Nutella No Bake Cookies

Ingredients for Nutella No Bake Cookies:

- ½ cup butter
- ½ cup milk
- 1¾ cup granulated sugar
- 4 Tablespoons cocoa powder
- 2 teaspoons vanilla extract
- ½ cup Nutella
- 3 cups quick cooking oats

How to make these delicious Nutella No Bake Cookies:

- In a saucepan, combine butter, milk, sugar, and cocoa powder and heat over medium heat. Bring to a rolling boil and let boil for one minute. Remove your saucepan from the heat.
- Add Nutella and vanilla to hot mixture and stir until combined. Add oats and stir until completely incorporated.
- Drop by spoonfuls onto baking sheets lined with wax paper. Let cool (or you can eat them all warm and gooey- that's yummy too!).

Jokes

Senior exercise

Most seniors never get enough exercise. In His wisdom God decreed that seniors become forgetful so they would have to search for their glasses, keys and other things thus doing more walking.

Then God saw there was another need. In His wisdom He made seniors lose coordination so they would drop things requiring them to bend, reach and stretch.

Then God considered the function of bladders and decided seniors would have additional calls of nature requiring more trips to the bathroom, thus providing more exercise.

So if you find as you age that you are getting up and down more, remember it's God's will. It is all in your best interest even though you mutter under your breath

No bake banana cream pie

Instructions

1. In a 9×13 inch pan, lay down one layer of graham crackers.
2. Prepare pudding according to package directions.
3. On top of the graham cracker layer, spread out two cups of banana pudding.
4. Top the banana pudding layer with two cups of cool whip.
5. Top the cool whip off with a layer of sliced bananas.
6. Repeat all the layers again, except your top layer of bananas on the second round through, will be the garnish, if desired. Place on the banana slices right before serving for a better looking presentation.
7. Refrigerate for one hour before serving to allow the graham crackers to soften.

Notes

- This recipe is best when served after it has sat in the fridge for a few hours. We recommend serving it within 12-14 hours of making it, just because the graham crackers soften quite a bit and the bananas will lose their texture over time.

NUMBERS IN THE NEWS

Did we drink more during COVID-19?

Locked down in 2020 because of the spreading coronavirus outbreak, many people baked bread, studied foreign languages, and stopped wearing pants. But did they drink more? It might have been tempting, but a study conducted on behalf of the Beer Institute (reported on the Craft Brewing Business website), found that most people didn't increase their consumption of beer and other alcoholic beverages, despite the assumption that drinking must have increased during the lockdown.

Echelon Insights conducted a nationally representative survey of registered voters age 21+ during March 1–4, 2021. One in five respondents indicated they did drink more beer, wine, and liquor last year, but the same number also reported drinking less, and 60% said their drinking habits hadn't changed at all since the beginning of the pandemic.

COVID-19 did have an impact on the beer industry, though. The pandemic resulted in a loss of almost \$20 billion in retail beer sales, and more than 561,000 U.S. jobs were lost, the majority in bars and restaurants that suffered from restrictions or closed outright.
