Some great events coming up in September.... please watch for further information and don't miss the Dog Days of Summer on August 28.

It's also still hurricane season. Make sure you are prepared should the need to evacuate arise. Since we are in a Zone A we will be the first order of evacuation.

LABOR DAY 2021

Labor Day 2021 will occur on Monday, September 6. Labor Day pays tribute to the contributions and achievements of American workers and is traditionally observed on the first Monday in September. It was created by the labor movement in the late 19th century and became a federal holiday in 1894. Labor Day weekend also symbolizes the end of summer for many Americans, and is celebrated with parties, street parades and athletic events.

Why Do We Celebrate Labor Day?

Labor Day, an annual celebration of workers and their achievements, originated during one of American labor history's most dismal chapters.

In the late 1800s, at the height of the Industrial Revolution in the United States, the average American worked 12-hour days and seven-day weeks in order to eke out a basic living. Despite restrictions in some states, children as young as 5 or 6 toiled in mills, factories and mines across the country, earning a fraction of their adult counterparts' wages.

...continued on page 6

People of all ages, particularly the very poor and recent immigrants, often faced extremely unsafe working conditions, with insufficient access to fresh air, sanitary facilities and breaks.

As manufacturing increasingly supplanted agriculture as the wellspring of American employment, labor unions, which had first appeared in the late 18th century, grew more prominent and vocal. They began organizing strikes and rallies to protest poor conditions and compel employers to renegotiate hours and pay.

Many of these events turned violent during this period, including the infamous Haymarket Riot of 1886, in which several Chicago policemen and workers were killed. Others gave rise to longstanding traditions: On September 5, 1882, 10,000 workers took unpaid time off to march from City Hall to Union Square in New York City, holding the first Labor Day parade in U.S. history.

The idea of a “workingmen’s holiday,” celebrated on the first Monday in September, caught on in other industrial centers across the country, and many states passed legislation recognizing it. Congress would not legalize the holiday until 12 years later, when a watershed moment in American labor history brought workers’ rights squarely into the public’s view. On May 11, 1894, employees of the Pullman Palace Car Company in Chicago went on strike to protest wage cuts and the firing of union representatives.

On June 26, the American Railroad Union, led by Eugene V. Debs, called for a boycott of all Pullman railway cars, crippling railroad traffic nationwide. To break the Pullman strike, the federal government dispatched troops to Chicago, unleashing a wave of riots that resulted in the deaths of more than a dozen workers.

Who Created Labor Day?

In the wake of this massive unrest and in an attempt to repair ties with American workers, Congress passed an act making Labor Day a legal holiday in the District of Columbia and the territories. On June 28, 1894, President Grover Cleveland signed it into law. More than a century later, the true founder of Labor Day has yet to be identified.

Many credit Peter J. McGuire, cofounder of the American Federation of Labor, while others have suggested that Matthew Maguire, a secretary of the Central Labor Union, first proposed the holiday.

Labor Day Celebrations

Labor Day is still celebrated in cities and towns across the United States with parades, picnics, barbecues, fireworks displays and other public gatherings. For many Americans, particularly children and young adults, it represents the end of the summer and the start of the back-to-school season.

WHEN IS GRANDPARENTS DAY 2021?

Grandparents Day is celebrated the first Sunday after Labor Day, which is September 13 this year.

On the first Sunday after Labor Day we celebrate National Grandparents Day. This year the date falls on September 12. Like Mother's day and Father's day we also have a whole day dedicated to our grandparents. Grandparents and children have a special connection that is proven to both make grandparents live longer, and also make children more emotionally resilient. Grandparents Day is an opportunity to treasure that connection and spend some quality family time together.

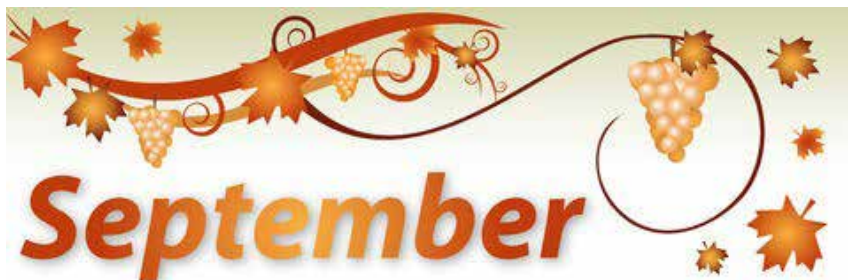

HISTORY OF GRANDPARENTS DAY

In 1969, nine-year-old Russell Capper sent President Nixon a letter suggesting that a day should be set aside in order to celebrate grandparents. On June 12, 1969, he received a letter back from Rose Mary Woods — Personal Secretary to the President — reading, “Dear Russell, Thank you for your letter to President Nixon. Your suggestion regarding a Grandparent’s Day is appreciated, but the President ordinarily issues proclamations designating periods for special observance only when a Congressional resolution authorizes him to do so. With best wishes, Sincerely, Rose Mary Woods Personal Secretary to the President.”

Following this letter, Marian McQuade was recognized nationally by the U.S. Senate and by President Jimmy Carter as the founder of National Grandparents Day. McQuade wanted to educate the youth about the importance of seniors and the contributions they have made throughout history. She urged the youth to “adopt” a grandparent and learn more about their lives, challenges, and desires for the future.

In 1977, Senator Randolph, with the help of other senators, introduced a joint resolution to the senate requesting the president to “issue annually a proclamation designating the first Sunday of September after Labor Day of each year as ‘National Grandparents’ Day’.” Congress passed the legislation, proclaiming the first Sunday after Labor Day as National Grandparent’s Day. On August 3, 1978, Jimmy Carter signed the proclamation, and the day was finally celebrated the following year.

RESIDENT SPOTLIGHT

MIKE AND CINDY SADUSKY LOT 14

Mike and Cindy Sadusky have lived at IITS since December 2019.

They moved here from Lancaster, PA by way of Ocean City, MD.

Clearwater became a destination for them in 2004 when they came for the Philadelphia Phillies spring training games. And in this interview, after that point, we were off and running with these two sports aficionados.

Mike is an Eagles football fan and Cindy roots for the Kansas City Chiefs. In October these two football teams play each other in Philadelphia and guess who already has tickets and travel plans!

They have a Grand Dog and 3 Grand Cats, and two adopted cats of their own named Chief and Eagle, of course! Their daughter and son-in-law live near Philadelphia.

Mike has retired as a Transportation Manager in the food distribution industry and Cindy retired from QVC as a District Manager.

Mike walks 9 miles a day. EVERYDAY! You will see him with his headphones on and his arms pumping up and down as he walks the park in the mornings. Give him a wave when you see him. He also enjoys watching sports and listening to music.

Cindy loves to play games here at IITS. She also admits to being an avid reader and a TV addict.

They both enjoy attending Chit Chat and playing shuffleboard and bocce ball.

Cindy is a Director on the HOA Board, Bingo Caller Captain and a member of our Activities Committee.

Ladies Luncheon

Ladies Luncheon will be August 19 at 12 noon. The ladies will be enjoying Rumba's this month and we will have an update on that as it falls after the Media deadline. All ladies in the community are invited to join in! It's always a fun time, with door prizes!

Thank you Nancy Bilcheck for keeping up this IITS tradition!

SPOTLIGHT ON PETS

Submitted by Anna Van Vulpen, Lot 171

Welcome our newest member of our dog community "Max". He belongs to Hope and Charlie McCarthy. They adopted him three weeks ago and his size has doubled since they brought him home. He is 12 weeks old and loves to take walks, eating bones and going to the dog park. He is the McCarthy's seventh AKC Samoyed since 1995. They have used the same trainer for all seven dogs. Max will soon begin obedience, confirmation (to teach him to show) and service dog training. Samoyeds are Siberian dogs that are bred for herding and sledding. They can withstand the cold up to 50 below.

You may remember Tank, Max's predecessor. He recently passed away. I think everyone knew Tank. He was a kind, gentle and sweet BIG dog. The McCarthy's have had six AKC Championship Samoyeds. You can feel their love for the breed when you enter their home. They have pictures of all their dogs along with their ashes.

If you get a chance make sure you introduce yourself to Max. He a big ball of white and is super friendly. We can all watch him grow up and be the fine dog that Tank was. Max, welcome to our community!

REMEMBRANCE CORNER

Submitted by Helen Dennison

Hi, my name is Helen Dennison. Most of you reading this Media have seen me out and around Island in the Sun. My husband Ed and I have been residents at #210 for about eight years. I am affectionately known as “Maggie’s Mom”. Maggie is our sweet little dog that rides around with us in our golf cart with pink lights in a rack on the front that was built for her.

I just learned recently that Kevin DeLewis of lot #272 had passed away on June 17 at Morton Plant Hospital of a stroke and complications. He was only 59 years old. I remember Kevin wheeling his Jill to the clubhouse in her wheelchair for potluck dinners before the Covid epidemic. They had been together since they were 15 or 16. She is alone and would welcome a phone call or card. She is unlikely to come to the door.

If there are others I am unaware of, please let me know. I am thanking you in advance.

Here is a list of those who will be missed.

Please forgive me if I forgot you or someone close to you. Please contact me if you are aware of someone that needs to be remembered for the Media next month. Stay safe and healthy. We love you all, just the way you are.

Curious how to find out what is happening at IITS?

Submitted by Marilyn Babcock, Lot 161

As there are many new neighbors here at Island on the Sun, I thought I would take a minute to let you know about the various ways you can stay abreast of the meetings and activities taking place in the park.

There are 2 Facebook pages:

1. The Official Island in the Sun HOA - this page contains information about HOA related issues.
2. Island in the Sun Social Group - this group has information about activities taking place in our community and provides notifications.

The Island in the Sun Sentinel, also known as the media, is delivered by fellow neighbors monthly. It contains information about the community and articles of general interest.

The marquee as you enter the park has up-coming events. If sign-up is required, the form will be in the clubhouse on the table straight ahead as you enter.

The HOA meeting for all residents takes place on the first Tuesday of the month at 7 PM. HOA meetings will resume on September 7 in the Clubhouse. By the way, if you have not already done so, please join the HOA. Current dues for a 2 person household are \$20.00 annually. See any Board Member at the HOA meetings or in the community for membership.

There is also a Robocall, placed by Mike Malliet, for upcoming events. If you wish to be on the list to receive these calls, please send Mike an email at: mmal1974@yahoo.com. Please include your Name, Lot number and full telephone number including area code. Be aware some carriers have auto-blocking for numbers. If you add 1-877-333-9336 to your contacts the call will go through without issue. If you do not have access to email, please see any board member and we will be happy to forward your information to Mike.

I hope this has helped our new neighbors. Our community is warm and welcoming. Glad you joined the IITS family!

IITS GAMES UPDATE

LEFT RIGHT CENTER

This hilarious game is played every second Tuesday of the month at 7 PM.

Because of its popularity and top notch fun level, it is scheduled the second and fourth Tuesdays of the month starting in September.

Our game on August 10 had 17 players and our winners were Phil Tursi for the \$2 round, Nancy Bilcheck for the \$3 round, and Cathy Ralston for the lightning round.

Starting in September we will do one \$2 round and two \$3 rounds. Please join us for lots of laughs and fun. You will need eight \$1 bills. NO EXPERIENCE NEEDED!

CHIT CHAT

Please join us for Chit Chat on Fridays from 5-7 PM.
One rule only: no HOA, political, or religious topics.
BYOB
Snacks are welcome.

BINGO

Every Thursday at 7 PM you are welcome to join us for regular and special Bingo games. Ten percent of our payout money is put in a Super Bingo pot and the Super Bingo night is September 24.

We have disks and daubers available to lend to anyone who needs them. If you are new to bingo or haven't played much in the past, we will seat you with seasoned players to help you along.

You can bring a snack for yourself or one to share. Ice water is provided.

CHRISTMAS IN JULY ECKERD RAISING HOPE EVENT

Our Back To School fund drive to help children in need was a wonderful example of the giving and caring residents here in IITS.

We donated so many school supplies that it took 3 SUVs to carry them all to Eckerd.

We also had cash and check donations, including the HOA's portion of the 50/50 money from the potluck kickoff on July 24, totaling \$247.

Thank you to everyone who participated with donations and attendance at the potluck. We have made a difference in a lot of young lives!

At Dedicated Senior Medical Center, we're committed to keeping seniors healthy, happy and at home. We understand these are scary times, but we're here to help. Dedicated doctors specialize in caring for seniors and that's why we make it easy for you to see a doctor.

Ask yourself:

1. Is your doctor's office still open?
2. Have you heard from your doctor in the past two weeks?
3. Is your doctor personally calling and texting to check on you?
4. Has your doctor called you to explain your risk of coronavirus?
5. Is your doctor's office offering doctor phone visits?
6. Does your doctor allow walk-in visits?
7. Are you able to call your doctor anytime, day or night?
