SUN AND FUN ACTIVITIES

We had a very nice Wine and Cheese gathering on July 23 with about 25 people attending. There was a very nice spread of meats, cheeses, dips and chips. Two of our newest residents, Nancy and Chip, attended and we got to know them a bit. Thank you to Sue Wilson and Sandy Clark for hosting this event – and they hope to have more in the near future!

We are still having Card Bingo on Mondays at 6 (this has been a big success) and Bingo every other Wednesday at 6 (we would like more people to come to Bingo) through the end of September. There is also Fun Bowling on Tuesdays at 12 noon. We're hoping to get new Social Club officers in October so we can continue with events. If you're interested in being on the Social Club board, please sign up in the clubhouse.

Coffee Hour has been a little light on attendance – please sign up in the clubhouse if you plan to come and have a donut with us – every other Saturday at 9 am – Sept 4 and 18. (All social events are subject to COVID.)

MUSIC JAM

Wow! On July 30 and August 6 we had a group of 10 musicians do a jam session in our clubhouse – including our very own Margaret French on mandolin and Steve McCaskey on guitar. What a great variety of music they played. Just a few people came to listen but everybody’s toes were tappin’!! We hope to have them here again this winter. This group plays on the Pinellas Trail in the winter near Al Fresco Café downtown, so look for them then. And if you like bluegrass music, there is another group that plays at Woodwright Brewing on Thursday evenings around 7, and Margaret sometimes plays with them.

Future dates at the Clubhouse are Friday, September 3 and October 1 – both at 10:30

THE FUNNIES

donated by Al Szynski and Becky Holender

My kids will never know the joy of finding a quarter in the coin return of a pay phone!

Some people won't admit their faults. I would, if I had any.

Why don't I have any tattoos? For the same reason you don't put a bumper sticker on a Ferrari!

I might wake up early and go running. I also might wake up and win the lottery. The odds are about the same.

Accidentally went grocery shopping on an empty stomach and now I'm the proud owner of aisle 4.

I wonder why we are so obsessed with trying to find intelligent life on other planets, when we can't even find intelligent life here?

Wife and I went to the store with our masks on, got home, took off the masks, and found that I brought the wrong wife home...pay attention people!!

Hugh Hefner became a millionaire staying home in his jammies... I'm not having the same result.

Don't Forget

The old couple was sitting in the living room and the man asked his wife to "Make him a peanut butter sandwich with grape jelly, and to make sure she used grape jelly and not the peach."

She replied she would and asked did he want one slice or two. He replied, "two slices and make sure you use the grape jelly and not the peach." He continued, "as forgetful as you are, would you write it down so you won't forget?"

She said, "I don't need to write it down because I will remember grape jelly and not peach."

After a while she came out with two eggs scrambled, a bowl of grits, two pieces of toast and a cup of coffee. He looked at his wife and said, "I knew it. I knew it. I asked you to write it down because I knew you would forget the biscuits!"

Easy as 123

Harry is getting along in years and finds that he is unable to perform sexually. He finally goes to his doctor, who tries a few things but nothing seems to work. So the doctor refers him to an American Indian medicine man. The medicine man says, "I can cure this." That said, he throws a white powder in a flame, and there is a flash with billowing blue smoke. Then he says, "This is powerful medicine. You can only use it once a year. All you have to do is say '123' and it shall rise for as long as you wish!"

The guy then asks, "What happens when it's over, and I don't want to continue?" The medicine man replies, "All you or your partner have to say is '1234' and it will go down. But be warned – it will not work again for another year!" Harry rushes home, eager to try out his new powers and prowess. That night he is ready to surprise Joyce. He showers, shaves, and puts on his most exotic shaving lotion. He gets into bed, and lying next to her, says, '123'. His wife, who had been facing away, turns over and asks, "What did you say 123 for?" And that, my friend, is why you shouldn't end a sentence with a preposition.

What a weekend!

An older, white haired man walked into a jewelry store one Friday evening with a beautiful young gal at his side. He told the jeweler he was looking for a special ring for his girlfriend. The jeweler looked through his stock and brought out a \$5,000 ring. The old man said, "No, I'd like to see something more special." At that statement, the jeweler went to his special stock and brought another ring over. "Here's a stunning ring at only \$40,000," the jeweler said.. The young lady's eyes sparkled and her whole body trembled with excitement. The old man, seeing this said, "We'll take it." The jeweler asked how payment would be made and the old man stated, "By check. I know you need to make sure my check is good, so I'll write it now and you can call the bank Monday to verify the funds and I'll pick the ring up Monday afternoon."

Monday morning, the agitated jeweler phoned the old man. "There's no money in that account." "I know," said the old man, "but let me tell you about my weekend!"

The older we get, the fewer things seem worth waiting in line for.

Get Me Home

An older gentleman was sitting on a park bench sobbing. A police officer came up and asked him what was wrong. “I’m 75 years old,” sobbed the man. “I have a 35-year-old wife at home. She is beautiful, a great cook, mother of my two young children, charming and madly in love with me.” “So what’s the problem?” “I can’t remember where I live!”

How to Play Golf

“What is your handicap these days?” one golfer asked another. “I’m a scratch golfer. I write down all my good scores and scratch out all my bad ones.”

Lazy Young uns

An elderly man had lived to 84 before going to the hospital for the first time in his life. As they got him into bed he found the bell cord hooked to his pillow. “What’s this thing for?” “It’s for the nurse in case you need anything,” we replied. “How does it work?” he asked. “You push the button and it turns the light on for the nurse.” He responded, “You young people have gotten very lazy. If the nurse needs a light she should get up and turn it on for herself.”

I Can Do That

My grandmother, a feisty 91 and living alone in a small town in Oregon, had a total hip replacement and was house-bound. Our family, not being nearby, was concerned for her welfare and called Meals on Wheels. The next day a volunteer phoned Grandmother and cheerfully explained that Meals on Wheels is a service which relies on volunteers to help the elderly and the ill. Would she be interested in it? There was a reflective pause. “Well, sure,” my Grandmother said. “If you can’t find anyone else to get food to the old people, I guess I can.”

You know you’re getting old when everything either dries up or leaks!!
