago entered into hurricane season. We still have 5 months left. If you hear talk of Hurricanes, Tropical Storms, or Storm Surges, pay attention. Follow any guidelines that are always talked about on Spectrum Bay News channel 9, or the Spectrum weather channel which is 63. There is also information in the Clubhouse for you to pick up and familiarize yourself with, evacuation routes, etc. There was an article in both the May and June issues of the Scuttlebutt with information as to what to pack in your TO-GO-BOX should you have to evacuate.

## JULY 4TH PARTY!! (on July 3rd)

**I**t was a huge success. Everyone has been cooped up for so long, it felt wonderful to finally let loose, dining with friends, socializing, hearing great music, and DANCING to the sound of Jerry Chase, who was fantastic!!

The food was catered by Pete and Shorty's, it was delicious and plentiful as usual.

There were 116 tickets sold, that speaks volumes.

This great event started our season with a BANG!!

LET'S KEEP THE PARTIES GOING!!

Treehouse Communities contribution to our July 4th party was very much appreciated. Thank you from the Harbor Lights Social Club.

## AUGUST FUN FACTS:

---

**A**ugust is the last of the summer months. August in the Northern Hemisphere is similar to February in the Southern Hemisphere. In the original Roman calendar the month of August was called Sextillis. This was because it was the sixth month of the year. Later, after January and February were added to the calendar, it became the eighth month of the year. At the time the month had 29 days. When Julius Caesar created the Julian calendar in 45 BC, two days were added giving the month 31 days. The month was later renamed Augustus in honor of the first emperor of Rome, Caesar Augustus. August Birthstones are Agate or Onyx. August flowers are Gladiolus and Poppy. August zodiac signs are

Leo – July 23rd to August 22nd, and Virgo – August 23rd to September 22nd.

## MOVIN AND GROOVING:

---

**L**et's get our groove on, this is low-impact, low-stress...dance exercise, but loads of fun.

Check out body groove with Misty Tripoli on U-tube, or just show up..

Linda Steiner has the DVDs

**LETS'DANCE...**

This fun way to move and groove started Thursday, July 22nd at 4pm in the Clubhouse.

It will be held every Tuesday and Thursday at 4pm in the Clubhouse.

Come see what the new craze is!!

## FELLOWSHIP REPORT:

## CONTINUED WELCOME TO:

---

All new residents of Harbor Lights, this is a great community in which to live. To find out what activities/events are taking place in the park, keep an eye on our Facebook page, e-mails that are sent out, monthly issues of the Scuttlebutt (that are delivered to your door the 1st of each month), and the bulletin board next to the main entrance doors of the clubhouse.

## LET'S HAVE SOME FUN!!

---

**CORNHOLE HAS A NEW TWIST.** The start date is August 4th, 6:30pm, at the Clubhouse, and again August 18th. It will be played every other Wednesday. COME SEE WHAT'S HAPPENING!! Beside regular Cornhole there is a new twist.

**THIS IS HOW IT WORKS:** CORNHOLE 50/50. Tickets are \$1.00 each; Half of the ticket sales go to the Social Club fund – Half goes to 50/50 winner.

### HOW YOU WIN:

**Buy tickets!!**

If your ticket is drawn you will get 3 chances to toss beanbags into the hole of a Cornhole board.

Get a beanbag in the hole with one of the 3 beanbags and win the money, WOOHOO!!.

You have 3 chances to throw for the 50/50 win. Only 1 bag in the hole of the Cornhole board is needed to win.

If no bags are made into the hole of the Cornhole board, the money will roll over until the next time, and so on.

## ATTENTION HARBOR LIGHTS RESIDENT GRANDMA'S

**W**ould you be interested in starting a Grandma's Lending Circle within the park?

What it is: Grandma's who reside within the park, and are in the "lending circle", would be contacted to see if they had items that could be borrowed for visiting grandchildren, nieces, nephews, etc. Some items could be pack-n-plays to a blow up mattress, a child's bike to a larger size, pool toys, sand toys, beach items, small pool, etc.

If there is enough interest logistics will be worked out and information provided to those Grandma's who have expressed an interest in joining the Harbor Lights Grandma's Lending Circle.

If you are interested, please contact [Pam Gonzalez](mailto:Pam.Gonzalez@harborlights.org) at 216-233-1404

## COOKS CORNER:

### FIRE UP THOSE GRILLS – Fix-It-In-Foil

#### Sweet Ham and Yams - Makes 4 servings

1 lb Boneless fully cooked ham, 2 large yams or sweet potatoes, 2 apples, ground cinnamon, 3 T. brown sugar,

¼ c. Pancake syrup.

Cut ham into small chunks. Peel and cut yams into ½" cubes, peel, core and cut each apple into 8 slices.

Cut 4 (12") pieces of heavy-duty foil. Place an equal portion of ham and yam chunks on each piece of foil. Place 4 apple slices on top of each pack. Sprinkle each pack with cinnamon and 2 tsp. brown sugar, then drizzle 1 T. syrup on top of each serving. Wrap foil in a tent pack around each serving.

Preheat grill to medium heat. Place foil packs on the grill over direct heat, close lid and cook for 15 to 25 minutes or until yams are tender. Turn over once during cooking.

If you have a favorite recipe you would like to share, send it to [jafroscoe46@yahoo.com](mailto:jafroscoe46@yahoo.com), and it will be shared in next month's Scuttlebutt.

## NUMBERS IN THE NEWS

---

### Did we drink more during COVID-19?

**L**ocked down in 2020 because of the spreading coronavirus outbreak, many people baked bread, studied foreign languages, and stopped wearing pants. But did they drink more? It might have been tempting, but a study conducted on behalf of the Beer Institute (reported on the Craft Brewing Business website), found that most people didn't increase their consumption of beer and other alcoholic beverages, despite the assumption that drinking must have increased during the lockdown.

Echelon Insights conducted a nationally representative survey of registered voters age 21+ during March 1–4, 2021. One in five respondents indicated they did drink more beer, wine, and liquor last year, but the same number also reported drinking less, and 60% said their drinking habits hadn't changed at all since the beginning of the pandemic.

COVID-19 did have an impact on the beer industry, though. The pandemic resulted in a loss of almost \$20 billion in retail beer sales, and more than 561,000 U.S. jobs were lost, the majority in bars and restaurants that suffered from restrictions or closed outright.

# AUGUST CALENDAR

---

**American Artist Appreciation Month.** The United States has been home to many amazing artists throughout history—Mary Cassatt, Jackson Pollack, Georgia O’Keeffe, Andy Warhol, and many more. Celebrate the month by discovering new American artists of all kinds. Check out your local museums and galleries to support local artists.

**Children’s Eye Health and Safety Month.** Along with shopping for back-to-school clothes and supplies, it’s time to make comprehensive eye exam appointments for the kids. Have your children’s eyes examined during well-child visits beginning around age three. Your child’s eye doctor can help detect refractive errors such as nearsightedness, farsightedness, astigmatism, and other diseases.

**National Water Quality Month.** National Water Quality Month is dedicated to making the most of the relatively small amount of fresh water we have. Clean water is vital to our individual health, our collective agricultural needs, and our environment.

**Read a Romance Month.** Love makes the world go around, right? In August people are ready for a romantic beach read. With no national holidays to distract you, you can make August an uninterrupted flow of all kinds of romantic reads.

## Weekly

---

**I**nternational Assistance Dog Week, Aug. 1–7. International Assistance Dog Week was created to recognize all the devoted, hardworking assistance dogs helping individuals mitigate their disability-related limitations.

**Safe + Sound Week, Aug. 9–15.** Successful safety and health programs can proactively identify and manage workplace hazards before they cause injury or illness, improving sustainability and the bottom line. Participating in Safe + Sound Week can help get your program started, energize an existing one, or provide a chance to recognize your safety successes.

**Brake Safety Week, Aug. 22–28.** Properly functioning brake systems are crucial to safe commercial motor vehicle operation. Commercial motor vehicle brakes are designed to hold up under tough conditions; however, they must be inspected and maintained carefully and consistently so they operate and perform properly throughout the vehicle’s life.

## The neglected spouse

After 35 years of marriage, a husband and wife came in for counseling.

When the counselor asked what the problem was, the wife spent a long time complaining about years of neglect, lack of intimacy, loneliness, feeling unloved, and more.

When she finished, the counselor stood up, walked around his desk, asked the wife to stand up, and gave her a passionate embrace and a deep kiss as the husband watched.

The wife sat down, dazed, and the counselor turned to the husband: “This is what your wife needs, at least three times a week.”

The husband shrugged. “OK, I can drop her off Mondays and Tuesdays, but on Fridays I go fishing.”

## Adoption

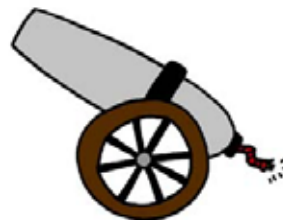

A husband and wife who worked for the circus went to an adoption agency looking to adopt a child, but the social workers there had doubts about their suitability.

The couple produced photos of their 50-foot motor home, which was clean and well maintained and equipped with a beautiful nursery.

The social workers were satisfied by this, but then raised concerns about the kind of education a child would receive in their care. The husband put their mind at ease, saying, “We’ve arranged for a full-time tutor who will teach the child all the usual subjects, along with French, Mandarin, and computer skills.”

Next, the social workers expressed concern about a child being raised in a circus environment. This time the wife explained, “Our nanny is a certified expert in pediatric care, welfare, and diet.”

The social workers were finally satisfied, so they asked the couple, “What age child are you hoping to adopt?” The husband said, “It doesn’t really matter, as long as the kid fits in the cannon.”

## Short stuff

---

**H**ere are a few quickies to liven up your conversation:

- A man walks into a library and asks the librarian for books about paranoia. She whispers, “They’re right behind you!”
- Want to hear a roof joke? The first one’s on the house.
- A cement mixer and a prison bus crashed on the highway. Police advise citizens to look out for a group of hardened criminals.
- I saw a movie about how ships are put together. It was riveting.
- Why did the taxi driver get fired? Passengers complained when he went the extra mile.
- A group of crows was arrested for trying to hang out together. The charge? Attempted murder.
- Some people eat snails. They must not like fast food.
- Have you heard the one about the skunk? It really stinks.
- It’s always windy in a baseball stadium. All those fans.
- What’s worse than raining cats and dogs? Hailing taxis.

## Where do you live?

---

**A** police officer pulled over a teenager. Here’s how the conversation went:

Police: Where do you live?

Teenager: With my parents.

Police: Where do your parents live?

Teenager: With me.

Police: Where do you all live?

Teenager: Together.

Police: Where is your house?

Teenager: Next to my neighbor’s house.

Police: Where is your neighbor’s house?

Teenager: You won’t believe me.

Police: Tell me.

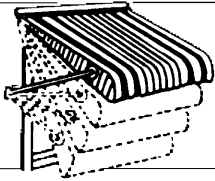

Teenager: Next to my house.

*To truly laugh, you must be able to take your pain and play with it.*
