SOCIAL CLUB NEWS

Marsha Dixon #314, President, 931-607-1493

Chit Chat Hour has been a huge success! Thanks to Kay from Area 2 for leading August and organizing our lunch of 30 Doral residents at Olive Garden on August 7th.

Cathy oversees September and please read her welcome article and ice cream truck plans for Labor Day in this media.

We have been advised by the RO to begin wearing masks again at Chit Chat Hour, even though we are outside. It is very hard to social distance and until more residents are vaccinated, we have to take every precaution to help keep everyone safe. Hopefully numbers in Florida will decrease soon and we can sit outside and enjoy chatting without our masks, but until further notice we are required to wear them. We will also meet on the Cottage Back Porch in October and the RO will discuss in September our November plans. Let's keep fingers crossed we can resume our normal activities then.

Thanks to all residents that participated in our July 30th OneBlood donation drive! Around 7 participated and received special treats for their donation!

Our wishes are to open all of our activities as soon as Covid cases decline in our area. We encourage everyone to be vaccinated and need more Doral residents to receive theirs! It is so important to think about your health! If you have not received your vaccine and want more information or need a ride to receive one, please call the Doral office and we will make sure you are taken care of!

ALL EVENTS AND ACTIVITIES CANCELED UNTIL FURTHER NOTICE!!!
PLEASE STAY TUNED TO CHANNEL 801 FOR ALL UPDATES!!!

Bazaar Donations

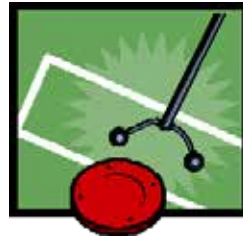

If you have bazaar donations, we are ready for pickups or drop offs. We currently do not have many volunteers with trucks or lifting strength to help, but we will definitely make arrangements to store your donations in our shed. Thank you for always supporting our Social Club with your treasures so we can re-sale them to help support our activities! Donations or questions: (931) 607-1493

The Beach Babes of Doral.

Ladies come join in the fun, with Red Hat sisters. We are a global society of woman, that supports and encourages woman in their pursuit of fun friendship freedom and fulfillment and fitness. The Red Hat society is a rewarding vehicle for reconnecting old friends and making new ones and rediscovering the joy of getting together with other woman for the express purpose of having fun, because we have the power of fun to do so. We do many different events, like monthly birthday lunches at a country club, or your favorite restaurant or take a ride on a boat up the river to see all the beautiful homes, or to see Christmas lights. We go to many different places like going to see a play or do shopping in Tarpon springs or John's Pass or a girl's night out in one of our sister's homes having a fun night telling jokes having a glass of wine with snacks, or going to holiday parties, we go to 3-day conventions. stay in a hotel and have loads of fun dancing dining playing games, do a dress costume, we also do Red Hat cruises. You pick your events you want to go to; you don't have to go to everything. The cost to join is \$30.00 a year paid to the Red Hat Society. My name is **Sandy Layne lot #488 my phone is 732 241 0743**. I am the Queen Mother for the Beach Babes of Doral call me if you are interested in joining our fun group. The library is now open on weekdays from 8:00-4:00, using the front door of the Clubhouse. Please place all returned books and puzzles in the marked box just inside the door. They will be sanitized using the same method as the Public Libraries. Following the designated pathway to the library, you may take any books and puzzles (which are set out on tables). Joke of the Month

“This is your great-grandma and great grandpa,” I told my grandson as I handed him a photo of my parents. “Do you think I look like them?” He shook his head. “Not yet.”

Manager's Report

Jeremy Londergan

Hello Doral Village!

August was a crazy month with the unfortunate rising Covid numbers. We had to revert back to masks and social distancing. We can only hope everyone stays safe, and the numbers start to move in the downward direction. We're closely monitoring the situation.

We're still in the mist of storm season, so make sure you have a plan. If you need help with shutters please contact the office, and we will try our best to help you out. Thankfully we have great team of volunteers.

Our office is open. Please knock on the door, and you will be greeted. Concern/request forms are out front. If you have any questions or need assistance. Please call or stop by. Leslie and I are happy to help.

Hope everyone stays well, and I'll see you around the village.

Thank you.

Make it a great day!

Jeremy

KNOWING YOUR NEIGHBORS

from Julia Green #564

AUSTRALIA

When we are in Doral Village I'm often asked about life in Australia and "how things work". I thought I might cover a few things in this "blog" that differ from things in the USA.

Possibly the most common question I get is about our medical system. Like a big majority of developed countries, we have a medical system that covers every citizen. When you are born you are automatically covered by MEDICARE. Your name goes onto your parents' card, then when you turn 18 you get your own card. What it means is that you are covered generally free for most medical and dental procedures. Socialized medicine? We don't see it as thatour taxes pay for it. It's our right.

To explain, MEDICARE covers most doctors and hospital, dental and subsidies prescriptions. This is for public hospitals and doctors. However, we also can take out private health insurance to cover hospital stays. Under Medicare there may be waiting lists for some surgeries etc., plus you won't get your choice of specialists. For that reason, many of us pay for private cover.....average price \$A 100-150 per month. Private health will cover about 95% of an operation. Seeing a doctor or getting a blood test usually doesn't cost. Prescriptions are mostly subsidized, for example common blood pressure meds are around \$A10 a month. If you are on a government pension it's half that.

As you probably realize by the time you read this it's about a month old, but the latest news to date is we have the Delta variant of Covid going mad, mostly in Sydney. For that reason,

MILITARY & SENIOR DISCOUNTS

Sydney and surrounds are in total lockdown. By the time you see this it'll be 8 weeks. All our state borders are also locked (I was going to Queensland to visit my daughter and grandson, can't now). Ray can't see his kids; I can't see my son they're all in lockdown. We had a protest march in Sydney, mostly men of a certain age, all it did was create a super spreader, a lot of fines and arrests, and huge resentment among the population as it made the month-long lockdown extend longer, another month.

However, it made a big rush to get vaccinated and more vaccine supplies flown in. Our vaccination rate was really low as I said in my last article. When you read this, we will finally in Spring ...neither of us do winter well. Our winter temperatures I believe are similar to those in Florida. We had a few really cold and windy days, then an early burst of spring in mid-winter.

We've been lucky though to so far escape lockdown so we can move around, visit friends etc. We do have to wear masks indoors and use our QR code to check in everywhere. It's been a pretty wet winter so spring should be lovely. I've planted lots of flowering trees (well Ray plants I direct), bulbs and flowers. Ray's finches and canaries are having babies and with some luck the bees will share their honey with us. I've been indulging my love of cooking using an abundance of fresh citrus fruits that friends have shared with me, plus the chickens lay between 4-6 eggs a day.

We still hope that one day in the not too far away future we will be able to fly overseas.

Stay well.
Julie
