PARADISE ISLAND UPDATE

Pat Walker, Association President

It's difficult to believe but autumn starts this month; time is moving much too rapidly for me. For those who are new to Florida, September is normally our most active month for tropical storms and hurricanes so don't let your guard down.

We had a good turnout for Hot Dog Night in August – kudos to Richard Crance and Phil Mathews for laboring over the gas grills in 90 degree heat to cook them – and cook them to perfection no less. Thanks guys! The food tables were also laden with delicious side dishes and the desserts were to die for – and I mean that in the most complimentary way.

As of the publication deadline, the entertainment committee had not met to finalize September events, so be sure to check Lake Haven Happenings on Facebook and/or the clubhouse bulletin board to determine what was decided and how to participate. The committee also plans to meet with the other parks to coordinate event schedules for the “season” in order to not create a conflict.

Thanks to Lynne Black, Cheri Mathews, Carol McCalvy, Rick Williamson, and Richard and Lei Crance for responding to my call for volunteers to deliver the Happenings booklets each month. It's always good to have a back-up team, so if you are willing to help out when one of the regulars is unavailable due to illness/company/travel, please let me know.

Bingo players will be happy to note that weekly games will once again start effective Thursday, September 16. We have two outstanding game callers in Lei Crance and Deb Grant. Everyone is welcome to join us in the Park #1 Clubhouse at 7PM. Even if you aren't lucky enough to win a game prize, perhaps you will win one of the \$5 drawings – at the very least you will have an opportunity to meet new friends AND indulge in a sweet treat or two at intermission.

Remember Patriots Day September 11 – Fly a flag or find another way to honor those tragically lost as a result of blatant enemy attacks on our country twenty years ago.

Stay safe – the possibility of rain storms and other violent weather conditions continues through November. Park #1 monthly Association Meetings will commence in October.

TREASURE COVE HAPPENINGS-PARK 2

Susan Regan-Secretary

Hello All! Well the summer of 2021 has come to an end! I hope you all had a great summer enjoying your favorite pastimes. Let's now say Happy Labor Day. Park 2 is looking forward to some fun activities and all residents that want to assist are encouraged to attend our next Association Meeting which will be held in the Park 2 Clubhouse on September 14th at 7pm.

We have a lot of new residents and we'd love to meet you so our Association Meeting will also be a Meet and Greet with coffee and dessert being served. So come on out and meet your neighbors. We would also love suggestions for upcoming events so put on your thinking caps for the meeting.

Our Park 2 Christmas Party will be December 12th at 5pm in the Park 2 Clubhouse. We will have music starting at 6pm. It's always a great party and while we're still working on our menu I promise it won't disappoint!

Our snowbird friends will be returning soon and we so look forward to seeing them all again. We wish them safe travels as they head back this way to escape the impending cold climate many of them come from.

Lastly we also want to wish our Jewish friends a Happy Yom Kippur which is celebrated September 15th. Have a blessed day.

May you all have a happy and healthy September.

Guana Cay News and Updates

Rob Peacock – Park 3 association president

Happy September everyone!

Can you believe the summer is already coming to an end? Autumn is right around the corner, seems like it just flew by. September 6th is Labor Day. Our day to recognize the American labor movement and honor the achievements of our labor organizations of the United States. Park 1 will have a BBQ in honor of Labor Day on or around 09/06/2021, Please look in your information tubes as well as the Lake Haven Facebook page for details.

September 11th is the 20-year anniversary of the terrorist attack on the world trade center. The national observance moment of silence is at 8:46am eastern time on 09/11. Please, if you can, take that special moment to heart and recognize the silence.

Local kids are heading back to school, please watch for them and be cautious in school zones.

It certainly was exciting to see some of our local athletes compete in the Olympics and come home with gold medals. What an honor for those who worked so hard.

The Red Tide is diminishing but please be aware of the lingering irritation on some beaches.

The virus has seemed to make a comeback with Florida being the highest state with infections, along with this, masks may become mandatory in some businesses again so be aware that our local stores and restaurants may go back to that.

Park 3 will now be accepting donations for our annual fall rummage sale in November. We are accepting furniture, small appliances, dishes, knick knacks, etc... Please notify Kay Tupper, Lot #504 or Mona Peacock, Lot #508 that you have donations for further instructions

Please get vaccinated if possible, it may save your life.

Please put the umbrellas down at the pools before you leave. This is an ongoing problem, we recently lost yet another umbrella because it was left up and we had a storm which blew it and the table over damaging the umbrella.

Stay hydrated in this intense heat and humidity.

Make someone happy today, show respect and dignity toward one another and the world will be a happy place for us all.

Watch your information tubes and Facebook page for news and updates.

NUMBERS IN THE NEWS

Online sources of news dominate

The days of getting your news from Walter Cronkite or the morning newspaper are long gone. The Pew Research Center reports that 86% of Americans get their dose of news from a smartphone, computer, or tablet “often” or “sometimes.” Sixty-eight percent rely on television, 50% listen to the radio, and 32% read print publications.

Digital devices are the dominant medium, with 52% of survey respondents saying they prefer to get their news from an online platform—a news website (26%), social media (11%) or podcasts (three percent). Just 35% said they prefer TV, seven percent like the radio, and five percent say their preference is print.

Crystals grew inside rock like arithmetic flowers. They lengthened and spread, added plane to plane in an awed and perfect obedience to an absolute geometry that even stones—maybe only the stones — understood.

Low-impact exercise

Feeling the need to exercise? Start out with this one:

Stand on a comfortable surface with plenty of room on each side. With a five-pound potato bag in each hand, extend your arms straight out from your sides and hold them there as long as you can. Try to last for a full minute, then relax.

Each day you'll find yourself holding this position just a bit longer.

After a week, move up to 10-pound potato bags. Then try 50-pound bags. Eventually, try to get to where you can lift a 100-pound potato bag in each hand and hold your arms straight for three minutes.

When you feel confident, put a potato in each bag.

The last drop

A bartender was so sure he was the strongest man around that he offered a standing \$1,000 bet. He would squeeze a lemon until all the juice ran into a glass. Anyone who could squeeze one more drop of juice out would win the money.

Many people tried over time—weightlifters, longshoremen, etc.—but nobody could do it.

One day a scrawny little man came into the bar wearing thick glasses and a polyester suit. He said in a tiny squeaky voice, "I'd like to try the bet."

Everyone laughed, but the bartender grabbed a lemon and squeezed it dry. Then he handed the remains to the little man.

Then the crowd's laughter turned to total silence as the man gripped the lemon and squeezed six more drops into the glass.

As the crowd cheered, the bartender paid the \$1,000 and asked the man, "What do you do for a living? Are you a lumberjack, a weightlifter, what?"

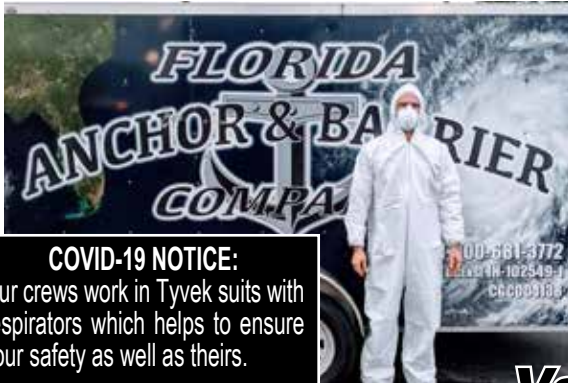

"No," the man replied. "I work for the IRS."

SEPTEMBER CALENDAR

Baby Safety Month. Parents and caregivers have many responsibilities, but keeping baby safe and healthy is a No. 1 priority. Whether you are expecting your first baby, adding to your growing family, or becoming a grandparent, now is the time to put into action some simple steps to keep baby safe.

Classical Music Month. In 1994, President Bill Clinton issued a proclamation making September Classical Music Month. The proclamation read in part: “Classical music is a celebration of artistic excellence. ... This month we exalt the many talented composers, conductors, and musicians who bring classical music to our ears.”

National Suicide Prevention Month. All month, mental health advocates, prevention organizations, survivors, allies, and community members unite to promote suicide prevention awareness.

Self-Awareness Month. Three key questions can help us increase our self-awareness: Who am I? What do I want? How do I want to be in my life? Reflecting on these questions will lead you to new insights about yourself. Give yourself the attention you deserve. When you do, you’ll be equipped to create the you that you want to be and create the life you want to have.

Weekly

National Waffle Week, Sept. 5–11. The word “waffle” comes from the Dutch “wafel,” from Middle Dutch “wafele,” which stretches as far back as the 13th century. No matter what you call them, no one can deny waffles are delicious.

National Assisted Living Week, Sept. 12–18. National Assisted Living Week provides a unique opportunity for residents, their loved ones, staff, volunteers, and surrounding communities to recognize the role of assisted living in caring for America’s seniors and individuals with disabilities.

National Truck Driver Appreciation Week, Sept. 12–18. National Truck Driver Appreciation Week is a time to pay respect and thank all professional truck drivers for their hard work and commitment in undertaking one of our economy’s most demanding and important jobs.

National Dog Week, Sept. 19–25. Established in 1928 by WWI veteran Captain Will Judy, who wrote, “The world likes dogs because dogs are nearest to moral perfection of all living things.”

Some short snappy ones

- If you want to find out who likes you more, lock your best friend and your dog in the trunk of your car for an hour. When you open the trunk, who is happy to see you?
- What did one eye say to the other? “Between you and me, something smells.”
- How did the hipster burn his mouth? He ate pizza before it was cool.
- Insect puns bug me.
- My leaf blower doesn’t work. It sucks.
- Teacher: “Which book has helped you the most in your life?” Student: “My father’s checkbook.”
- My friend thinks he’s so smart. He told me an onion is the only food that makes you cry, so I threw a coconut in his face.
- Math teacher: “If I have five bottles of beer in one hand and six in the other hand, what do I have?” Student: “A drinking problem.”
- Two psychics run into each other on the street. One says to the other, “You’re fine, but how am I?”

Missing ingredient

A food critic visited a local restaurant to review its food for the local magazine. The owner welcomed her and showed her to a table.

After a while, the critic called the owner over to say that there was something missing in her bowl of soup.

The owner asked if it was too spicy, too sweet, or too salty. The critic said no, so the owner decided to taste the soup himself. “Give me a spoon.”

"That's what's missing," said the critic.

"...I am so happy with my new windows...I'd like to commend your work crew. Earbie and Larry were fantastic! I couldn't believe the clean-up EVERYDAY! The whole job took just a week even with all the rain delays. I would and WILL highly recommend your company to my friends and neighbors. Of course I won't need to say a word – the house is doing all the talking! Thank you so much for my beautiful new house."
