From The President

Tom Vanzant

The summer months, especially July and August, when we don't have Board meeting, is typically slow, and this year is no exception.

I am happy to say the Breem Acres project was approved by the Board, to remove the muck, vegetation and debris from the pond with the fountain and the culvert that goes out to 106th Ave will, hopefully, begin soon.

The recoating of our roads should be completed, without weather issues, by September.

We are excited that our new lake and pond management company Advanced Aquatics took over in July. We expect they will do a much better job controlling our weeds and plants on our waterways.

All of us, the Board, our employee's and our volunteers want to wish everyone to continue having a great summer and look forward to our seasonal friends return.

From The Office

Pat Merl

ROAD RESURFACING

A new schedule for the resurfacing of the streets and clubhouse parking lot, by All-Phase Paving and Sealing, is included in your newsletter and posted on the Holiday Shores Clubhouse bulletin board and the Holiday Shores Website. **Work is tentatively scheduled to commence on 8/10/21 and to conclude on 9/11/21 – barring any unforeseen circumstances. Please read all of the ROAD RESURFACING INFORMATION thoroughly, so that you know exactly what is required of you in order to enable the project to run more smoothly and successfully.**

I have been asked to remind everyone that the Seminole Beacon is delivered to the Clubhouse weekly, should you want a copy. You should be able to find them in the library, or by the phone in the pool room.

Due to the strange and unpredictable weather we had in early July, I am republishing the emergency special needs information (below), so that you can be sure to take all precautionary actions PRIOR to the emergency, rather than during it.

Thankfully, Hurricane Elsa's bark was louder than her bite. Although there was some minor flooding in our area, the Park fared the storm well. It was the following week's storm from nowhere, which lasted about 10 minutes and left some damage to a few coaches, in its wake. Luckily, no one was hurt.

ULTIMATELY, AS PER THE PINELLAS COUNTY HURRICANE PREPAREDNESS FOR MOBILE HOME RESIDENTS, “...MOBILE HOME RESIDENTS MUST EVACUATE REGARDLESS OF THEIR EVACUATION LEVEL.”

PLEASE REMEMBER: Hurricane season began on June 1, 2021 and will continue for a period of five months, or through October, each year. If you are in the Park, please make sure that you do everything you can to get prepared. This link takes you to the State of Florida Hurricane Preparedness page where you will find their Hurricane Preparedness Guide: <https://www.stateofflorida.com/articles/hurricane-preparedness-guide/> Please don't wait to familiarize yourself with it – even seasoned Floridians need to keep up to date on ways to protect yourself, your family and your property 😊

RESIDENT - SPECIAL NEEDS: There is another very important step to take in order to prepare for hurricane season. The Pinellas County Emergency Management Office defines “special needs” residents as individuals who are confined to a wheelchair, bedridden, or requiring oxygen, or electrical life support equipment. **Holiday Shores Park residents with these medical or mobility problems who want assistance from the County in the event of an “emergency” such as a hurricane will need to call 727-464-3800 to pre-register.**

Special needs residents will need to complete paperwork and have it signed by their doctor and return it to the Pinellas County Emergency Management Officer, to be registered. Each year, they will receive renewal forms that will need to be completed and returned to continue their registration.

If you have special needs and would like to register on line, take a moment to create an account at the Pinellas County link below and pre-register yourself with the Pinellas County Emergency Management Office at the following link: <https://snr.floridadisaster.org/Signin?client=pinellas>

Residents who do not meet the County’s “special needs” criteria, but who may need assistance during evacuation, will need to make arrangements beforehand, with the Pinellas County Emergency Management Office (727-464-3800), for help during an emergency.

The Emergency Management Office will not give out your information, due to their Privacy Policy.

Baby it's hot outside!

I believe we all agree we enjoyed ourselves the Fourth of July. Plenty of food and great company! Thank you also to our cooks and ticket sellers! Congrats to Peggy Scanio's son-in-law for winning the door prize. A bucket of two oversize beach towels!

We hope you enjoyed the suspense of *Finest Hours* with your hand in your popcorn during our bring your dinner to a movie event.

We will continue to have 50-50 at all future events and have raffles whenever possible. Thank you to all of you who donate!

Music with Don and friends was changed to Thursdays running at least through December. We will keep you posted.

Volunteers are stepping up for different activities. We are so thankful. Whatever your interest is, please contact me. Starting a club, making centerpieces for parties, cooking, selling tickets. Whatever your interest may be. We love to have you.

August is open! Right now watch those A frames! I see ice cream in our future!

Hello Friends and Neighbors of Holiday Shores Park. It is with great sadness that I inform you that Shirli Reish passed away on June 30, 2021. As many of you will recall, Shirli was a long-time resident of Holiday Shores and, just a few months ago, moved to Pinecrest Nursing home. I am unaware of any Memorial services for her at this time, but I will keep you posted. She will be truly missed.

Please call me (440-724-1488) if you are aware of any of our friends and neighbors who are ill, have had a death in the family, or have had a surgical procedure. I will keep you posted on any new developments. Please keep these friends and neighbors (and their families) in your prayers. Thank you.

Short stuff

Here are a few quickies to liven up your conversation:

- A man walks into a library and asks the librarian for books about paranoia. She whispers, “They’re right behind you!”
- Want to hear a roof joke? The first one’s on the house.
- A cement mixer and a prison bus crashed on the highway. Police advise citizens to look out for a group of hardened criminals.
- I saw a movie about how ships are put together. It was riveting.
- Why did the taxi driver get fired? Passengers complained when he went the extra mile.
- A group of crows was arrested for trying to hang out together. The charge? Attempted murder.
- Some people eat snails. They must not like fast food.
- Have you heard the one about the skunk? It really stinks.
- It’s always windy in a baseball stadium. All those fans.
- What’s worse than raining cats and dogs? Hailing taxis.

NUMBERS IN THE NEWS

Did we drink more during COVID-19?

Locked down in 2020 because of the spreading coronavirus outbreak, many people baked bread, studied foreign languages, and stopped wearing pants. But did they drink more? It might have been tempting, but a study conducted on behalf of the Beer Institute (reported on the Craft Brewing Business website), found that most people didn't increase their consumption of beer and other alcoholic beverages, despite the assumption that drinking must have increased during the lockdown.

Echelon Insights conducted a nationally representative survey of registered voters age 21+ during March 1–4, 2021. One in five respondents indicated they did drink more beer, wine, and liquor last year, but the same number also reported drinking less, and 60% said their drinking habits hadn't changed at all since the beginning of the pandemic.

COVID-19 did have an impact on the beer industry, though. The pandemic resulted in a loss of almost \$20 billion in retail beer sales, and more than 561,000 U.S. jobs were lost, the majority in bars and restaurants that suffered from restrictions or closed outright.
