# September, 2021 Westwind II “Hi-Lites” CONDENSED EDITION

Tim Burgner, Editor

**T**he ONLY way to receive the “Hi-Lites” Magazine is to get on the email list.

Two years ago, I added the “PG-13 Laughs & Giggles” to the “Hi-Lites” Magazine. When I write that If you’re not getting the “Hi-Lites” MAGAZINE, you’re missing out on ALL the “FUN STUFF” and you’re only seeing HALF of the “Hi Lites,” this is just one of the items you’re missing! MANY of the comments I receive is that people do enjoy the “PG-13” jokes & cartoons. If you’re not already getting the emailed “Hi-Lites” Magazine, give yourself a treat and get on the email list. “TRY IT; YOU’LL LIKEIT!”.....

**MITRENGRUB@GMAIL.COM**

Are YOU getting the “Hi-Lites” MAGAZINE? If not, you’re missing out on ALL the “FUN STUFF.” The MAGAZINE is sent out 2 weeks before the published park edition is delivered. It is FULL of COLOR pictures instead of ads. It’s sent out 12 months a year. It’s FULL of color and it’s FREE!...More than 300 people are now on the list...YOU should be too....Just send an email to **mitrengrub@gmail.com** to get on the list...SO SIMPLE!.... See what you’ve been missing. If you’re not getting the MAGAZINE, you’re NOT seeing the “Hi-Lites.” (NO ONE will see your email address.)

**SEE WHAT YOU’RE MISSING...GET ON THE “Hi Lites” MAGAZINE LIST TODAY!**  
**mitrengrub@gmail.com**

(When you see this note, it means you are missing part of that article which had to be deleted to make room for the ads. Usually it’s pictures - anywhere from one to 20 - sometimes more. This is why people get the MAGAZINE EDITION. If you’re still not on the list, you’re missing a LOT!.....(“Try it; You’ll LIKE it!”).

## **THANKS TO ELAINE BLANK FOR THE FOLLOWING:**

### **REQUEST FOR HELP**

**W**estwind (including WW1 and WW 2), has a very small group of ladies that will call you every morning just to say hello and make sure you are alright. This service has been going on for years and I am sure many of you never knew this. It is very reassuring to some of our seniors who live alone to know that someone will check on them each morning. There have been times when that phone call resulted in getting help to someone who had fallen during the night or had some other issue that they needed help to resolve. Well, the volunteer caller list has dwindled over the years and is in need of an extra couple of people who could take the call book for a little while. The ladies

**VOLUNTEER**

*continued on page 6*

pass the book around so that no one has the call responsibility for a long period of time. Currently, there are about six or eight people that request a call each day so it is not a lengthy call, unless you choose it to be. There are about five people who make the calls but some of them are snowbirds and some of them can't do it due to their own health issues so I am asking that anyone who would like to volunteer an hour or so each morning to make a few well-check calls...**please contact Sylvia Harris in Lot #183.** The more call volunteers we have, the fewer days each person has the book. Also this helps when one of the volunteers is away or is ill and can't make the calls. We have volunteers from both WW1 and WW2 and also the calls are made to anyone in either WW1 or WW2 who requests the service. Please give this some thought.

Thank you,  
Elaine Blank

## IMPORTANT MESSAGE FROM THE EDITOR OF “Hi-Lites” Magazine

**B**eginning with the *JUNE* edition of the “Hi-Lites” Magazine, I am **ONLY** including articles, pictures, announcements, calendar entries, cartoons, jokes, etc. that **OTHERS** send me. For the summer months, I will no longer be sending out emails requesting these items for the “Hi-Lites.” (I will continue to send out “Due Date Reminders.”). Because Westwind II still has a published edition hand delivered to our residents, something still needs to be sent to the publisher each month.

PLEASE continue to send articles and pictures that I can put into the “Hi-Lites” over the summer months....That would include: “BIRTHDAY/ANNIVERSARY CLUB,” “MEET YOUR NEIGHBOR,” “BEEN THERE; DONE THAT,” “LETTERS TO THE EDITOR,” “LAUGHS & GIGGLES,” “HOW I SPENT MY SUMMER/WINTER VACATION,” “PG-13 LAUGHS & GIGGLES,” PROMOTIONS FOR UPCOMING EVENTS AND PICTURES -LOTS OF PICTURES.

### New Westwind Website Goes Live

**W**estwind I is happy to announce that our new website is up and running. We are hoping that you will find this website easy to navigate and helpful. We also look forward to finding more ways that we can use this as a convenient tool to help improve our daily lives and communication within our community. It will be a “work in progress” and we look forward to feedback from community members as to how this can be improved. Suggestions can be made through the “Contact Us” page and sent to the Webmaster/Website. *We especially look forward to making this a community wide website with the addition of the Westwind II events and information.*

To protect our residents and maintain their privacy, certain parts of the website will require a login to view. We recommend that all residents register for an account on the website. This will allow you to view all parts of the website. If you need assistance in registering you can stop into the Westwind I Office for instructions. John Schoen is also available after Westwind I coffee on Tuesday morning for anyone needing assistance.

COVID has certainly made this past year a challenging one in so many ways, including developing a website. We look forward to continuing to grow and improve over time. We also look forward to having all of you join us.

*New Website: westwindroc.com (old website will redirect)*

## MEET YOUR NEIGHBOR:

### TIM & BARBARA SCHUTT # 166

**T**im and Barbara Schutt met while out dancing 32 years ago at a club and dated for a year and decided to get married. We'd both been married before so only wanted something simple, so we went to the courthouse and got married - just the two of us present. We then went to CA for our honeymoon as Tim had grown up in CA and had a landscaping business there before he moved back to Rockford, IL where he was born and his father still lived there. He started his long career in union construction work and retired after 32 years, 25 of those with one company. He retired in 2013 at the age of 54.

Barbara had lived her entire life in the Rockford area working clerical jobs and with accounting firms as a tax preparer then stayed at home with our children. We have two daughters together, ages 26 and 27 with our oldest now happily married. Tim has a son as well who lives in Denver with 2 grandchildren who are 5 and 3.

We have enjoyed traveling as a family when the girls were little to places like Jamaica and Puerto Rico which at one point we thought we'd like to live there part time. We took a trip to FL and fell in love with Dunedin one winter while staying in an AirBnB, enjoying biking the Pinellas Trail into town and all that this little town has to offer. We looked around and found a home in Lake Highlander that we bought but quickly realized that family wanted to visit so our 1 bed, 1 bath home was too small, haha.

We then discovered Westwind and found our home at #166, moved in Jan. 2020 and just love our little community here!

We like to bike ride, kayak, fish, recently learned to play pickleball and stay active. May go back to try to learn tennis as well. We hope to move here full time soon one day as our families are all doing their own independent things and it's time for us to embrace this time. No coulda, shoulda, woulda's here. Do what makes you happy!

Tim & Barbara Schutt

## Will YOU be remembered by the WW II Park Community?

#### *Turkey Vultures at entrance to Westwind at Alt. 19*

Native Americans have some of the most fascinating names for birds.

They refer to Turkey Vultures as "Peace Eagles" because their wingspan rivals the eagle. Still, these birds lack the eagle's sharp talons and killer instinct.

The Latin name for Turkey Vulture is "Cathartes aura," meaning "breezy cleaner."

We should appreciate these birds

## HOW I SPENT MY SUMMER VACATION

### OUTDOOR CHANDELIERS

**H**ead down Broadway in Dunedin on any given night and it's impossible to miss the glow of the chandeliers. Each one is a bit different: Some have lights hanging low, trailing long tentacles like jellyfish. Others flash with colored lights that bounce off dangling trinkets and beads. They can nod to a particular theme, like Dunedin's oranges or pirates.

It was this row of chandeliers that inspired Dunedin resident Lee Miller to make her own. When she saw a chandelier sitting out on the curb one day, she knew she had to bring it home.

Tampa Bay Times Article

***SEE WHAT YOU'RE MISSING...GET ON THE "Hi Lites" EMAIL LIST TODAY!***  
***mitrengrub@gmail.com***

Not to be out done by Lee Miller, we now have an outdoor chandelier. I spied my chandelier in an upscale development in Strongsville, Ohio. It was a Wednesday morning - trash day. I purposely ride my bike through several neighbors on Wednesday mornings looking for "treasures." (I have found MANY over the years. This summer, I found a solid cherry hope chest, a new designer pole lamp, a large and a small lantern that will become Halloween decorations. I'm on my bike so I have to hide them in the bushes and then drive back to collect them with the van. I asked permission from a resident to stash the hope chest by his garage. I put one end on a large piece of cardboard. While I was dragging it up the sidewalk, FOUR (4) people came in their vans/pick-up trucks to claim it. They had seen it earlier and went to find someone to help them lift it into their vehicle....but I digress.

I revamped the chandelier by removing the four 110 V light sockets and replacing them with outdoor 12V lights. I then got on eBay and ordered a brown string of 100 "warm" Christmas mini lights. I zip tied them to the chandelier.

The finished chandelier now hangs under the canopy of our deck gazebo. When all the lights come on, the fabric canopy glows. The hardest part of this job was running and hiding wires used to connect it to transformers and outlets.

### THANKS TO JOEL DANIELS FOR THE FOLLOWING:

**G**ood morning Tim,  
Frenchie just informed me that someone stole his golf cart last night. You may want to put something in the newsletter about how to keep this from happening. The police told him that this happens more often than car theft. The article below has a few tips that might be helpful to folks.

We tend to get complacent and feel like this sort of thing won't happen in the park, but unfortunately theft is everywhere.

With the growing popularity and accessibility of golf carts, it is important now more than ever to protect your cart against theft. Did you know tens of thousands of golf carts are stolen each year? Check out these tips to prevent that from happening to you.

- 2. INSTALL A UNIQUE KEY.** Golf carts come from each manufacturer with a universal key which means that your EZ-GO key will not only work on your cart, but on your buddy's cart too. This makes them incredibly easy to run off with. Consider changing the

factory key cylinder switch and installing a unique key instead.

- 3. **HIDDEN KILL SWITCH.** A hidden kill switch can be used to disable your cart to prevent theft. When the kill switch is engaged, the cart won't start, even if they're trying to hot wire it. Additionally, there are many hidden locations on a cart that the switch can be installed.
- 4. **LOCKING MECHANISM.** Adding a steering wheel lock or pedal lock can deter thieves simply because of the additional time and effort it would take to try to steal the cart. Plus, without being able to steer or accelerate, it would be very difficult to take the cart.
- 5. **INSTALL A GPS.** Anti-theft mechanisms are not foolproof and carts can still be stolen despite your best preparation efforts. Consider installing a GPS on your cart so that if it is stolen, local law enforcement officials can quickly track your cart down.

If you have any questions about golf cart theft or are ready to implement some of these suggestions, contact our service professionals at 888-913-6137.

Just a comment on the August newsletter. The **wildflowers from the cabin** were as follows: **SEE PAGE 32** - #1...Trillium on the top left (Ontario's provincial flower)...#2...Bloodroot on the top right and...#5...Pink LadySlipper on the bottom right.

If my Jacks in the pulpit were in season now, I'd send you a photo.They are quite different from the Lady Slippers.

***Here's a joke from Bob:***

A man was walking along the beach when he spotted an old bottle in the sand. He picked it up, rubbed it and out popped a genie. The genie told him he had one wish. Being a humble sort of fellow, the man said, "I just want to be happy." The next thing he knew, he was living in a cottage with six dwarfs and working in a mine! (Hi Ho! Hi Ho!- for those who don't get the reference!)

Hope Pat has a speedy recovery from her hip replacement!

## PUBLIC SERVICE ANNOUNCEMENT

---

THANKS TO DON ROWAN FOR THE FOLLOWING:

### *Beware!*

I locked my car. As I walked away, I heard my car door unlock. I went back and locked my car again three times. Each time, as soon as I started to walk away, I would hear it unlock again!! Naturally alarmed, I looked around and there were two guys sitting in a car in the fire lane next to the store. They were obviously watching me intently, and there was no doubt they were somehow involved in this very weird situation. I quickly chucked the errand I was on, jumped in my car and sped away. I went straight to the police station, told them what had happened, and found out ***I was part of a new, and very successful, scheme being used to gain entry into cars.*** Two weeks later, my friend's son had a similar happening.... While traveling, my friend's son stopped at a roadside rest to use the bathroom. When he came out to his car less than 4-5 minutes later, someone had gotten into his car and stolen his cell phone, laptop computer, GPS navigator, briefcase.....you name it. He called the police and since there were no signs of his car being broken into, the police told him he had been a victim of the latest robbery tactic -- ***there is a device that robbers are using now to clone your security code when you lock your doors on your car using your key-chain locking device...*** They sit a distance away and watch for their next victim. They know you are going inside of the store, restaurant, or bathroom and that they now have a few minutes to steal and run. The police officer said to ***manually lock your car door-by hitting the lock button inside the car*** -- that way if there is someone sitting in a parking lot watching for their next victim, it will not be you. When you hit the lock button on your car upon exiting, it does not send the security code, but if you walk away and use the door lock on your key chain, it sends the code through the airwaves where it can be instantly stolen Be wisely aware of what you just read and please pass this note on. Look how many times we all lock our doors with our remote just to be sure we remembered to lock them -- and bingo, someone has our code...and whatever was in our car. Snopes Approved --***Please share with everyone you know.***

## BOOK CLUB

The September meeting of the Westwind Book club will be held on *Tuesday, September 28th, in the Westwind II Library at noon*. The book for September is **Long Petal of the Sea** by Elizabeth Allende. The following is a summary of the story:

In the late 1930s, civil war grips Spain. When General Franco and his fascists succeed in overthrowing the government, hundreds of thousands are forced to flee in a treacherous journey over the mountains to the French border. Among them is Roser, a pregnant young widow, who finds her life intertwined with that of Victor Dalmau, an army doctor and the brother of her deceased love. In order to survive, the two must unite in a marriage neither of them desires.

Together with two thousand other refugees, they embark on the SS Winnipeg, a ship chartered by the poet, Pablo Neruda, to Chile: “the long petal of sea and wine and snow.” As unlikely partners, they embrace exile as the rest of Europe erupts in world war. Starting over on a new continent, their trials are just beginning, and over the course of their lives, they will face trial after trial. But they will also find joy as they patiently await the day when they will be exiles no more. Through it all, their hope of returning to Spain keeps them going. Destined to witness the battle between freedom and repression as it plays out across the world, Roser and Victor will find that home might have been closer than they thought all along.

Hope to see you on the 28th!

to be for "handyman projects." It is meant for something relatively simple that should only take a few minutes to complete (installing fluorescent bulbs, programming a TV remote, hanging a curtain rod, getting something down from a top shelf, etc.) It is meant to be a FREE service. You are not expected to pay anything - even a free beer. This service will be provided to WWII residents We are looking for MORE names for this list. If you would like to be included, please call or e-mail me - Tim Burgner.

## **HISTORY LESSON**

*SENT BY TOM FINNEGAN*

### **Coming Home, 1945**

**I**n 1939, there were 334,000 servicemen, not counting the Coast Guard.

In 1945, there were over 16 million, including the Coast Guard.

At the end of the war, over 8 million of these men and women were scattered overseas in Europe, the Pacific and Asia.

Shipping them out wasn't a particular problem but getting them home was a massive logistical headache.

Army Chief of Staff General George C. Marshall had already established committees to address the issue in 1943.

## SOCIAL CLUB PRESIDENT'S LETTER

**H**i everyone,

Our events coordinators, *Rose Sullivan* and *Debbie Grandmont*, have been very busy planning activities for the coming year. We are always looking for committee persons to chair any event that they may think would be of interest to our community including holiday dinners.

We have a nominating committee for the social club for 2022. *Karen Hanafin* and *Becky Gump* are the co-chairs for that committee. Anyone who is interested in running for a position on the social club board or as a trustee, please contact them. We will have that election in December prior to the end of the year.

***Below are some of the activities that are scheduled for 2021/2022 season:***

Coffee and donuts will be the ***first*** and ***third Tuesdays*** of the month.

Beginning in November, the first Tuesday will also be a meeting at nine followed by coffee and donuts.

The last Wednesday of the month -starting in January- we will have our grill.

Along with our regular events, we have some special events that will be occurring: ***11/19*** welcome party, ***12/9*** Christmas party with entertainment, ***1/12*** comedian, "Hardly Worth it," ***2/11*** Bobby Palermo, ***3/17*** St. Patrick's dinner, ***3/19*** art walk, ***4/10*** ice cream social. Bingo and military whist will begin again in November. Please check the calendar for dates and times. We will have a grill and "horse races" on ***12/5***, ***1/9***, ***2/13***, and ***3/13***.

Please check the monthly calendars for times and ticket prices -if any- and any changes that may occur during the season.

We look forward to a happy and fun time here at Westwind II.

Please check the Facebook page: "Westwind II social club" for updates. We are also moving forward towards our website along with Westwind I. I will keep you posted.

**THANKS TO MAX HERRMANN FOR THE FOLLOWING:**

**I DON'T MEAN  
TO INTERRUPT PEOPLE  
I JUST RANDOMLY  
REMEMBER THINGS  
& GET REALLY EXCITED**

**If you answer  
the phone with  
"Hello, you're on the air!"  
most telemarketers  
will quickly hang up...**

**THANKS TO JOEL DANIELS FOR THE FOLLOWING:**

**i just cleared out  
some space in the freezer  
sounds much more productive  
than i just polished off  
another pint of ice cream.**

**Two things to make  
your day better:**

1. Do not watch the News.
2. Stay off the bathroom scale.

**THANKS TO MARIA SERAPHIM FOR THE FOLLOWING:**

**Random Thoughts**

- I'm on two diets. I wasn't getting enough food on one.
  - A cold seat in a public restroom is unpleasant. A warm seat in a public restroom is worse.
  - Apparently replying to a wedding invitation "Maybe next time," isn't an acceptable response.
  - Don't irritate old people. The older we get, the less "Life in prison" serves as a deterrent.
  - "You will hit every cone on the highway before I let you merge in front of me, because you saw that sign 2 miles ago just like I did."
  - I asked my wife if I was the only one she had ever been with. She said yes, all the others were nines and tens.
  - I told my wife I wanted to be cremated. She made me an appointment for Tuesday.
  - My wife asked me to take her to one of those restaurants where they make food right in front of you. I took her to Subway. That's when the fight started.
  - I went line dancing last night. Actually, it was a roadside sobriety test ... same thing

"...I am so happy with my new windows...I'd like to commend your work crew. Earbie and Larry were fantastic! I couldn't believe the clean-up EVERYDAY! The whole job took just a week even with all the rain delays. I would and WILL highly recommend your company to my friends and neighbors. Of course I won't need to say a word - the house is doing all the talking! Thank you so much for my beautiful new house."
